**PROXY STATEMENT
FOR THE
2006 ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 24, 2006**

Our Board of Directors is soliciting proxies for the 2006 Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

The Board set April 4, 2006 as the record date for the Meeting. Stockholders of record who owned our common stock on that date are entitled to vote at and attend the Meeting, with each share entitled to one vote. On the record date, there were 26,659,942 shares of our common stock outstanding.

Voting materials, which include this Proxy Statement, a proxy card and the 2005 Annual Report, will be mailed to stockholders on or about April 24, 2006.

In this Proxy Statement:

We, us, our, PDF Solutions and the Company refer to PDF Solutions, Inc.

Annual Meeting or Meeting means our 2006 Annual Meeting of Stockholders

Board of Directors or Board means our Board of Directors

SEC means the Securities and Exchange Commission

We have summarized below important information with respect to the Annual Meeting.

Time and Place of the Annual Meeting

The Annual Meeting is being held on Wednesday, May 24, 2006 at 1:30 p.m. local time at the Marriott Hotel, located at 301 South Market Street, San Jose, California 95113.

All stockholders of record who owned shares of our stock as of April 4, 2006, the record date, may attend the Annual Meeting.

Purpose of the Proxy Statement and Proxy Card

You are receiving a Proxy Statement and proxy card from us because you owned shares of our common stock on April 4, 2006, the record date. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

When you sign the proxy card, you appoint John K. Kibarian and Keith A. Jones as your representatives at the Meeting. Messrs. Kibarian and Jones will vote your shares, as you have instructed them on the proxy card, at the Meeting. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Meeting it is a good idea to complete, sign and return your proxy card or vote your shares by telephone or via Internet in advance of the meeting just in case your plans change.

Proposals to be Voted on at This Year's Annual Meeting

You are being asked to vote on:

The election of two Class II directors to serve on our Board of Directors.

Table of Contents

The ratification of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year.

The Board of Directors recommends a vote FOR each proposal.

Voting Procedure

You may vote by mail

To vote by mail, please sign your proxy card and return it in the enclosed, prepaid and addressed envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct.

You may vote in person at the Meeting

We will pass out written ballots to anyone who wants to vote at the Meeting. Holding shares in street name means your shares of stock are held in an account by your stockbroker, bank or other nominee, and the stock certificates and record ownership are not in your name. If your shares are held in street name and you wish to attend the Annual Meeting, you must notify your broker, bank or other nominee and obtain the proper documentation to vote your shares at the Annual Meeting.

You may vote by telephone or electronically

If you live in the United States or Canada, you may submit your proxy by following the Vote by Telephone instructions on the proxy card. If you have Internet access, you may submit your proxy from any location in the world by following the Vote by Internet instructions on the proxy card.

You may change your mind after you have returned your proxy card

If you change your mind after you return your proxy card or submit your proxy by telephone or Internet, you may revoke your proxy at any time before the polls close at the Meeting. You may do this by:

- enter a new vote by telephone, over the Internet or by signing and returning another proxy card at a later date;
- provide written notice of the revocation to the Secretary; or
- voting in person at the Annual Meeting.

Multiple Proxy Cards

If you received more than one proxy card, it means that you hold shares in more than one account. Please sign and return all proxy cards to ensure that all of your shares are voted.

Quorum Requirement

Shares are counted as present at the Meeting if the stockholder either:

- is present and votes in person at the Meeting, or

has properly submitted a proxy card or voted by telephone or Internet.

A majority of our outstanding shares present (either in person or by proxy) constitutes the quorum required for holding the Annual Meeting and conduct business.

Table of Contents

Consequences of Not Returning Your Proxy Card; Broker Non-Votes

If your shares are held in your name, you must return your proxy card or vote by telephone or Internet (or attend the Annual Meeting in person) in order to vote on the proposals. If your shares are held in street name and you do not return your proxy card or vote by telephone or Internet, your stockbroker may either:

vote your shares on routine matters, or

leave your shares unvoted.

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, brokers may vote such shares on behalf of their clients with respect to routine matters (such as the election of directors or the ratification of auditors), but not with respect to non-routine matters (such as a proposal submitted by a stockholder or a proposal related to a stock incentive plan). If the proposals to be acted upon at the Meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that votes FOR the routine matters, but expressly states that the broker is not voting on non-routine matters. This is called a broker non-vote.

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast. Since there are no non-routine matters to be acted upon at the Meeting, the voting results from the Meeting are not expected to include broker non-votes.

We encourage you to provide instructions to your stockbroker by returning your proxy card or voting by telephone or Internet. This ensures that your shares will be voted at the Meeting.

Effect of Abstentions

Abstentions are counted as shares that are present and entitled to vote for the purposes of determining the presence of a quorum and as votes AGAINST a proposal for purposes of determining the approval of any matter submitted to the stockholders for a vote.

Required Vote

Assuming a quorum is present, the two nominees receiving the highest number of affirmative votes will be elected as directors.

Vote Solicitation; Use of Outside Solicitors

PDF Solutions, Inc. is soliciting your proxy to vote your shares at the Annual Meeting. In addition to this solicitation by mail, our directors, officers and other employees may contact you by telephone, Internet, in person or otherwise to obtain your proxy. PDF Solutions, Inc. will bear the cost of this solicitation, but our directors, officers and employees that assist us in this solicitation will not receive any additional compensation for doing so. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners. We will reimburse these entities and our transfer agent for their reasonable out-of-pocket expenses in forwarding proxy materials.

Voting Procedures

Votes cast by proxy or in person at the Annual Meeting will be tabulated by a representative of Computershare, our transfer agent, and transmitted to Keith A. Jones, our Vice President of Finance and Chief Financial Officer, who will act as the Inspector of Election. The Inspector will also determine whether a quorum is present at the Annual Meeting.

The shares represented by the proxy cards received, properly marked, dated, signed and represented by votes cast using the telephone or Internet and not revoked, will be voted at the Annual Meeting. If the proxy card specifies a choice with respect to any matter to be acted on, the shares will be voted in accordance with that specified choice. Any proxy card which is returned but not marked will be voted FOR the director nominee, FOR each of the other proposals discussed in this Proxy Statement, and as the proxy holders deem desirable for any other matters that may

Table of Contents

come before the Meeting. Broker non-votes will not be considered as voting with respect to any matter for which the broker does not have voting authority.

We believe that the procedures to be used by the Inspector to count the votes are consistent with Delaware law concerning voting of shares and determination of a quorum.

Publication of Voting Results

We will announce preliminary voting results at the Meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2006, which we will file with the SEC. You may obtain a copy free of charge from our Internet web site at www.pdf.com, by contacting our Investor Relations Department at (408) 280-7900 or the SEC at (800) 732-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov.

Other Business

We do not know of any business to be considered at the 2006 Annual Meeting other than the proposals described in this Proxy Statement. However, because we did not receive notice of any other proposals to be brought before the Meeting, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to John K. Kibarian and Keith A. Jones to vote on such matters at their discretion.

Proposals for 2007 Annual Meeting

To have your proposal included in our proxy statement for the 2007 Annual Meeting, pursuant to Rule 14a-8 under the Securities and Exchange Act of 1934, as amended, you must submit your proposal in writing by the date that is 120 calendar days before the anniversary of the date this year's proxy statement is released to stockholders (i.e., the mailing date) to the attention of our Secretary, PDF Solutions, Inc., 333 West San Carlos Street, Suite 700, San Jose, CA 95110.

In addition, our Bylaws provide that a proposal that the stockholder delivers or mails to our principal executive offices not less than 90 nor more than 120 days prior to the anniversary date of the prior year's meeting shall be timely received; provided, however, that if the date of the annual meeting is more than 30 days prior to or more than 60 days after such anniversary date and less than 60 days notice of the date of the meeting is given to stockholders, to be timely, the proposal must be received from the stockholder not later than the close of business on the 10th day following the date the notice of meeting was mailed.

If you submit a proposal for the 2007 Annual Meeting after the date that is less than 90 days prior to April 24, 2007, or the anniversary date of the mailing of this year's Proxy Statement, management may or may not, at their discretion, present the proposal at the meeting, and the proxies for the 2007 Annual Meeting will confer discretion on the management proxy holders to vote against your proposal.

PROPOSAL NO. 1

Election of Directors

We have nominated two candidates for election to the Board this year. Detailed information on each of the nominees is provided below.

The Board is divided into three classes with each director serving a three-year term and one class being elected at each year's Annual Meeting of stockholders. If any director is unable to stand for re-election, the Board may reduce the size of the Board, designate a substitute or leave a vacancy unfilled. If a substitute is designated, proxies voting on the original director candidate will be cast for the substitute candidate. Each Class II nominee listed has consented to serve as a director.

Table of Contents**Vote Required**

If a quorum is present, the nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as Class II directors for the ensuing three-year term. Unless marked otherwise, proxies received will be voted FOR the election of each of the two nominees. If additional people are nominated for election as directors, the proxy holders intend to vote all proxies received by them in a way that will ensure that as many as possible of the nominees listed below are elected. If this happens, the specific nominees to be voted for will be determined by the proxy holders.

Nominees for the Board of Directors

The Company's Bylaws provide that the number of directors shall be established by the Board or the stockholders of the Company. The Company's Certificate of Incorporation provides that the directors shall be divided into three classes, with the classes serving for staggered, three-year terms. Pursuant to the Company's Bylaws, the Board has set the number of Directors at seven, consisting of three Class I directors, two Class II directors and two Class III directors. Two Class II directors are to be elected at the Annual Meeting. These Class II directors will hold office until the Annual Meeting that occurs after the fiscal year ending December 31, 2008 or until their successors have been duly elected and qualified. The terms of the Class III and Class I directors will expire at the Annual Meeting of Stockholders next following the fiscal years ending December 31, 2006 and December 31, 2007, respectively.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's nominees named below. Messrs. Lanza and Michaels are currently directors of the Company. In the event that a nominee of the Company becomes unable or declines to serve as a director at the time of the Annual Meeting, the proxy holders will vote the proxies for any substitute nominee who is designated by the current Board of Directors to fill such vacancy. It is not expected that the nominees listed below will be unable or will decline to serve as a director.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS**

During the last fiscal year (the period from January 1, 2005 through December 31, 2005), the Board met eleven times and took action by unanimous written consent eight times during the same period. Each director attended at least 75% of all Board and applicable committee meetings during this time, with the exception of Mr. Michaels, who attended four Board meetings. The Board has four standing committees: the Nominating and Corporate Governance Committee, the Compensation Committee, the Special Option Committee and the Audit Committee. Each of these committees has a written charter approved by the Board (except for the Special Option Committee). A copy of each charter can be found on our website at www.pdf.com. The members of the committees are identified in the following table:

Director	Nominating and Corporate Governance Committee	Compensation Committee	Audit Committee	Special Options Committee

Lucio L. Lanza	X*	X		
Kimon Michaels, Ph.D.				
B.J. Cassin	X	X*	X	
Susan H. Billat	X		X	
Albert Y. C. Yu		X		
R. Stephen Heinrichs			X*	

* Chair of Committee

The Compensation Committee held three meetings during the fiscal year ended December 31, 2005 and took one action by unanimous written consent. The functions of the Compensation Committee are to establish and administer our policies regarding annual executive salaries and cash incentives and long-term equity incentives and to assist with the administration of our 2001 Stock Plan and 2001 Employee Stock Purchase Plan. Each of the members of the Compensation Committee is an outside director as defined in Section 162(m) of the Internal Revenue Code and a Non-Employee Director under Rule 16b-3(b)(3)(i) promulgated under the Securities Exchange Act of 1934, as amended.

The Board approved the formation of a Special Option Committee in June of 2000 to assist the Compensation Committee by serving as administrator for our stock plans for the purposes of granting options to purchase up to 35,000 shares of common stock to new, non-executive employees. In January of 2002, the Board also authorized the Special Option Committee to approve merit stock increases to existing employees by granting them options to purchase up to 15,000 shares of common stock. Mr. Kibarian comprises the Special Option Committee, with Mr. Jones serving in a confirmatory role. The Special Option Committee took action by unanimous written consent fourteen times during the fiscal year ended December 31, 2005.

The Audit Committee held eight meetings and took action by unanimous written consent twice during the fiscal year ended December 31, 2005. The functions of the Audit Committee are to recommend the engagement of the independent public auditors, to monitor the effectiveness of our internal and external audit efforts, and to monitor and assess the effectiveness of our financial and accounting organization and our system of internal accounting controls. The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC require us to disclose whether the Audit Committee includes at least one member who is an Audit Committee Financial Expert within the meaning of such Act and rules. The Board has determined that there is at least one such financial expert on the Audit Committee and has designated R. Stephen Heinrichs as its Audit Committee Financial Expert. The Board believes that Mr. Heinrichs qualifies as such an expert in view of his over 30 years experience in finance and operations, holding various positions in public accounting and with companies in the private sector including most recently, as

Table of Contents

Chief Financial Officer of Avistar Communications Corporation and serving on the boards of directors and as the audit committee chairman of both Artisan Components and Catapult Communications Corporation. Mr. Heinrichs received a B.S. in Accounting from California State University Fresno and is a Certified Public Accountant. As a result of such background and experience, the Board believes that Mr. Heinrichs has acquired an understanding of generally accepted accounting principles and financial statements, the ability to assess the general application of such principles in connection with accounting estimates, accruals and reserves, experience analyzing and evaluating financial statements that present a breadth and level of complexity of accounting issues generally comparable to those of the Company, an understanding of internal control over financial reporting and an understanding of Audit Committee functions.

The Nominating and Corporate Governance Committee held four meetings during the fiscal year ended December 31, 2005. The functions of the Nominating and Corporate Governance Committee are to oversee all aspects of the Company's corporate governance functions on behalf of the Board and make recommendations on corporate governance issues, identify, review and evaluate candidates to serve as directors and to make other recommendations to the Board regarding affairs related to the directors of the Company. The Nominating and Corporate Governance Committee does not set specific criteria for directors but believes the Company is well served when the Board is appropriately sized, the members of the Board possess the requisite talents and experience with respect to technology, business, finance, administration, and public service, the members of the Board possess a variety of backgrounds and demonstrated personal integrity, character and acumen that complement the core components of the Board. The Nominating and Corporate Governance Committee does, however, believe it appropriate for at least one, and, preferably, several, members of the Board to meet the criteria for an audit committee financial expert as defined by SEC rules, and that a majority of the members of the Board meet the definition of independent director under Nasdaq rules. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board. The Nominating and Corporate Governance Committee considers suggestions from many sources, including stockholders, regarding possible candidates for director. The Nominating and Corporate Governance Committee considers properly submitted stockholder nominees for director in the same manner as nominees for director from other sources. The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination. If any member of the Board does not wish to continue in service, the Board decides not to re-nominate a member for re-election or the Board decides to expand the size of the Board, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the guidelines set forth above. Current members of the Nominating and Corporate Governance Committee are polled for suggestions as to individuals meeting the guidelines of the Nominating and Corporate Governance Committee. Research may also be performed to identify qualified individuals. To date, the Company has not engaged third parties to identify, evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary. Stockholders may send any recommendations for director nominees or other communications to the Board of Directors or any individual director in accordance with Section 2.5 of the bylaws of the Company at the following address:

Board of Directors (or Nominating and Corporate Governance
Committee or name of individual director)
c/o Corporate Secretary
PDF Solutions, Inc.

The Company strongly encourages all of the members of its Board of Directors to attend its Annual Meeting of Stockholders. Five members of the Board attended our Annual Meeting last year.

Director Independence

The Company has adopted standards for director independence pursuant to Nasdaq listing standards and SEC rules. An independent director means a person other than an officer or employee of the Company or its

Table of Contents

subsidiaries, or any other individual having a relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. To be considered independent, the Board must affirmatively determine that neither the director nor an immediate family member has had any direct or indirect material relationship with the Company within the last three years.

The Board considered relationships, transactions or arrangements with each of the directors, including relationships and transactions discussed in Certain Relationships and Related Transactions, and concluded that none of the non-employee directors has any relationships with PDF that would impair his or her independence. The Board has determined that each member of the Board, other than Messrs. Kibarian and Michaels, is an independent director under applicable Nasdaq listing standards and SEC rules. These directors did not meet the independence standards because they are employees of PDF Solutions. In addition, the Board has also determined that:

all directors who serve on the Audit, Compensation, and Nominating and Corporate Governance Committees are independent under applicable Nasdaq listing standards and SEC rules, and

all members of the Audit Committee meet the additional independence requirement that they not directly or indirectly receive compensation from PDF other than their compensation as directors.

The independent directors meet regularly in executive sessions without the presence of the non-independent directors or members of the Company's management at least twice per year during regularly scheduled Board meeting days and from time to time as they deem necessary or appropriate.

Our non-employee directors received the following cash compensation for serving on the Board of Directors during the fiscal year ended December 31, 2005:

an annual cash retainer fee in the amount of \$15,000;

per meeting fees of \$1,500 per board meeting (\$500 for telephone participation); and

per meeting fees of \$1,000 per committee meeting (\$500 for telephone participation) for committee meetings held on days other than the same date as a board meeting (in which case there is no additional per meeting fee).

The Chairman of the Board received additional fees consisting of an annual cash retainer in the amount of \$30,000 plus an option to purchase 30,000 shares a year. Committee chairpersons received additional fees as follows: Audit Committee Chair \$10,000 plus an option to purchase 5,000 shares per year; Compensation Committee Chair \$5,000 plus an option to purchase 5,000 shares per year; and the Nominating and Corporate Governance Committee Chair \$5,000 plus an option to purchase 5,000 shares per year. Directors were reimbursed for reasonable travel expenses incurred in connection with attending Board of Directors and committee meetings. Our 2001 Stock Plan provides for the automatic grant of nonstatutory options to non-employee directors. Each new director subsequent to July 26, 2001, the effective date of our initial public offering, will be granted options to purchase 30,000 shares. In addition, each non-employee director is currently granted options to purchase 15,000 shares each year following the conclusion of the Annual Meeting of Stockholders for such year. These grants each vest at the rate of 25% on the one-year anniversary of the date of grant, and at the rate of 1/48 of the total options granted in each month thereafter.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The following is a report of the Compensation Committee of the Board of Directors describing the compensation policies applicable to the Company's executive officers during the fiscal year ended December 31, 2005. Under the supervision of the Board of Directors, our compensation policy is designed to attract and retain qualified key executives critical to our growth and long-term success. It is the objective of the Board of Directors to have a portion of each executive's compensation be contingent upon our performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of three elements: (i) base salary which reflects individual performance and expertise, (ii) variable bonus awards payable in cash and tied to the achievement of certain performance goals that the Board of Directors establishes from time to time for the Company and (iii) long-term stock-based incentive awards which are designed to strengthen the mutuality of interests between the executive officers and our stockholders.

The summary below describes in more detail the factors which the Board of Directors considers in establishing each of the three primary components of the compensation package provided to the executive officers.

Base Salary

The level of base salary is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at similar companies and the incentives necessary to attract and retain qualified management. Base salary may be adjusted each year to take into account the individual's performance and to maintain a competitive salary structure. Additionally, the Compensation Committee takes into account general economic and business conditions. Company performance does not play a significant role in the determination of base salary.

Cash-Based Incentive Compensation

Cash bonuses are awarded on a discretionary basis to executive officers on the basis of their success in achieving designated individual goals and our success in achieving specific company-wide goals, such as customer satisfaction, revenue growth and earnings growth.

Long-Term Incentive Compensation

We utilize our stock option plans to provide executives and other key employees with incentives to maximize long-term stockholder values. Awards under this component of the compensation package take the form of stock options designed to give the recipient a significant equity stake and thereby closely align his or her interests with those of our stockholders. Factors considered in making such awards include the individual's position, his or her performance and responsibilities, and internal comparability considerations.

Each option grant allows the executive officer to acquire shares of common stock at a fixed price per share (the fair market value on the date of grant) over a specified period of time (up to 10 years). The options typically vest over a

four-year period at the rate of 25% on the one year anniversary of the vesting commencement date, and 1/48 of the total number of shares subject to the option vest each month thereafter, contingent upon the executive officer's continued employment with us. Accordingly, the option will provide a return to the executive officer only if he or she remains in our service, and then only if the market price of our common stock appreciates over the option term.

Compensation of the Chief Executive Officer

John K. Kibarian has served as our President since November 1991 and as our Chief Executive Officer since July 2001. Mr. Kibarian's base salary for the fiscal year ended December 31, 2005 was \$250,000 and he did not receive a cash bonus in the fiscal year ended December 31, 2005.

Table of Contents

The factors discussed above in Base Salaries, Cash-Based Incentive Compensation, and Long-Term Incentive Compensation were also applied in establishing the amount of Mr. Kibarian's salary. In addition to the foregoing, other significant factors considered in establishing Mr. Kibarian's compensation were competitive factors and Mr. Kibarian's leadership in achieving our long and short term strategic goals.

Deductibility of Executive Compensation

The Compensation Committee has considered the impact of Section 162(m) of the Internal Revenue Code adopted under the Omnibus Budget Reconciliation Act of 1993, which section disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, respectively, unless such compensation meets the requirements for the performance-based exception to Section 162(m). As the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million and the Committee believes that options granted under the 2001 Stock Plan to such officers will meet the requirements for qualifying as performance-based, the committee believes that Section 162(m) will not affect the tax deductions available to the Company with respect to the compensation of its executive officers. It is the Compensation Committee's policy to qualify, to the extent reasonable, its executive officers compensation for deductibility under applicable tax law. However, the Company may from time to time pay compensation to its executive officers that may not be deductible.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors is composed of three independent directors and operates under a written charter adopted by the Board of Directors. The members of the Audit Committee are Ms. Billat, Mr. Heinrichs and Mr. Cassin. Each of the members of the Audit Committee is independent as defined by the Nasdaq Marketplace Rules presently in place. In addition, our Board of Directors has determined that Mr. Heinrichs qualifies as an audit committee financial expert as defined by SEC rules.

Our Board of Directors has adopted a written charter for the Audit Committee which governs the Audit Committee's functions and responsibilities. This charter was amended and restated on July 23, 2003 and again on January 26, 2005, in light of the Sarbanes-Oxley Act of 2002 and new SEC and NASD rules. The Audit Committee reviews and reassesses the adequacy of this charter at least once per year and makes recommendations to the Board regarding changes or amendments the Audit Committee deems appropriate.

The Audit Committee, subject to stockholder ratification, appoints the accounting firm to be engaged as the Company's independent registered public accounting firm. The independent registered public accounting firm is

responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. Management is responsible for our internal controls and the financial reporting process. The Audit Committee is responsible for monitoring, overseeing and assessing the effectiveness of these processes.

The Audit Committee held eight meetings and acted twice by written consent during the fiscal year ended December 31, 2005. The meetings were designed to facilitate and encourage communication between the Audit Committee, management and our independent registered public accounting firm, Deloitte & Touche LLP. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2005 with management and the independent registered public accounting firm.

The Audit Committee discussed with the independent registered public accounting firm the adequacy of the Company's internal control system, financial reporting procedures and the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended.

The Audit Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm, Deloitte & Touche LLP as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Additionally, the Audit Committee has discussed with Deloitte & Touche LLP the issue of its independence from PDF Solutions, Inc.

Based on its review of the audited consolidated financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Loans to, and Other Arrangements with, Officers and Directors

We had an early exercise provision under our 1996 Stock Option Plan and 1997 Stock Plan, which allowed our optionholders and holders of stock purchase rights to purchase shares of stock underlying unvested options, subject to our own repurchase right. In addition, we previously had an employee loan program, which allowed employees to borrow the full exercise price of their options or stock purchase rights from us by signing a full recourse promissory note bearing interest at the applicable federal rate in the month of purchase. The following officers previously participated in the loan program and unless otherwise indicated, currently have notes outstanding:

In connection with his purchase of 200,000 shares of common stock on December 4, 1998 we loaned \$75,000 to David A. Joseph under a four-year, 4.46% promissory note. In connection with his purchase of 33,333 shares on September 20, 1999 we loaned \$12,500 to David Joseph under a four year, 4.46% promissory note and in connection with his purchase of 53,333 shares of common stock on July 14, 2000, we loaned \$160,000 to Mr. Joseph under a four year, 6.62% promissory note. Mr. Joseph paid the December 4, 1998 note and the September 20, 1999 note in August 2003 and the July 14, 2000 note in June 2005. These notes were full recourse notes secured by pledges of the shares of common stock purchased.

In connection with his purchase of 200,000 shares of common stock on July 14, 2000, we loaned \$600,000 to John K. Kibarian under a four-year, 6.62% promissory note. Mr. Kibarian paid this note in March 2005. This note was a full

recourse note secured by pledges of the shares of common stock purchased.

In connection with his purchase of 50,000 shares of common stock on July 24, 2001, we loaned approximately \$550,000 to Lucio L. Lanza under a four-year, 7.75% promissory note. This note was a full recourse note secured by a pledge of the shares of common stock purchased. The outstanding balance was extinguished when we repurchased

44,942 shares of common stock from Mr. Lanza at the closing price on the date of repurchase, which was \$16.52 per share, in exchange for the repayment of the note receivable and accrued interest in 2005.

Other Transactions

We have granted options to some of our officers and directors. Please see Compensation of Executive Officers and Other Matters Option Grants in Last Fiscal Year and Meetings and Committees of the Board of Directors Director Compensation . We have also entered into acceleration agreements with certain of our officers and directors. Please see Change of Control Arrangements.

Limitation of Liability and Indemnification Matters

As permitted by the Delaware general corporation law, we have included a provision in our certificate of incorporation to eliminate the personal liability of our officers and directors for monetary damages for breach or alleged breach of their fiduciary duties as officers or directors, other than in cases of fraud or other willful misconduct.

In addition, our Bylaws provide that we are required to indemnify our officers and directors even when indemnification would otherwise be discretionary, and we are required to advance expenses to our officers and directors as incurred in connection with proceedings against them for which they may be indemnified. We have entered into indemnification agreements with our officers and directors containing provisions that are in some respects broader than the specific indemnification provisions contained in the Delaware general corporation law. The indemnification agreements require us to indemnify our officers and directors against liabilities that may arise by reason of their status or service as officers and directors other than for liabilities arising from willful misconduct of a culpable nature, to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain our directors and officers insurance if available on reasonable terms. We have obtained directors and officers liability insurance in amounts comparable to other companies of our size and in our industry.

We believe that all related-party transactions described above were made on terms no less favorable to us than could have been otherwise obtained from unaffiliated third parties.

Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, our executive officers and persons who own more than 10% of the common stock (collectively, "Reporting Persons") to file initial reports of ownership and changes in ownership of our common stock. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on our review of the copies of such reports received or written representations from certain Reporting Persons that no other reports were required, we believe that during
