As a result of the relationship of the General Partner to Fund V, Fund V to HMTF GP, HMTF GP to HMTF GP II and HMTF GP II to Gas Partners II, each of Fund V and the General Partner (collectively, the **Affiliated Entities**) may be deemed to have shared power to vote, or direct the vote of, and to dispose, or direct the disposition of, the Class B Common Units held of record by Gas Partners II and the 5,173,189 Common Units into which such Class B Common Units are convertible after February 15, 2007. The Affiliated Parties are parties to a separate Schedule 13D/A filing made by the Affiliated Parties and certain other affiliates of the Affiliated Parties. As a result of HMTF GP being the sole member of HMTF GP II, and HMTF GP II being the general partner of Gas Partners II, each Filing Party may be deemed to have shared power to vote, or direct the vote of, and to dispose, or direct the disposition of, the Class B Common Units held of record by Gas Partners II and the 5,173,189 Common Units into which such Class B Common Units are convertible after February 15, 2007.

The filing of this Schedule 13D shall not be construed as an admission by any Filing Party that, for the purpose of Section 13(d) or 13(g) of the Act, such Filing Party is the beneficial owner of any securities covered by this Schedule 13D other than securities owned of record by such Filing Party.

Except as indicated in this Item 5 or as set forth below, neither the Filing Parties nor, to the best knowledge of the Filing Parties, any of the persons named in Schedule 1 to this Schedule 13D owns beneficially, or has any right to acquire, directly or indirectly, any Common Units. (d) No person other than the Filing Parties has the right to receive or the power to direct the receipt of distributions from, or the proceeds from the sale of, the Common Units owned of record by Gas Partners II; provided that certain limited partners of Gas Partners II are entitled to receive distributions of Class B Units held by HMTF Gas Partners on account of their limited partnership interest in Gas Partners II.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Subject to the terms and conditions of the Amended and Restated Agreement of Limited Partnership of the Issuer, as amended (the **Issuer Partnership Agreement**), Gas Partners II has the right to cause the Issuer to register for resale under the Securities Act of 1933 and applicable state securities laws any limited partner units that it holds. The Issuer is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and commission.

Pursuant to the terms of the Issuer Partnership Agreement, all of the Class B Common Units are convertible into Common Units at the option of the holder on a one-for-one basis after February 15, 2007. The Class B Units have voting rights identical to the Common Units, and vote with the Common Units as a single class.

The Issuer Partnership Agreement additionally contains various provisions with respect to the units governing, among other matters, distributions, transfers and allocations of profits and losses to the partners.

Pursuant to an agreement entered into between HMTF Gas Partners, L.P., a Delaware limited partnership and the sole limited partner of Gas Partners II, and certain of its limited partners (**Gas Partners**), Gas Partners has agreed to distribute to its limited partners holding certain classes of limited partnership interests in Gas Partners, as soon as practicable, an aggregate of approximately 381,057 Class B Common Units currently held by Gas Partners II, subject to adjustment based on certain post-closing purchase price adjustments in the TexStar Transaction.
