Item 1.01. Entry into a Material Definitive Agreement.Director Compensation

On January 12, 2007, the compensation committee of our board of directors approved changes to the 2007 compensation of our non-employee directors. The changes are intended to position the compensation of our non-employee directors between the 25<sup>th</sup> and 50<sup>th</sup> percentile of a peer group of mortgage REITs selected by us and to reflect the activity and responsibility levels of our non-employee directors. The compensation committee also added an equity ownership requirement and equity compensation component to further align interests of our non-employee director with those of our stockholders.

## Cash Compensation:

<u>Description</u>	<u>2007</u>	<u>2006</u>
Annual cash retainer	\$ 40,000	\$ 50,000
Per board meeting fees		2,500
Committee meeting fees	1,500	1,000
Audit committee chair	20,000	10,000
Compensation committee chair	10,000	10,000
Governance and nominating committee chair	10,000	10,000
Lead independent director	20,000	20,000

## Equity Compensation:

Each non-employee director will receive an annual grant of restricted stock determined by dividing \$30,000 by the closing price of our common stock on the New York Stock Exchange on the date of our annual meeting of stockholders. Each such restricted stock award will vest ratably over three years.

Our compensation committee also adopted stock ownership guidelines for our directors. Those guidelines provide that each director should own shares of our common stock equal in market value to three times the value of the annual grant of restricted stock. By way of example, assuming the value of the annual restricted stock award is \$30,000, the target ownership level for a director would be \$90,000. Our policy further contemplates that none of our directors would sell any of our common stock under circumstances that would cause that director to own less than \$90,000 of our common stock.
