Executive Officer Bonuses

On February 26, 2008, the Board of Directors (the Board) of Builders FirstSource, Inc. (the Company) approved the 2008 cash incentive bonus opportunities for the Company's executive officers. These cash incentive bonus opportunities consist of two elements.

First, under the Company's Management Incentive Plan, each officer will receive a set percentage of a bonus pool (the Bonus Pool). The Bonus Pool is equal to 18.5% of the Company's 2008 earnings before taxes (EBT) reduced by the bonuses paid to managers in the Company's 37 markets. The bonus pool for managers in each market is 10% of the market's EBT. Because the bonus pool for each market will not be reduced for other markets with negative EBT, the total bonuses paid to market managers could exceed 10% of the total Company EBT. Based on financial data from the four most recently completed fiscal years, the positive EBT of individual markets would have produced an average payout to market managers of about 14% of EBT, which would have resulted in an average Bonus Pool equal to approximately 4.5% of EBT.

EBT is calculated as the Company's earnings before interest, taxes, and amortization less an interest charge. The interest charge is calculated as 12% multiplied by the Company's 12-month average net tangible assets. Messrs. Sherman, Horn, Tolly, McAleenan, and Schenkel will receive 10%, 5.8%, 5.8%, 5.3%, and 3.5%, respectively, of the Bonus Pool as their portion of their cash incentive bonus.

Second, each executive officer may receive a discretionary bonus for 2008 based on his personal performance. This bonus can be equal to up to 25% of his base salary.

Election of President

On and effective as of February 26, 2008, the Board elected Floyd Sherman as President of the Company, in addition to his current position as Chief Executive Officer, to fill the position vacated by Kevin O Meara upon Mr. O Meara's departure.
