**Item 1.01. Entry into a Material Definitive Agreement.**

On October 29, 2008, Genelabs Technologies, Inc., a California corporation ( Genelabs ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with SmithKline Beecham Corporation, a Pennsylvania corporation ( SmithKline ) and Gemstone Acquisition Corporation, a California corporation and wholly owned subsidiary of SmithKline ( Purchaser ). SmithKline is a wholly-owned subsidiary of GlaxoSmithKline plc ( GSK ). Pursuant to the Merger Agreement, and subject to its terms and conditions, the Purchaser will commence a tender offer (the Offer ) to acquire all of the outstanding shares of common stock, no par value, of Genelabs ( Genelabs Common Stock ). In the Offer, each Genelabs shareholder will receive for each share of Genelabs Common Stock validly tendered and not withdrawn, \$1.30 per share net to the selling shareholders in cash, without interest thereon (the Offer Price ), upon the terms and subject to the conditions set forth in the Merger Agreement.

On October 29, 2008, Genelabs and GSK issued a joint press release relating to the Merger Agreement. A copy of the press release was previously furnished on Schedule 14D-9C, dated October 29, 2008.

The Merger Agreement provides that the Offer will commence no later than 10 business days after the date of initial public announcement of the Merger Agreement, and will remain open for at least 20 business days. Pursuant to the Merger Agreement, after the consummation of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into Genelabs (the Merger ) and Genelabs will become a wholly-owned subsidiary of SmithKline. At the effective time of the Merger, each issued and outstanding share of Genelabs Common Stock (the Shares ) (other than Shares held by shareholders who have exercised their rights under Chapter 13 of the California General Corporation Law) will be automatically converted into the right to receive the Offer Price in cash, without interest, as set forth above.

The Merger Agreement includes customary representations, warranties and covenants of Genelabs, SmithKline and Purchaser. Genelabs has agreed to operate its business in the ordinary course until the Offer is consummated. Genelabs has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire Genelabs and to certain other restrictions on its ability to respond to such proposals. The Merger Agreement also includes customary termination provisions for both Genelabs and SmithKline and provides that, in connection with the termination of the Merger Agreement under specified circumstances, Genelabs may be required to pay to SmithKline a termination fee of \$3.0 million, plus reimbursement of expenses of up to \$500,000.

Purchaser's obligation to accept for payment and pay for Shares tendered in the Offer is subject to customary conditions, including, among other things, that at least 90% of the outstanding Shares on a fully-diluted basis shall have been validly tendered in accordance with the terms of the Offer and not properly withdrawn. In the event that fewer than 90% of the outstanding Shares on a fully-diluted basis are tendered pursuant to the Offer and not withdrawn, but more than 50% of the Shares then outstanding are tendered and not withdrawn, Purchaser will, under certain circumstances described in the Merger Agreement, either reduce the minimum acceptance threshold to a number that, together with Shares that would be issued upon exercise of the Top-Up Option described below, equals 90% of the outstanding Shares on a fully-diluted basis or reduce the number of Shares subject to the Offer to a number equal to 49.9% of the Shares then outstanding.

Subject to the terms of the Merger Agreement, Genelabs has granted Purchaser an option, exercisable only following consummation of the Offer, to purchase that number of newly-issued Shares that is equal to one share more than the amount needed to give Purchaser ownership of 90% of the outstanding Genelabs Common Stock on a fully-diluted basis (the Top-Up Option ). Purchaser will pay Genelabs the Offer Price for each share acquired upon exercise of the Top-Up Option.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 hereto and incorporated herein by reference.

The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Genelabs, GSK, SmithKline or Purchaser. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

## **Table of Contents**

The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Genelabs or GSK or any of their respective subsidiaries or affiliates. In addition, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure schedule that the parties have exchanged. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, since (i) they were made only as of the date of such agreement or a prior, specified date, (ii) in some cases they are subject to qualifications with respect to materiality, knowledge and/or other matters, and (iii) they may be modified in important part by the underlying disclosure schedule. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Genelabs' or GSK's public disclosures.

### **Tender and Shareholder Support Agreements**

In connection with the Offer, GSK, Purchaser and certain of Genelabs' executive officers and directors, consisting of Leslie J. Browne, Ph.D., Irene A. Chow, Ph.D., Frederick W. Driscoll, Ronald C. Griffith, Ph.D., H. H. Haight, Alan Y. Kwan, Matthew J. Pfeffer, and Roy J. Wu have entered into a Tender and Shareholder Support Agreement, dated as of October 29, 2008 (the "Tender and Support Agreement"). The outstanding shares of Genelabs Common Stock subject to the Tender and Support Agreement represent approximately 1.1% of the total outstanding shares of Genelabs Common Stock. Pursuant to the Tender and Support Agreement, such executive officers and directors have agreed, among other things, subject to the termination of the Tender and Support Agreement (i) to tender in the Offer (and not to withdraw) all shares of Genelabs Common Stock beneficially owned or hereafter acquired by them, (ii) to vote such shares in support of the Merger in the event shareholder approval is required to consummate the Merger and against any competing transaction, (iii) to appoint SmithKline as their proxy to vote such shares in connection with the Merger Agreement, and (iv) not to otherwise transfer any of their Shares. In addition, each such officer and director has granted SmithKline an option to acquire such shares at the Offer Price in the event that SmithKline acquires shares in the Offer but the shares subject to the Tender and Support Agreement are not tendered or are withdrawn. Each Tender and Support Agreement will terminate upon the termination of the Merger Agreement.

The form of the Tender and Support Agreement is attached as Exhibit 4.1 hereto and is incorporated by reference herein. The description of the Tender and Support Agreement set forth above does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of such agreement.
