Item 3.03. Material Modification to Rights of Security Holders.

On January 22, 2009, the Board of Directors of KB Home (the Company) amended the Rights Agreement, dated as of February 4, 1999 and amended as of April 29, 2005 (the Existing Rights Agreement), by and between the Company and Mellon Investor Services LLC, as rights agent. Among other things, the amendment reduces the threshold at which a person or group becomes an Acquiring Person under the Rights Agreement from 15% to 4.9% of the Company's then-outstanding common stock. The Rights Agreement, as amended, exempts any stockholder whose beneficial ownership as of 4:00 p.m., New York City time, on January 22, 2009 exceeded 4.9% of the Company's then-outstanding common stock from becoming an Acquiring Person so long as any such stockholder does not acquire any additional common stock.

Also on January 22, 2009, the Board of Directors adopted resolutions providing for the issuance of a series of Preferred Stock of the Company, par value \$1.00 per share, designated as Series A Participating Cumulative Preferred Stock, as set forth in a Certificate of Designation of Series A Participating Cumulative Preferred Stock (the Certificate of Designation). The Certificate of Designation has become effective and constitutes an amendment to the Company's Restated Certificate of Incorporation under Delaware law.

The amendment to the Existing Rights Agreement is intended to maximize the long-term value of the Company's deferred tax assets and related tax benefits. The Company's ability to use its deferred tax assets could be substantially reduced if the Company experiences an ownership change under Section 382 of the Internal Revenue Code of 1986 (the Code). The calculation of an ownership change under the Code is based on ownership changes in the Company's common stock by stockholders that own, or are deemed to own, 5% or more of the Company's common stock, and changes are tested within a rolling three-year period. The Existing Rights Agreement, as amended, and the New Rights Agreement (as defined below) do not eliminate the possibility that an ownership change under the Code will occur, and there can be no assurance that such an ownership change will not occur. As of the date of this current report, the Company believes that such an ownership change has not occurred.

The rights issued pursuant to the Existing Rights Agreement are in all respects subject to and governed by the provisions of the Existing Rights Agreement, as amended. Copies of the Existing Rights Agreement and the amendment are available free of charge from the Company. The foregoing description of the amendment to the Existing Rights Agreement and the Certificate of Designation is qualified in its entirety by reference to the full text of those documents, copies of which are incorporated herein by this reference.

Further, on January 22, 2009, the Board of Directors declared a dividend distribution of one right for each share of the Company's common stock outstanding at the close of business on March 5, 2009 (the Record Date), pursuant to the terms of a Rights Agreement, dated as of January 22, 2009 (the New Rights Agreement), by and between the Company and Mellon Investor Services LLC, as rights agent. The New Rights Agreement also provides, subject to specified exceptions and limitations, that common stock issued or delivered from the Company's treasury after the Record Date will be entitled to and accompanied by the rights. The terms of the New Rights Agreement are substantially similar to those of the Existing Rights Agreement,

Table of Contents

as amended. The New Rights Agreement will take effect upon the expiration of the rights issued pursuant to the Existing Rights Agreement, which is scheduled to occur at the close of business on March 5, 2009.

Unless the rights issued pursuant to the New Rights Agreement are earlier exchanged or redeemed, they will expire on March 5, 2019, or on March 5, 2010 if the New Rights Agreement has not been approved by the Company's stockholders prior to that date.

The rights issued pursuant to the New Rights Agreement are in all respects subject to and governed by the provisions of the New Rights Agreement. Copies of the New Rights Agreement are available free of charge from the Company. The foregoing description of the New Rights Agreement is qualified in its entirety by reference to the full text of the agreement, a copy of which is incorporated herein by this reference.

Item 5.01. Amendment to Restated Certificate of Incorporation

The disclosure with respect to the Certificate of Designation under Item 3.03 above is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
