PROPOSAL MADE TO TERMINATE THE INVESTMENT
ADVISORY AND MANAGEMENT AGREEMENT OF THE MEXICO FUND, INC.
AND THE NOMINATION OF TWO NOMINEES TO THE BOARD OF DIRECTORS

By letter dated December 21, 2001, Laxey Investors Limited made a proposal to The Mexico Fund, Inc. (the "Fund") to terminate the Investment Advisory and Management Agreement by and between Impulsora del Fondo Mexico, S.A de C.V. and the Fund. By letter dated December 21, 2001, The Value Catalyst Fund, Inc. submitted two nominees for election to the board of directors of the Fund at the next annual meeting of stockholders. Laxey Investors Limited and Value Catalyst Fund, Inc are collectively referred to herein as "Laxey". The text of both letters dated December 21, 2001 are attached hereto as Annex A. Participant information is attached hereto as Annex B. On or about January 11, 2002, Laxey delivered to certain stockholders of the Fund a letter attaching a "Shareholder Survey" designed to gauge stockholder sentiment towards certain

Edgar Filing: VALUE CATALYST FUND LTD - Form DFRN14A

proposals if presented to the Stockholders of the Fund. The text of the letter is set forth below:

Letter to The Mexico Fund, Inc. Stockholders

Dear []:

Laxey Partners Limited, together with various funds that Laxey manages, recently submitted to The Mexico Fund, Inc. (the "Fund") (i) a proposal to terminate the investment manager's contract with the Fund and (ii) two nominees to the Fund's Board of Directors.

Our proposal and nominees will be considered and voted upon at the Fund's forthcoming Annual Meeting and we intend to solicit proxies from the Fund's stockholders in support of such proposal and nominees.

We believe that terminating the investment manager's contract and electing two new directors will facilitate a re-organization of the Fund, enabling some stockholders to exit while allowing the Fund to continue, at a smaller size, as a vehicle for those stockholders who wish to retain their investment. The Fund has outgrown the size of the Mexican market and a smaller fund would have a much better chance of improving its performance. We believe that a substantial proportion of stockholders share our wish to be offered at least 98% of NAV for their shares and that the current board must listen to these wishes and adopt those policies which will achieve the Fund's stockholders' desires.

We think that one of the best ways for directors fully to appreciate and then carry out the wishes of the Fund's stockholders is to have a dialogue with them. To this end we have prepared a brief "survey," which is attached to this letter. Your completion of this survey will help provide the Fund and its manager with a realistic understanding of the true nature of their stockholder base and their aspirations. The objective is to ensure that the Fund and its manager conduct themselves in the future in a way that is consistent with your wishes!

3

The individual surveys are confidential and will not be disclosed to the Fund, unless required by law, although Laxey reserves the right to publicly announce the results, on an aggregate basis, with respect to each of the four questions.

Yours sincerely,

COLIN KINGSNORTH

Mr. Samuel Garcia-Cuellar,
Secretary,
The Mexico Fund, Inc.

RE: THE MEXICO FUND, INC.: STOCKHOLDER PROPOSAL NOTICE

Dear Mr. Cuellar,

In accordance with the notice provisions set forth in Section 10(c) of the Bylaws of The Mexico Fund, Inc. (the "Fund") and pursuant to Section 2-504(e) of the Maryland General Corporation Law and Section 10(a) of the Bylaws of the Fund, we hereby request that a proposal to terminate the Investment Advisory and Management Agreement dated December 1, 1990, as amended and restated June 16, 1998, by and between the Fund and Impulsora del Fondo Mexico, S.A. de C.V. (the "Investment Advisory Agreement") be submitted to the Fund's stockholders at the next annual meeting of stockholders. We are the beneficial owners of 1,192,960 shares of the Fund's Common Stock as of December 21, 2001.

Our proposal and supporting statement to be presented to stockholders at the 2002 Annual Meeting is as follows:

"RESOLVED: The Investment Advisory and Management Agreement between Impulsora del Fondo Mexico, S.A de C.V. and the Fund shall be terminated in accordance with its terms, effective within 60 days after the 2002 Annual Meeting."

7

SUPPORTING STATEMENT: As significant Fund stockholders, we have a vested

Edgar Filing: VALUE CATALYST FUND LTD - Form DFRN14A

interest in the Fund's performance and management decisions relating to stockholder value.

The Fund filed an application with the U.S. Securities and Exchange Commission ("SEC") in March 2001 and is seeking approval for conducting periodic in-kind repurchases of the Fund's outstanding shares each year at 98% of Net Asset Value ("NAV"). The Fund has outlined a proposal to offer a very limited facility to stockholders of approximately 5% annually and we do not believe that the Fund's proposed program, as outlined in the application, provides an adequate facility for the Fund's stockholders. We concur that Fund stockholders desire the opportunity to receive 98% of NAV for their shares. However, the Fund's attempt to limit the required repurchases to approximately 5% annually does not provide meaningful liquidity to the Fund's stockholders and we believe does not address the current wish of stockholders. We believe that a mechanism which would provide liquidity with respect to at least 50% of the Fund's outstanding shares would be supported by the majority of stockholders. Moreover, approval by the SEC of the Fund's application may take a substantial period of time, may require significant changes in the application as submitted by the Fund or may be rejected altogether after an extended review period. We believe it is imperative that the Fund develop a program which can be implemented in a significantly shorter time frame. Since the announcement by the Fund we believe that it is likely there has been a significant change in the stockholder base of the Fund towards stockholders who have reacted to the statements made by the Fund with regard to a repurchase facility at 98% of NAV. Any further delay in implementation of a facility to create substantially greater liquidity for stockholders than the Fund's current 5% proposal is likely to lead to ever more radical restructurings of the Fund. We believe that Impulsora del Fondo Mexico, S.A. de C.V., the current investment advisor ("Impulsora"), has not acted in a manner which would expediently and effectively allow the stockholders of the Fund to maximize their investment. Thus, we seek to terminate the current Investment Advisory Agreement with Impulsora.

-END OF SUPPORTING STATEMENT-

Information regarding our addresses, telephone number and ownership of beneficial shares of the Fund is attached hereto as Annex A.
