JOINT PROXY STATEMENT

ANNUAL MEETINGS OF SHAREHOLDERS

DECEMBER 16, 2003

This statement is furnished in connection with the solicitation of proxies by the Boards of Trustees/Directors (the "Board(s)") of MORGAN STANLEY GOVERNMENT INCOME TRUST ("GVT"), MORGAN STANLEY INCOME SECURITIES INC. ("ICB") and MORGAN STANLEY MUNICIPAL INCOME OPPORTUNITIES TRUST ("OIA") (individually, a "Fund" and, collectively, the "Funds") for use at the Annual Meetings of Shareholders of the Funds to be held jointly on December 16, 2003 (the "Meeting(s)"), and at any adjournments thereof. The first mailing of this Proxy Statement is expected to be made on or about November 11, 2003.

If the enclosed form of proxy is properly executed and returned in time to be voted at the Meetings, the proxies named therein will vote the shares/stock ("shares") represented by the proxy in accordance with the instructions marked thereon. Unmarked proxies will be voted for each of the nominees for election as Trustee/Director to be elected by shareholders with respect to each Fund set forth in the attached Notice of Annual Meetings of Shareholders. A proxy may be revoked at any time prior to its exercise by any of the following: written notice of revocation to the Secretary of the Funds, execution and delivery of a later dated proxy to the Secretary of the Funds (whether by mail or, as discussed below, by touchtone telephone or the Internet) (if returned and received in time to be voted), or attendance and voting at the Meetings. Attendance at the Meetings will not in and of itself revoke a proxy.

Shareholders of record ("Shareholders") of each Fund as of the close of business on October 31, 2003, the record date for the determination of Shareholders entitled to notice of and to vote at the Meetings (the "Record Date"), are entitled to one vote for each share held and a fractional vote for a fractional share. On October 31, 2003, there were outstanding 35,087,795 shares of beneficial interest of GVT, 10,894,012 shares of common stock of ICB and 20,736,669 shares of beneficial interest of OIA outstanding, all with \$0.01 par value. No person was known to own as much as 5% of the outstanding shares of any of the Funds on that date. The percentage ownership of shares of each Fund changes from time to time depending on purchases and sales by Shareholders and the total number of shares outstanding.

The cost of soliciting proxies for the Meeting of each Fund, consisting

principally of printing and mailing expenses, will be borne by each respective Fund. The solicitation of proxies will be by mail, which may be supplemented by solicitation by mail, telephone or otherwise through Trustees/Directors, officers of the Funds, or officers and regular employees of Morgan Stanley Investment Advisors Inc. ("Morgan Stanley Investment Advisors" or the "Investment Manager"), Morgan Stanley Trust (or the "Transfer Agent"), Morgan Stanley Services Company Inc. ("Morgan Stanley Services") and/or Morgan Stanley DW Inc. ("Morgan Stanley DW"), without special compensation therefor. In addition, each Fund may employ Alamo Direct Mail Services Inc. ("Alamo") to make telephone calls to Shareholders to remind them to vote. In addition, each Fund may

2

employ Alamo or D.F. King & Co., Inc. ("D.F. King") as proxy solicitor if it appears that the required number of votes to achieve quorum will not be received. In the event of a solicitation by Alamo or D.F. King, each Fund would pay the solicitor a project management fee not to exceed \$3,000 and the expenses outlined below.

Shareholders will be able to vote their shares by touchtone telephone or by Internet by following the instructions on the proxy card or on the Voting Information Card accompanying this Proxy Statement. To vote by Internet or by telephone, Shareholders can access the website or call the toll-free number listed on the proxy card or noted in the enclosed voting instructions. To vote by Internet or by telephone, Shareholders will need the "control number" that appears on the proxy card.

In certain instances, Morgan Stanley Trust, Alamo and/or D.F. King may call Shareholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Shareholders' identities, to allow Shareholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. No recommendation will be made as to how a Shareholder should vote on any proposal other than to refer to the recommendations of the Board. The Funds have been advised by counsel that these procedures are consistent with the requirements of applicable law. Shareholders voting by telephone in this manner will be asked for their social security number or other identifying information and will be given an opportunity to authorize proxies to vote their shares in accordance with their instructions. To ensure that the Shareholders' instructions have been recorded correctly they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Shareholder's vote may be taken by telephone, each Shareholder will receive a copy of this Proxy Statement and may vote by mail using the enclosed proxy card or by touchtone telephone or the Internet as set forth above. The last proxy vote received in time to be voted, whether by proxy card, touchtone telephone or Internet, will be the last vote that is counted and will revoke all previous votes by the Shareholder. With respect to reminder calls by Alamo, expenses would be approximately \$1.00 per outbound telephone contact. With respect to the solicitation of a telephonic vote by Alamo or D.F. King, approximate additional expenses range between \$3.75 and \$6.00 per telephone vote transacted, \$2.75 and \$3.25 per outbound or inbound telephone contact and costs relating to obtaining Shareholders' telephone numbers and providing additional materials upon Shareholder request, which would be borne by each respective Fund.

(1) ELECTION OF TRUSTEES/DIRECTORS FOR EACH FUND

The number of Trustees/Directors of each Fund has been fixed by the Trustees/Directors, pursuant to each Fund's Declaration of Trust or Articles of Incorporation, at ten. There are presently ten Trustees/Directors for each Fund. At the Meetings, the following nominees are to be elected to each Fund's Board of Trustees/ Directors to serve for the following terms, in accordance with each Fund's Declaration of Trust or Articles of Incorporation, as set forth below:

GVT, OIA Until the year 2006 Annual Meeting ----- Wayne E. Hedien Manuel H. Johnson Joseph J. Kearns Fergus Reid	ICB -- Until the year 2004 Annual Meeting ----- Michael Bozic Charles A. Fiumefreddo Edwin J. Garn Wayne E. Hedien James F. Higgins Manuel H. Johnson Joseph J. Kearns Michael E. Nugent Philip J. Purcell Fergus Reid
--	---

Seven of the current ten Trustees/Directors (Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Manuel H. Johnson, Joseph J. Kearns, Michael E. Nugent and Fergus Reid) are "Independent Trustees" or "Independent Directors," that is, Trustees or Directors who are not "interested persons" of the Funds, as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act"). The other three current Trustees/ Directors, Charles A. Fiumefreddo, James F. Higgins and Philip J. Purcell, are "Interested Trustees/Directors," that is, Trustees/Directors who are "interested persons" (as that term is defined in the 1940 Act) of the Funds and Morgan Stanley Investment Advisors and thus, are not Independent Trustees or Independent Directors. The nominees for election as Trustee or Director have been proposed by the Trustees or Directors now serving, or in the case of the nominees for positions as Independent Trustee or Independent Director, by the Independent Trustees or Independent Directors now serving. All of the members of the Boards, except for Messrs. Kearns and Reid, have previously been elected by the Shareholders of the Funds.

The nominees of the Boards of Trustees/Directors for election as Trustee/Director are listed below. It is the intention of the persons named in the enclosed form of proxy, unless instructed by proxy to withhold authority to vote for the nominees, to vote all validly executed proxies for the election of these nominees: for GVT and OIA--Wayne E. Hedien, Manuel H. Johnson, Joseph J. Kearns and Fergus Reid; for ICB--Michael Bozic, Charles A. Fiumefreddo, Edwin J. Garn, Wayne E. Hedien, James F. Higgins, Manuel H. Johnson, Joseph J. Kearns, Michael E. Nugent, Philip J. Purcell and Fergus Reid. Should any of the nominees become unable or unwilling to accept nomination or election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Boards may recommend or, in the case of an Independent Trustee/Director nominee, as the Independent Trustees/Directors of each Fund may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Funds know of no reason why any of the

said nominees would be unable or unwilling to accept nomination or election. With respect to each Fund, the election of each Trustee/Director requires the approval of a majority of the shares of the Fund represented and entitled to vote at the Meeting.

4

Pursuant to the provisions of the Declaration of Trust of each of GVT and OIA, in certain cases as amended, the Trustees are divided into three separate classes, each class having a term of three years. The term of office of one of each of the three classes will expire each year.

The Boards of GVT and OIA previously determined that any nominee for election as Trustee for each Fund will stand for election as Trustee and serve as Trustee in one of the three classes of Trustees as follows: Class I--Messrs. Bozic, Fiumefreddo and Higgins; Class II--Messrs. Hedien, Johnson, Kearns and Reid; and Class III--Messrs. Garn, Nugent and Purcell. Each nominee will, if elected, serve a term of up to approximately three years running for the period assigned to that class and terminating at the date of the Annual Meeting of Shareholders so designated by the Boards, or any adjournments thereof. As a consequence of this method of election, the replacement of a majority of each of the Boards could be delayed for up to two years. In accordance with the above, the Trustees in Class II for GVT and OIA are standing for election at this Meeting and, if elected, will serve until the year 2006 Annual Meeting for each Fund as set forth above, or in each case, until their successors shall have been elected and qualified.

Pursuant to the provisions of the Articles of Incorporation of ICB, the terms of office of each Director will expire each year. Therefore, all of the Directors of the Fund, if elected, will serve until the year 2004 Annual Meeting of ICB, or until their successors shall have been elected and qualified.

The Board of each Fund consists of ten trustees/directors. These same individuals also serve as directors or trustees for all of the funds advised by the Investment Manager (the "Retail Funds") and certain of the funds advised by Morgan Stanley Investment Management Inc., Morgan Stanley Investments LP and Morgan Stanley AIP GP LP (the "Institutional Funds"). The table below sets forth the following information as of July 31, 2003, regarding the nominees for election as Trustee/Dierctor, and each of the other Trustees /Directors (both the Independent Trustees/Directors and the Interested Trustees/Directors), as well as the executive officers of the Funds, their term of office and length of time served, their principal business occupations during the past five years, the number of portfolios in the Fund Complex (defined below) overseen by each Trustee/Director or nominee Trustee/Director, and other directorships, if any, held by the Trustees/Directors. The Fund Complex includes all open-end and closed-end funds (including all of their portfolios) advised by the Investment Advisor and any funds that have an investment advisor that is an affiliated person of the Investment Advisor (including, but not limited to, Morgan Stanley Investment Management Inc. and Morgan Stanley Investments LP).

As to each Independent Trustee/Director and his immediate family members, no person owned beneficially or of record securities in an investment advisor or principal underwriter of the Funds, or a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with an investment advisor or principal underwriter of the Funds.

THE INDEPENDENT TRUSTEES/DIRECTORS AND THE COMMITTEES

Law and regulation establish both general guidelines and specific duties for the Independent Trustees/Directors. Seven Trustees/Directors have no affiliation or business connection with Morgan Stanley Investment Advisors Inc. or any of its affiliated persons and do not own stock or other securities issued by Morgan Stanley Investment Advisors' parent company, Morgan Stanley. These are the "disinterested" or "independent" Trustees/Directors. The Retail Funds seek as Independent Trustees/Directors individuals of distinction and experience in business and finance, government service or academia; these are people whose advice and counsel are in demand by others and for whom there is often competition. To accept a position on the Retail Funds' Boards, such individuals may reject other attractive assignments because the Retail Funds make substantial demands on their time. All of the Independent Trustees/Directors serve as members of the Audit Committee. In addition, three Trustees/Directors, including two Independent Trustees/Directors, serve as members of the Insurance Committee, and three Independent Trustees/Directors serve as members of the Governance Committee.

The Independent Trustees/Directors are charged with recommending to the full Board approval of management, advisory and administration contracts, and distribution and underwriting agreements; continually reviewing Fund performance; checking on the pricing of portfolio securities, brokerage commissions, transfer agent costs and performance, and trading among funds in the same complex; and approving fidelity bond and related insurance coverage and allocations, as well as other matters that arise from time to time.

The Audit Committee is charged with recommending to the full Board the engagement or discharge of the Funds' independent auditors; directing investigations into matters within the scope of the independent auditors' duties, including the power to retain outside specialists; reviewing with the independent auditors the audit plan and results of the auditing engagement; approving professional services provided by the independent auditors and other accounting firms prior to the performance of such services; reviewing the independence of the independent auditors; considering the range of audit and non-audit fees; reviewing the adequacy of each Fund's system of internal

controls; and preparing and submitting Committee meeting minutes to the full Board. All of the members of the Audit Committee are independent as defined in the New York Stock Exchange Corporate

Governance Standards for audit committees. The Audit Committee currently consists of Messrs. Johnson, Bozic, Hedien, Garn, Kearns, Nugent and Reid. Messrs. Kearns and Reid were appointed to the Audit Committee on July 31, 2003.

The Board of the Retail Funds have a Governance Committee to (i) monitor and make recommendations on corporate governance matters and Board/Committee policies and procedures; and (ii) oversee the periodic evaluations of the Board and any committees. The Governance Committee consists of Messrs. Reid, Bozic and Garn. The Governance Committee was established on July 31, 2003. No meetings were held during the Fund's fiscal year ended September 30, 2003 (GVT and ICB) and May 31, 2003 (OIA).

Finally, the Board of the Retail Funds have formed an Insurance Committee to review and monitor the insurance coverage maintained by the Funds. The Insurance Committee currently consists of Messrs. Nugent, Fiumefreddo and Hedien.

The following chart sets forth the number of meetings of the Retail Board, the Audit Committee, the Committee of the Independent Trustees/Directors, the Derivatives Committee and the Insurance Committee of each Fund during its most recent fiscal year. No Trustee/Director attended fewer than 75% of the meetings of the Retail Board, the Audit Committee, the Independent Trustees/Directors, the Derivatives Committee or the Insurance Committee held while he served in such positions.

AUDIT COMMITTEE REPORT

The Board of Trustees/Directors of each Fund has adopted a formal written

charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the Audit Committee charter is attached to this Proxy Statement as Appendix A.

The Audit Committee of each Fund has reviewed and discussed the financial statements of each Fund with management as well as with Deloitte & Touche LLP, the independent auditors for each Fund. In the course of its discussions, the Audit Committee also discussed with Deloitte & Touche LLP any relevant matters required to be discussed under Statement on Auditing Standards No. 61. Based on this review, the Audit Committee recommended to the Board of Trustees/Directors of each Fund that each Fund's audited financial statements be included in each Fund's Annual Report to Shareholders for the most recent fiscal year for filing with the Securities and Exchange Commission. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required under Independence Standards Board No. 1 and has discussed with the independent auditors their independence.

ADVANTAGES OF HAVING SAME INDIVIDUALS AS INDEPENDENT TRUSTEES/DIRECTORS FOR THE RETAIL FUNDS AND INSTITUTIONAL FUNDS

The Independent Trustees/Directors and the funds' management believe that having the same Independent Trustees for each of the Retail Funds and Institutional Funds avoids the duplication of effort that would arise from having different groups of individuals serving as Independent Trustees for each of the funds or even of sub-groups of funds. They believe that having the same individuals serve as Independent Trustees of all the Retail Funds and Institutional Funds tends to increase their knowledge and expertise regarding matters which affect the Fund Complex generally and enhances their ability to negotiate on behalf of each fund with the fund's service providers. This arrangement also precludes the possibility of separate groups of Independent Trustees arriving at conflicting decisions regarding operations and management of the funds and avoids the cost and confusion that would likely ensue. Finally, having the same Independent Trustees serve on all fund boards enhances the ability of each fund to obtain, at modest cost to each separate fund, the services of Independent Trustees of the caliber, experience and business acumen of the individuals who serve as Independent Trustees of the Retail Funds and Institutional Funds.

SHARE OWNERSHIP BY TRUSTEES/DIRECTORS

The Trustees/Directors have adopted a policy pursuant to which each Trustee/Director and/or his or her spouse is required to invest at least \$100,000 in any of the funds in the Morgan Stanley Retail and Institutional Funds on whose boards the Trustee/Director serves. In addition, the policy contemplates that the Trustees/Directors will, over time, increase their aggregate investment in the Funds above the \$100,000 minimum requirement. The Trustees/Directors may allocate their investments among specific funds in any manner they determine is appropriate based on their individual investment objectives. Any new Trustee/Director will be

given a one year period following his or her election within which to comply with the foregoing. As of the date of this Proxy Statement, each Trustee/Director is in compliance with the policy. As of September 30, 2003, the total value of the investments by the Trustees/Directors and/or their spouses in shares of the Morgan Stanley Retail Funds and Institutional Funds was approximately \$58 million.

As of the Record Date for these Meetings, the aggregate number of shares of each Fund owned by the Funds' officers and Trustees/Directors as a group was less than 1 percent of each Fund's outstanding shares.

COMPENSATION OF INDEPENDENT TRUSTEES/DIRECTORS

Effective August 1, 2003, each Independent Trustee/Director receives an annual retainer fee of \$168,000 for serving the Retail Funds and Institutional Funds. In addition, each Independent Trustee/Director receives \$2,000 for attending each of the four quarterly board meetings and two performance meetings that occur each year. The Chairman of the Audit Committee receives an additional annual retainer fee of \$60,000. Other Committee Chairmen and the Deputy Chairman of the Audit Committee receive an additional annual retainer fee of \$30,000. The aggregate compensation paid to each Independent Trustee/Director is paid by the Retail Funds and Institutional Funds, and is allocated on a pro rata basis among each of the operational funds/portfolios of the Retail Funds and Institutional Funds based on the relative net assets of each of the funds/portfolios of the Retail Funds and Institutional Funds.

Prior to August 1, 2003, the Funds paid each Independent Trustee/Director an annual fee of \$800 plus a per meeting fee of \$50 for meetings of the Board of Trustees/Directors, the Independent Trustees/Directors or Committees of the Board of Trustees/Directors attended by the Trustee/Director (the Funds paid the Chairman of the Audit Committee an additional annual fee of \$750, and the Chairmen of the Derivatives and Insurance Committees additional annual fees of \$500). If a Board meeting and a meeting of the Independent Trustees/Directors or a Committee meeting (except an Audit Committee meeting), or a meeting of the Independent Trustees/Directors and/or more than one Committee meeting (except an Audit Committee meeting), took place on a single day, the Trustees/Directors were paid a single meeting fee by the Funds.

The Funds also reimburse such Trustees/Directors for travel and other out-of-pocket expenses incurred by them in connection with attending such meetings. Trustees/Directors and officers of the Funds who are or have been employed by the Investment Manager or an affiliated company receive no compensation or expense reimbursement from the Funds for their services as Trustee/Director. The Funds pay Mr. Fiumefreddo an annual fee for his service as Chairman of the Board and for administrative services provided to the Board of Trustees/Directors.

The following tables illustrate the compensation that the Funds paid to its Trustees/Directors for the fiscal year ended September 30, 2003 (GVT and ICB) and May 31, 2003 (OIA). Messrs. Kearns and Reid began serving as Trustees/Directors of the Funds on July 31, 2003 and therefore did not receive compensation from OIA during that Fund's last fiscal year.

pursuant to which Messrs. Kearns and Reid may defer to a later date the receipt of Trustee/Director fees. The cumulative amounts deferred by Messrs. Kearns and Reid were \$274,204 and \$454,541, respectively.

As of December 31, 2002, 49 of the Morgan Stanley Retail Funds, including the Funds, have adopted a retirement program under which an Independent Director/Trustee who retires after serving for at least five

15

years (or such lesser period as may be determined by the Board) as an Independent Director/Trustee of any Morgan Stanley Retail Funds that have adopted the retirement program (each such Fund referred to as an "Adopting Fund" and each such director/trustee referred to as an "Eligible Trustee/Director") is entitled to retirement payments upon reaching the eligible retirement age (normally, after attaining age 72). Annual payments are based upon length of service.

Currently, upon retirement, each Eligible Trustee/Director is entitled to receive from the Adopting Fund, commencing as of his or her retirement date and continuing for the remainder of his or her life, an annual retirement benefit (the "Regular Benefit") equal to 30.22% of his or her Eligible Compensation plus 0.5036662% of such Eligible Compensation for each full month of service as an independent director/trustee of any Adopting Fund in excess of five years up to a maximum of 60.44% after ten years of service. The foregoing percentages may be changed by the Board. (1) "Eligible Compensation" is one-fifth of the total compensation earned by such Eligible Trustee/Director for service to the Adopting Fund in the five year period prior to the date of the Eligible Trustee's/Director's retirement. Benefits under the retirement program are accrued as expenses by the Adopting Funds. Such benefits are not secured or funded by the Adopting Funds.

The following tables illustrate the retirement benefits accrued to the Trusts' Independent Trustees/Directors for the fiscal year ended September 30, 2003 (GVT and ICB) and May 31, 2003 (OIA) and by the 49 Morgan Stanley Retail Funds (including the Funds) for the calendar year ended December 31, 2002, and the estimated retirement benefits for the Independent Trustees/Directors, to commence upon their retirement, from the Funds as of each Fund's last fiscal year and from the 49 Morgan Stanley Retail Funds as of December 31, 2002. For the calendar year ended December 31, 2002, no retirement benefits were accrued to the Independent Trustees/Directors from any other funds in the Fund Complex. Messrs. Kearns and Reid did not serve as Trustees/Directors during the last calendar year and therefore did not accrue any retirement benefits. Furthermore, as of the date of this Proxy Statement, Messrs. In the event that the necessary quorum to transact business or the vote required to approve or reject any proposal for any Fund is not obtained at the Meetings, the persons named as proxies may propose one or more adjournments of the Meeting of the applicable Fund to permit further solicitation of proxies. Abstentions and, if applicable, broker "non-votes" will not count as votes in favor of any of the proposals, and broker "non-votes" will not be deemed to be present at the Meeting of any Fund for purposes of determining whether a particular proposal to be voted upon has been approved. Broker "non-votes" are shares held in street name for which the broker indicates that instructions have not been received from the beneficial owners or other persons entitled to vote and for which the broker does not have discretionary voting authority.

5.02. Authority to Engage Independent Counsel and Advisers

The Audit Committee is authorized to: (a) engage independent counsel, which may also be counsel to the Funds' independent directors/trustees, and other advisers, as it determines to be necessary to carry out its duties; and (b) require the Funds to provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the Auditor, the independent counsel and other advisers.

5.03. Scope of Audit Committee Responsibility

In fulfilling their responsibilities under this Audit Committee Charter, it is recognized that members of the Audit Committee are not full-time employees of the Fund. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and

organizations inside and outside the Fund from which the Audit Committee receives information and (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations, absent actual knowledge to the contrary (which actual knowledge shall be promptly reported to the Board of Directors/Trustees).

Fund management is responsible for maintaining appropriate systems for accounting. The Auditor is responsible for conducting a proper audit of the Fund's financial statements and is ultimately accountable to the Audit Committee.

A-5

6. Meetings of the Audit Committee

The Audit Committee shall meet at least twice each calendar year, including to approve the scope of the proposed audit of a Fund's financial statements by the Auditors and to review the report of the Auditors following such audit. The Audit Committee shall hold special meetings at such times as the Audit Committee believes appropriate. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

7. Review of Charter

(a) The Audit Committee shall review and assess the adequacy of this Charter annually.

(b) Any changes to this Charter must be recommended by the Audit Committee and approved by the Board.

AUDIT COMMITTEE
AUDIT AND NON-AUDIT SERVICES
PRE-APPROVAL POLICY AND PROCEDURES
OF THE
MORGAN STANLEY RETAIL AND INSTITUTIONAL FUNDS

AS ADOPTED JULY 31, 2003(1)

1. STATEMENT OF PRINCIPLES

The Audit Committee of the Board is required to review and, in its sole discretion, pre-approve all Covered Services to be provided by the Independent Auditors to the Fund and Covered Entities in order to assure that services performed by the Independent Auditors do not impair the auditor's independence from the Fund.

The SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the audit committee's administration of the engagement of the independent auditor. The SEC's rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"); or require the specific pre-approval of the Audit Committee or its delegate ("specific pre-approval"). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to pre-approve services performed by the Independent Auditors. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee (or by any member of the Audit Committee to which pre-approval authority has been delegated) if it is to be provided by the Independent Auditors. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers and provides a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the Independent Auditors without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the policy and procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the Independent Auditors to management.

The Fund's Independent Auditors have reviewed this Policy and believes that implementation of the Policy will not adversely affect the Independent Auditors' independence.

- (1) This Audit Committee Audit and Non-Audit Services Pre-Approval Policy and Procedures (the "Policy"), adopted as of the date above, supercedes and replaces all prior versions that may have been adopted from time to time.

A-7

2. DELEGATION

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting

3. AUDIT SERVICES

The annual Audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the

Independent Auditors to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other Audit services, which are those services that only the Independent Auditors reasonably can provide. Other Audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the Audit services in Appendix B.1. All other Audit services not listed in Appendix B.1 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

4. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and, to the extent they are Covered Services, the Covered Entities or that are traditionally performed by the Independent Auditors. Because the Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to Audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as "Audit services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under Forms N-SAR and/or N-CSR.

The Audit Committee has pre-approved the Audit-related services in Appendix B.2. All other Audit-related services not listed in Appendix B.2 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

5. TAX SERVICES

The Audit Committee believes that the Independent Auditors can provide Tax services to the Fund and, to the extent they are Covered Services, the Covered Entities, such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the Independent Auditors may provide such services.

A-8

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax Services in Appendix B.3. All Tax services in Appendix B.3 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

6. ALL OTHER SERVICES

The Audit Committee believes, based on the SEC's rules prohibiting the Independent Auditors from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as All Other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has pre-approved the All Other services in Appendix B.4. Permissible All Other services not listed in Appendix B.4 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

7. PRE-APPROVAL FEE LEVELS OR BUDGETED AMOUNTS

Pre-approval fee levels or budgeted amounts for all services to be provided by the Independent Auditors will be established annually by the Audit Committee. Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services.

8. PROCEDURES

All requests or applications for services to be provided by the Independent Auditors that do not require specific approval by the Audit Committee will be submitted to the Fund's Chief Financial Officer and must include a detailed description of the services to be rendered. The Fund's Chief Financial Officer will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the Independent Auditors. Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the Independent Auditors and the Fund's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Fund's Chief Financial Officer to monitor the performance of all services provided by the Independent Auditors and to determine whether such services are in compliance with this Policy. The Fund's Chief Financial Officer will report to the Audit Committee on a periodic basis on the results of its monitoring. Both the Fund's Chief Financial Officer and management will immediately report to the chairman of the Audit Committee any breach of this Policy that comes to the attention of the Fund's Chief Financial Officer or any member of management.

9. ADDITIONAL REQUIREMENTS

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the Independent Auditors and to assure the auditor's independence from the Fund, such as reviewing a formal written statement from the Independent Auditors delineating all relationships between the Independent Auditors and the Fund, consistent with Independence Standards Board No. 1, and discussing with the Independent Auditors its methods and procedures for ensuring independence.

A-9

10. COVERED ENTITIES

Covered Entities include the Fund's investment adviser(s) and any entity controlling, controlled by or under common control with the Fund's investment adviser(s) that provides ongoing services to the Fund(s). Beginning with non-audit service contracts entered into on or after May 6, 2003, the Fund's audit committee must pre-approve non-audit services provided not only to the Fund but also to the Covered Entities if the engagements relate directly to the operations and financial reporting of the Fund.
