REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Tenneco Automotive Inc. Benefits Committee:

Edgar Filing: TENNECO AUTOMOTIVE INC - Form 11-K

We have audited the accompanying statements of net assets available for plan benefits of THE TENNECO AUTOMOTIVE EMPLOYEE STOCK OWNERSHIP PLAN FOR SALARIED EMPLOYEES as of December 31, 2001 and 2000, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2001. These financial statements and the supplemental schedule referred to below are the responsibility of the Tenneco Automotive Inc. Benefits Committee. Our responsibility is to express an opinion on these financial statements and supplemental schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of The Tenneco Automotive Employee Stock Ownership Plan for Salaried Employees as of December 31, 2001 and 2000, and the changes in net assets available for plan benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2001, included as Schedule I, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## THE TENNECO AUTOMOTIVE EMPLOYEE STOCK OWNERSHIP PLAN FOR SALARIED EMPLOYEES

### NOTES TO FINANCIAL STATEMENTS AND SCHEDULE

DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF THE TENNECO AUTOMOTIVE EMPLOYEE STOCK OWNERSHIP PLAN FOR SALARIED EMPLOYEES

The following description of The Tenneco Automotive Employee Stock Ownership Plan for Salaried Employees (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### GENERAL

The Plan is a defined contribution plan established by Tenneco Automotive Inc. (the "Company") on February 1, 2000. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective February 1, 2000, Tenneco Automotive Inc. employees who were participants in the Pactiv Corporation Thrift Plan (the "Pactiv Plan") had their participant account balances transferred to the Plan.

#### ELIGIBILITY AND CONTRIBUTIONS

Salaried employees are eligible to participate in the Plan the first day of the month following the Company's receipt of an application for enrollment or two complete calendar months of employment provided the employee has not waived automatic enrollment.

Any employee who was enrolled in the Pactiv Plan as of January 1, 2000, and who continued to be an active employee of the Company was automatically enrolled in the Plan effective February 1, 2000.

An employee is automatically enrolled in the Plan upon completion of the eligibility requirements at a pretax contribution rate of 4% of compensation, unless the employee elects to waive automatic enrollment prior to the effective date. Participants can elect to increase the pretax deferral rate from 4% up to 16%, in any whole percentage, at any time. Total pretax contributions were limited to \$10,500 for 2001 and 2000. Effective January 1, 2001, the Company's matching contribution was reduced to 75% (previously 100%) of the participant's deferral contributions not to exceed 8% of the participant's compensation. The Company may also make discretionary contributions to participants' accounts.

## Edgar Filing: TENNECO AUTOMOTIVE INC - Form 11-K

Company contributions are made in the Company's common stock. The Company's contributions and the related earnings/losses must remain in the form of the Company's common stock until the participant reaches age 55 or terminates employment and requests a total distribution.

### INVESTMENT OPTIONS

Each participant has the right upon enrollment to select the funds in which the balance in the participant's account, excluding Company contributions, will be invested. During 2001, participants can invest in Company common stock, two collective trust funds, five registered investment companies and a money market fund.

Shares of Pactiv Corporation common stock, transferred from the Pactiv Plan are held in a separate fund; however, participants cannot direct contributions or fund transfers to this fund.

### VESTING

All participants are 100% vested in their entire account balance in the Plan.

### WITHDRAWALS AND PARTICIPANT LOANS

Upon retirement or other termination of employment, the participant may receive the value of his account as a lump-sum distribution. A participant who has attained the age of 55 may elect to make an in-service withdrawal of the Company's matching account. In-service withdrawals of deferral contributions may be made by participants who have attained age 59 1/2.

Active participants and certain other individuals who have not had a loan during the previous three months may obtain a loan with a term not to exceed 54 months from his account. The borrower may have only one loan outstanding at any time, and the amount of the loan may not be less than \$1,000 and shall not exceed the lesser of (a) \$50,000 or (b) one-half the borrower's account balance. The loan interest rate is equal to The Wall Street Journal prime rate. Loan principal and interest repayments are made through payroll deductions.

### ADMINISTRATION

The Plan is administered by the Tenneco Automotive Inc. Benefits Committee (the "Committee"). Bankers Trust Company served as trustee through January 1, 2002. Effective January 2, 2002, Putnam Fiduciary Trust Company serves as the trustee.

## 2. SUMMARY OF ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

The financial statements of the Plan are presented on the accrual basis of accounting. The investments of the Plan are generally reported at quoted market value. Collective trust funds are valued by reference to published market data, as available, of the underlying assets. Participant loans receivable are reported at cost which approximates fair value.

### EARNINGS

## Edgar Filing: TENNECO AUTOMOTIVE INC - Form 11-K

Individual participants' accounts are credited daily with investment earnings and losses. Investment earnings and losses are credited based upon the number of units held in an individual participant's account and the fair value per unit based upon the net asset value or share price of the underlying securities at the close of business each day.

### EXPENSES

Substantially all administrative expenses are paid by the Plan. These expenses include record-keeping, audit and trustee fees.

### USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

### 6. FEDERAL INCOME TAXES

The Internal Revenue Service issued a determination letter dated April 30, 2002, stating that the Plan was designed in accordance with applicable Internal Revenue Code of 1986, as amended (the "Code"), requirements as of that date. However, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

### 7. TERMINATION OF THE PLAN

Although the Company intends to continue the Plan indefinitely, they

Edgar Filing: TENNECO AUTOMOTIVE INC - Form 11-K

reserve the right to terminate the Plan. Any assets which are not allocated to the accounts of participants upon the complete termination of the Plan, or complete discontinuance of contributions, will be allocated among all of the participants' accounts pro rata on the basis of their respective balances.

8. PARTY IN INTEREST

The Plan invests in shares of the Bankers Trust Pyramid Directed Account Cash Fund which is managed by Bankers Trust Company. Bankers Trust Company was the trustee during 2001 and, therefore, these transactions qualify as party-in-interest transactions.

9. SUBSEQUENT EVENT
