SOLICITATION AND VOTING

We are sending you this Proxy Statement and the enclosed proxy card because the Board of Directors of First BancTrust Corporation (the "Company" "we" or "us") is soliciting your proxy to vote at the 2007 annual meeting of Stockholders (the "Annual Meeting"). This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting.

You are invited to attend our Annual Meeting on April 23, 2007 beginning at 10:00 a.m., local time. The Annual Meeting will be held at the Human Resources Center, 118 East Court Street, Paris, Illinois.

This Proxy Statement and the enclosed form of proxy are being mailed starting on or about March 23, 2007.

STOCKHOLDERS ENTITLED TO VOTE

Holders of record of common stock of the Company at the close of business on March 9, 2007 are entitled to receive this notice. Each share of common stock of the Company is equal to one vote.

There is no cumulative voting at the Annual Meeting.

As of the record date, there were 2,293,400 common shares issued and outstanding.

VOTING PROCEDURES

Unless you hold your shares in the Company's Retirement Savings Plan (the "401(k) Plan") or the Employee Stock Ownership Plan and Trust (the "ESOP"), you can vote on matters to come before the meeting in one of two ways:

- you can come to the Annual Meeting and cast your vote there; or
- you can vote by signing and returning the enclosed proxy card. If you do so, the individuals named as proxies on the card will vote your shares in the manner you indicate.

You may also choose to vote for all of the nominees for Director and each proposal by simply signing, dating and returning the enclosed proxy card without further direction. All signed and returned proxies that contain no direction as to vote will be voted FOR each of the nominees for Director and FOR each of the proposals.

The Board of Directors has selected itself as the persons to act as proxies on the proxy card.

If you plan to attend the Annual Meeting and vote in person, you should request a ballot when you arrive. HOWEVER, IF YOUR SHARES ARE HELD IN THE NAME OF YOUR BROKER, BANK OR OTHER NOMINEE, THE INSPECTOR OF ELECTION WILL REQUIRE YOU TO PRESENT A POWER OF ATTORNEY OR PROXY IN YOUR NAME FROM SUCH BROKER, BANK OR OTHER NOMINEE FOR YOU TO VOTE SUCH SHARES AT THE ANNUAL MEETING. Please contact your broker, bank or nominee.

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

VOTING PROCEDURES FOR SHARES IN THE COMPANY'S 401(K) PLAN OR ESOP

If you participate in the Company's 401(k) Plan or ESOP, please return your proxy in the envelope on a timely basis to ensure that your proxy is voted. If you own or are entitled to give voting instructions for shares in the 401(k) Plan or ESOP and do not vote your shares or give voting instructions, generally, the Plan Administrator or Trustee will vote your shares in the same proportion as the shares for all plan participants for which voting instructions have been received. Holders of shares in the 401(k) Plan or ESOP will not be permitted to vote such shares at the Annual Meeting, but their attendance is encouraged and welcomed.

REQUIRED VOTE

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the stockholders at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker "non votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non vote" occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because such broker, bank or nominee does not have discretionary authority to vote and has not received instructions from the beneficial owner.

Once a quorum is achieved, a plurality of votes cast is all that is necessary for the election of Directors. Abstentions and broker "non votes" are not counted in determining the vote. As to ratification of BKD, LLP and all other matters that may come before the meeting, the affirmative vote of a majority of votes cast is necessary for the approval of such matters. Abstentions and broker "non votes" are again not counted for purposes of approving the matter.

REVOKING A PROXY

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

- you may send in another proxy with a later date;
- you may notify the Company's Secretary in writing at First BancTrust Corporation, 101 South Central Avenue, P.O. Box 880, Paris, Illinois 61944; or
- unless you hold shares in the 401(k) Plan or ESOP, you may revoke by voting in person at the Annual Meeting.

If you choose to revoke your proxy by attending the Annual Meeting, you must vote in accordance with the rules for voting at the Annual Meeting. Attending the Annual Meeting alone will not constitute revocation of a proxy.

LIST OF STOCKHOLDERS

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by stockholders for any purpose related to the Annual Meeting at the Company's offices at 101 South Central Avenue, Paris, Illinois for a period of ten days prior to the Annual Meeting. A list will also be available at the Annual Meeting itself.

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

COST OF PROXY SOLICITATION

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, mail or telegram. We do not intend to engage a proxy solicitation firm to assist us in the distribution and solicitation of proxies. The Company will also request persons, firms and corporations holding shares in their names for other beneficial owners to send proxy materials to such beneficial owners. The Company will reimburse these persons for their expenses.

INSPECTOR OF ELECTION

Your proxy returned in the enclosed envelope will be delivered to the Company's transfer agent, Illinois Stock Transfer Company. The Board of Directors has designated Illinois Stock Transfer Company to act as inspectors of election and to tabulate the votes at the Annual Meeting. Illinois Stock Transfer Company is not otherwise employed by, or a Director of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company.

OTHER MATTERS

The Board of Directors knows of no business which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Stockholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxies to vote the shares on such matters in their discretion.

GOVERNANCE OF THE COMPANY

ROLE AND COMPOSITION OF THE BOARD OF DIRECTORS

Our Company's Board of Directors is the ultimate decision making body of the Company, except for matters which law or our Certificate of Incorporation requires the vote of stockholders. The Board of Directors selects the management of the Company which is responsible for the Company's day to day operations. The Board acts as an advisor to management and also monitors its performance. Our Board of Directors has determined that each of Messrs. Vick N. Bowyer, David W. Dick, John P. Graham, Terry T. Hutchison, James D. Motley, John W. Welborn, and Joseph R. Schroeder are independent as independence is defined in listing standards for the Nasdaq Stock Market, as those standards have been modified or supplemented.

Members of the Board of Directors serve also as Directors of First Bank & Trust, S.B. (the "Bank"). The Bank is the Company's wholly owned subsidiary. You will find a discussion of its activities in your Annual Report.

During 2006, the Board of Directors met as the Company's Board of Directors eight times. In addition, the Board of Directors has authorized four Committees to manage distinct matters of the Company. These Committees are the Executive Committee, Audit Committee, the Nominating Committee, and the Compensation Committee. Membership on each of the Committees is set forth in the table below. All of our Directors attended 75 percent or more of the meetings of the Board and the Board Committees on which they served in 2006.

THE EXECUTIVE COMMITTEE

The Executive Committee generally acts in lieu of the full board of directors between board meetings. This committee is responsible for formulating and implementing policy decisions, subject to review by the entire board of directors.

THE AUDIT COMMITTEE

The Audit Committee is responsible for recommending the annual appointment of the public accounting firm to be our outside auditors, subject to approval of the Board of Directors and stockholders. The Committee is responsible for the following tasks:

- maintaining a liaison with the outside auditors;
- reviewing the adequacy of internal controls;
- reviewing with management and outside auditors financial disclosures of the Company; and
- reviewing any material changes in accounting principles or practices used in preparing statements.

AUDIT COMMITTEE FINANCIAL EXPERT

Our Board of Directors has determined that we have an Audit Committee financial expert, as defined by the Securities and Exchange Commission, serving on our Audit Committee. James D. Motley is our Audit Committee financial expert, and he is independent as independence for audit committee members is defined in the listing standards for the Nasdaq Stock Market, as those standards have been modified or supplemented.

THE NOMINATING COMMITTEE

Our Board of Directors has a Nominating Committee which consists of four directors. Vick N. Bowyer, David W. Dick, James D. Motley, and Joseph R. Schroeder are the current members of this committee. The Nominating Committee identifies individuals to become board members and selects, or recommends for the board's selection, director nominees to be presented for stockholder approval at the annual meeting of stockholders or to fill any vacancies. During the fiscal year ended December 31, 2006, the Nominating Committee held one meeting.

Our Board of Directors has adopted a written charter for the Nominating

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

Committee, a copy of which was attached as an appendix to the proxy statement in connection with the 2005 annual meeting and is also available to stockholders on our website, at <http://www.firstbanktrust.com>. Each of the members of our Nominating Committee is independent as independence is defined in the listing standards for the Nasdaq Stock Market, as those standards have been modified or supplemented.

7

The Nominating Committee's policy is to consider director candidates recommended by stockholders. Such recommendations must be made pursuant to timely notice in writing to:

First BancTrust Corporation
101 South Central Avenue
P.O. Box 880
Paris, Illinois 61944

Section 4.15 of the Company's Bylaws governs nominations for election to the Board of Directors and requires all nominations for election to the Board of Directors, other than those made by or at the direction of the Board, to be made pursuant to timely notice in writing to the Secretary of the Company, as set forth in the Bylaws. To be timely, with respect to an election to be held at an annual meeting of stockholders, a stockholders' notice must be delivered to or received by the Secretary not later than 120 days prior to the anniversary date of the mailing of proxy materials by the Company in connection with the immediately preceding annual meeting of stockholders of the Company. No notice has been received by the Company in connection with the Annual Meeting. Each written notice of a stockholder nomination must set forth certain information specified in the Bylaws. The presiding officer of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the procedures set forth in the Bylaws.

The Nominating Committee has not established specific, minimum qualifications for recommended nominees or specific qualities or skills for one or more of our directors to possess. The Nominating Committee uses a subjective process for identifying and evaluating nominees for director, based on the information available to, and the subjective judgments of, the members of the Nominating Committee and our then current needs, although the committee does not believe there would be any difference in the manner in which it evaluates nominees based on whether the nominee is recommended by a stockholder. Historically, nominees have been existing directors or business associates of our directors or officers.

THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is comprised entirely of independent directors who meet the requirements of independence set forth in the listing standards for The NASDAQ Stock Market.

The primary responsibility of the Compensation Committee is to assist the Board of Directors in carrying out its responsibilities with respect to: (i) overseeing the Company's compensation policies and practices; (ii) reviewing and approving annual compensation and compensation procedures for the Company's CEO, other executive officers, key leaders, and employees; and (iii) overseeing and recommending director compensation to the Board of Directors. More specifically, the Compensation Committee's responsibilities include: overseeing the Company's general compensation structure, policies and programs, and assessing whether the Company's compensation structure establishes appropriate incentives for

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

management and employees; making recommendations to the Board of Directors with respect to the Company's incentive compensation and equity-based compensation plans, including the Company's stock option plan and stock grant plan; reviewing and approving compensation procedures for the Company's executive officers; recommending to the Board of Directors for approval the compensation of executive officers; recommending to the independent directors for approval of the compensation of the CEO based on relevant corporate goals and objectives as well as the Compensation Committee's performance evaluation of the CEO; reviewing and recommending to the Board of Directors for approval the compensation of other executive officers, key leaders, and employees; reviewing and recommending to the Board of Directors employment and retention agreements and severance arrangements for executive officers, including change-in-control provisions, plans or agreements; reviewing the compensation of directors for service on the Board of Directors and its committees and recommending changes in compensation to the Board of Directors.

Company management provides recommendations regarding most compensation matters, not including CEO compensation and director compensation, to the Compensation Committee. The Compensation Committee has available to it an outside compensation consultant, and has worked with the consultant to gather comparative compensation data from independent sources and to develop a comprehensive compensation program. The

8

committee is also responsible for reviewing and recommending that the Company's Compensation Discussion and Analysis be included in this proxy statement.

Our Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is available to stockholders on our website at <http://www.firstbanktrust.com>. The Compensation Committee Charter does not provide for any delegation of these Compensation Committee Duties.

CODE OF ETHICS

The Company has adopted a Code of Ethics that applies to all of our employees, officers and directors, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics contains written standards that we believe are reasonably designed to deter wrongdoing and to promote:

- Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- Full, fair, accurate, timely, and understandable disclosure in reports and documents that we file with, or submit to, the Securities and Exchange Commissions and in other public communications we make;
- Compliance with applicable governmental laws, rules and regulations;
- The prompt internal reporting of violations of the code to an appropriate person or persons named in the code; and
- Accountability for adherence to the code.

This Code of Ethics is attached to our Annual Report on Form 10-K for the fiscal year ended December 31, 2006 as Exhibit 14. We have also posted it on our

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

Web site at <http://www.firstbanktrust.com>. We will provide to any person without charge, upon request, a copy of our Code of Ethics. Requests for a copy of our Code of Ethics should be made to our Secretary at 101 South Central Avenue, P.O. Box 880, Paris, Illinois 61944. We intend to satisfy the disclosure requirement under Item 10 of Form 8-K regarding an amendment to, or a waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions and that relates to any element of the code definition enumerated in Securities and Exchange Commission, Regulation S-K, Item 406(b) by posting such information on our Web site at <http://www.firstbanktrust.com> within five business days following the date of the amendment or waiver.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD

Our Board of Directors has a process for stockholders to send communications to the Board of Directors, its Nominating Committee or its Audit Committee, including complaints regarding accounting, internal accounting controls, or auditing matters. Communications can be sent to the Board of Directors, its Nominating Committee or its Audit Committee or specific directors either by regular mail to the attention of the Board of Directors, its Nominating Committee, its Audit Committee or specific directors, at our principal executive offices at 101 South Central Avenue, P.O. Box 880, Paris, Illinois 61944. All of these communications will be reviewed by our Secretary (1) to filter out communications that our Secretary deems are not appropriate for our directors, such as spam and communications offering to buy or sell products or services, and (2) to sort and relay the remainder to the appropriate directors. We encourage all of our directors to attend the annual meeting of stockholders, if possible. All of our directors attended the 2006 annual meeting of stockholders.

ITEM 1. ELECTION OF DIRECTORS

Currently, the Board of Directors has eight members divided into three classes of two or three directors per class. Each class of directors has three-year terms. One class of directors is up for election each year. This results in a staggered Board which ensures continuity from year to year.

9

Two directors will be elected at the Annual Meeting to serve for three-year terms expiring at our Annual Meeting in the year 2010.

The persons named in the enclosed proxy card intend to vote the proxy for the election of each of the two nominees unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as director will continue in office until his or her successor has been elected, or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Directors with terms expiring in 2010 at the Annual Meeting: John W. Welborn and Terry T. Hutchison.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THESE NOMINEES AS DIRECTORS.

We expect each nominee to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. The principal occupation and

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee reviews and approves the Company's goals

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

and objectives relevant to CEO compensation, evaluates the CEO's performance in light of those goals and objectives, and recommends to the Board the CEO's compensation level based on this evaluation. The Compensation Committee also makes recommendations to the Board concerning Director compensation. In most other compensation matters our management provides recommendations to the Compensation Committee. For example, the Compensation Committee also reviews evaluations conducted by the CEO of each senior managers' performance related to the Company's goals and objectives and discusses the accompanying level of compensation proposed by the CEO for each senior manager before recommending each senior manager's compensation level to the Board. In addition, the Compensation Committee reviews the compensation levels proposed by senior management for employees of the Company before recommending each employee's compensation level to the Board. The Compensation Committee also reviews all benefit plans, incentive-compensation plans, and equity-based plans for directors, officers, and employees of the Company and makes recommendations to the Board with respect to these plans. During 2006, no decisions of the Committee were modified in any material way or rejected by the Board of Directors.

OBJECTIVES OF COMPENSATION PROGRAM

The primary objective of our compensation program is to attract and retain qualified, knowledgeable, and energetic employees who are enthusiastic about the Company's mission, purpose, and culture. The accompanying objective of our compensation program is to provide incentives and rewards to each employee relevant to their contributions to the achievement of the Company's goals and objectives. In addition, we strive to promote an ownership mentality among key leadership and the Board of Directors. Finally, we endeavor to make sure that our compensation program is essentially fair to all stakeholders.

WHAT OUR COMPENSATION PROGRAM IS DESIGNED TO REWARD

Our compensation program is designed to reward each employee's contribution to the achievement of the Company's goals and objectives. In measuring the CEO's and other key leaders' contribution to the Company, the Compensation Committee considers numerous factors including the Company's growth and financial performance through reference to peer group data supplied by independent sources as well as long-term goals established by the Board of Directors. Company management provides recommendations regarding most compensation matters, not including CEO compensation and director compensation, to the Compensation Committee; however, the Compensation Committee does not delegate any of its functions to others in setting compensation. The Compensation Committee has available to it an outside compensation consultant, and has worked with the consultant to gather comparative compensation data from independent sources and to develop a comprehensive compensation program. Stock price performance has not been a factor in determining annual compensation because the price of the Company's common stock is subject to a variety of factors outside of our control. However, our equity-based incentive plans are designed to encourage key leaders to enhance our financial performance which should positively impact the price of the Company's common stock, even though we do not employ an exact formula for allocating between cash and non-cash compensation.

15

OUR COMPENSATION PROGRAM

The Company's compensation program for executives and other key leaders consists of three elements:

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

- a base salary
- a performance-based annual bonus; and
- a long-term incentive in the form of incentive grants of restricted stock.

Salary. Base salaries are established for executive officers and senior managers that are intended to be competitive and consistent with amounts paid officers performing similar functions at comparable companies in our market area. The Compensation Committee established a target range for base salaries that is within 15% of the median salary for each position reported by independent sources. The Committee may adjust salaries within this range to reflect the executive's level of responsibility, prior experience, education, breadth of knowledge, and personal performance record. All of these factors are considered on a subjective basis in the aggregate, and none of the factors are accorded a specific weight. When establishing the salary of executives other than his own, Mr. Howard made recommendations to and participated in discussions with the Compensation Committee. It is the Compensation Committee's intention to set total executive cash compensation sufficiently high to attract and retain a strong motivated leadership team, but not so high that it creates a negative perception with our other shareholders.

BONUS. The payment of the annual bonus is primarily contingent upon the attainment of targeted annual net income goals that are established by the Board of Directors at the beginning of each year. When approving bonuses, the Committee may also consider individual performance criteria in addition to Company-wide objectives. The Committee revamped the bonus program for 2005 removing individual performance criteria from consideration in favor of achieving Company-wide financial performance objectives. Since the performance objectives were not met for 2005, no significant bonus payouts were made during 2006 for 2005. In December, 2006, the Compensation Committee recommended approval of aggregated bonus payments of approximately \$36,500 to 55 employees based on their individual contribution towards the Company-wide objectives for 2006. These payments are to be made in early 2007. The bonus amount authorized for each of the five named executive officers is set forth in the Compensation Table on page 18.

STOCK OWNERSHIP. All of our key leaders participate in an incentive compensation plan based primarily on improvement in financial performance over a five-year period. During 2005, the Committee approved restricted stock grants from the 2002 Recognition and Retention Plan for twelve executives and senior managers of 42,678 shares. These shares will be vested based on the achievement of year-over-year goals for profitability improvement and cumulative profitability over a five-year period beginning in 2006 established by the Board of Directors. This program puts a significant portion of each officer's compensation at risk contingent on improving profitability both in the near term and the long term effectively aligning the executive officers' interests with those of shareholders. Since the stated goal for improvement in financial performance in 2006 was not achieved, no shares were vested. However, the CEO is required to analyze progress against the goals established for vesting these shares over the remaining four years. He has determined that it is likely that shares will be vested in the final two years of the program. As a result the expense associated with those vesting shares has been pro-rated over the five years resulting in the recognition of over \$81,609 in expense during 2006. Grants made to five named executive officers and the associated expenses recognized in 2006 are set forth in the Compensation Table on page 18.

On April 22, 2002, stock grants of 32,000 shares from the Plan were awarded to seven executives and senior managers which vest over a five year period. As of December 31, 2006, eighty percent or 25,600 of those shares have

Edgar Filing: FIRST BANCTRUST CORP - Form DEF 14A

been transferred to those recipients. Shares vested to four named executive officers and the associated expenses recognized in 2006 are set forth in the Compensation Table on Page 18.

In addition, executives and senior managers have been granted 172,174 stock options under the 2002 Stock Option Plan. At December 31, 2005, all of these options are exercisable. Options held by five key executive officers are set forth in the 2006 Outstanding Equity at Fiscal Year-End Table on Page 21.

16

The Committee established these plans and made the awards to enhance long term financial performance by motivating executive officers and employees to further the long term goals of the Company.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

The Committee establishes Mr. Howard's salary after reviewing the factors and components described above. Mr. Howard's salary in 2006 was based in part upon the Committee's satisfaction with the following factors: market area expansion, progress on operating efficiencies, continued loan portfolio growth, and continued improvement in overall credit quality. Mr. Howard did not receive a bonus in 2006. Mr. Howard did receive other compensation including allocations under the ESOP, directors fees from the Company, amounts paid for premiums on insurance policies with respect to Mr. Howard, interest on deferred compensation and stock grants approved in 2002 described above. Although expenses were recognized in conjunction with restricted stock grants approved in 2005, no shares will be vested to Mr. Howard in 2007 for 2006.

Compliance with Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) of the Internal Revenue Code limits the deductibility of annual compensation in excess of \$1.0 million paid to the Chief Executive Officer and any of the four other highest paid officers, to the extent they are listed officers on the last day of any given tax year. However, compensation is exempt from this limit if it qualifies as "performance based compensation." Performance based compensation generally includes only payments that are contingent on achievement of performance objectives, and excludes fixed or guaranteed payments. We believe performance based compensation is an important tool to provide incentive to senior executives, matching their compensation levels to our performance.

Although we will consider deductibility under Section 162(m) with respect to the compensation arrangements for executive officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since our objectives may not always be consistent with the requirements for full deductibility, we may enter into compensation arrangements under which payments would not be deductible under Section 162(m).

The following table shows, for the year ended December 31, 2006, the cash compensation paid by the Bank, as well as certain other compensation paid or accrued for the year, to the Chief Executive Officer, Chief Financial Officer and other executive officers ("Named Executive Officers") who accrued compensation in excess of \$100,000 in fiscal year 2006.

TERMINATION/CHANGE-IN-CONTROL PAYMENTS

Terry J. Howard. Under Mr. Howard's current employment agreement, he is entitled to different payments and benefits depending upon the manner in which his employment terminates. If Mr. Howard retires or becomes disabled, he is entitled to continued life, medical, dental and disability coverage for the remaining term of his employment agreement. Assuming in accordance with recently enacted SEC disclosure rules that this occurred on December 31, 2006, the estimated aggregate benefits to be provided to Mr. Howard would be approximately \$10,995.

If Mr. Howard is terminated for cause or he terminates other than for disability, retirement, death or good reason, his right to compensation and benefits ends on his date of termination.

If Mr. Howard terminates because of a material breach of his employment agreement, he is terminated other than for cause, disability, retirement or death, or he terminates for good reason, then Mr. Howard will be entitled to a cash severance amount equal to two times his average annual compensation for the

last five calendar years (payable in either 24 installments or as a lump sum), plus the continuation of insurance and employee benefits for the remaining term of his employment agreement.

The employment agreement provides that, in the event any of the payments to be made upon termination of employment are deemed to constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code, then such payments and benefits shall be reduced by the minimum necessary to result in the payments not exceeding three times the recipient's average annual compensation from the employers which was includable in the recipient's gross income during the most recent five taxable years. As a result, none of the severance payments will be subject to a 20% excise tax, and the employers will be able to deduct such payments as compensation expense for federal income tax purposes. Based upon compensation levels at December 31, 2006, if a termination occurred in the manner described in the immediately preceding paragraph, the estimated aggregate value of compensation and benefits to be provided to Mr. Howard would be approximately \$380,776.

"Good Reason" is defined under the agreement to mean a termination by Mr. Howard within 24 months following a change in control (as defined immediately below) based on, among other things, (i) a failure to re-appoint Mr. Howard as President of the bank or a material adverse change in his duties; (ii) a material reduction in his compensation; or (iii) a relocation of more than 30 miles. "Change in Control" is a change of control of First BancTrust that would be required to be reported under the federal securities laws, as well as (1) the acquisition by any person of 20% or more of First BancTrust's outstanding voting securities and (2) a change in a majority of the directors of First BancTrust during any three-year period without the approval of at least two-thirds of the persons who were directors of First BancTrust at the beginning of such period.

Larry W. Strohm. Under Mr. Strohm's current severance agreement, he is entitled to different payments and benefits depending upon the manner in which his employment terminates. If Mr. Strohm retires or becomes disabled, he is entitled to continued life, medical, dental and disability coverage for the remaining term of his employment agreement. Assuming in accordance with recently enacted SEC disclosure rules that this occurred on December 31, 2006, the estimated aggregate benefits to be provided to Mr. Strohm would be approximately \$6,963.

If Mr. Strohm is terminated for cause or he terminates other than for disability, retirement, death or good reason, his right to compensation and benefits ends on his date of termination.

If Mr. Strohm terminates because of a material breach of his severance agreement, he is terminated other than for cause, disability, retirement or death, or he terminates for good reason, then Mr. Strohm will be entitled to a cash severance amount equal to his average annual compensation for the last five calendar years (payable in either 12 installments or as a lump sum), plus the continuation of insurance and employee benefits for the remaining term of his severance agreement.

income during the most recent five taxable years. As a result, none of the severance payments will be subject to a 20% excise tax, and the employers will be able to deduct such payments as compensation expense for federal income tax purposes. Based upon compensation levels at December 31, 2006, if a termination occurred in the manner described in the immediately preceding paragraph, the estimated aggregate value of compensation and benefits to be provided to Mr. Strohm would be approximately \$95,818.

"Good Reason" is defined under the agreement to mean a termination by Mr. Strohm within 24 months following a change in control (as defined immediately below) based on, among other things, without Mr. Strohm's express written consent, (i) the failure to re-appoint Mr. Strohm as the Senior Vice President, Manager of the Marshall Branch of the bank or a material adverse change in his duties; (ii) a material reduction in his compensation; or (iii) a relocation of more than 30 miles. "Change in Control" is a change of control of First BancTrust that would be required to be reported under the federal securities laws, as well as (1) the acquisition by any person of 20% or more of First BancTrust's outstanding voting securities and (2) a change in a majority of the directors of First BancTrust during any three-year period without the approval of at least two-thirds of the persons who were directors of First BancTrust at the beginning of such period.
