## INFORMATION TO BE INCLUDED IN THE REPORT

### Section 1 Registrant's Business and Operations

#### Item 1.01 Entry into a Material Definitive Agreement.

On May 28, 2009, Wabash National Corporation (the Company) entered into a First Amendment to Forbearance Agreement and Fourth Amendment to Second Amended and Restated Loan and Security Agreement (the Amendment) with the lenders under the Company's Second Amended and Restated Loan and Security Agreement (the Revolving Credit Facility).

As previously disclosed, on April 28, 2009, the Company entered into a Forbearance Agreement and Third Amendment to Second Amended and Restated Loan and Security Agreement (the Forbearance Agreement), whereby the lenders under the Revolving Credit Facility agreed, among other things, to refrain from accelerating maturity of the Revolving Credit Facility due to specified existing or anticipated events of default (the Existing and Anticipated Events of Default) through the earlier of May 29, 2009 or the occurrence or existence of any event of default other than the Existing and Anticipated Events of Default.

Pursuant to the Amendment, the lenders under the Revolving Credit Facility have agreed to continue to refrain from accelerating maturity of the Revolving Credit Facility due to the Existing and Anticipated Events of Default through the earlier of July 31, 2009 or the occurrence or existence of any event of default other than the Existing and Anticipated Events of Default.

In addition to a sixty day extension of the forbearance period, pursuant to the Amendment, the lenders under the Revolving Credit Facility agreed, among other things, to reduce the previously established availability reserve from \$22.5 million to \$17.5 million through July 31, 2009 and to decrease the borrowing availability of eligible accounts receivable from 90% to 85%.

Pursuant to the terms of the Amendment, (i) the parties agreed to increase the applicable margin interest rate on the base rate portion of the revolving credit loans from 2.25% to 2.75% and on the LIBOR rate portion of the revolving credit loans from 3.75% to 4.25%, (ii) the Company is required to provide the administrative agent under the Revolving Credit Facility, by the third business day of each calendar week from and after May 28, 2009, a report setting forth a 13-week cash flow forecast for the Company and its subsidiaries as well as a comparison of the actual and projected cash flow statements for the immediately preceding calendar week, and (iii) on or before June 15, 2009, the Company is required to deliver to the administrative agent a written report, in form and substance satisfactory to the administrative agent, updating the lenders on the status of its evaluation of strategic business alternatives.

During the forbearance period, as extended by the Amendment, the Company expects to continue negotiations with its lenders on the terms of a comprehensive amendment to the Revolving Credit Facility.

A copy of the Amendment is attached to this Current Report as Exhibit 10.1 and is incorporated in this report by reference. The description of the Amendment contained in this Current Report does not purport to be complete and is qualified in its entirety by reference to the Amendment.
