On June 26, 2004, Triarc Companies, Inc. ("Triarc") entered into a definitive agreement to acquire a majority interest in Deerfield & Company LLC ("Deerfield"), a Chicago-based investment manager, representing as of the date hereof approximately 64% of the outstanding membership interests and in excess of 90% of the outstanding voting power, for a cash purchase price of approximately \$86.5 million, subject to adjustment as provided in the definitive purchase agreement. Deerfield's current senior management, including its Chairman and Chief Executive Officer Gregory H. Sachs, its President Scott Roberts and its Chief Investment Officer Jonathan Trutter, and portfolio management teams will remain intact and will continue to oversee Deerfield's day-to-day operations.

As further described in the definitive agreements, commencing on the fifth anniversary of the closing of the transaction, Triarc will have certain rights to acquire the membership interests of Deerfield owned by Mr. Sachs (the "Sachs Interest") and Mr. Roberts (the "Roberts Interest"), which represent in the aggregate as of the date hereof approximately 35% of the outstanding membership interests. In addition, commencing on the third anniversary of the closing of the transaction, Messrs. Sachs and Roberts will have certain rights to require Triarc to acquire the Sachs Interest and the Roberts Interest. In each case, the rights are exercisable at a price equal to the then current fair market value of the Sachs Interest or the Roberts Interest (subject to certain exceptions in the case of the Sachs Interest). Triarc's right to acquire the Sachs Interest and the Roberts Interest, and Messrs. Sachs' and Roberts' rights to require Triarc to acquire such interests, may be accelerated in full upon the occurrence of certain specified events.

In connection with the acquisition, Triarc has also committed to invest \$100 million to seed a new multi-strategy hedge fund to be managed by Deerfield.

The transaction, which is currently expected to be consummated in the 2004 third quarter, is subject to customary closing conditions for transactions of this type, including, without limitation, the receipt by Deerfield of certain third party consents and other conditions set forth in the definitive agreement.

Deerfield offers a diverse range of alternative fixed income strategies to institutional investors. As of April 1, 2004, Deerfield, through its operating subsidiary, had over \$8 billion in assets under management. Deerfield generated revenues of approximately \$36.9 million for the 12 months ended December 31, 2003.

A copy of the press release announcing the transaction and certain definitive agreements relating to the transaction are being filed as exhibits hereto and are incorporated herein by reference.
