Item 1.01. Entry into a Material Definitive Agreement.

On July 18, 2005, Industrial Distribution Group, Inc. (the Registrant or the Company) and certain of its subsidiaries, IDG USA, LLC, IDG-Mexico, Inc., and Cardinal Machinery, Inc., entered into an Amended and Restated Credit Agreement (the 2005 Agreement) with Bank of America, N.A., as a lender and administrative agent (Bank of America), Wachovia Bank, National Association, as a lender and syndication agent, Banc of America Securities LLC, as sole lead arranger and sole book runner, and a lending syndicate that also included PNC Bank, National Association and Webster Business Credit Corporation.

The 2005 Agreement amends and restates the Company s preexisting credit facility, which was scheduled to expire on May 28, 2006, and provides for a new term through July 18, 2010. The 2005 Agreement contains several new provisions that enhance the terms on which the Company now has access to debt financing, including:

Reducing the commitment amount on which the Company is charged a non-use commitment fee from \$100 million to \$75 million, while also providing a \$35 million expansion (or accordion) feature that provides the Company the option to increase the amount of the facility to \$110 million;

Removing all financial covenants from the Company except for compliance with a coverage ratio for fixed charges and modifying such covenant to be tested only if Company s average monthly borrowings under the facility are within \$15 million of the maximum amount available for borrowings under the facility;

Lowering the Company s cost of borrowing by lowering the interest rates for the loans (with a 75 basis point reduction immediately upon entering into the 2005 Agreement and with further reductions of up to 125 basis points from the preexisting facility), as well as reducing the Company s fees for non-use; and

Easing restrictions on the Company s ability to pay dividends, repurchase its capital stock and make asset acquisitions.

Other summary information about the 2005 Agreement is contained in the Company s press release announcing the amended facility, which is included as Exhibit 99.1 to this Form 8-K. Any summary description of the 2005 Agreement is subject to the provisions of the 2005 Agreement, a copy of which is filed with this Form 8-K as Exhibit 10.
