On August 9, 2005, our wholly owned subsidiary, Levitt and Sons, LLC ( Levitt and Sons ), entered into a revolving credit facility with KeyBank National Association ( KeyBank ) providing for borrowings of up to \$75 million, subject to borrowing base limitations based on the value and type of collateral provided (the Facility ). Levitt and Sons may borrow under the Facility for the acquisition or refinance of real property, the development thereof and the construction of residential dwellings in one or more projects approved by KeyBank. The Facility also includes a sublimit of up to \$15,000,000 for the issuance of letters of credit. The Facility is secured by first priority mortgages on real property located in various counties in the state of Florida and is guaranteed by the wholly owned subsidiaries of Levitt and Sons that hold title to the real property securing the Facility. Advances under the Facility bear interest, at Levitt and Sons' option, at either (i) KeyBank's Prime Rate less 50 basis points or (ii) the 30-day LIBOR rate plus a spread of between 200 and 240 basis points, depending on the ratio of Levitt and Sons' debt to tangible net worth. Accrued interest is due and payable monthly commencing September 1, 2005. All outstanding principal shall be due and payable on August 8, 2008; provided, however, if certain conditions are satisfied, KeyBank may, in its sole discretion, extend the August 8, 2008 maturity date for successive twelve (12) month periods. Levitt and Sons may be required to make principal payments on advances used to finance certain acquisition and development projects based upon the type or value of the collateral securing the Facility. In addition, Levitt and Sons shall be required to prepay principal in the event amounts outstanding under the Facility at any time exceed the borrowing base.

The Facility documents include customary conditions to funding, acceleration provisions and financial, affirmative and negative covenants such as minimum tangible net worth requirements, maximum debt to net worth ratio requirements and limitations on additional indebtedness and liens on Levitt and Sons' assets.
