**Tractor Supply
Summary Financial Data**

We acquired the TS Parkersburg Property, which is an approximately 21,986 square foot single-tenant retail building, on September 26, 2005. The TS Parkersburg Property was constructed in 2005 on an approximately 2.97 acre site in Parkersburg, West Virginia. The TS Parkersburg Property is 100% leased to Tractor Supply Company (Tractor Supply) subject to a net lease pursuant to which the tenant is required to pay all operating expenses and capital expenditures in addition to base rent.

The purchase price of the TS Parkersburg Property was approximately \$3.3 million, plus closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$2.6 million loan from Wachovia Bank, National Association (the Lender) secured by the TS Parkersburg Property (the TS Parkersburg Loan).

The TS Parkersburg Loan consists of an approximately \$1.8 million fixed interest rate tranche (the Fixed Rate Tranche) and an approximately \$0.8 million variable interest rate tranche (the Variable Rate Tranche). The Fixed Rate Tranche has a fixed interest rate of 5.57% per annum with monthly interest only payments and the outstanding principal and interest due on October 11, 2015. The Variable Rate Tranche has a variable interest rate based on the one-month LIBOR rate plus 200 basis points with monthly interest-only payments and the outstanding principal and interest due on December 26, 2005.

Tractor Supply currently operates more than 550 retail stores in 34 states. Tractor Supply's common stock is publicly traded on the Nasdaq National Market under the symbol TSCO and Tractor Supply is subject to the filing requirements of the Securities Exchange Act of 1934, as amended. As a result, Tractor Supply files periodic reports with the Securities and Exchange Commission (the SEC).

Because the TS Parkersburg Property is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lessee, Tractor Supply, are more relevant to investors than the financial statements of the property acquired. As a result, pursuant to guidance provided by the SEC, we have not provided audited financial statements of the property acquired.

Tractor Supply currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Tractor Supply has been taken from its previously filed public reports:
