Restricted Shares

The restricted shares are shares of the Registrant's common stock which are issued to the participant subject to (a) restrictions on transfer for a period of time and (b) forfeiture under certain conditions. With regard to 2/3 of the restricted shares (the Income Based Restricted Shares), such Income Based Restricted Shares vest and the restrictions on their transfer lapse with respect to such vested shares on March 29, 2009, provided that (i) the Income from Operations of the Registrant, as reported in its audited Consolidated Statement of Operations, has increased during fiscal years 2006, 2007 and 2008 (measured as of December 31, 2008) at least an amount equal to 10% compounded annual growth over the amount reported for the 2005 fiscal year (Income from Operations Calculation), and (ii) the participant is employed by the Registrant or a subsidiary on such date. The number of the Income Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will be a number equal to 53.3% of the Income Based Restricted Shares in the event the Income from Operations Calculation is 10%, and will increase on a pro-rata basis up to a number equal to 66.7% of the Income Based Restricted Shares in the event the Income from Operations Calculation is 12.5%. In the event the Income from Operations Calculation is between 12.5% and 18.75%, the number of Income Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will increase on a pro-rata basis between a number equal to 66.7% of the Income Based Restricted Shares up to a number equal to 100% of the Income Based Restricted Shares.

With regard to the other 1/3 of the restricted shares (the Revenue Based Restricted Shares), such Revenue Based Restricted Shares vest and the restrictions on their transfer lapse with respect to such vested shares on March 29, 2009, provided that (i) the Gross Revenue from Operations of the Registrant, as reported in its audited Consolidated Statement of Operations, has increased during fiscal years 2006, 2007 and 2008 (measured as of December 31, 2008) at least an amount equal to 4% compounded annual growth over the amount reported for the 2005 fiscal year (Gross Revenue from Operations Calculation), and (ii) the participant is employed by the Registrant or a subsidiary on such date. The number of the Revenue Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will be a number equal to 53.3% of the Revenue Based Restricted Shares in the event the Gross Revenue from Operations Calculation is 4%, and will increase on a pro-rata basis up to a number equal to 66.7% of the Revenue Based Restricted Shares in the event the Gross Revenue from Operations Calculation is 5%. In the event the Gross Revenue from Operations Calculation is between 5% and 7.5%, the number of Revenue Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will increase on a pro-rata basis between a number equal to 66.7% of the Revenue Based Restricted Shares up to a number equal to 100% of the Revenue Based Restricted Shares.

In the event of a change in control (as defined in the Plan) prior to the date the restricted shares vest, all of the restricted shares will vest and the restrictions on transfer will lapse with respect to such vested shares on the date of the change in control, provided that participant is employed by the Registrant or a subsidiary on the date of the change in control.

If the participant's employment with the Registrant or subsidiary is terminated for any reason, either by the Registrant or participant, prior to the date on which the restricted shares have vested and the restrictions have lapsed with respect to such vested shares, any restricted shares remaining subject to the restrictions (together with any dividends paid thereon) will be forfeited, unless there has been a change in control prior to such date.

Stock Appreciation Rights

The stock appreciation rights (SARs) represent the right to receive that number of shares of common stock of the Registrant determined by dividing (i) the total number of shares of stock subject to the SARs being exercised by the participant, multiplied by the amount by which the fair market value (as defined in the Plan) of a share of stock on the day the right is exercised exceeds the fair market value of a share of stock on the date of grant of the SAR, by (ii) the fair market value of a share of stock on the exercise date.

The SARs have a term of 10 years, and 1/3 of the SARs vest and become exercisable on and after each of March 29, 2007, March 29, 2008 and March 29, 2009, provided that participant is employed by the Registrant or a subsidiary on such date. In the event of a change in control, the SARs will vest on the date of the change in control, provided that participant is employed by the Registrant or a subsidiary on the date of the change in control.

If the participant: (i) dies while employed by the Registrant or a subsidiary or within the period when the SARs could have otherwise been exercised by the participant; (ii) terminates employment with the Registrant or a subsidiary by reason of the permanent and total disability of the participant; or (iii) terminates employment with the Registrant or a subsidiary as a result of the participant's retirement, provided that the Registrant or such subsidiary has consented in writing to the participant's retirement, then, in each such case, the participant, or the representatives of the participant, will have the right, at any time within three months after the death, disability or retirement of the participant, and prior to the tenth anniversary of the date of grant of the SARs, to exercise the SARs to the extent the SARs were exercisable by the participant immediately prior to the participant's death, disability or retirement.

The SARs are exercisable only within three months after the termination of the participant's employment with the Registrant or a subsidiary, other than by reason of the participant's death, permanent disability or retirement with the consent of the Registrant or a subsidiary, but only if and to the extent the SARs were exercisable immediately prior to such termination. If the participant's employment is terminated for cause, or the participant terminates his or her own employment with the Registrant, any portion of the SARs not yet exercised (whether or not vested) terminates immediately on the date of termination of employment.

The restricted stock and SARs were awarded pursuant to a Restricted Share and Stock Appreciation Right Award Agreement in the form filed as Exhibit 99.1 to this report.

over the amount reported for the 2005 fiscal year, and (ii) the participant is employed by the Registrant or a subsidiary on such date. In the event of a change in control prior to the date the restricted shares vest, all of the restricted shares will vest and the restrictions will lapse with respect to such vested shares on the date of the change in control, provided that participant is employed by the Registrant or a subsidiary on the date of the change in control.

Cash Bonus

The Registrant has agreed to pay the cash bonuses on March 29, 2008, provided that (i) the Income from Operations of the Registrant, as reported in its audited Consolidated Statement of Operations, has increased during fiscal years 2006 and 2007 (measured as of December 31, 2007) at least an amount equal to 10% compounded annual growth over the amount reported for the 2005 fiscal year, and (ii) the participant is employed by the Registrant or a subsidiary on such date. In the event of a change in control, the bonus will be payable on the date of the change in control, provided that participant is employed by the Registrant or a subsidiary on the date of the change in control.

If the participant's employment with the Registrant or a subsidiary is terminated for any reason, either by the Registrant or participant, prior to March 29, 2008, any unvested restricted shares and any bonus not then payable will be forfeited, unless there has been a change in control prior to such date.

The restricted stock and cash bonuses were awarded pursuant to a Restricted Share and Bonus Award Agreement in the form filed as Exhibit 99.2 to this report.
