PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON TUESDAY, JUNE 13, 2006**

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of LHC Group, Inc. (the Company or LHC Group) from holders of the Company's common stock, \$0.01 par value (Common Stock). These proxies will be voted for the purposes set forth herein at the 2006 annual meeting of stockholders of the Company (the Annual Meeting) to be held at 10:00 a.m. (Central Time) on Tuesday, June 13, 2006, at the offices of the Company, 420 West Pinhook Road., Suite A, Lafayette, Louisiana 70503, and at any adjournments or postponements thereof.

Only holders of record of shares of Common Stock outstanding as of the close of business on April 17, 2006 (the Record Date) are entitled to notice of and to vote on each matter submitted to a vote at the Annual Meeting and any adjournment(s) or postponement(s) thereof. Each share of Common Stock is entitled to one vote on all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes for directors. As of the close of business on the Record Date, the Company had approximately 16,557,828 shares of Common Stock outstanding and entitled to vote. The Notice of Annual Meeting, this Proxy Statement, and the proxy are being first mailed to stockholders on or about May 10, 2006.

Stockholders may cast their votes in several different ways. When voting for director nominees, they may (1) vote for all the nominees, (2) withhold authority to vote for all nominees, or (3) withhold authority to vote for one or more nominees but vote for the other nominees. With respect to other proposals, stockholders may vote for or against the proposal, or they may abstain from voting on the proposal. If stockholders hold their shares through a broker or nominee and have not given their broker or nominee instructions about how to vote on a particular matter for which the broker or nominee does not otherwise have discretionary voting power, their shares will be considered broker or nominee non-votes with respect to that matter.

Stockholders are encouraged to vote their proxies by Internet, telephone or completing, signing, dating and returning the enclosed proxy card, but *not* by more than one method. If you vote by Internet or telephone, you do not need to return your proxy card. If you vote by more than one method, only the last vote that is submitted will be counted and each previous vote will be disregarded. If your shares are held in street name through a broker, bank or other holder of record, you will receive instructions from the registered holder that you must follow in order for your shares to be voted for you by that record holder. Please refer to the instructions provided with the enclosed proxy card for information on the voting methods available to you.

In accordance with Delaware law (under which the Company is organized), and the Company's Bylaws, the presence, in person or by proxy, of the holders of a majority of the voting power of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum, which is required before any action can be taken at the Annual Meeting. Abstentions, votes withheld and broker or nominee non-votes, and shares represented by proxies reflecting abstentions, votes withheld or broker or nominee non-votes, will all be counted as votes that are

present and entitled to vote for the purpose of determining the presence of a quorum. If less than a majority of the outstanding shares entitled to vote are

Table of Contents

represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting to another date, time or place.

Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will be considered as shares present and entitled to vote at the Annual Meeting and will be counted as votes cast at the Annual Meeting for purposes of determining the outcome of any matter submitted to the stockholders for a vote, but will not be counted as votes for or against any matter subject to the abstention or the votes withheld. Broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will be considered as not present and not entitled to vote on that subject matter and therefore will not be considered by the inspectors of election when counting votes cast on the matter (even though those shares are considered entitled to vote for quorum purposes and may be entitled to vote on other matters).

If a quorum is present at the Annual Meeting, the following stockholder votes will be required for approval of the proposals to be submitted at the Annual Meeting:

The nominees for director shall be elected by a plurality of the votes of the shares present, in person or by proxy, at the Annual Meeting. Abstentions, votes withheld, and broker or nominee non-votes, and shares represented by proxies reflecting abstentions, votes withheld, or broker or nominee non-votes, will not affect the outcome of director elections.

Other proposals shall be approved by a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting. Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will have the same effect as a negative vote, but broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect as a vote against any other proposal.

All expenses of the Annual Meeting, including the cost of soliciting proxies, will be paid by the Company. The Company may reimburse persons holding shares in their names for others, or holding shares for the others who have the right to give voting instructions, such as brokers, banks, fiduciaries and nominees, for such persons' reasonable expenses in forwarding the proxy materials to their principals.

Any stockholder returning the accompanying proxy card may revoke that proxy at any time prior to its exercise by (a) giving written notice to the Company of such revocation, (b) voting in person at the meeting, or (c) executing and delivering to the Company a proxy card bearing a later date.

PROPOSALS FOR STOCKHOLDER ACTION

**PROPOSAL #1
ELECTION OF DIRECTORS**

The Company's Board of Directors (the Board) is composed of three classes, designated Class I, Class II, and Class III. The term of the Class I directors expires at the 2006 Annual Meeting. The current Class I directors are R. Barr Brown, W. Patrick Mulloy, II, and Dan S. Wilford. The Board is currently composed of six outside, non-employee directors and three employee directors. The Nominating and Corporate Governance Committee conducted an evaluation of each person listed below under the caption Class I Nominees to evaluate the performance of each existing director prior to recommending to the Board his nomination for an additional term as a director. Upon the recommendation of the Nominating and Corporate Governance Committee, which consists entirely of independent directors, the Board nominated Messrs. Mulloy and Wilford for election as Class I directors to serve until the Annual Meeting of Stockholders in 2009 or until their successors have been elected and qualified. As previously announced, Mr. Brown

has resigned as our Senior Vice President, Chief Financial Officer and Treasurer effective July 1, 2006. Mr. Brown will not stand for reelection and his term as a Class I director will expire on the date of the 2006 Annual Meeting. The Nominating and Governance Committee is currently meeting with candidates to replace the seat held by Mr. Brown. As permitted by the Company's Bylaws, the Board will elect a Class I director to replace the vacancy created by Mr. Brown's resignation.

Table of Contents

The term of the Class II directors will expire at the 2007 annual meeting of the stockholders of the Company and the term of the Class III directors will expire at the 2008 annual meeting of the stockholders of the Company. Each succeeding term of a director in Class I, Class II, or Class III shall be for three (3) years and until his or her successor is elected. The current Class II directors are Ronald T. Nixon, John L. Indest, and W.J. Billy Tauzin, and the current Class III Directors are Keith G. Myers, Ted W. Hoyt, and George A. Lewis.

The Certificate of Incorporation of the Company (the Certificate of Incorporation) presently provides that the number of directors shall be fixed from time to time by the Board pursuant to a resolution adopted by a majority of the Board. At each annual meeting of stockholders, or special meeting in lieu thereof, after the initial classification of the board of directors, the successors to directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting following election, or special meeting held in lieu thereof. The number of directors may be changed only by resolution of the Board. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one third of the directors. The Company's Bylaws further provide that newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board resulting from death, resignation, retirement, disqualification, removal from office or other cause shall, unless otherwise provided by law or by resolution of the Board, be filled only by a majority vote of the directors then in office, though less than a quorum, and directors so chosen shall hold office until their successor is elected and qualified.

Each nominee for election at the Annual Meeting has consented to be a candidate and to be so named in this Proxy Statement and to serve, if elected. If any nominee becomes unable or unwilling to serve, although not anticipated, the persons named as proxies will have the discretionary authority to vote for a substitute. Directors will be elected by a plurality of the votes cast by the shares of Common Stock represented in person or by proxy at the Annual Meeting. Therefore, the two nominees for election as Class I directors who receive the greatest number of votes cast at the Annual Meeting will be elected to the Board as Class I directors. Unless otherwise specified, the accompanying proxy will be voted FOR W. Patrick Mulloy, II, and Dan S. Wilford as Class I directors.

PROPOSAL #2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The independent accounting firm of Ernst & Young LLP (E&Y) has served as the Company s independent auditors since June 11, 2001. The Company s Audit Committee has selected E&Y to conduct the annual audit of the financial statements of the Company for its fiscal year ending December 31, 2006. E&Y has no financial interest, direct or indirect, in the Company and does not have any connection with the Company except in its professional capacity as an independent auditor. The ratification by the stockholders of the selection of E&Y as independent auditors is not required by law or by the Bylaws of the Company. The Board, consistent with the practice of many publicly held corporations, is nevertheless submitting this selection to its stockholders. If this selection is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its selection of independent auditors for the fiscal year ending December 31, 2006. Even if the selection is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent accounting firm at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders. Representatives of E&Y will be present at the Annual Meeting and will have an opportunity to make a statement, if they so desire, and respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF E&Y AS THE COMPANY S INDEPENDENT AUDITORS.

PROPOSAL #3

**APPROVAL OF THE LHC GROUP, INC. 2006
EMPLOYEE STOCK PURCHASE PLAN**

The LHC Group, Inc. 2006 Employee Stock Purchase Plan (the "Employee Stock Purchase Plan") was adopted by the Board on November 29, 2005 to be effective January 1, 2006, subject to approval by the stockholders at the Annual Meeting. Options to purchase shares of Common Stock under the Employee Stock Purchase Plan were granted to all eligible employees for the initial offering period beginning January 1, 2006, but if the stockholders do not approve the Employee Stock Purchase Plan at the Annual Meeting, all such options will be cancelled and no shares of Common Stock will be issued under the plan.

The Company has reserved a total of 250,000 shares of Common Stock for issuance upon the exercise of options granted under the Employee Stock Purchase Plan. As of March 31, 2006, there were approximately 3,420 employees

eligible to participate in the Employee Stock Purchase Plan.

A summary of the Employee Stock Purchase Plan is set forth below. The summary is qualified in its entirety by reference to the full text of the plan, which is filed with this Proxy Statement as Appendix A.

Table of Contents

Summary of the Plan

Plan Purpose

The Employee Stock Purchase Plan offers eligible employees the opportunity to purchase our Common Stock at a 5% discount off the market price. Participation is strictly voluntary.

Administration

Subject to the express provisions of the Employee Stock Purchase Plan, the Compensation Committee of our Board has authority to interpret and construe the provisions of the Employee Stock Purchase Plan, to adopt rules and regulations for administering the Employee Stock Purchase Plan, and to make all other determinations necessary or advisable for administering the Employee Stock Purchase Plan. The Employee Stock Purchase Plan will be administered in order to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code. The Committee has selected Wachovia Bank as the administrator to operate and perform day-to-day administration of the Employee Stock Purchase Plan.

Stock Subject to the Plan

Subject to adjustment as provided in the Employee Stock Purchase Plan, the aggregate number of shares of Common Stock reserved and available for issuance pursuant to the Employee Stock Purchase Plan is 250,000.

Eligibility; Grant and Exercise of Options

All employees of LHC Group who are regularly scheduled to work at least 20 hours each week and at least five months each calendar year are eligible to participate in the Employee Stock Purchase Plan on first offering date that occurs at least three months following their most recent date of hire with LHC Group.

Plan Provisions

The Employee Stock Purchase Plan provides for initial 6 month offering periods commencing on January 1, 2006 and, unless specified otherwise by the committee, each subsequent offering period will run for a calendar quarter beginning July 1, 2006. Eligible employees may elect to become a participant in the Employee Stock Purchase Plan by submitting a request form to the administrator, which will remain effective from offering period to offering period unless and until the participant files a new request form. Participants may contribute between 1% and 10%, in whole percentages, of his or her gross base pay. The amount a participant may contribute to the Employee Stock Purchase Plan for the first offering period is limited to \$7,500 and \$3,750 per quarterly offering period thereafter. Payroll deductions will accumulate in a non-interest bearing contribution account held by Wachovia Bank, the Plan Administrator. All deductions are made on an after tax basis.

On the first day of an offering, participants will be granted an option to purchase on the last day of the offering (the purchase date) at the price described below (the purchase price) the number of full shares of common stock which the cash credited to his or her contribution account on the purchase date will purchase at the purchase price. Unless a participant terminates employment or withdraws from the Plan or an offering on or before the purchase date, his or her option to purchase shares of common stock will be deemed to have been exercised automatically on the purchase date. The purchase price will be 95% of the fair market value of the common stock on the purchase date of the offering. No brokerage fees will be charged for these purchase transactions. If there is a cash balance remaining in a participant's contribution account at the end of an offering representing the exercise price for a fractional share of common stock, such balance will remain in the contribution account to be used in the next offering, unless he or she requests that such

amount be refunded. All shares purchased will be held in the participant's name by the administrator.

Options granted under the Plan are not transferable other than by will or by the laws of descent and distribution and options are exercisable only by the participant during his or her lifetime.

Table of Contents

Termination of Employment and Withdrawal from the Plan

If a participant's employment is terminated for any reason, his or her participation in the Plan will terminate immediately and the balance, if any, in his or her contribution account will be returned in cash, without interest.

Participants may elect to withdraw from the Employee Stock Purchase Plan at any time and receive back any of their contributions, without interest, not used to purchase shares. If a participant wishes to withdraw his or her funds prior to a purchase, he or she must make their election to do so 30 days prior to the end of the offering period through Wachovia. If a participant does withdraw, he or she will not be eligible to re-enroll until the beginning of the 2nd subsequent offering period (i.e. the participant may not participate in the offering period following the one from which he or she just withdrew).

Participants may sell their shares at any time once shares have been credited to their account, in compliance with LHC Group Employee Trading Policy. The tax consequences to a participant of selling his or her shares depends on the length of time that such participant holds them.

Amendment and Termination of the Plan

The Compensation Committee may amend the Employee Stock Purchase Plan at any time; provided, however, that no amendment may, without stockholder approval, materially affect the eligibility requirements under the Employee Stock Purchase Plan or increase the number of shares of common stock subject to any options issued to participants.

The Compensation Committee may terminate the Employee Stock Purchase Plan at any time. Upon termination of the Employee Stock Purchase Plan, the administrator must give notice thereof to participants and will terminate all payroll deductions. Cash balances then credited to participants' contribution accounts will be distributed as soon as practicable, without interest.

Federal Income Tax Consequences to the Company and to Participants

The Employee Stock Purchase Plan is designed to qualify as an Employee Stock Purchase Plan under Section 423 of the Code. A general summary of the federal income tax consequences regarding the Employee Stock Purchase Plan is stated below. The tax consequences of participating in the Employee Stock Purchase Plan may vary with respect to individual situations. Accordingly, participants should consult with their tax advisors in regard to the tax consequences of participating in the Employee Stock Purchase Plan as to both federal and state income tax considerations.

Neither the grant nor the exercise of options under the Employee Stock Purchase Plan will have a tax impact on the participant or on us. If a participant disposes of the common stock acquired upon the exercise of his options after at least two years from the date of grant and one year from the date of exercise, then the participant must treat as ordinary income the amount by which the lesser of (i) the fair market value of the common stock at the time of disposition, or (ii) the fair market value of the common stock at the date of grant, exceeds the purchase price. Any gain in addition to this amount will be treated as a capital gain. If a participant holds common stock at the time of his or her death, the holding period requirements are automatically deemed to have been satisfied and he or she will realize ordinary income in the amount by which the lesser of (i) the fair market value of the common stock at the time of death, or (ii) the fair market value of the common stock at the date of grant exceeds the purchase price. We will not be allowed a deduction if the holding period requirements are satisfied. If a participant disposes of common stock before expiration of two years from the date of grant and one year from the date of exercise, then the participant must treat as ordinary income the excess of the fair market value of the common stock on the date of exercise of the option over the purchase price. Any additional gain will be treated as long-term or short-term capital gain or loss, as the case

may be. We will be allowed a deduction equal to the amount of ordinary income recognized by the participant.

Benefits to Named Executive Officers and Others

As described above, subject to stockholder approval of the Employee Stock Purchase Plan at the Annual Meeting, options to purchase shares of Common Stock under the Employee Stock Purchase Plan were granted to all eligible employees, including all of the Company's executive officers, for the initial offering period beginning January 1, 2006. Non-employee directors are not eligible to participate in the Employee Stock Purchase Plan. Participation in the Employee Stock Purchase Plan is voluntary and we cannot presently determine the benefits or amounts that will be received pursuant to the Employee Stock Purchase Plan in the future, as such amounts will depend on the amount of contributions eligible employees choose to make, the actual purchase price of shares in future offering periods, and the market value of the Common Stock on various future dates.

Stockholder Communications with the Board of Directors

The Board accepts communications sent to the Board (or to specified individual directors) by stockholders of the Company. Stockholders may communicate with the Board (or with specified individual directors) by writing to them c/o Secretary, LHC Group, Inc., 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. All written communications received in such manner from stockholders of the Company shall be forwarded promptly to the members of the Board to whom the communication is directed or, if the communication is not directed to any particular member(s) of the Board, the communication shall be forwarded to all members of the Board.

Meetings

During the Company's fiscal year ended December 31, 2005 (Fiscal 2005), the Board held four meetings and took additional action, from time to time, by unanimous written consent. The Compensation Committee met two times and took additional action by unanimous written consent. The Audit Committee held four meetings and the Nominating and Governance Committee held no meetings, but instead took action by unanimous written consent. During fiscal 2005, each incumbent director attended 80% or more of the aggregate number of meetings held by the Board and its committees on which he served. The Board has established a policy encouraging all members of the Board to attend each annual meeting of the stockholders of the Company, particularly with respect to those directors who are up for election at any such annual meeting.

Non-Management Executive Sessions

The Board has adopted a policy relating to non-management executive sessions. Under this policy, periodically, and no less frequently than semi-annually, the Board will meet in executive sessions in which management directors and other members of management do not participate. The non-management members

of the Board held one executive session between the completion of the Company's initial public offering and December 31, 2005.

Code of Business Conduct and Ethics

In compliance with requirements of both the SEC and Nasdaq National Market, or Nasdaq, the Company adopted a Code of Business Conduct and Ethics applicable to all of its directors, officers and employees in 2005. The Code of Business Conduct and Ethics can be found on the Company's website at www.LHCGroup.com.

Independence of Directors

The Board has reviewed the independence of each of the Company's directors in light of the definition of "independent director" as that term is defined in the Nasdaq listing standards. As a result of this review, the Board affirmatively determined that all of the directors are independent of the Company and its management under Nasdaq standards with the exception of Keith G. Myers, R. Barr Brown, and John L. Indest, each of whom is employed by the Company.

Director Nominee Evaluation Process

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for seeking individuals qualified to become Board members, conducting appropriate inquiries into the backgrounds and qualifications of possible Board nominees and proposing nominees for Board membership to the Board for its approval. The Nominating and Corporate Governance Committee will consider candidates for Board membership suggested by its members and other Board members, as well as by management and stockholders.

A stockholder who wishes to recommend a prospective nominee for the Board to the Nominating and Corporate Governance Committee should submit a written notice by mail to the Nominating and Corporate Governance Committee c/o the Company's Secretary, LHC Group, Inc., 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. Such a written recommendation must be received not less than 120 calendar days nor more than 150 calendar days before the first anniversary of the date of the Company's notice of annual meeting sent to stockholders in connection with the previous year's annual meeting. Stockholders may continue to make their own direct nominations to the Board, for election at an annual or special meeting of the stockholders, in accordance with the procedures set forth in the Company's Bylaws relating to stockholder nominations. See the section entitled "Stockholder Proposals" under the heading Corporate Governance for additional information about direct nominations by stockholders.

Stockholder recommendations to the Nominating and Corporate Governance Committee should include, at a minimum:

the candidate's name, age, business addresses, and other contact information;

a complete description of the candidate's qualifications, experience, background and affiliations, as would be required to be disclosed in the proxy statement pursuant to Regulation 14A of the Exchange Act;

a sworn or certified statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as a director if elected; and

the name and address of the shareholder(s) of record making such a recommendation.

The Nominating and Corporate Governance Committee will evaluate prospective nominees considering certain factors, including:

the commitment of the prospective nominee to represent the long-term interests of the stockholders of the Company;

the prospective nominee's standards of character and integrity;

the prospective nominee's financial literacy;

Table of Contents

the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;

the prospective nominee's independence and absence of any conflicts of interest that would interfere with his or her performance as a director; and

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it deems are in the best interest of the Company and its stockholders, such as the current composition of the Board, the balance of management and independent directors and the need for specialized expertise. The Nominating and Corporate Governance Committee, however, does believe it is appropriate for at least one member of the Board to meet the criteria for an audit committee financial expert as defined by SEC rules, and that a majority of the members of the Board meet the definition of independent director under the Nasdaq listing standards. The Nominating and Corporate Governance Committee also believes it appropriate for certain members of the Company's management to participate as members of the Board.

The Nominating and Corporate Governance Committee will identify nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining new Board members. If any member of the Board does not wish to continue in service or if the Nominating and Corporate Governance Committee or the Board decides not to re-nominate a current Board member for re-election, the Nominating and Corporate Governance Committee will identify the desired skills and experience for a new nominee in light of the criteria above. The criteria employed by the Nominating and Corporate Governance Committee in evaluating potential nominees will not differ based on whether the candidate is recommended by a stockholder of the Company.

EMPLOYMENT AGREEMENTS

We have entered into employment agreements with Messrs. Myers, Indest, Brown, and Doise. The initial terms of the employment agreements expire on June 9, 2008, and thereafter each of the agreements will be automatically renewed for additional one-year periods unless expressly not renewed. The employment agreements provide for a base salary, a target annual bonus opportunity pursuant to our executive bonus plan, and eligibility to participate in our welfare benefit plans and retirement plans on the same basis as other senior executives.

Under the employment agreements, if we terminate the executive's employment without cause and other than by reason of his or her death, disability, or retirement or in the event the executive terminates his employment for good reason (as such terms are defined in the agreements), the executive will be entitled to:

unpaid base salary, prorated annual bonus and accrued benefits through the termination date;

a severance payment equal to the product of 24 times (or 30 times, if such termination of employment occurs within two years of a change in control) one twelfth of the sum of (1) his base salary in effect as of the date of termination, and (2) the greater of the average of the annual bonuses earned by him for the two fiscal years, or his target bonus for the year in which the date of termination occurs;

continued welfare benefit plan coverage following such termination for two years (or 2.5 years, if such termination of employment occurs within two years of a change in control); and

all of his stock options and other equity awards will become immediately vested and exercisable.

The employment agreements provide that if a payment to or for the benefit of the executive would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then he will receive a full gross up of any excise tax imposed, including income and excise taxes on such gross-up amount, subject to a 50,000 threshold benefit amount.

If any of the named executive officers is terminated for cause or if he resigns without good reason, he will be entitled to his accrued salary and benefits through the date of termination. If a named executive officer's employment is terminated by reason of his death, disability or retirement, he (or his estate, as applicable) will be entitled to his accrued salary, a prorated annual bonus, and any accrued benefits and disability or retirement benefits that may apply.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Introduction

This report is submitted by the Company s Compensation Committee at the direction of the Board. The Compensation Committee of the Board is responsible for reviewing and approving compensation for the Company s executive officers. The Compensation Committee operates pursuant to a charter, which has been approved and adopted by the Board. The Compensation Committee is composed of three non-employee directors who meet the independence requirements of Nasdaq. Because the Compensation Committee believes that each executive officer has the potential to affect the short-term and long-term profitability of the Company, the Compensation Committee places considerable importance on the task of creating and implementing the Company s executive compensation program.

The Company s executive compensation program is focused on stockholder value, the overall performance of the Company, the effect of the executive s performance on the success of the Company and the individual performance of the particular executive.

In 2004, the Company engaged an outside compensation consulting firm to assist in the review of the compensation for the executive officers. Upon formation in 2005, the Compensation Committee used the report by the consulting firm to aid in the recommendation of the compensation of the executive officers. This firm does not provide other consulting services to the Company.

Compensation Philosophy

The Compensation Committee s philosophy is to integrate the compensation of the Company s executive officers with corporate performance. The Committee s objectives are to (i) measure executive performance against short-term and long-term goals, (ii) treat employees fairly and, at the same time, be cost effective, (iii) reward performance, (iv) recognize individual initiative and achievements, (v) foster teamwork within the Company so that employees share in the rewards and risks of the Company, and (vi) assure that executive compensation will be tax deductible to the maximum extent permissible. The Compensation Committee is also focused on assisting the Company in attracting, motivating, and retaining qualified executives, and aligning the incentives of management with the interests of stockholders. In administering the compensation policies and programs used by the Compensation Committee and endorsed by the Board, the Compensation Committee reviews and approves:

total compensation of executive officers in relation to Company performance;

long-term incentive compensation in the form of stock awards; and

cash or other bonuses based upon a percentage of annual salary to motivate and retain high quality executive officers.

The compensation program of the Company currently consists of base salary, annual incentive compensation in the form of cash bonuses, and long-term incentive compensation in the form of restricted stock. Because the Company's compensation plan involves incentives contingent upon the Company's performance and individual performance, an executive officer's actual compensation level in any particular year may be above or below that of similarly situated officers of competitors. The Compensation Committee reviews each element of executive compensation annually.

The key components of the Company's executive compensation program are described below.

Table of Contents

Base Salary

The Compensation Committee reviews and approves an annual salary plan for the Company's executive officers following a merit review conducted by the CEO. The CEO recommends the base salaries of other executive officers for review and approval by the Compensation Committee. Many subjective factors are included in determining the executive's base salary, such as (i) the executive officer's responsibilities, (ii) the scope of the position, (iii) experience and length of service with the Company, (iv) individual efforts and performance within the Company, the industry and the community, (v) team building skills consistent with the Company's best interests, (vi) observance of the Company's ethics and compliance program, (vii) salaries paid by competitive companies to officers in similar positions, and (viii) base compensation paid to other Company executives. While these subjective factors are then integrated with other objective factors, including the Company's net income, earnings per share, return on equity, and growth, the overall assessment is primarily a subjective one, intended to reflect the level of responsibility and individual performance of the particular executive officer.

Annual Incentive Compensation Cash Bonuses

The Compensation Committee believes that a significant portion of the total cash compensation for executive officers should be based on the Company's achievement of specific performance criteria, including earnings, and that a significant part of the cash compensation package should be at risk. Accordingly, executive officers of the Company receive an annual cash bonus based upon the achievement of performance goals established from year to year by the Compensation Committee. In fiscal year 2005, these performance goals were based on earnings before interest, taxes, depreciation and amortization, or EBITDA. Beginning with fiscal year 2006, these performance goals are based on earnings per share, or EPS.

Long-Term Incentive Compensation Stock Incentive Plans

The Company has relied primarily upon the grant of restricted stock awards to provide long-term incentives for executives and to align executives' incentives more closely with the interests of stockholders. The Compensation Committee continues to believe that these awards have been and remain an excellent vehicle for providing financial incentives for management. These awards are issued through the LHC Group, Inc. 2005 Long-Term Incentive Plan. The Company's stock incentive plan permits the Company to issue stock based awards to officers, key employees, directors, and consultants of the Company. Subject to general limits prescribed by the stock incentive plans, the Compensation Committee has the authority to determine the individuals to whom stock awards will be granted, the terms of the awards, and the number of shares subject to each award. The size of any particular stock award is based upon the executive's position and the executive's individual performance during the related evaluation period.

The Committee believes that executives with stock awards are rewarded for their efforts to improve short and long-term performance. In this way, the financial interests of management are aligned with those of the Company's stockholders. For this reason, the Company uses stock awards as its predominant long-term incentive program.

Executive officers of the Company may also participate in the Employee Stock Purchase Plan. Executive officers are entitled to participate in the Employee Stock Purchase Plan on the same terms as non-executive employees who meet the applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under the Employee Stock Purchase Plan. All contributions to the Employee Stock Purchase Plan are made or invested in the Company's common stock. These features are intended to align further the executives' and stockholders' long-term financial interests.

Other Benefits

The Company's executives are also entitled to participate in the Company's self-insured group medical plan, and the Company's Profit Sharing 401(k) plan.

Table of Contents

Chief Executive Officer Compensation

The Compensation Committee's basis for compensation of the Chief Executive Officer, Keith G. Myers, is based on the compensation philosophy discussed above. Mr. Myers participates in the same executive compensation plans available to the other executive officers. For the twelve months ending December 31, 2005, the Compensation Committee set the base salary of Mr. Myers at \$275,000. Mr. Myers was awarded bonuses in the amount of \$118,483 related to 2005 performance goals. In addition, he was awarded 9,604 shares of restricted stock in January 2006 for services performed in fiscal 2005. The compensation level established for Mr. Myers was in response to the Committee's and the Board's assessments of the Company's EBITDA in fiscal 2004, as well as Mr. Myers' position in the Company and the nature of his responsibilities and contributions. The Compensation Committee considered Mr. Myers' performance in terms of the Company's success in meeting its EBITDA targets, from both an operational and a financial standpoint, and in executing its strategic plan. The Compensation Committee also considered the Company's performance relative to its peers and competitors in the industry in evaluating Mr. Myers' compensation. For fiscal year 2006, the Compensation Committee has set Mr. Myers base salary at \$330,000 and determined that EPS will be the Company performance criteria used to determine salary and bonus amounts for Mr. Myers.

Federal Income Tax Deductibility Limitations

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid to certain executive officers unless certain conditions are met. Until the annual meeting of stockholders in 2009, or until one of the Company's incentive plans is materially amended, if earlier, awards issued under the Company's incentive plans are exempt from the deduction limits of Section 162(m). As such, the Committee believes that all compensation for 2005 paid to named executive officers is properly deductible under the Code. The Compensation Committee intends to use its best efforts to structure future compensation so that executive compensation paid by the Company is fully deductible in accordance with Section 162(m) of the Code. However, the Compensation Committee may, in a particular case, decide to approve compensation that may prove not to be deductible.

Summary

The Compensation Committee believes that the Company's compensation policies are strongly linked to the Company's performance and the enhancement of stockholder value. The Compensation Committee intends to continually evaluate the Company's compensation policies and plans to ensure that they are appropriately configured to align the interest of officers and stockholders and that the Company can attract, motivate, and retain talented management personnel.

None of the members of the compensation committee during fiscal year 2005 or as of the date of this proxy statement is or has been an officer or employee of our company. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee operates pursuant to a charter, which has been approved and adopted by the Board of Directors and is reviewed and reassessed annually by the Audit Committee. The text of the Audit Committee Charter is included in Appendix B to this Proxy Statement. The Audit Committee is comprised of three directors who meet the independence and experience requirements of the Nasdaq. One member of the Committee is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the financial reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements for the fiscal year ended December 31, 2005, including a discussion of the acceptability and quality of the accounting principles, the reasonableness of significant accounting judgments and the clarity of disclosures in the financial statements. In consultation with management, the Audit Committee also considered the Company's financial reporting processes and reviewed and assessed the adequacy of internal accounting procedures and controls.

The Audit Committee reviewed with the independent auditors, Ernst & Young LLP, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the acceptability and quality of LHC Group's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including those matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. In addition, the Audit Committee has received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1, and has discussed those disclosures with the auditors. In addition, the Audit Committee discussed with Ernst & Young LLP their independence from management and the Company. The Audit Committee also considered whether the provision of services during 2005 by Ernst & Young LLP that were unrelated to their audit of the financial statements referred to above and to their reviews of the Company's interim financial statements during 2005 is compatible with maintaining Ernst & Young's independence.

The Audit Committee discussed with LHC Group's independent auditors the overall scope and plans for its audit. The Audit Committee has met with the independent auditors, with and without management present, to discuss the results of its observations of LHC Group's internal controls, and the overall quality of LHC Group's financial reporting.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. In reliance on the reviews and discussions with management and with the independent auditors referred to above, and the receipt of an unqualified opinion from Ernst & Young LLP dated March 24, 2006 regarding the audited financial statements of LHC Group for the fiscal year ended December 31, 2005, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Catalyst Fund, Ltd. and Southwest/Catalyst Capital, Ltd. Investments

In July 2001, the Company entered into a loan agreement with the Catalyst Fund, Ltd., and Southwest/Catalyst Capital, Ltd. (Catalyst Entities), involving an aggregate amount of \$2,000,000. These loans were evidenced by individual promissory notes, each in the principal amount of \$1,000,000, accruing interest at a rate of 12.0% per annum and payable in equal monthly installments of approximately \$26,000 in principal and interest, due through July 1, 2006. As of June 30, 2005, this note was paid in full.

Repurchase of Common Stock from Certain Shareholders

In March 2001, certain stockholders agreed to sell the equivalent of an aggregate of 3,881,663 shares of the Company's currently outstanding common stock to the Company. The purchase price was paid pursuant to a promissory note in the principal amount of approximately \$1,000,000. The note bears interest at a rate of 15.5%, and payments of approximately \$25,000 are due each month. At December 31, 2004, \$319,000 in principal was outstanding under this note. The note was paid in full during 2005. An additional payment under a non-compete agreement was paid to the former stockholders in 2005 as the Company met certain performance-based criteria.

The repurchased shares were held in escrow as collateral for the payment of the purchase price. As payments under the promissory note are made, a proportion of the total repurchased shares is released. This proportion is determined by dividing the principal amount paid in the particular installment by a price per share of \$0.268. The sole and exclusive remedy available in the event of default under the promissory note is foreclosure on the remaining collateral. At December 31, 2004, 1,190,608 treasury units were considered restricted under the terms of this agreement. During 2005, all shares have been released in conjunction with the repayment of the note.

Non-compete Agreement with Certain Former Stockholders

The Company recorded compensation expense of \$338,000 related to the 2001 repurchase of the Company's common stock described above. The performance-based criteria were met in 2004 and the amount was paid in 2005.

Indebtedness of Officer of the Company

In October 2004, an officer repaid in full a promissory note held by the Company in the principal amount of \$90,000. The promissory note, which had an interest rate of 7% per annum, was formerly secured by 33,000 KEEP Units held by the officer. In connection with its repayment by the officer, the promissory note was canceled and the Company's security interest in the officer's KEEP Units was terminated.

The officer was the obligor under another promissory note in the Company's favor in the principal amount of \$123,000, which note had an interest rate of 6% per annum and was due on or before March 3, 2010. The officer was entitled under the note to prepay all or any part of this obligation without penalty. This promissory note was intended to serve as payment of the purchase price for 150,000 shares of common stock purchased by the officer under a subscription agreement, dated March 3, 2004. The Company recognized a compensation charge of \$600,000 in connection with the issuance of these shares of common stock. As security for the repayment of the promissory note, the officer concurrently executed an Act of Pledge in which he granted the Company the right to sell any or all of his shares of common stock in the event of default under or nonpayment of the promissory note. In exchange for the return of the 150,000 shares of common stock formerly issued to the officer, this promissory note was canceled on June 30, 2004. The Company issued this officer 225,000 KEEP Units in connection with the return of the

150,000 shares of common stock described above.

Beginning in 2001, the Company recognized compensation charges related to stock grants made to this officer. These charges totaled \$1,500,000 at the date of the return of the stock described above. Future

Table of Contents

compensation expense will be recognized only to the extent the estimated fair value of the 225,000 KEEP Units varies from the cumulative compensation charge of \$1,500,000 for the 150,000 shares of common stock that were returned.

Indemnification Agreements with Certain Officers and Directors

We have adopted provisions in our certificate of incorporation that limit the liability of our directors for monetary damages for breach of their fiduciary duties, except for liability that cannot be eliminated under the Delaware General Corporation Law. Delaware law provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except liability for any of the following: (1) any breach of their duty of loyalty to the corporation or the stockholders; (2) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (3) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or (4) any transaction from which the director derived an improper personal benefit. This limitation does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our bylaws also provide that we will indemnify our directors and executive officers and we may indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in such capacity, regardless of whether our bylaws would permit indemnification. We have entered into separate indemnification agreements with our directors and executive officers, in addition to the indemnification provided for in our charter documents. These agreements, among other things, provide for indemnification of our directors and executive officers for expenses, judgments, fines and settlement amounts incurred by any such person in any action or proceeding arising out of such person's services as a director or executive officer or at our request.

Company Policy

The Company believes that the transactions described above are on terms no less favorable to us as would have been obtainable from non-related parties. The Company requires that the Audit Committee of the Board review all related party transactions.

The Company has adopted a policy pursuant to which transactions with affiliates (other than those entered into in connection with the formation of the Company) must be reviewed and approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16 of the Exchange Act, the Company's directors, executive officers and any person holding more than ten percent of our common stock are required to report their ownership of the common stock and any changes in that ownership to the SEC and Nasdaq. These persons also are required by SEC regulations to furnish the Company with copies of these reports. Specific due dates for these reports have been established, and the Company must report in this Proxy Statement any failure to make required filings for the fiscal year ended December 31, 2005. Based solely on a review of the reports furnished to the Company or written representations from the Company's directors, officers, and ten percent beneficial owners, all reporting requirements were satisfied with the following exceptions: (a) Form 4s reporting the purchase of common stock on June 8, 2005 by W. J. Billy Tauzin and Daryl J. Doise were filed on November 21, 2005; and (b) Form 4 reporting disposition of common stock to satisfy tax withholding on December 30, 2005 for Daryl J. Doise was filed on January 13, 2006.

If any other matters, however, are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will have authority to vote all proxies with respect to such matters in accordance with the recommendation of the Board.

Stockholder Proposals for 2007 Annual Meeting

Under the Company's Bylaws, no business may be brought before an annual meeting unless it is specified in the notice of the meeting or is otherwise brought before the meeting by or at the direction of the Board or by a stockholder entitled to vote who has delivered written notice to the Company's Secretary (containing certain information specified in the bylaws about the stockholder and the proposed action) not less than 60 or more than 90 days prior to the first anniversary of the date on which the Company first mailed its proxy statement to stockholders in connection with the preceding year's annual meeting. With respect to the 2007 annual meeting, notice must be received by the Company, at its principal executive offices at 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503, between February 9, 2007 and March 11, 2007. In the event that no proxy materials were mailed by the Corporation in connection with the preceding year's annual meeting, or if the date of the annual meeting is advanced more than thirty (30) days prior to or delay by more than thirty (30) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered no later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. These requirements are separate from and in addition to the requirements of the SEC that a stockholder must meet in order to have a stockholder proposal included in the Company's proxy statement.

In addition, any stockholder who wishes to submit a recommendation to the Board for nomination by the Company (rather than for direct inclusion in the proxy statement) must deliver written notice of the nomination to the Nominating and Corporate Governance Committee not less than 120 calendar days nor more than 150 calendar days before the first anniversary of the date of the Company's notice of annual meeting sent to stockholders in connection with the previous year's annual meeting. See the section entitled "Director Nominee Evaluation Process" under the heading Corporate Governance for additional information about stockholder nominations made directly to the Board.

Counting of Votes

any way arising in connection with the right to vote, to count and tabulate all votes and to determine the results.

Certain Matters Relating to Proxy Materials and Annual Reports

The delivery rules regarding proxy statements and annual reports may be satisfied by delivering a single copy of a proxy statement and annual report to an address shared by two or more stockholders. This method of delivery is referred to as householding. Currently, the Company is not householding for registered stockholders, but brokers, dealers, banks or other entities which hold Common Stock in street name for beneficial owners of Common Stock and which distribute proxy statements and annual reports they receive to beneficial owners may be householding. Such brokers, dealers, banks or other entities may deliver only one proxy statement and annual report to certain multiple stockholders who share an address, unless the Company or such other distributor has received contrary instructions from one or more of those stockholders. The Company undertakes to deliver promptly upon request a separate copy of the proxy statement and/or annual report to a stockholder at a shared address to which a single copy of these documents was delivered. If you hold shares of Common Stock as a registered stockholder and prefer to receive separate copies of a proxy statement or annual report either now or in the future, please send a written request to the Company's Secretary at LHC Group, Inc., 420 West Pinhook Road, Suite A, Lafayette, Louisiana 70503. Stockholders who hold Common Stock through a broker, dealer, bank or other entity, who share an address and are receiving multiple copies of annual reports or proxy statements and who prefer to receive a single copy of such material, either now or in the future, can request delivery of a single copy of a proxy statement and/or annual report, as requested, by contacting such broker, dealer, bank or other entity.

Miscellaneous

The Company will bear the cost of printing, mailing and other expenses in connection with this solicitation of proxies and will also reimburse brokers and other persons holding shares in their names or in the names of nominees for their expenses in forwarding this proxy material to the beneficial owners of such shares. Certain of the directors, officers and employees of the Company may, without any additional compensation, solicit proxies in person or by telephone.

Upon the written request of any stockholder entitled to vote at the Annual Meeting, the Company will furnish, without charge, a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2005, as filed with the Securities and Exchange Commission. 3.1 *Committee.* The Plan shall be administered by a Committee appointed by the Board (which Committee shall consist of at least two directors) or, at the discretion of the Board from time to time, the Plan may be administered by the Board. Unless otherwise designated by the Board, the Compensation Committee of the Board of Directors of the Company shall serve as the Committee administering the Plan.

3.2 *Action and Interpretations By the Committee.* For purposes of administering the Plan, the Committee may from time to time adopt rules, regulations, guidelines and procedures for carrying out the provisions and purposes of the Plan and make such other determinations, not inconsistent with the Plan, as the Committee

may deem appropriate. The Committee's determinations on the foregoing matters shall be conclusive and binding upon all persons. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any affiliate, the Company's or an affiliate's independent certified public accountants, Company counsel or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

3.3 *Authority of Committee.* Subject to the express provisions of the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) interpret and construe any and all provisions of the Plan;
- (b) adopt rules and regulations for administering the Plan,;
- (c) make all other determinations necessary or advisable for administering the Plan;
- (d) adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of non-U.S. jurisdictions in which the Company or any participating Subsidiary may operate, in order to assure the viability of the benefits of Awards granted to Participants located in such other jurisdictions and to meet the objectives of the Plan.

ARTICLE IV

ELIGIBILITY AND PARTICIPATION

4.1 *Eligibility.* All Employees shall be eligible to participate in the Plan as of the later of:

- (a) the first Offering Date that occurs at least three months following the Employee's most recent date of hire by an Employer; or
- (b) the Effective Date.

On each Offering Date, Options will automatically be granted to all Employees then eligible to participate in the Plan; provided, however, that no Employee shall be granted an Option for an Offering Period if, immediately after the grant, the Employee would own stock, and/or hold outstanding options to purchase stock, possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any Subsidiary. For purposes of this Section, the attribution rules of Code Section 424(d) shall apply in determining stock ownership of any Employee. If an Employee is granted an Option for an Offering Period and such Employee does not participate in the Plan for such Offering Period, such Option will be deemed never to have been granted for purposes of applying the \$25,000 annual limitation described in Section 6.2.

4.2 *Participation.* An Eligible Employee having been granted an Option under Section 4.1 may submit a Request Form to the Administrator to participate in the Plan for such Offering Period. The Request Form shall authorize a regular payroll deduction from the Employee's Compensation for the Offering Period, subject to the limits and procedures described in Article VII. A Participant's Request Form authorizing a regular payroll deduction shall remain effective from Offering Period to Offering Period until amended or canceled under Section 8.1.

4.3 *Leave of Absence.* For purposes of Section 4.1, an individual on a leave of absence from an Employer shall be deemed to be an Employee for the first 90 days of such leave, or for such longer period of time that his or her entitlement to return to work is protected by statute or agreement with the Employer, if applicable. For purposes of

this Plan, such individual's employment with the Employer shall be deemed to terminate at the close of business on the 90th day of the leave, unless the individual has returned to regular employment with an Employer before the close of business on such 90th day or his entitlement to return to work is protected by statute or agreement with the employer. Termination of any individual's leave of absence by an Employer, other than on account of a return to employment with an Employer, shall be deemed to terminate an individual's employment with the Employer for all purposes of the Plan.

ARTICLE V

STOCK AVAILABLE

5.1 *In General.* Subject to the adjustments in Sections 5.2 and 5.3, an aggregate of 250,000 shares of Common Stock shall be available for purchase by Participants pursuant to the provisions of the Plan. These shares may be authorized and unissued shares or may be shares issued and subsequently acquired by the Company. If an Option under the Plan expires or terminates for any reason without having been exercised in whole or part, the shares subject to such Option that are not purchased shall again be available for subsequent Option grants under the Plan. If the total number of shares of Common Stock for which Options are exercised on any Purchase Date exceeds the maximum number of shares then available under the Plan, the Administrator shall make a pro rata allocation of the shares available in as nearly a uniform manner as shall be practicable and as it shall determine to be equitable; and the balance of the cash credited to Participants' Contribution Accounts shall be distributed to the Participants as soon as practicable.

5.2 *Adjustment in Event of Changes in Capitalization.* In the event of a stock dividend, stock split or combination of shares, recapitalization or other change in the Company's capitalization, or other distribution with respect to holders of the Company's Common Stock other than normal cash dividends, an automatic adjustment shall be made in the number and kind of shares as to which outstanding Options or portions thereof then unexercised shall be exercisable and in the available shares set forth in Section 5.1, so that the proportionate interest of the Participants shall be maintained as before the occurrence of such event; provided, however, that in no event shall any adjustment be made that would cause any Option to fail to qualify as an option pursuant to an employee stock purchase plan within the meaning of Section 423 of the Code.

5.3 *Dissolution or Liquidation.* In the event of a proposed dissolution or liquidation of the Company, the Offering Period then in progress shall be shortened by setting a new Purchase Date (the "New Purchase Date"), and shall terminate immediately prior to the consummation of the dissolution or liquidation, unless otherwise provided by the Committee. The Company shall notify each Participant, at least ten (10) business days prior to the New Purchase Date, that the next Purchase Date has been changed to the New Purchase Date and that the Participant's Option shall be exercised automatically on the New Purchase Date, unless the Participant has withdrawn from the Offering Period, as provided in Section 8.1 hereof, prior to the New Purchase Date.

5.4 *Merger or Asset Sale.* In the event of a reorganization, merger, or consolidation of the Company with one or more corporations in which the Company is not the surviving corporation (or survives as a direct or indirect subsidiary of such other constituent corporation or its parent), or upon a sale of substantially all of the property or stock of the Company to another corporation, then, in the discretion of the Committee, (i) each outstanding Option shall be assumed, or an equivalent option substituted, by the successor corporation or its parent, or (ii) the Offering Period then in progress shall be shortened by setting a New Purchase Date, which shall be before the date of the proposed transaction. If the Committee sets a New Purchase Date, the Company shall notify each Participant, at least ten (10) business days prior to the New Purchase Date, that the Purchase Date has been changed to the New Purchase Date and that the Participant's Option shall be exercised automatically on the New Purchase Date, unless the Participant has withdrawn from the Offering Period, as provided in Section 8.1 hereof, prior to the New Purchase Date. In lieu of the foregoing, the Committee may terminate the Plan in accordance with Section 9.2.

ARTICLE VI

OPTION PROVISIONS

6.1 *Purchase Price.* The Purchase Price of a share of Common Stock purchased for a Participant pursuant to each exercise of an Option shall be the Designated Percent of the Fair Market Value of a share of Common Stock on the

Purchase Date.

A-4

Table of Contents

Until otherwise provided by the Committee, the Designated Percent for purposes of the foregoing sentence is 95 percent. The Committee may change the Designated Percent for any Offering Period but in no event shall the Designated Percent be less than 85 percent.

6.2 *Calendar Year \$25,000 Limit.* Notwithstanding anything else contained herein, no Employee may be granted an Option for any Offering Period which permits such Employee's rights to purchase Common Stock under this Plan and any other qualified employee stock purchase plan (within the meaning of Code Section 423) of the Company and its Subsidiaries to accrue at a rate which exceeds \$25,000 of Fair Market Value of such Common Stock for each calendar year in which an Option is outstanding at any time. For purposes of this Section, Fair Market Value shall be determined as of the Offering Date.

ARTICLE VII

PURCHASING COMMON STOCK

7.1 *Participant's Contribution and Stock Accounts.*

(a) *Contribution Account.* The Administrator shall establish a book account in the name of each Participant for each Offering Period, which shall be the Participant's Contribution Account. As discussed in Section 7.2 below, a Participant's payroll deductions shall be credited to the Participant's Contribution Account, without interest, until such cash is withdrawn, distributed, or used to purchase Common Stock as described below. All cash received or held by the Company under the Plan may be used by the Company for any corporate purpose. The Company shall not be obligated to segregate any assets held under the Plan.

(b) *Stock Account and Registration of Shares.* At the election of the Administrator, shares of Common Stock acquired upon exercise of an Option may be (i) registered in book entry form on the registration books maintained by the Company's transfer agent, (ii) certificated in the name of the Company and held by the Company as the nominee for the Participant, or (iii) registered in book-entry form in an account established on behalf of the Participant with a third-party brokerage firm. These shares shall be credited to the Participant's Stock Account. A Participant shall have all ownership rights as to the shares credited to his or her Stock Account, and the Company shall have no ownership or other rights of any kind with respect to any such certificates or the shares represented thereby. The Company may enter into an arrangement with one or more third-party firms to administer the Stock Accounts of Participants.

7.2 *Payroll Deductions; Dividends.*

(a) *Payroll Deductions.* By submitting a Request Form at any time before an Offering Period in accordance with rules adopted by the Administrator, an Eligible Employee may authorize a payroll deduction to purchase Common Stock under the Plan for any Offering Period. The payroll deduction shall be effective on the first pay period during the Offering Period commencing after receipt of the Request Form by the Administrator. The payroll deduction shall be in any percentage up to a maximum of ten percent (10%) of such Employee's Compensation payable each pay period, and at any other time an element of Compensation is payable. Notwithstanding the foregoing, the Committee may impose a maximum dollar limit for payroll deductions in any one Offering Period, subject to Section 6.2. Until otherwise provided by the Committee, the maximum payroll deduction under the Plan by a Participant shall be \$3,750 per quarterly Offering Period (the maximum payroll deduction for the first Offering Period shall be \$7,500).

(b) *Dividends.* Cash or stock dividends paid on Common Stock which is credited to a Participant's Stock Account as of the dividend payment date may, at the election of the Company, be automatically reinvested in shares of Common Stock and credited to the Participant's Stock Account or paid or distributed to the Participant as soon as practicable.

7.3 Automatic Exercise. Unless the cash credited to a Participant's Contribution Account is withdrawn or distributed as provided in Article VIII, his or her Option shall be deemed to have been exercised automatically on each Purchase Date, for the purchase of the number of full shares of Common Stock which the cash credited to his or her Contribution Account at that time will purchase at the Purchase Price. If there is a cash balance remaining in the Participant's Contribution Account at the end of an Offering Period

A-5

Table of Contents

representing the exercise price for a fractional share of Common Stock, such balance may be retained in the Participant's Contribution Account for the next Offering Period, unless the Participant requests that it be refunded, without interest. Any other cash balance remaining in the Participant's Contribution Account at the end of an Offering Period shall be refunded to the Participant, without interest. The amount of cash that may be used to purchase shares of Common Stock may not exceed the Compensation restrictions set forth in Section 7.2 or the applicable limitations of Sections 6.2 or 6.3.

Except as provided in the preceding paragraph, if the cash credited to a Participant's Contribution Account on the Purchase Date exceeds the applicable Compensation restrictions of Section 7.2 or exceeds the amount necessary to purchase the maximum number of shares of Common Stock available during the Offering Period under the applicable limitations of Section 6.2 or Section 6.3, such excess cash shall be refunded to the Participant, without interest. The excess cash may not be used to purchase shares of Common Stock nor retained in the Participant's Contribution Account for a future Offering Period.

Each Participant shall receive a statement on not less than an annual basis indicating the number of shares credited to his or her Stock Account, if any, under the Plan.

7.4 Listing, Registration, and Qualification of Shares. The granting of Options for, and the sale and delivery of, Common Stock under the Plan shall be subject to the effecting by the Company of any listing, registration, or qualification of the shares subject to that Option upon any securities exchange or under any federal or state law, or the obtaining of the consent or approval of any governmental regulatory body deemed necessary or desirable for the issuance or purchase of the shares covered.

ARTICLE VIII

DISCONTINUANCE, WITHDRAWALS AND DISTRIBUTIONS

8.1 Discontinuance. A Participant may discontinue participation in an Offering Period and thereby discontinue his or her payroll deductions for an Offering Period by filing a new Request Form with the Administrator requesting a refund of amounts accumulated in his or her Contribution Account. This discontinuance shall be effective as soon as practicable, typically on the first pay period commencing at least 15 days after receipt of the Request Form by the Administrator. A Participant who discontinues his or her participation for an Offering Period may not resume participation in the Plan until the second following Offering Period (i.e., he or she may not participate in the Offering Period immediately following the one from which he or she discontinued participation).

Any amount held in the Participant's Contribution Account for an Offering Period after the effective date of the discontinuance of his or her participation will, at the election of the Participant, be

(a) returned to the Participant, in cash, without interest, as soon as practicable, upon the Participant's written request received by the Administrator at least 30 days before the next Purchase Date; or

(b) if the Participant so requests or, in the absence of timely instructions from the Participant of a desire to receive cash under (a) above, held under the Plan and used to purchase Common Stock for the Participant under the automatic exercise provisions of Section 7.3.

8.2 Withdrawal of Shares While Employed. A Participant may, while an Employee of the Company or any Subsidiary, withdraw certificates for any whole number of shares of Common Stock credited to his or her Stock Account at any time, upon 30 days' written notice to the Administrator. If a Participant requests a distribution of only a portion of the shares of Common Stock credited to his or her Stock Account, the Administrator will distribute the

oldest securities held in the Participant's Stock Account first, using a first in-first out methodology. The Administrator may at any time distribute certificates for some or all of the shares of Common Stock credited to a Participant's Stock Account, whether or not the Participant so requests.

8.3 *Leave of Absence; Transfer to Ineligible Status.* If a Participant either begins a leave of absence, is transferred to employment with a Subsidiary not participating in the Plan, or remains employed with an Employer but is no longer eligible to participate in the Plan, the Participant shall cease to be eligible for

Table of Contents

payroll deductions to his or her Contribution Account pursuant to Section 7.2. The cash balance then credited to the Participant's Contribution Account shall, at the election of the Participant, be

(a) returned to the Participant, in cash, without interest, as soon as practicable, upon the Participant's written request received by the Administrator at least 30 days before the next Purchase Date; or

(b) if the Participant so requests or, in the absence of timely instructions from the Participant of a desire to receive cash under (a) above, held under the Plan and used to purchase Common Stock for the Participant under the automatic exercise provisions of Section 7.3.

If the Participant returns from the leave of absence before being deemed to have ceased employment with the Employer under Section 4.3, or again becomes eligible to participate in the Plan, the Request Form, if any, in effect immediately before the leave of absence or disqualifying change in employment status shall be deemed void and the Participant must again complete a new Request Form to resume participation in the Plan.

8.4 Termination of Employment for Reasons Other Than Death. If a Participant terminates employment with the Company and its Subsidiaries for reasons other than death, the cash balance in the Participant's Contribution Account shall be returned to the Participant in cash, without interest, as soon as practicable. Certificates for the largest whole number of shares of Common Stock credited to his or her Stock Account shall be distributed to the Participant as soon as practicable, together with cash for any remaining balance.

8.5 Death. In the event a Participant dies, the cash balance in his or her Contribution Account shall be distributed to the Participant's estate, in cash, without interest, as soon as practicable. Certificates for the largest whole number of shares of Common Stock credited to his or her Stock Account shall be distributed to the Participant as soon as practicable, together with cash for any remaining balance.

ARTICLE IX

AMENDMENT AND TERMINATION

9.1 Amendment. The Committee shall have the right to amend or modify the Plan, in full or in part, at any time and from time to time; provided, however, that no amendment or modification shall:

(a) affect any right or obligation with respect to any grant previously made, unless required by law or deemed by the Committee to be necessary or desirable in order to enable the Company to comply with applicable securities laws or regulations, or

(b) unless previously approved by the stockholders of the Company, where such approval is necessary to satisfy applicable securities laws, the Code, or rules of any stock exchange on which the Company's Common Stock is listed:

(1) in any manner materially affect the eligibility requirements set forth in Sections 4.1 and 4.3, or change the definition of Employer as set forth in Section 2.12, or

(2) increase the number of shares of Common Stock subject to any options issued to Participants (except as provided in Sections 5.2 and 5.3).

9.2 Termination. The Plan will continue into effect for a term of ten years from the Effective Date unless earlier terminated by the Committee. The Committee may terminate the Plan at any time in its sole and absolute discretion. The Plan shall be terminated by the Committee if at any time the number of shares of Common Stock authorized for

purposes of the Plan is not sufficient to meet all purchase requirements, except as specified in Section 5.1.

Upon termination of the Plan, the Administrator shall give notice thereof to Participants and shall terminate all payroll deductions. Cash balances then credited to Participants' Contribution Accounts shall be distributed as soon as practicable, without interest.

ARTICLE X

MISCELLANEOUS

10.1 *Registration and Expenses.* Whether registered in book entry form or represented in certificate form as provided in Section 7.1(b), shares of Common Stock acquired upon exercise of an Option shall be directly registered in the name of the Participant or, if the Participant so indicates on the Request Form, (a) in the Participant's name jointly with a member of the Participant's family, with the right of survivorship, (b) in the name of a custodian for the Participant (in the event the Participant is under a legal disability to have stock issued in the Participant's name), (c) in a manner giving effect to the status of such shares as community property, or (d) in street name for the benefit of any of the above with a broker designated by the Participant. No other names may be included in the Common Stock registration. The Company shall pay all issue or transfer taxes with respect to the issuance of shares of such Common Stock or the initial transfer of such shares to a brokerage account designated by the Company, as well as all fees and expenses necessarily incurred by the Company in connection with such issuance or initial transfer. Once the shares have been issued to the Participant or initially transferred to such brokerage account on behalf of the Participant, the Company shall bear no expense for further transfers or sale of the shares.

10.2 *Employment Rights.* Neither the establishment of the Plan, nor the grant of any Options thereunder, nor the exercise thereof shall be deemed to give to any Employee the right to be retained in the employ of the Company or any Subsidiary or to interfere with the right of the Company or any Subsidiary to discharge any Employee or otherwise modify the employment relationship at any time.

10.3 *Tax Withholding.* The Administrator may make appropriate provisions for withholding of federal, state, and local income taxes, and any other taxes, from a Participant's Compensation to the extent the Administrator deems such withholding to be legally required.

10.4 *Rights Not Transferable.* Rights and Options granted under this Plan are not transferable by the Participant other than by will or by the laws of descent and distribution and are exercisable only by the Participant during his or her lifetime.

10.5 *No Repurchase of Stock by Company.* The Company is under no obligation to repurchase from any Participant any shares of Common Stock acquired under the Plan.

10.6 *Governing Law.* The Plan shall be governed by and construed in accordance with the laws of the State of Delaware except to the extent such laws are preempted by the laws of the United States.

10.7 *Indemnification.* To the extent allowable under applicable law, each member of the Committee and officers and employees of the Company shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense (including, but not limited to, attorneys fees) that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him provided he gives the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall be in addition to any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

The primary function of the Committee is to assist the Board in fulfilling its financial and other oversight responsibilities by serving as an independent and objective party to oversee, monitor and appraise:

III. Meetings and Governance

1. *Meetings.* The Committee shall meet at least four times each year and at such other times as may be necessary to fulfill its responsibilities. It will meet following the end of each fiscal quarter of the Company prior to the release of quarterly or annual earnings to review the financial results of the Company for the preceding fiscal quarter or the preceding fiscal year, as the case may be. Meetings may be called by the Chairman of the Committee or the Chairman of the Board. A majority of the members of the Committee will constitute a quorum, and a majority of the members present at any meeting at which a quorum is present may act on behalf of the Committee. The Committee will meet in executive sessions with the Company's independent auditors and management as appropriate.

2. *Chair.* The Board may designate a Chair of the Committee. The Chair will preside, when present, at all meetings of the Committee.

IV. Duties, Responsibilities and Activities

1. *Review of Financial Statements, Reports and Charter.* The Committee shall review the Company's financial statements, reports and other financial information, in conjunction with the Company's financial management and independent auditors, as appropriate. Such review shall include candid discussions of the quality—not merely the acceptability—of the Company's accounting principles as applied in its financial reporting. Reviews shall occur prior to dissemination of the statement, report or other document to a third party or the public. Without limitation, the Committee shall review, to the extent it deems necessary or appropriate:

- d. Any material internal reports prepared by the Company's independent auditors, internal auditors or management.
- e. The annual Report of the Committee for inclusion in the Company's annual proxy statement.
- f. This Charter on an annual basis, or more frequently as circumstances dictate.

The Committee shall receive a formal written statement from the independent auditors delineating all relationships between the independent auditors and the Company, consistent with Independence Standards Board Standard 1.
