Item 1.01. Entry Into a Material Definitive Agreement.

On October 12, 2006, in connection with its pending acquisition from Ligand Pharmaceuticals Incorporated (Ligand) of all of Ligand's assets related to Avinza[®] (oxycodone morphine sulfate extended-release capsules) (the Transaction), King Pharmaceuticals, Inc. (King) entered into a Loan Agreement with Ligand pursuant to which King agreed to make available to Ligand a loan in the amount of \$37,750,000 (the Loan). The principal amount of the Loan may be used solely for the purpose of paying certain obligations of Ligand to Organon USA Inc., which obligations King agreed to assume as part of the Acquisition.

The Loan is subject to certain market terms, including a 9.5% interest rate and security interests in the assets that comprise Avinza[®] and certain of the proceeds of Ligand's sale of certain assets. If the closing of the Transaction occurs on or before January 8, 2007, King will forgive any accrued interest on the Loan and the outstanding principal amount due thereunder will be credited against the purchase price for the Avinza[®] assets. If the closing does not occur by January 8, 2007, the outstanding principal amount of the Loan, accrued interest and additional default interest of 2% from January 1, 2007 to January 8, 2007 will become payable on January 9, 2007.
