of shares covered by options granted or to be granted in the event of certain capital or other changes affecting Registrant's Common Stock. This Registration Statement therefore covers, in addition to the above-stated shares, an indeterminate number of shares that may become subject to the Plan by means of any such adjustment.

- (3) Pursuant to Rule 457(h), estimated solely for the purpose of computing the registration fee, based upon (i) the aggregate exercise price of \$3.6812 for the 1,385,597 shares underlying outstanding options, and (ii) as to the remaining 764,403 shares available, \$5.75 per share, which is the average of the high and low sales prices of Registrant's Common Stock on April 22, 2002 as reported in the Nasdaq National Market.
- (4) The actual offering price will be determined in accordance with the terms of the Plan. However, with respect to an incentive stock option, in no event shall such price be less than 100% of the fair market value of Registrant's Common Stock on the date on which the option is granted.
