SELLING SECURITYHOLDERS

The following table sets forth information concerning the aggregate principal amount of Notes beneficially owned by each Selling Securityholder, as of December 4, 2001, and the number of Class A Common Shares issuable upon conversion of Notes held thereby, which may be offered from time to time pursuant to this Supplement. Because any or all of the Notes or Class A Common Shares listed below may be offered for sale by the Selling Securityholders from time to time, no estimate can be given as to the percentage of Notes or Class A Common Shares that will be held by the Selling Securityholders upon termination of sales pursuant to this Supplement.
