PROXY STATEMENT

This proxy statement and the accompanying form of proxy are being mailed on or about April 28, 2004 in connection with the solicitation by the Board of Directors of Wilson Greatbatch Technologies, Inc. of proxies to be voted at the Annual Meeting of Stockholders to be held at 10:00 a.m. on May 25, 2004, at Samuel's Grande Manor, 8750 Main Street, Williamsville, New York 14221, and any adjournments thereof.

The company will bear the expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby. Proxies are being solicited principally by mail, by telephone and through the Internet.

You may change your vote and revoke your proxy at any time prior to exercise by filing an instrument with the Secretary of the company revoking it, by submitting a duly executed proxy bearing a later date or by request in person at the Annual Meeting. If your proxy is not revoked, the shares represented by your proxy will be voted according to your directions. Abstentions, directions to withhold authority and broker non-votes (which occur when brokers or nominees notify the company they have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining a quorum.

Directors are elected by a plurality and the eight nominees who receive the most votes will be elected. Abstentions, directions to withhold authority and broker non-votes will have no effect on the election of directors.

An individual who has a beneficial interest in shares allocated to an account under the Wilson Greatbatch Technologies, Inc. Equity Plus Plan - Stock Bonus Plan is being sent a proxy statement and a proxy card to vote the common stock allocated to that account. An individual with a beneficial interest in this plan may give directions to the trustee of the plan as to how the allocated shares should be voted by returning the proxy card or using the telephone or Internet voting methods.

- (2) Capital Group International, Inc., or Capital Group, and Capital Guardian Trust Company, or Capital Trust, filed a Schedule 13G dated February 10, 2004. The beneficial ownership information presented and the remainder of the information contained in this footnote is based solely on the Schedule 13G. Capital Group is the parent holding company of a group of investment management companies that hold investment power and, in some cases, voting power over the securities reported in the Schedule 13G. The investment management companies include Capital Trust, a bank as defined in Section 3(a)(6) of the Securities Exchange Act of 1934, or the Exchange Act, and several investment advisers registered under Section 203 of the Investment Advisers Act of 1940, or the Advisers Act, which provide investment advisory and management services for their respective clients including registered investment companies and institutional accounts. Capital Group does not have investment power or voting power over any of the securities reported in the Schedule 13G but may be deemed to beneficially own 2,119,450 shares of the company's common stock by virtue of Rule 13d-3 under the Exchange Act. Capital Trust is deemed to be the beneficial owner of 2,075,440 shares of the company's common stock as a result of its serving as the investment manager of various institutional accounts.
- (3) FMR Corp., or FMR, Fidelity Management & Research Company, or Fidelity, Edward C. Johnson 3d, or E. Johnson, and Abigail P. Johnson filed a Schedule 13G dated February 16, 2004. The beneficial ownership information presented and the remainder of the information contained in this footnote is based solely on the Schedule 13G. Fidelity, a wholly-owned subsidiary of FMR and an investment adviser registered under Section 203 of the Advisers Act, is the beneficial owner of 1,751,866 shares of the company's common stock as a result of acting as investment adviser to various investment companies registered under Section 8 of the Investment Company Act of 1940, or the ICA. E. Johnson, FMR, through its control of Fidelity, and the Fidelity funds each has sole power to dispose of these 1,751,866 shares. Neither FMR nor E. Johnson has the sole power to vote or direct the voting of the shares owned directly by the Fidelity funds. Fidelity Management Trust Company, or Fidelity Trust, a wholly-owned subsidiary of FMR and a bank as defined in Section 3(a)(6) of the Exchange Act, is the beneficial owner of 147,300 shares of the company's common stock as a result of its serving as investment manager of the institutional accounts. E. Johnson and FMR, through its control of Fidelity Trust, each has sole dispositive power and sole power to vote or to direct the voting of 147,300 shares of the company's common stock owned by the institutional accounts. Through their ownership of voting common stock and the execution of a shareholders' voting agreement, members of the Johnson family may be deemed, under the ICA, to form a controlling group with respect to FMR. Fidelity International Limited, or FIL, provides investment advisory and management services to a number of non-U.S. investment companies and certain institutional investors. FIL is the beneficial owner of 6,500 shares of the company's common stock. FMR and FIL are of the view that they are not acting as a group for purposes of Section 13(d) under the Exchange Act and that they are not otherwise required to attribute to each other the beneficial ownership of securities beneficially owned by the other corporation within the meaning of Rule 13d-3 promulgated under the Exchange Act. Therefore, they are of the view that the shares held by the other corporation need not be aggregated for purposes of Section 13(d). However, FMR filed the Schedule 13G on a voluntary basis as if all of the shares are beneficially owned by FMR and FIL on a joint basis.
- (4) Waddell & Reed Financial, Inc., or WDR, Waddell & Reed Financial Services, Inc., or WRFSI, Waddell & Reed, Inc., or WRI, Waddell & Reed Investment Management Company, or WRIMCO, and Waddell & Reed Ivy Investment Company, or WRIICO, filed a Schedule 13G dated January 20, 2004. The beneficial ownership information presented and the remainder of the information contained in this footnote is based solely on the Schedule 13G. The securities reported on the Schedule 13G are beneficially owned by one or more open-end investment companies or other managed accounts which are advised or sub-advised by WRIICO, an investment advisory subsidiary of WDR, or WRIMCO, an investment advisory subsidiary of WRI. WRI is a broker-dealer and underwriting subsidiary of WRFSI, a parent holding company. In turn, WRFSI is a subsidiary of WDR. The investment advisory contracts grant WRIICO and WRIMCO all investment and/or voting power over securities owned by such advisory clients. The investment sub-advisory contracts grant WRIICO and WRIMCO investment power over securities owned by such sub-advisory clients and, in most cases, voting power. Therefore, WRIICO and/or WRIMCO may be deemed the beneficial owner of the securities covered by the Schedule 13G under Rule 13d-3 of the Exchange Act.

Edgar Filing: WILSON GREATBATCH TECHNOLOGIES INC - Form DEF 14A

WRIICO, WRIMCO, WRI, WRFSI and WDR are of the view that they are not acting as a group for purposes of Section 13(d) under the Exchange Act. Indirect beneficial ownership is attributed to the respective parent companies solely because of the parent companies control relationship to WRIMCO.

- (5) T. Rowe Price Associates, Inc. filed a Schedule 13G dated February 13, 2004 as an investment advisor registered under Section 203 of the Advisers Act. The beneficial ownership information presented is based solely on the Schedule 13G.
- (6) Franklin Resources, Inc., or FRI, Charles B. Johnson and Rupert H. Johnson, Jr. filed a Schedule 13G dated February 12, 2004. The beneficial ownership information presented and the remainder of the information contained in this footnote is based solely on the Schedule 13G. The shares reported are beneficially owned by one or more open or closed-end investment companies or other managed accounts which are advised by direct and indirect investment advisory subsidiaries. The adviser subsidiaries are granted all investment and/or voting power over the shares owned by such advisory clients. Therefore, the adviser subsidiaries may be deemed to be, for purposes of Rule 13d-3 under the Exchange Act, the beneficial owner of these shares. Charles B. Johnson and Rupert H. Johnson, Jr. are the principal shareholders of FRI and each own in excess of 10% of its outstanding common stock. FRI and these principal shareholders may be deemed to be, for purposes of Rule 13d-3 under the Exchange Act, the beneficial owner of securities held by persons and entities advised by FRI subsidiaries. FRI, these principal shareholders and each of the adviser subsidiaries disclaim any economic interest or beneficial ownership in any of the shares covered by the Schedule 13G. FRI, these principal shareholders and each of the adviser subsidiaries are of the view that they are not acting as a group for purposes of Section 13(d) under the Exchange Act and that they are not otherwise required to attribute to each other the beneficial ownership of shares held by any of them or by any persons or entities advised by FRI subsidiaries.

The Corporate Governance and Nominating Committee recommends director nominees to the board considering the factors discussed above, provided that no director may sit on the board of, or beneficially own stock in (other than through mutual funds or similar non-discretionary, undirected arrangement), any of the company's competitors in its principal lines of business. The Corporate Governance and Nominating Committee may, and has sole authority to, retain a search firm to assist in identifying qualified director candidates. Stockholders wishing to submit recommendations for candidates to the board must supply information in writing regarding the candidate to the Corporate Governance and Nominating Committee at the company's executive offices in Clarence, New York. The information should include, at minimum, the candidate's name, biographical information, qualifications and availability for service. Employment Agreements

On July 9, 1997, the company entered into an employment agreement with Mr. Voboril, the company's Chairman of the Board, President and Chief Executive Officer. This agreement expired on June 30, 2001 but automatically extends for additional one-year periods until the company or Mr. Voboril gives notice to terminate not less than twelve months prior to the proposed termination date. The company currently pays Mr. Voboril \$430,000 annually. The Compensation and Organization Committee and the Board of Directors has the right to increase Mr. Voboril's salary. Under this agreement, Mr. Voboril is entitled to receive a bonus equal to 100% of his current base salary if the company achieves financial targets set by the Board of Directors and reflected in the company's annual budget.

If the company terminates Mr. Voboril's employment without cause or if Mr. Voboril terminates his employment for good reason, as such terms are defined in the agreement, the company has agreed to pay to Mr. Voboril the greater of \$285,000 or his current annual base salary and a bonus for the year of termination equal to a percentage of his base salary. If the company terminates his employment without cause within six months before, or twelve months after, a change of control of the company, as that term is defined in the agreement, the company will pay Mr. Voboril an amount equal to his current annual salary and a bonus equal to 100% of his current base salary. In addition, all performance stock options held by Mr. Voboril will automatically vest and he will have the right to exercise all unexercised options.

If the company terminates Mr. Voboril's employment for cause, as that term is defined in the agreement, or if Mr. Voboril terminates his employment without good reason, the company will pay him his accrued base salary and other compensation that has accrued as of the termination date. However, the company will not pay Mr. Voboril an annual bonus if the company terminates his employment with cause, and any stock options granted to Mr. Voboril that have not vested will be forfeited and canceled. If the company terminates Mr. Voboril's employment for cause, the company may, at its election, purchase all of his shares and vested stock options at the lesser of the shares' cost or fair market value. So long as Mr. Voboril's employment is not terminated without cause, he has agreed not to solicit any of the company's employees or to compete, directly or indirectly, with the company during his employment and for two years after his employment ends.

Mr. Reinhold accepted employment with the company pursuant to the terms of an offer of employment letter, dated May 29, 2002, as amended. Mr. Reinhold currently receives an annual salary of \$325,000, and is entitled to one year of severance payments if his employment is involuntarily terminated by the company or voluntarily terminated by him for good reason, as that term is defined in the change of control agreement between the company and Mr. Reinhold, excluding those provisions of the definition requiring a change of control event. The terms of this change of control agreement are described under the heading "Change of Control Agreements" in this proxy statement.

Mr. DeAngelo currently receives an annual salary of \$240,000 and is entitled to receive one year of severance payments if his employment is involuntarily terminated by the company or voluntarily terminated by him for good reason, as that term is defined in the change of control agreement between the company and Mr. DeAngelo, excluding those provisions of the definition requiring a change of control event. The terms of this change of control agreement are described under the heading "Change of Control Agreements" in this proxy statement.

The company has not entered into employment agreements with its other Named Executive Officers.

Change of Control Agreements

The company has entered into change of control agreements with Messrs. Voboril, Reinhold, DeAngelo, Mazza, Dr. Holmes and certain other officers of the company. These agreements provide for the continued employment of the executive for a period of two years following a change of control of the company, as that term is defined in the agreement. During this two-year period, the executive would continue to be employed and compensated commensurate with his or her position and compensation prior to the change of control. The agreement terminates (i) upon the executive's death or disability, (ii) for cause or (iii) by election of the executive for good reason, as such terms are defined in the agreement.

If the company terminates the agreement other than for death, disability or cause, or the executive terminates the agreement for good reason after a change of control, then the executive will be paid an amount equal to (i) two times his or her highest annual salary for the three-year period prior to the date of termination, (ii) the average annualized bonus paid to the executive during the three year period prior to the date of termination, (iii) two times the company's total contributions to the company's retirement plan with respect to the executive for the year preceding the termination, (iv) that portion, if any, of the company's contribution to the executive's 401(k), savings or other similar individual account plan that is not vested as of the date of termination, plus an amount that, when added to this unvested contribution, would be sufficient after applicable taxes to enable the executive to net an amount equal to this unvested contribution and (v) \$25,000 for outplacement services utilized by the executive. Moreover, all unvested stock options, stock appreciation rights and restricted stock held by the executive pursuant to any company stock plan, will immediately become fully vested and exercisable. The executive and his or her family are also entitled to continued coverage under the company's medical and other benefits plans for a period of two years on the same terms upon which such coverage was provided prior to such termination. The company will also make any additional tax gross-up payment to the executive as may be necessary to reimburse the executive for any federal or state excise tax liability with respect to any severance payment, other benefit or tax gross-up payment made under the change of control agreement.

Stock Option Plans

The company has two stock option plans that provide for the issuance of nonqualified and incentive stock options to its key employees and key employees of its subsidiaries. The terms of the company's 1997 stock option plan and 1998 stock option plan are substantially the same and both plans are administered by the company's Compensation and Organization Committee. The 1997 stock option plan authorizes the issuance of options to acquire up to 480,000 shares of common stock and the 1998 stock option plan authorizes the issuance of options to acquire up to 1,220,000 shares of common stock. Options granted under the 1997 and 1998 stock option plans generally vest over a three-to-five-year period and the vesting period can be accelerated depending upon the achievement by the company of performance standards, including earnings targets. Options expire ten years from the date of the grant. Options are granted with exercise prices equal to the fair market value of the common stock

on the date of the grant. Options generally are non-transferable, other than by will or the laws of descent and distribution and are exercisable only by the grantee while the grantee is alive. Both of the stock option plans contain a change of control provision. If a change of control of the company occurs, at the discretion of the company's Compensation and Organization Committee, each option granted under the stock option plans may be terminated. If this occurs, the company must pay each optionholder an amount equal to the difference between the fair market value of each share and the exercise price per share. This amount would be payable upon the closing of a transaction that results in a change of control.

The company has a non-employee director stock incentive plan which has been approved by the company's stockholders and provides for the issuance of non-qualified stock options to non-employee directors to purchase up to 100,000 shares of the company's common stock from its treasury, subject to the terms of the plan. The Compensation and Organization Committee administers the plan. Options granted under the plan become exercisable in three equal annual installments beginning on the first December 31, which is at least six months after the date of grant, and on the two succeeding occurrences of December 31, provided that the individual continues to serve as a non-employee director of the company on each such date. Each stock option terminates on the tenth anniversary of the date of grant unless earlier terminated pursuant to the terms of the plan. The plan contains a change of control provision under which, upon the occurrence of a change of control in the company, each stock option may, at the discretion of the board, be terminated within a specific number of days after notice to the holder of the stock option and each such holder will receive, in respect of each share of common stock for which the stock option then is exercisable, an amount equal to the excess of the then fair market value of such share of common stock over the exercise price per share payable in the same consideration received by the stockholders of the company upon the closing of the transaction that results in the change of control.

Restricted Stock Plan

The company has a 2002 restricted stock plan which has been approved by the company's stockholders and provides for the granting of stock awards to the company's employees. The Compensation and Organization Committee administers the plan. The number of shares that are reserved and may be issued under the plan cannot exceed 200,000. Restricted stock awards are either time-vested or performance-vested based on the terms of the individual award agreement. Time-vested restricted stock vests 50% on the first anniversary of the date of the award and 50% on the second anniversary of the date of the award. Performance-vested restricted stock vests upon the achievement of certain annual diluted earnings per share targets by the company or the seventh anniversary date of the award.

Incentive Compensation Plans

The company maintains a cash based key management incentive plan that includes a number of key management employees who receive annual incentive compensation based upon targeted financial performance goals and the achievement of these goals by the company. The range of these incentives varies depending upon the level of the manager and his or her ability to impact the company's performance, as well as the level of achievement of those financial goals by the company.

Employee Stock Ownership Plan

The company sponsors an employee stock ownership plan, or ESOP, and related trust as a long-term benefit for substantially all of the company's employees, including the company's executive officers. The defined contribution pension plan's annual contribution equals 5% of each employee's compensation. Contributions to the ESOP are in the form of the company's common stock.

The company also has a restricted stock plan for some executives that is also based on company performance vesting. These stock-option programs are used as both a recruiting tool for key managers, as well as a retention tool for executive officers. Performance-based options are tied to the company's financial performance goals and the achievement of those goals by the company. Long term incentive plan options are tied to executive officer retention periods with the company.

Compensation of the Chairman of the Board, President and Chief Executive Officer. Compensation of the company's Chairman of the Board, President and Chief Executive Officer, Edward F. Voboril, is determined pursuant to his employment agreement. Under the employment agreement, the company currently pays Mr. Voboril \$430,000 annually. The Compensation and Organization Committee and the Board of Directors have the right to increase his salary. Under the employment agreement, Mr. Voboril is entitled to a bonus equal to 100% of his current base salary if the company achieves financial targets set by the Board of Directors and reflected in the company's annual budget. In determining the level of base salary and bonus to be paid to Mr. Voboril in 2003, the Compensation and Organization Committee considered both the value of Mr. Voboril to the company and pay practices for comparable performance in the industry. For 2003, Mr. Voboril's base salary was increased to \$380,000 from \$355,000. Mr. Voboril earned total bonuses in 2003 of \$495,000 which were paid in 2004. The bonus is attributable to the company's achieving financial targets set by the Board of Directors

and reflected in the company's annual budget during 2003 and Mr. Voboril's integral role in bringing about these results.
