REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Huntington Supplemental Stock Purchase and
Tax Saving Plan and Trust

Columbus, Ohio

We have audited the accompanying statements of net assets available for benefits of the Huntington Supplemental Stock Purchase and Tax Savings Plan and Trust (the Plan) as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for each of the three years in the period ended December 31, 2006. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting.

Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by Plan management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for each of the three years in the period ended December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

HUNTINGTON SUPPLEMENTAL STOCK PURCHASE AND
TAX SAVINGS PLAN AND TRUST
NOTES TO PLAN FINANCIAL STATEMENTS

Note 1 Description of the Plan

Huntington Bancshares Incorporated (Huntington) adopted the Huntington Supplemental Stock Purchase and Tax Savings Plan and Trust (the Plan) effective March 1, 1989. Huntington subsequently amended the Plan on May 24, 1989, February 9, 1990, and November 19, 1997. Huntington restated the Plan on April 19, 2001. The following summary describes the Plan as amended and restated.

The Plan is in the form of a trust agreement between Huntington and the trust division of its wholly-owned subsidiary, The Huntington National Bank (the Trustee). The purpose of the Plan is to provide a supplemental savings program for eligible employees of Huntington and its related companies who are unable to make contributions to the Huntington Investment and Tax Savings Plan (the Qualified Plan) because the employees have made the maximum elective deferrals under Internal Revenue Code section 402(g) or the maximum elective contributions under the terms of the Qualified Plan. Eligible employees are defined as individuals who are determined by the Compensation Committee of the Huntington Board of Directors to be members of a select group of management or highly compensated employees and who are designated by such committee to be Eligible Employees under the Plan. Each eligible employee may elect to have all or any portion of the pre-tax contributions that he or she elected to defer under the Qualified Plan, but which cannot be allocated to his or her pre-tax account under such plan because of the annual limitation on deferrals imposed by applicable tax laws, allocated to his or her account under the Plan. Concurrently with the payment of the participant's pre-tax contributions, his or her employer shall make a matching contribution to the Plan on behalf of the participant. Matching contributions are equal to 100% of the participant's pre-tax contributions to the Plan up to the first 3% of the participant's compensation and 50% of the participant's pre-tax contributions to the Plan on the 4th and 5th percent of the participant's compensation. Matching contributions may be made in the form of cash or Huntington Bancshares Incorporated common stock (Common Stock), or a combination thereof.

The Trustee invests amounts held in the Plan in shares of Common Stock. The Trustee maintains a separate account for each participant, which reflects such participant's share of assets held in the Plan. Employee and employer contributions are fully vested at the time of contribution, but subject to the rights of creditors of Huntington, at all times.

Distributions are made in a lump sum upon death or termination of employment with Huntington or its affiliates. The Plan is administered by an administrative committee (the Committee). The Committee members serve until they resign and their successors are appointed or until they are removed with or without cause by Huntington's Board of Directors (the Board). None of the members of the Committee receives compensation from the assets of the Plan. The Board may amend or terminate the Plan at any time provided that no such amendment or termination will affect the rights of participants to amounts previously credited to their accounts.

Note 2 Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates. The Plan invests in Huntington common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investments

As of December 31, 2006 and 2005, Plan assets were primarily invested in shares of Common Stock. These shares are carried at market value as determined by closing quoted prices reported by The NASDAQ Stock Market. The weighted average cost of specific investments sold is used to compute realized gains and losses.

Distributions

Distributions in the form of Common Stock are reported at market value on the date of distribution.

Income and Expenses

Cash dividends are accrued as of the record date. Costs and expenses incurred in administering the Plan, including brokerage commissions and fees in connection with the purchase of securities, are paid by Huntington and participating affiliates. Expenses incurred in administering the Plan totaled \$1,779 for 2006, and \$1,763 for 2005 and \$1,500 for 2004.

Note 3 Mutual Fund

The Plan temporarily invests cash and cash equivalents in the Huntington National Bank sponsored Huntington Money Market Fund.

Note 4 Federal Income Taxes

The Plan is established as an unfunded deferred compensation plan under the Internal Revenue Code. Accordingly, a participant will not incur federal income tax liability when compensation is deferred pursuant to the Plan, when matching contributions are made to the Plan, when Common Stock is purchased for a participant's account, or when dividends are paid to a participant's account on such shares. Rather, a participant will incur federal income tax liability for such contributions and income only when distributions are made to a participant.

The Plan is not qualified under Section 401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974. Huntington, rather than the Plan, is subject to federal income taxes arising from taxable income of the Plan. Accordingly, no provision for federal income taxes is included in the financial statements of the Plan. If, at any time, it is determined that compensation deferred pursuant to the Plan is currently subject to income tax by the participants or their beneficiaries, the Plan shall terminate and any amounts held in the trust fund shall be distributed to the participants or their beneficiaries.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Committee of the Huntington Supplemental Stock Purchase and Tax Savings Plan and Trust has duly caused this annual report to be signed by the undersigned thereunto duly authorized.
