3.03.

In connection with the initial closing of the private placement for the common shares of Flagstone Reinsurance Holdings Limited (the "Company") in December 2005, the Company issued a warrant to Haverford (Bermuda) Ltd. ("Haverford"), a related party due to common ownership, for its role in these capital raising activities (the "Warrant"). The Warrant originally granted Haverford the right, at any time during the period commencing on December 1, 2010 and ending December 31, 2010, to purchase from the Company up to 12.0% of the issued common shares of the Company, par value \$0.01 per share, at the consummation of the initial private placements of the Company at an exercise price of \$14.00 per common share. Subsequently, in connection with additional closings of a private placement of 1,957,008 common shares in February 2006, the Warrant was amended such that the number of common shares that could be issuable upon exercise of the Warrant would be 8,585,747, being 12.0% of the issued share capital of the Company as at February 23, 2006.

On November 14, 2008, the Warrant was amended to change the period of exercise from December 1, 2010 through December 31, 2010 to December 1, 2013 through December 31, 2013. The Warrant was also amended to reflect a new exercise price of \$14.80 per common share. In addition, the Warrant was amended to permit adjustments to the exercise price per share during the term or upon the exercise of the Warrant in the event that the Company pays a dividend in cash or makes a distribution in cash. A copy of the Warrant, as amended, is attached as Exhibit 4.1 to this Current Report Form 8-K.
