These statements are based on management’s current expectations and are subject to uncertainty and change in circumstances. These statements are not guarantees of future performance and are based on assumptions that could prove incorrect or could cause actual results to vary materially from those indicated. Such forward-looking statements include the anticipated changes in the business environment in which the Company operates and in the Company’s future operating results relating to the potential benefits of a transaction with PharMEDium and the ability of the Company and PharMEDium to complete the transactions contemplated by the Merger Agreement, including the parties’ ability to satisfy the conditions to the transaction set forth in the Merger Agreement.
