Proxy Statement

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

The Annual Meeting of Stockholders of The Adams Express Company, a Maryland corporation (the "Company"), will be held Tuesday, March 26, 2002, for the purposes set forth in the accompanying Notice of Annual Meeting. This statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at the meeting and at any and all adjournments thereof and is first being sent to stockholders on or about February 22, 2002.

At the Annual Meeting, action is to be taken on (1) the election of a Board of Directors; (2) the ratification of the selection of independent accountants; and (3) the transaction of such other business as may properly come before the meeting.

Except for Proposals (1) and (2) referred to above, the proxies confer discretionary authority on the persons named therein or their substitutes with respect to any business that may properly come before the meeting. Stockholders retain the right to revoke executed proxies at any time before they are voted by written notice to the Company, by executing a later dated proxy, or by appearing and voting at the meeting. All shares represented at the meeting by proxies in the accompanying form will be voted, provided that such proxies are properly signed. In cases where a choice is indicated, the shares represented will be voted in accordance with the specifications so made. In cases where no specifications are made, the shares represented will be voted for the election of directors and for Proposal (2) referred to above. Under Maryland law, there are no appraisal or other dissenter rights with respect to any matter to be voted on at the Annual Meeting that is described herein.

The Company will pay all costs of soliciting proxies in the accompanying form. See "Other Matters" below. Solicitation will be made by mail, and officers, regular employees, and agents of the Company may also solicit proxies by telephone or personal interview. The Company expects to request brokers and nominees who hold stock in their names to furnish this proxy material to their customers and to solicit proxies from them, and will reimburse such brokers and nominees for their out-of-pocket and reasonable clerical expenses in connection therewith.

Shares Outstanding and Entitled to be Voted at Meeting

Only stockholders of record at the close of business February 15, 2002, may vote at the Annual Meeting. The total number of shares of Common Stock of the Company outstanding and entitled to be voted on the record date was 85,171,062. Each share is entitled to one vote. The Company has no other class of security outstanding. For Proposal (1), referred to above, directors shall be elected by a plurality of the votes cast at the meeting. Proposal (2), referred to above, requires the affirmative vote of a majority of the votes cast at the meeting. Unless otherwise required by the Company's Articles of Incorporation or By-laws, or by applicable Maryland law, any other matter properly presented for a vote at the meeting will require the affirmative vote of a majority of the votes cast at this meeting. Proxies received by the Company that are marked "withhold authority" or abstain, or that constitute a broker non-vote, are counted as present for purposes of determining a quorum at the meeting. Broker non-votes are shares held in the name of a broker or nominee for which the broker or nominee indicates that instructions have not been received from the beneficial owner or person entitled to vote

and the broker or nominee does not have discretionary voting power. Proxies marked "withhold authority", abstentions and broker non-votes do not count as votes cast with respect to any proposal, and therefore, such proxies would have

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

no effect on the outcome of Proposals (1) and (2), above.

As of December 31, 2001, the Company knows of no person or group of persons that owns beneficially more than 5 percent of the outstanding Common Stock of the Company, except as set forth immediately below. According to a Schedule 13G filed with the Securities and Exchange Commission on January 31, 2002, Erik E. Bergstrom and related persons, directly and indirectly, own 5,908,800 shares of Common Stock of the Company, which represents 6.9% of the Company's outstanding Common Stock. Mr. Bergstrom disclaimed beneficial ownership of certain of these shares. Mr. Bergstrom's address is P.O. Box 126, Palo Alto, CA 94302.

Board Meetings and Committees of the Board

Overall attendance at the thirteen meetings of the Board held in 2001 was approximately 97%. Each Director attended at least 83% of the total of all (i) meetings of the Board and (ii) meetings of Committees of the Board on which he or she served in 2001.

Audit Committee

Messrs. Arzac, Lenagh, Neff and Roberts, each of whom is an independent director, as such is defined by the Rules of the New York Stock Exchange, constitute the membership of the Board's standing Audit Committee, which met twice in 2001. The Board has adopted a written charter under which the Audit Committee operates, which was most recently amended in January 2001. Set forth below is the report of the Audit Committee:

Audit Committee Report

The purposes of the Committee are set forth in the Committee's written charter. As provided in the charter, the role of the Committee is to assist the Board of Directors in its oversight on matters relating to accounting, financial reporting, internal control, auditing, and regulatory compliance activities, and other matters the Board deems appropriate. The Committee also recommends to the Board the selection of the Company's independent accountants. Management, however, is responsible for the preparation, presentation and integrity of the Company's financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent accountants are responsible for planning and carrying out proper audits and reviews.

In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in the 2001 Annual Report of the Company with the Company's management and the independent accountants. In addition, the Committee has discussed with the independent accountants the matters required to be discussed pursuant to Statement of Auditing Standards No. 61, as modified or supplemented. The Committee has also received from the independent accountants the written statement regarding independence as required by Independence Standards Board Standard No. 1, considered whether the provision of nonaudit services by the independent accountants is compatible with maintaining the accountants' independence, and discussed with the accountants the accountants' independence.

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

The members of the Committee are not professionally engaged in the practice of auditing or accounting nor are they experts in the fields of auditing or accounting, including the issue of auditor independence. Moreover, the Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable

6

laws and regulations. Furthermore, the Committee's considerations and discussions referenced above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting standards, that the financial statements are presented in accordance with generally accepted accounting principles, or that the Company's accountants are in fact "independent."

In reliance on the reviews and discussions with management and the independent accountants referred to above, and subject to the limitations on the responsibilities and role of the Committee set forth in the charter and discussed above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's 2001 Annual Report, for filing with the Securities and Exchange Commission.

Respectfully submitted on February 15, 2002 by the members of the Audit Committee of the Board of Directors:

Enrique R. Arzac
Thomas H. Lenagh
W. Perry Neff, Chairman
John J. Roberts

Compensation Committee

Messrs. Lenagh, Peters, Wilson, and Ms. Schwab constitute the membership of the Board's standing Compensation Committee, which met three times during 2001. The Compensation Committee reviews and recommends changes in the salaries of directors, executive officers, officers, and employees, and advises upon the compensation and stock option plans in which the executive officers, officers, and employees of the Company are eligible to participate.

Executive Committee

Messrs. Emerson, MacCallan, Neff, Ober*, Wilson, and Ms. Schwab constitute the membership of the Board's standing Executive Committee, which met three times during 2001. The Committee has the authority of the Board of Directors between meetings of the Board except as limited by law, the Company's By-laws, or Board resolution. The Executive Committee, minus Mr. Ober, also performs the duties of a nominating committee. It recommends to the full Board candidates for directorship. It is the policy of the Executive Committee not to consider unsolicited nominations for director.

Retirement Benefits Committee

Messrs. Arzac, Emerson, MacCallan, Peters, and Roberts are the director members of the standing Retirement Benefits Committee of the Company, which

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

administers the Employees' Retirement Plan, Supplemental Retirement Plan and the Employee Thrift Plan of the Company. This Committee met twice during 2001.

Board of Directors Compensation

During 2001, each director who is not an interested person received an annual retainer fee of \$10,000 and a fee of \$500 for each Board meeting attended. All members of each Committee, except executive officers and/or interested persons, receive an additional annual retainer fee of \$1,500 for each committee membership and a fee of \$500 for each meeting attended; the Chairman of each committee, except for the Executive Committee, receives an additional fee of \$500 for each committee meeting attended. The total amount of fees paid to the independent directors in 2001 was \$203,500.

* Mr. Ober is an "interested person."

7

Transactions with Petroleum & Resources Corporation

The Company shares certain expenses for research, accounting services and other office services (including proportionate salaries and other employee benefits), rent and related expenses, and miscellaneous expenses such as office supplies, postage, subscriptions and travel, with Petroleum, of which all of the above-named nominees are also directors. These expenses were paid by the Company and, on the date the payment was made, Petroleum simultaneously paid to the Company its allocated share of such expenses, based on either the proportion of the size of the investment portfolio of the two companies, or, where possible, on an actual usage basis. In 2001, Petroleum's share of such expenses was \$403,312.

Audit Fees

The aggregate fees paid and accrued by the Company for professional services rendered by its independent accountants, PricewaterhouseCoopers LLP, for the audits of the Company's annual and semi-annual financial statements for 2001 and the reviews of the financial statements contained in the First and Third Quarter reports in 2001 was \$57,970.

Financial Information Systems Design and Implementation Fees

No such fees were billed to the Company by its accountants during 2001.

All Other Fees

The aggregate fees billed for services to the Company by PricewaterhouseCoopers LLP, other than the services referenced above, for 2001 was \$2,950.

The Board's Audit Committee has considered the provision by PricewaterhouseCoopers LLP of the services covered in this All Other Fees section and found that they are compatible with maintaining PricewaterhouseCoopers LLP's independence.

Stock Option Plan

On December 12, 1985, the Company's Board of Directors adopted a Stock Option Plan (the "Plan"), which was approved by the stockholders at the March 26, 1986 Annual Meeting of Stockholders and amended at the March 29, 1994 Annual Meeting of Stockholders. The Plan provides for the grant to "key employees" (as defined in the Plan) of options to purchase shares of Common Stock of the Company, together with related stock appreciation rights. As of December 31, 2001, (i) the number of shares subject to outstanding options under the Plan was 345,567 and (ii) the number of shares available for future grants under the Plan was 1,266,371. All options granted or to be granted under the Plan currently will be treated as non-qualified stock options under the Internal Revenue Code. The Plan is administered by the Compensation Committee of the Board of Directors, which consists of four members of the Board, none of whom is eligible to receive grants under the Plan. The grant of options is at the discretion of the Compensation Committee.

The Plan provides that, among other things, (a) the option price per share shall not be less than the fair market value of the Common Stock at the date of grant, except that the option price per share will be reduced after grant of the option to reflect capital gains distributions to the Company's stockholders, provided that no such reduction shall be made which will reduce the option price below 25% of the original option price; (b) an option will not become exercisable until the optionee shall have remained in the employ of the Company for at least one year after the date of grant and may be exercised for 10 years unless an earlier expiration date is stated in the option; and (c) no option or stock appreciation right shall be granted after December 8, 2003.

The Plan permits the grant of stock appreciation rights in conjunction with the grant of an option, either at the time of the option grant or thereafter during its term and in respect of all or part of such option. Stock appreciation rights permit an optionee to request to receive (a) shares of Common Stock of the Company with a fair market value, at the time of exercise, equal to the amount by which the fair market value of all shares subject to the option in respect of which such stock appreciation right was granted exceeds the exercise price of such option, (b) in lieu of such shares, the fair market value thereof in cash, or (c) a combination of shares and cash. Stock appreciation rights are exercisable beginning no earlier than two years after the date of grant and extend over the period during which the related option is exercisable. To the extent a stock appreciation right is exercised in whole or in part, the option in respect of which such stock appreciation right was granted shall terminate and cease to be exercisable.

Shares of Common Stock acquired as the result of the exercise of an option or stock appreciation right may not be sold until the later of two years after the date of grant of the option or one year after the acquisition of such shares.

Employee Thrift Plan

Employees of the Company who have completed six months of service may elect to have 2% to 6% of their base salary deferred as a contribution to a thrift plan instead of being paid to them currently (see table set forth on page 9 regarding 2001 contributions for the officers and directors identified therein). The Company (subject to certain limitations) contributes for each employee out of net investment income an amount equal to 200% of each employee's contribution or to the maximum permitted by law. Employees may also

Edgar Filing: ADAMS EXPRESS CO - Form DEF 14A

contribute an additional 10% of base salary to the thrift plan, but these post-tax contributions are not matched by the Company. All employee contributions are credited to the employee's individual account. Employees may elect that their salary deferral and other contributions be invested in Common Stock of the Company, or of Petroleum, or several mutual funds, or a combination thereof. Fifty percent of the Company's matching contributions is invested in

10

the Company's Common Stock, and the remaining fifty percent is invested in the same manner that the employee has elected for his or her contributions. An employee's interest in amounts derived from the Company's contributions becomes non-forfeitable upon completion of 36 months of service or upon death or retirement. Payments of amounts not withdrawn or forfeited under the thrift plan may be made upon retirement or other termination of employment in a single distribution, in ten equal installments, or in an annuity.

Employees' Retirement Plan

The employees of the Company with one or more years of service participate in a retirement plan pursuant to which contributions are made solely by the Company on behalf of, and benefits are provided for, employees meeting certain age and service requirements. The plan provides for the payment of benefits in the event of an employee's retirement at age 62 or older. Upon such retirement, the amount of the retirement benefit is 2% of an employee's highest thirty-six months average out of the employee's final sixty months annual salary, including incentive compensation, multiplied by years of service. Retirement benefits cannot exceed 60% of the highest thirty-six months' average out of the employee's final sixty months annual salary including incentive compensation. Benefits are payable in several alternative methods, each of which must be the actuarial equivalent of a pension payable for the life of the employee only. Retirement benefits (subject to any applicable reduction) are also payable in the event of an employee's early or deferred retirement, disability or death. Contributions are made to a trust to fund these benefits.

On March 10, 1988, the Board of Directors of the Company unanimously approved a supplemental retirement benefits plan (the "Supplemental Plan") for employees of the Company. On June 11, 1998, the Supplemental Plan was amended and restated as of January 1, 1998. The purpose of the Supplemental Plan is to provide deferred compensation in excess of benefit limitations imposed by the Internal Revenue Code on tax-qualified defined benefit plans, including the retirement plan of the Company described above. In accordance with such limitations, the annual benefit payable under the Company's retirement plan may not exceed the lesser of \$160,000 for 2002 and the employee's average total compensation paid during the three highest-paid consecutive calendar years of employment. The \$160,000 limit will be adjusted by the Secretary of the Treasury to reflect cost-of-living increases.

The Supplemental Plan authorizes the Company to pay annual retirement benefits in an amount equal to the difference between the maximum benefits payable under such retirement plan and the benefits that would otherwise be payable but for the Internal Revenue Code's limitations on annual retirement benefits. All amounts payable under the Supplemental Plan will be paid from the general funds of the Company as benefits become due. The Company has established a funding vehicle using life insurance policies owned by the Company for the Supplemental Plan. Payment of benefits under the Supplemental Plan will be made concurrently with and in the same form as payment of benefits under the Company's retirement plan. During 2001, the Company made payments of \$18,844 under the Supplemental Plan.
