Item 3.02 Unregistered Sales of Equity Securities.

On June 10, 2005, Alamosa Holdings, Inc. ("Alamosa") completed a private exchange transaction pursuant to which a holder of Alamosa's Series B Convertible Preferred Stock, par value \$0.01 per share ("Preferred Stock"), delivered to Alamosa 20,272 shares of Preferred Stock in exchange for 1,520,996 newly issued shares of Alamosa's common stock, par value \$0.01 per share. The shares issued included 30,408 shares issued as an inducement premium to the holder of the Preferred Stock. The shares of common stock issued in exchange for the Preferred Stock were exempt from the registration requirements of the Securities Act of 1933 pursuant to Section 3(a)(9) thereunder. At the close of the transaction, there were 161,959,431 shares of Alamosa's common stock outstanding.

During the second quarter of 2005, Alamosa has completed preferred stock exchange transactions with respect to a total of 215,484 shares of Preferred Stock. As previously disclosed by Alamosa, these transactions will result in a substantial non-cash charge in the second quarter to reflect the write-down of the derivative carried as an asset on Alamosa's balance sheet.

At March 31, 2005, the derivative carried on the balance sheet as early redemption option of preferred stock totaled \$22 million. The exchanges to-date in the second quarter will result in approximately \$10.6 million of that asset being written down as a charge in arriving at net income/(loss) before income taxes. While Alamosa has no current plan, intention or arrangement with respect to the exchange of any additional shares of Preferred Stock, if Alamosa completes any additional preferred stock exchange transactions prior to June 30, 2005, this estimated charge could increase.
