Item 8.01 Other Events.

On June 9, 2015, the United States District Court for the Eastern District of Texas, Marshall Division, (the "District Court") entered judgment against Trinity Industries, Inc. and Trinity Highway Products, LLC (together, the "Company") in a federal False Claims Act (the "Act") case styled Joshua Harman, on behalf of the United States of America, Plaintiff/Relator v. Trinity Industries, Inc., Defendant, Case 2:12-cv-00089-JRG. On October 20, 2014, a jury awarded \$175.0 million in damages in this case. Under the Act, the jury award was automatically trebled to \$525.0 million. In addition, the District Court imposed civil penalties in the amount of \$138.4 million and awarded attorney's fees, expenses and costs in the amount of \$19.0 million. The amount of the total judgment is \$682.4 million. To appeal the case, the Company may be required to post a supersedeas bond that could equal the amount of the judgment entered plus interest, which the Company expects it would be able to obtain on an unsecured basis. The Company intends to file certain post-judgment motions and, depending upon the District Court's rulings on those motions, to appeal to the United States Court of Appeals for the Fifth Circuit and seek a reversal of the judgment.
