(NYSE, TSX: AL), at the request of the French Commission des Operations de Bourses ("COB"), clarifies the liquidity arrangements offered to holders of Pechiney stock purchase options and Pechiney stock subscription options in the event that its public offer succeeds. Alcan will offer to holders of Pechiney stock purchase options and Pechiney stock subscription options that are not exercised during the offer period that there will be liquidity for their underlying shares at the end of the restricted period, by agreeing to exchange the Pechiney common shares delivered upon exercise of these options for Alcan common shares, on the basis of an exchange ratio valuing each Pechiney common share at an amount equal to the consideration offered to holders of Pechiney common shares in the Offer (as increased if more than 95% of the share capital and voting rights of Pechiney (on a fully diluted basis) are tendered in the Offers, including any reopened Offer pursuant to Article 5-2-3-1 of the General Regulations of the CMF) and valuing each Alcan common share at the Reference Value definitively adopted pursuant to the Offer. The choice between these two possibilities will be given to holders of Pechiney options through a liquidity agreement that will be provided to them.

With respect to the foregoing, the consideration offered by Alcan in the Offer corresponds to a total (i) of €24.60 in cash, this amount being increased to €25.60 if more than 95% of Pechiney's share capital and voting rights (on a fully diluted basis) are tendered in the Offers (including any reopened Offer pursuant to Article 5-2-3-1 of the General Rules and Regulations of the CMF) and (ii) of an amount equal to the number of Alcan common shares exchangeable for each ONE Pechiney common share under the terms of the Offer (before potential substitution of an equivalent amount of cash in place of all or a portion of the Alcan Common Shares to be issued as consideration in the Offer) multiplied by the Average Value.
