Vote Required and Proxy Information

All shares of the Company's common stock, par value \$.0001 per share (the "Common Stock"), represented at the Meeting by properly executed proxies received prior to or at the Meeting, and not revoked, will be voted at the Meeting in accordance with the instructions thereon. One-third of the outstanding shares of Common Stock, present in person or represented by proxy, shall constitute a quorum for purposes of the Meeting. Broker's non-votes are counted for purposes of determining a quorum. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the persons appointed by the Company to act as inspectors of election for the Annual Meeting. The inspectors of election will also determine whether or not a quorum is present. Each stockholder of record at the close of business on February 22, 2001 is entitled to one vote for each share then held on each matter submitted to a vote of stockholders. Brokers holding shares of record for their customers generally are not entitled to vote on certain matters unless their customers give them specific voting instructions.

The voting requirements for the proposal we will consider at the meeting are:

Election of directors: Directors shall be elected by a plurality of the votes present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. Votes may be cast in favor of or withheld

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

from each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect. Broker non-votes will have no effect on the election of directors. If no instructions are indicated, properly executed proxies will be voted FOR the nominees set forth herein.

Approval of 2000 Omnibus Stock Option Plan as amended: The 2000 Omnibus Stock Option Plan as amended must be approved by the vote of the holders of a majority of the stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereat. If the manner of voting is not specified in an executed proxy received by the Company, the proxy holders will vote FOR approval of the 2000 Omnibus Stock Option Plan as amended.

Ratification of Grant Thornton L.L.P. as the Company's independent certified public accountants: The selection of Grant Thornton L.L.P. as the Company's independent certified public accountants must be ratified by the vote of the holders of a majority of the stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereat. If the manner of voting is not specified in an executed proxy received by the Company, the proxy holders will vote FOR ratification of Grant Thornton L.L.P. as the Company's independent certified public accountants.

Other matters as may properly come before the Meeting - The Company does not know of any matters, other than as described in the Notice of Annual Meeting, that are to be presented at the Meeting. A proxy given pursuant to the solicitation or otherwise may be revoked at any time before it is voted. Proxies may be revoked by: (i) filing with the Secretary of the Company at or before the Meeting a written notice of revocation bearing a later date than the proxy, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Secretary of the Company at or before the Meeting, or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Howard A. Jaffe, Executive Vice President, Upgrade International Corporation, 1411 - Fourth Avenue, Suite 629, Seattle, WA 98101.

Voting Securities and Certain Holders Thereof

DIRECTORS AND EXECUTIVE MANAGEMENT

The Company's Board of Directors currently consists of five members, whose terms will expire at the Meeting. In August 2000, as part of its reincorporation into Washington, the Company adopted new bylaws which provide for three classes of directors with staggered terms. The nominees will become Class 2 or Class 3 directors, with terms expiring as indicated below. Mr. Kerr has indicated he will be retiring from the Board of Directors concurrent with the Annual Meeting. Mr. Kerr is a candidate for a Canadian provincial governmental post, and therefore will be unable to continue as a member of the Board of Directors. The Company intends to appoint a new qualified member to a Class 1 position on the Board, with a term expiring in fiscal year 2002, as soon as possible.

The following table sets forth certain information, as of February 22, 2001, regarding the Company's Board of Directors, including each director's term of office. The Board of Directors acting as the nominating committee has recommended and approved the nominees identified in the following table. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominee) will be voted at the Meeting "FOR" the election of the nominees identified below. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why the nominees may be unable to serve, if elected. There are no arrangements or understandings between any director or nominee and any other person pursuant to which such director or nominee was selected.

Compensation Policy Committee Report on Executive Compensation

Under rules established by the Securities and Exchange Commission ("SEC"),

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chief Executive Officer and other executive officers of the Company. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale for and considerations that led to fundamental executive compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Policy Committee of the Bank, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

General. The Board of Directors of the Company delegated to the Compensation Policy Committee the responsibility and authority to oversee the general compensation policies of the Company, to establish compensation plans and specific compensation levels for executive officers, and to review the recommendations of management for compensation and benefits for other officers and employees of the Company. The Compensation Policy Committee is composed solely of independent outside directors.

The Compensation Policy Committee has adopted an executive compensation program designed to: (i) offer competitive compensation packages in order to attract, motivate, retain and reward those key executive officers who are crucial to the long-term success of the Company; (ii) establish a direct link between executive compensation and annual and long-term performance of the Company; and (iii) encourage decision-making that maximizes long-term shareholder value. The Compensation Policy Committee's primary compensation objective is to ensure that such compensation be tied to the achievement of both short term and longer term goals and objectives established in conjunction with the Company's planning process.

Executive Compensation Policy. The compensation package provided to the executive officers of the Company is composed principally of base salary, an annual incentive bonus and awards under the Company's equity based plans. Executive officers also participate in other benefit plans available to all eligible employees.

Base Salary. It is the policy of the Compensation Policy Committee to annually review executive compensation packages, including base salaries paid or proposed to be paid, with compensation packages and base salaries offered by other technology-based companies. This information is primarily derived from third party sources and company proxy statements that provide compensation data and analysis from other publicly held companies. Specific factors considered include the level of responsibility delegated to a particular officer, the complexity of the job being evaluated, the position's impact on both short term and long term corporate goals and objectives, the expertise and skill level of the individual under consideration, the degree to which the officer has achieved his management objectives for the plan year, his ability to attract highly skilled individuals to the Company and the officer's overall performance in managing his area of responsibility. The Compensation Policy Committee's decisions are discretionary and no quantifiable formula or weighting of the above mentioned factors are utilized in the decision making process.

Incentive Bonus Awards. The annual incentive bonus is designed to provide that a substantial portion of each executive officer's total compensation remains variable. The purpose of the incentive plan is to more closely align executive performance to the annual and long-term financial and operating performance of the Company and to reward officers for the achievement of certain specified goals and objectives.

Benefit Plans. The Compensation Policy Committee's policy with respect to employee benefit plans is to provide competitive benefits to employees of the Company, including its executive officers. Additionally, the Omnibus Incentive Plan will provide employees, including executive officers, with an additional

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

equity-based incentive to maximize long-term shareholder value. The Compensation Policy Committee believes that a competitive employee benefit package is essential to achieving the goals of attracting and retaining highly qualified employees.

Chief Executive Officer. The base salary paid to the Daniel S. Bland, Chief Executive Officer of the Company for 2000 was \$175,000. In examining the base compensation of other executives among peer institutions, the Compensation Policy Committee felt the compensation level was proper and consistent with other peer institutions.

7

The majority of Mr. Bland's compensation was tied to options issued upon the Company's Omnibus Stock Option Plan and warrants to purchase shares of stock. In this position where a key component of Mr. Bland's wealth and compensation is directly tied to the performance of the Company's stock, his interests are closely aligned with that of the stockholders.

Audit Committee Report

Under guidelines established by the Securities and Exchange Commission ("SEC"), the Company has expanded the responsibilities for its Audit Committee. Included in the guideline is the establishment of a charter which details the responsibilities for the Audit Committee. The Company's Audit Committee Charter was adopted by the Board of Directors during 2000 and was disseminated to shareholders previously.

The Audit Committee reviewed and discussed with Grant Thornton L.L.P., the Company's independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed with the Audit Committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1.

The Audit Committee has also considered whether the provision of non-audit services by Grant Thornton L.L.P. is compatible with their independence. The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 30, 2000 for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of the independent auditors and the Board concurred in such recommendation.

Changes in Accountant

As a result of the Company's merger with Second CMA, Inc. on April 6, 2000, whereby the Company succeeded to Second CMA as a registrant under the Securities Exchange Act of 1934, the Company terminated the services of Comiskey & Company which had served as auditor to Second CMA. Grant Thornton L.L.P., which had served as Upgrade's auditor prior to the merger, continued to serve as the independent auditor for the Company.

8

The audit reports of Comiskey & Company on the financial statements of Second CMA, Inc. as of and for the year ended December 31, 1999 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During Second CMA's two most recent fiscal years and any subsequent interim period preceding the change, there were no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreements in connection with its report. The Company has provided a copy of this disclosure to Grant Thornton and an opportunity to furnish the Company with a letter addressed to the Securities and Exchange Commission containing any new information, clarification of the Company's expression of its views, or the respects in which it does not agree with the statements made by the Company.

Certain Transactions

On October 10, 1997, UltraCard licensed the rights to two technology patents from CardTech, Inc. (CardTech). UltraCard's President Daniel Kehoe is also the controlling stockholder of CardTech. The license agreement terminates upon the expiration of the last licensed patent. Because the agreement covers any new patent applications filed in conjunction with the original technology patents, the agreement does not have a definite expiration date.

Through September 30, 1999, UltraCard had paid \$30,000 for an initial licensing fee, \$950,000 in minimum royalty fees and \$1,009,813 in capital fees under the license agreement. Capital fees were paid as part of the agreement requiring UltraCard to remit to the CardTech 12.5% of every dollar received from equity financing. In October 1997, as required by the license agreement, UltraCard issued 2,500,000 shares of its common stock, valued at the time of the issuance at \$250,000. Related to the shares issued, UltraCard capitalized as license cost the amount of \$250,000.

For the years ended September 30, 2000 and 1999, UltraCard has recorded \$650,000 and \$1,484,636, respectively, in expenses related to this agreement. Expenses for the year ended September 30, 1999, included \$919,375 in capital fees. Royalty fees are due on January 1 of each calendar year. As of September 30, 2000, \$650,000 in calendar year 2000 royalty fees remained unpaid, causing UltraCard to be past due on the agreement. CardTech has deferred the required 2000 and 2001 payment to March 30, 2001.

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

As of September 30, 2000, UltraCard's remaining commitments under the license agreement are summarized as follows:

- o An earned royalty fee of 5% of the gross proceeds generated from sales, leases or other distributions of products incorporating the CardTech technology. The minimum annual royalty fee is payable at \$650,000 per calendar year through 2009.
- o A capital fee equal to 12.5% of all equity capital invested in the UltraCard until such time that CardTech has received a total of \$3,000,000 in such fees. The maximum remaining amount of the commitment is \$1,990,187.

Amendments to the 2000 Omnibus Stock Option Plan of Upgrade International Corporation

General. In 1999 and 2000, the Board of Directors of Upgrade adopted the 1999 and 2000 Omnibus Stock Option Plans, respectively (collectively the "Plan"). The Plan provides for the grant of nonqualified stock options, incentive stock options, restricted stock, stock appreciation rights or any combination thereof within the limitations set forth in the Plan. In addition, the Plan gives Upgrade the flexibility to award stock options in connection with the acquisition of other companies to the key executives of such companies to more closely align their interests with the stockholders of Upgrade.

The Upgrade Board of Directors believes that the performance and growth of Upgrade is dependent upon ensuring the best possible management. The Board further believes that the Plan will encourage equity ownership in Upgrade by key employees and in turn provide such individuals with further incentive and motivation to

9

perform in the best interests of Upgrade, its customers, and its stockholders and will aid in attracting and retaining high quality employees. As of February 22, 2001, 1,500,000 shares of Upgrade Common Stock had been reserved for issuance under the 1999 Plan and 800,000 shares of Upgrade Common Stock reserved under 2000 Plan. Under the planned amendment, the two plans will be consolidated and 2,500,000 additional shares of Common Stock will be reserved. Without approval of the proposed amendment to reserve additional shares for issuance, Upgrade will soon be unable to make awards under the Plan. The Board of Directors of Upgrade therefore recommends that the stockholders approve an amendment to consolidate the 1999 and 2000 Stock Option Plans and to increase the number of shares available for issuance under the Plan, to 4,800,000 shares of Common Stock.

The principal features of the Plan are summarized below. The Plan provides that awards may be made for 10 years from January 20, 1999, and the Plan will remain in effect thereafter until all matters relating to the payment of awards and administration of the Plan have been settled.

Administration. The Plan is administered by a Stock Award Committee of the Board of Directors. The Committee consists of not less than two non-employee, disinterested directors. The members of the Committee will include the members of the Compensation Policy Committee, who presently are Mr. Ronald Erickson, Chairman, Mr. Malcolm Burke and Mr. Brian Kerr.

The Committee has sole authority to administer and interpret the Plan including the size and type of awards and the terms and conditions of such

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

awards.

Shares Available. The Plan provides that the aggregate number of shares of Upgrade Common Stock which may be subject to award may not exceed 4,800,000, as proposed, subject to adjustment in certain circumstances to prevent dilution. At the discretion of the Committee, Upgrade Common Stock delivered under the Plan may be either authorized but unissued shares, or shares that have been reacquired by Upgrade. Shares underlying awards that are canceled, expired, forfeited, or terminated shall, in most circumstances, again be available for the grant of additional awards within the limits provided by the Plan.

Eligibility. The Plan provides for awards to directors and employees of Upgrade and Upgrade's subsidiaries.

Stock Options. Subject to the terms and provisions of the Plan, options may be granted to directors or employees at any time and from time to time as shall be determined by the Committee. The Committee shall have discretion in determining the number of shares subject to options granted to each recipient. Each option grant shall be evidenced by an option agreement that shall specify the option price, the duration of the option, the number of shares to which the option pertains, the percentage of the option that becomes exercisable on specified dates in the future, and such other provisions as the Committee shall determine. In addition, the option agreement shall specify whether the option was intended to be an incentive stock option or a nonqualified stock option.

The option price for each grant of an option shall be determined by the Committee, provided that the option price shall not be less than the market value of a share of Upgrade Common Stock on the date of the grant.

All options granted under the Plan shall expire no later than 10 years from date of grant. Subject to the limitations set forth in the Plan, any option may be exercised by payment to Upgrade of cash or by surrender of previously acquired shares having an aggregate market value at the time of exercise equal to the aggregate option price or a combination of both. Options granted shall be subject to an agreement in a form approved by the Committee, which may contain additional limitations, terms and conditions, in addition to the restrictions set forth in the Plan, which the Committee otherwise deems desirable.

The Plan places limitations on the exercise of options under certain circumstances upon or after termination of employment or in the event of the death, disability or retirement or termination associated with a change in control of Upgrade (as defined in the Plan). In the event that a participant ceases to maintain continuous service with Upgrade, or its subsidiaries, for any reason other than death, disability, retirement or termination for cause, an exercisable stock option will be forfeited to Upgrade unless the Committee, in its sole discretion, waives such termination, in which case all such exercisable options will remain exercisable until their respective expiration dates, or for one year after the date of termination, whichever period is shorter. In the event of the death, disability or retirement of a participant after the age of 65, an exercisable option will continue to be exercisable until their respective expiration dates, or for one year following the death of the participant, whichever period is shorter. At

the discretion of the Committee the agreement evidencing the award of stock options may provide certain limited rights to exercise certain options under certain circumstances. Stock options are nontransferable except by will or in accordance with the applicable laws of descent and distribution. The granting of an option does not accord the recipient the rights of a stockholder and such

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

rights accrue only after the exercise of an option and the registration of shares of Upgrade Common Stock in the recipient's name.

Restricted Stock. The Plan provides for the award of shares of Upgrade Common Stock which are subject to certain restrictions provided in the Plan or otherwise determined by the Committee. Restricted stock awarded pursuant to the Plan will be represented by a stock certificate registered in the name of the recipient to whom the award is made. Upon the grant of restricted stock, such recipient is entitled to vote the restricted stock and to exercise other rights as a stockholder of Upgrade, including the right to receive all dividends and other distributions paid or made with respect to the restricted stock. However, the recipient may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the restricted stock during the restriction period designated by the Committee except by will or as may be determined by the Committee. Non-compliance with any of the restrictions will result in a forfeiture of the restricted stock. When the conditions of the restricted stock award established by the Committee are satisfied, Upgrade will deliver at the end of the restriction period stock certificates representing the shares of Upgrade Common Stock which are no longer subject to any restrictions, except those restrictions required by applicable securities laws.

The Committee may, in its discretion, accelerate the time at which any or all restrictions will lapse, or may remove any or all of the restrictions. In the event a participant ceases to be employed by reason of death, disability or retirement, restricted stock still subject to restrictions will be free of these restrictions unless otherwise provided by the Committee. In the event of termination for any other reason, all shares will be forfeited and returned to Upgrade, unless the Committee provides otherwise. There have been no shares granted or issued under the Plan as restricted shares.

Stock Appreciation Rights. The Committee in its discretion may grant Stock Appreciation Rights (SARs) under the Omnibus Plan. An SAR entitles the holder to receive from Upgrade an amount equal to the excess, if any, of the aggregate market value of Upgrade Common Stock which is the subject of such option over the option price therefore.

Upgrade may make payment of the amount to which the participant exercising SARs is entitled by delivering shares of Upgrade Common Stock or cash or a combination of stock and cash, as the Committee in its sole discretion may determine. SARs are not transferable except by will or the laws of descent and distribution and are transferable only in conjunction with a permitted transfer of the option to which the SAR relates and then and only then to the transferee of such option. Each SAR shall be evidenced by an award agreement in form approved by the Committee, which may contain additional limitations, terms and conditions, in addition to the restrictions set forth in the Plan, which the committee otherwise deems desirable.

In the event of a change in control of Upgrade (as defined in the Plan), all awards granted pursuant to the Plan that are still outstanding and not yet exercisable or vested will become immediately exercisable or vested as of the date of the change in control and will remain exercisable and vested for their term.

In the event the employment or service of a participant is terminated by reason of death, disability or retirement, any outstanding SARs granted to the participant that are not exercisable shall become immediately exercisable. All SARs granted to such participant shall remain exercisable until their respective expiration dates, or for one year after the date the participant ceases to be employed, whichever period is shorter. In the event of termination for any other reason, all shares will be forfeited and returned Upgrade, unless the Committee provides otherwise.

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

Federal Income Tax Treatment. Under present federal income tax laws, awards under the Plan will have the following consequences:

1. The grant of an award will neither, by itself, result in the recognition of taxable income to the participant nor entitle Upgrade to a deduction at the time of such grant.

11

2. The exercise of a stock option which is an incentive stock option (ISO) within the meaning of Section 422 of the Code will generally not, by itself, result in the recognition of taxable income to the participant nor entitle Upgrade to a deduction at the time of such exercise. However, the difference between the exercise price and the fair market value of the shares acquired on the date of exercise is an item of tax preference which may, in certain situations, trigger the alternative minimum tax. The alternative minimum tax is incurred only when it exceeds the regular income tax. The alternative minimum tax will be payable at the rate of 26% of the first \$175,000 of "minimum taxable income" in excess of \$33,750 (single person) or \$45,000 (married person filing jointly). This tax applies at a flat rate of 28% of so much of the taxable excess as exceeds \$175,000. If a taxpayer has alternative minimum taxable income in excess of \$150,000 (married person filing jointly) or \$112,500 (single person), the \$45,000 or \$33,750 exemptions are reduced by an amount equal to 25% of the amount by which the alternative minimum taxable income of the taxpayer exceeds \$150,000 or \$112,500, respectively. Provided the applicable holding periods described below are satisfied, the participant will recognize long-term capital gain or loss upon resale of the shares received upon such exercise, will generally not be entitled to a tax deduction with respect to the granting or exercise of such a stock option or the subsequent sale of the shares. If the shares are not held for at least one year after transfer of the shares to the optionee or two years after the grant of the ISO, whichever is later, the participant will also recognize ordinary income or loss upon disposition in an amount equal to the difference between the exercise price and the fair market value on the date of exercise of the shares acquired pursuant to the ISO. In such an event, Upgrade will generally be entitled to a corresponding deduction, provided Upgrade meets its federal withholding tax obligations.
3. The exercise of a stock option which is not an ISO will result in the recognition of ordinary income by the participant on the date of exercise in an amount equal to the difference between the exercise price and the fair market value on the date of exercise of the shares acquired pursuant to the stock options.
4. The exercise of an SAR will result in the recognition of ordinary income by the participant on the date of exercise in an amount of cash, and/or the fair market value on that date of the shares, acquired pursuant to the exercise.
5. Holders of restricted stock will recognize ordinary income on the date that the shares of restricted stock are no longer subject to a substantial risk of forfeiture, in an amount equal to the fair market value of the shares on that date. In certain circumstances, a holder may elect to recognize ordinary income and determine such fair market value on the date of the grant of the restricted stock. Holders of restricted stock will also recognize ordinary income

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

equal to their dividend or dividend equivalent payments when such payments are received.

6. Upgrade will be allowed a deduction at the time and in the amount of any ordinary income, excluding dividends, recognized by the participant under the various circumstances described above, provided that Upgrade meets its federal withholding tax obligations.

Amendment, Modification and Termination. The Upgrade Board may, at any time and from time to time, terminate, amend, or modify the Plan. However, such action will be subject to stockholder approval when such approval is required for purposes of any federal or state law or regulation or the rules of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the shares may then be listed or quoted. The Committee may waive any conditions of or rights of Plan or modify or amend the terms of any outstanding award. The Committee may not, however, amend, alter, suspend, discontinue or terminate any outstanding award without the consent of the participant or holder thereof.

No termination, amendment, or modification of the Plan shall in any manner adversely affect any award previously granted under the Plan, without the written consent of the recipient.

Additional awards under the Plan may be granted to eligible participants in the future at the discretion of the Stock Award Committee.

Interests of Certain Persons. The Company's executive officers and directors are eligible to participate in the Plan and receive benefits thereunder, and therefore have an interest in the adoption of the Plan by the shareholders.

12

New Plan Benefits. Generally, future awards under the Plan are discretionary so that it is impossible to determine who will receive awards and in what amounts in the event the Plan is approved. No stock options have been granted and no shares have been issued under the Plan on the basis of the share increase that will result from the amendment to the Plan for which stockholder approval is sought at the Annual Meeting.

A complete copy of the Plan, as amended, is attached to this Proxy Statement as appendix "A".

The Upgrade Board recommends that Upgrade stockholders vote for approval of the Plan Amendment.

("Grant Thornton"), independent certified public accountants, have been selected by the Board of Directors to continue to serve the Company in that capacity for 2001, subject to ratification by the stockholders. Representatives of Grant Thornton are expected to be present at the Meeting and can make a statement should they desire to do so and will be available to respond to appropriate questions from stockholders.

UPGRADE INTERNATIONAL CORPORATION
2000 OMNIBUS STOCK OPTION PLAN, as amended

ARTICLE 1. ESTABLISHMENT, PURPOSE AND DURATION

1.1 Establishment of the Plan. Upgrade International Corporation, a Washington corporation (the "Company"), hereby establishes an incentive compensation plan to be known as the "2000 Omnibus Stock Option Plan" (the "Plan"), as set forth in this document. The Plan permits the granting of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock and Performance Awards.

Upon approval by the Board of Directors of the Company, subject to

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

ratification by an affirmative vote of holders of a majority of Shares present and entitled to vote at the 2001 Annual Meeting of the Company at which a quorum is present, the Plan shall become effective as of the origination date of the 1999 Stock Option Plan approval, that being January 19, 1999, (the "Effective Date"), and shall remain in effect as provided in Section 1.3 herein.

- 1.2 Purpose of the Plan. The purpose of the Plan is to promote the success, and enhance the value, of the Company by linking the personal interests of Employees and Directors with those of Company shareholders.

The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract, and retain the services of Employees and Directors upon whose judgment, interest, and special effort the successful conduct of its operation largely is dependent.

- 1.3 Duration of the Plan. Subject to approval by the Board of Directors of the Company and ratification by the shareholders of the Company, the Plan shall commence on the Effective Date, as described in Section 1.1 herein, and shall remain in effect, subject to the right of the Board of Directors to terminate the Plan at any time pursuant to Article 14 herein. However, in no event may an Award be granted under the Plan on or after the fifteenth anniversary of the Plan's Effective Date.

ARTICLE 2. DEFINITIONS AND CONSTRUCTION

- 2.1 Definitions. Whenever used in the Plan, the following terms shall have the meanings set forth below:
 - (a) "Award" means, individually or collectively, a grant under this Plan of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock or Performance Awards.
 - (b) "Board" or "Board of Directors" means the Board of Directors of the Company.
 - (c) "Cause" means Participant's personal dishonesty, incompetence, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties or willful violation of any law, rule, regulation (other than traffic violations or similar offenses) or final cease-and-desist order. For purposes of this subsection, no act, or failure to act, on Participant's part shall be considered "willful" unless done, or omitted to be done, not in good faith and without reasonable belief that the action or omission was in the best interest of the Company. In determining incompetence, the acts or omissions shall be measured against standards generally prevailing in the financial institutions industry. A Participant may be terminated for Cause only upon the affirmative vote of not less than 50% of the quorum of the Board at a meeting of the Board called and held for that purpose, which vote shall be recorded in the minutes of such meeting.
 - (d) "Change in Control" of the Company shall be defined in accordance with Section 13.2 herein.
 - (e) "Code" means the Internal Revenue Code of 1986, as amended from time to time, or any successor code thereto, and the rules and regulations thereunder.

A-1

- (f) "Committee" means the Committee, as specified in Article 3, appointed by the Board to administer the Plan.
- (g) "Company" means Upgrade International Corporation, a Washington corporation (including any and all Subsidiaries), or any successor thereto as provided in Article 17 herein.
- (h) "Director" means any individual who is a member of the Board of Directors or an advisory director of the Company or Subsidiary who is not currently an Employee of the Company or Subsidiary.
- (i) "Disability" means a permanent and total disability, within the meaning of Code Section 22(e)(3), as determined by the Committee in good faith, upon receipt of sufficient competent medical advice from one or more individuals, selected by the Committee, who are qualified to give professional medical advice.
- (j) "Employee" means a full-time, nonunion, salaried employee of the Company, subsidiary or affiliate. Directors who are not otherwise employed by the Company shall not be considered Employees under this Plan.
- (k) "Exchange Act" means the Securities Exchange Act of 1934, as amended from time to time, or any successor statute thereto, and the rules and regulations thereunder.
- (l) "Fair Market Value" means the closing market price per share of one Share on the relevant date, according to a stock quotation source selected by the Committee. If the Shares did not trade on the relevant date, then Fair Market Value is determined as of the most recent date for which a quoted price is available, or as of the most recent date for which quoted bid and asked prices are available, whichever is most recent. Should Fair Market Value be determined at the time of the most recent quoted bid and asked prices, Fair Market Value shall be equal to the bid price.
- (m) "Grant Price" means the stock price above which a SAR entitles the recipient to any increase in value, as determined by the Committee.
- (n) "Incentive Stock Option" or "ISO" means an option to purchase Shares, granted under Article 6 herein, which is designated as an Incentive Stock Option and is intended to meet the requirements of Section 422 of the Code.

ARTICLE 3. ADMINISTRATION

- 3.1 The Committee. The Plan shall be administered by a Committee, consisting of two or more members of the Board of Directors of the Company, each of whom (i) shall be an outside director as defined under Section 162(m) of the Code and (ii) shall be a Non-Employee Director as defined under Rule 16(b) of the Exchange Act. - 4.1 Number of Shares. Subject to adjustment as provided in Section 4.3 herein, the total number of Shares available for grant under the Plan may not exceed 4,800,000. These Shares may be either authorized but unissued, or Shares that have been reacquired by the Company. The grant of an Option, Stock Appreciation Right, Restricted Stock Award or Performance Award shall reduce the Shares available for grant under the Plan by the number of Shares subject to such Award.
- A-3
- 4.2 Lapsed Awards. If any Award granted under this Plan terminates, expires, or lapses for any reason, any Shares subject to such Award again shall be available for the grant of an Award under the Plan, with the exception of Restricted Stock Awards upon which dividends have been paid to the Participants.
- 4.3 Adjustments in Authorized Shares. In the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, split-up, Share combination, or other change in the corporate structure of the Company affecting the Shares, such adjustment shall be made in the number and class of Shares which may be delivered under the Plan, and in the number and class of and/or price of Shares subject to outstanding Options,

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

SARs, Restricted Stock and Performance Awards granted under the Plan, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights; and provided that the number of Shares subject to any Award shall always be a whole number.

ARTICLE 5. ELIGIBILITY AND PARTICIPATION

- 5.1 Eligibility. Persons eligible to participate in this Plan include all Employees of the Company, its subsidiaries and affiliates, including Employees who are members of the Board, and all Directors, including Directors of the Company's Subsidiaries.
- 5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees and Directors, those to whom Awards shall be granted and shall determine the nature and amount of each Award. No Employee or Director shall be entitled to be granted an Award under this Plan.

ARTICLE 6. STOCK OPTIONS

- 6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Employees and Directors at any time and from time to time as shall be determined by the Committee. The Committee shall have complete discretion in determining the number of Shares subject to Options granted to each Participant. Options granted to Directors shall consist only of NQSOs and not ISOs.
- 6.2 Option Agreement. Each Option grant shall be evidenced by an Option agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, the percentage of the Option that becomes exercisable on specified dates in the future, and such other provisions as the Committee shall determine. The Option agreement also shall specify whether the Option is intended to be an ISO or a NQSO.
- 6.3 Option Price. The Option Price for each grant of an Option shall be determined by the Committee, provided that, in the case of an ISO, the Option Price shall not be less than 100% of the Fair Market Value of such Share on the date the Option is granted, and in the case of a NQSO, the Option Price shall not be less than 50% of the Fair Market Value of such Share on the date the Option is granted. In the event any holder of 10% or more of the Shares receives a grant of ISOs, the Option Price on such grants shall be not less than 110% of the Fair Market Value of the Shares on the date of grant.
- 6.4 Duration of Options. Each Option granted shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth anniversary date of its grant.
- 6.5 Exercise of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant.
- 6.6 Payment. Options shall be exercised by the delivery of a written notice of exercise to the Chief Financial Officer of the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by payment in full of the Option Price.

A-4

Upon exercise of any Option, the Option Price shall be payable to the Company in full either (a) in cash or its equivalent, or (b) by tendering previously acquired Shares having a Fair Market Value at the time of exercise equal to the total Option Price, or (c) by a combination of (a) and (b). In addition, the Company may establish a cashless exercise program in accordance with Federal Reserve Board Regulation G.

As soon as practicable after receipt of a written notification of exercise and payment in full of the Option Price, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

- 6.7 Restrictions on Share Transferability. The Committee shall impose such restrictions on any Shares acquired pursuant to the exercise of an Option under the Plan as it may deem advisable, including, without limitation, restrictions under applicable Federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.
- 6.8 Termination of Employment or Service Due to Death, Disability or Retirement.
- (a) Termination by Death. In the event the employment or service of a Participant is terminated by reason of death, any outstanding Options granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, all of such Options shall remain exercisable until their respective expiration dates, or for one year after the date of death, whichever period is shorter, by such Person or Persons as shall have acquired the Participant's rights under the Option by will or by the laws of descent and distribution.
- (b) Termination by Disability. In the event the employment or service of a Participant is terminated by reason of Disability, any outstanding Options granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, all of such Options shall remain exercisable until their respective expiration dates, or for one year after the date that the Participant's Disability is determined by the Committee to be total and permanent, whichever period is shorter. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, should the Participant die during this period, exercisability of the Participant's Options shall be permitted for a period of one year following the date of death.
- (c) Termination by Retirement. In the event the employment of an Employee is terminated by reason of Retirement, or the service of a Director on the Board is terminated after age 65, any outstanding Options granted to that Employee or Director that

are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, all of such Options shall remain exercisable until their respective expiration dates, or for one year after the date of termination, whichever period is shorter.

- (d) Exercise Limitations on ISOs. In the case of ISOs, the tax treatment prescribed under Section 422 of the Code may not be available if the Options are not exercised within the time periods provided by Section 422 for each of the various types of employment termination.

- 6.9 Termination of Employment for Other Reasons. If the employment of an Employee or the service of a Director shall terminate for any reason other than the reasons set forth in Section 6.8 herein, except for Cause, all outstanding Options that are not exercisable as of the date of termination immediately shall be forfeited to the Company (and shall once again become available for grant under the Plan). However, the Committee, in its sole discretion, shall have the right to waive such termination and to immediately make exercisable all or any portion of such Options. Thereafter, unless otherwise set forth in the Option agreement provided for in Section 6.2 herein, all such exercisable Options shall remain exercisable until their respective expiration dates, or for one year after the date of termination, whichever period is shorter.

A-5

If the employment of the Employee or the service of the Director shall terminate for Cause, all outstanding Options immediately shall be forfeited to the Company and no additional exercise period shall be allowed, regardless of the exercisability status of the Options.

ARTICLE 7. STOCK APPRECIATION RIGHTS

- 7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Employees and Directors at any time and from time to time as shall be determined by the Committee. A SAR may be Related to an Option or may be granted independently of any Option as the Committee shall from time to time in each case determine. In the case of a Related Option, such Related Option shall cease to be exercisable to the extent of the Shares with respect to which the Related SAR was exercised. Upon the exercise or termination of a Related Option, any Related SAR shall terminate to the extent of the Shares with respect to which the Related Option was exercised or terminated.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Section 4.1 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs. However, the Grant Price of a SAR shall be at least equal to 50% of the Fair Market Value of Shares on the date of grant of the SAR.

- 7.2 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon the SARs.
- 7.3 SAR Agreement. Each SAR grant shall be evidenced by a SAR agreement

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

- 7.4 Term of SARs. The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion, however, such term shall not exceed fifteen years.
- 7.5 Payment of SAR Amount. Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:
- (a) The difference between the Fair Market Value of a Share on the date of exercise over the Grant Price; and
 - (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

- 7.6 Termination of Employment or Service Due to Death, Disability or Retirement.
- (a) Termination by Death. In the event the employment or service of a Participant is terminated by reason of death, any outstanding SARs granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, all of such SARs shall remain exercisable until their respective expiration dates, or for one year after the date of death, whichever period is shorter, by such Person or Persons as shall have acquired the Participant's rights under the SARs by will or by the laws of descent and distribution.
 - (b) Termination by Disability. In the event the employment or service of a Participant is terminated by reason of Disability, any outstanding SARs granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, all of such SARs shall remain exercisable until their respective expiration dates, or for one year after the date the Participant's Disability is determined by the Committee to be total and permanent, whichever period is shorter. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, in the event the Participant dies during this period, exercisability shall be permitted for a period of one year following the date of death.

A-6

- (c) Termination by Retirement. In the event the employment of an Employee is terminated by reason of Retirement, or the service of a Director on the Board is terminated after age 65, any outstanding SARs granted to that Participant that are not exercisable as of the date of termination shall immediately become exercisable. Unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, all of such SARs shall remain exercisable until their respective expiration

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

dates, or for one year after the date that employment was terminated, whichever period is shorter.

- 7.7 Termination of Employment for Other Reasons. If the employment of an Employee or the service of a Director shall terminate for any reason other than the reasons described in Section 7.6 herein, except for Cause, all unexercised SARs held by the Participant at that time immediately shall be forfeited to the Company (and shall once again become available for grant under the Plan). However, the Committee, in its sole discretion, shall have the right to waive such termination and to make exercisable all or any portion of such SARs. Thereafter, unless otherwise set forth in the SAR agreement provided for in Section 7.3 herein, all such exercisable SARs shall remain exercisable until their expiration dates, or for one year after the date of termination, whichever period is shorter.

If the employment or service of the Participant shall terminate for Cause, all outstanding SARs immediately shall be forfeited to the Company and no additional exercise period shall be allowed, regardless of the exercisability status of the SARs.

ARTICLE 8. RESTRICTED STOCK

- 8.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Employees and Directors in such amounts as the Committee shall determine.
- 8.2 Restricted Stock Agreement. Each Restricted Stock grant shall be evidenced by a Restricted Stock agreement that shall specify the Period of Restriction, or Periods, the number of Restricted Stock Shares granted, and such other provisions as the Committee shall determine.
- 8.3 Other Restrictions. The Committee shall impose such restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, restrictions based upon the achievement of specific performance goals (Company-wide, Subsidiary, and/or individual), and/or restrictions under applicable Federal or state securities laws; and may legend the certificate representing Restricted Stock to give appropriate notice of such restrictions. The Committee may also require that Participants make cash payments at the time of grant or upon lapsing of restrictions. Such cash payments, if imposed, will be in an amount not less than the par value of the Shares.
- 8.4 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.3 herein, each certificate representing Shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:
- "The sale or other transfer of the Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Upgrade International Corporation 2000 Omnibus Stock Plan and in a Restricted Stock agreement dated _____. A copy of the Plan and such Restricted Stock agreement may be obtained from the Chief Financial Officer of Upgrade International Corporation."
- 8.5 Removal of Restrictions. Except as otherwise provided in this Section, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

Participant after the last day of the Period of Restriction. Once the Shares are released from the restrictions, the Participant shall be entitled to have the legend required by Section 8.4 herein removed from his or her Share certificate.

- 8.6 Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares.

A-7

- 8.7 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to those Shares while they are so held. If any such dividends or distributions are paid in Shares, the Shares shall be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.

- 8.8 Termination of Employment or Service Due to Death, Disability or Retirement. In the event that a Participant's employment or service with the Company is terminated by reason of death, Disability, or Retirement, the restrictions on the Participant's Restricted Stock shall lapse as of the date of termination (in the case of Disability, the restrictions shall lapse on the date the Participant's Disability is determined by the Committee to be total and permanent).

- 8.9 Termination of Employment for Other Reasons. If the employment or service of the Participant shall terminate for any reason other than those reasons described in Section 8.8 herein, including a termination for Cause, all nonvested Shares of Restricted Stock held by the Participant at that time immediately shall be forfeited and returned to the Company (and shall once again become available for grant under the Plan, except that Shares upon which dividends have been paid to a Participant may not become available for re-grant under the Plan). However, with the exception of a termination of employment for Cause, the Committee, in its sole discretion, shall have the right to provide for lapsing of the restrictions on Restricted Stock following termination, upon such terms and provisions as it deems proper.

ARTICLE 9. PERFORMANCE AWARDS

- 9.1 Grant of Performance Awards. Subject to the terms and provisions of the Plan, Performance Awards may be granted to Employees and Directors at any time and from time to time as shall be determined by the Committee. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan and any applicable Performance Award agreement, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee.

- 9.2 Exercise of Performance Awards. Performance Awards may be exercised upon whatever terms the Committee, in its sole discretion, imposes upon the Performance Awards.
- 9.3 Performance Award Agreement. Each Performance Award grant shall be evidenced by a Performance Award agreement that shall specify the term of the Performance Award and such other provisions as the Committee shall determine.
- 9.4 Term of Performance Awards. The term of a Performance Award granted under the Plan shall be determined by the Committee, in its sole discretion, however, such term shall not exceed ten years.
- 9.5 Termination of Employment or Service. The disposition of a Performance Award upon termination of employment or service shall be determined by the Committee, in its sole discretion.

ARTICLE 10. TRANSFERABILITY

No Award granted under the Plan shall be transferable otherwise than by will, the laws of descent and distribution or pursuant to a qualified domestic relations order, except an Award may be transferred by gift to any member of the Participant's immediate family or to a trust for the benefit of one or more of such immediate family members if the Committee so specifies in the Award agreement. During the lifetime of an Award recipient, an Award shall be exercisable only by the Award recipient unless it has been transferred as permitted hereby, in which case it shall be exercisable only by such transferee. For

A-8

the purpose of this Article 10 a Participant's "immediate family" shall mean the Participant's spouse, children and grandchildren.

ARTICLE 11. BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Chief Financial Officer of the Company during the Participant's lifetime. In the absence of any such designation, benefits remaining unpaid at the participant's death shall be paid to the Participant's estate.

ARTICLE 12. RIGHTS OF EMPLOYEES

- 12.1 Employment. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment or service at any time, nor confer upon any Participant any right to continue in the employ or service of the Company.

For purposes of the Plan, transfer of employment or service of a Participant between the Company and any one of its Subsidiaries (or between Subsidiaries) shall not be deemed a termination of

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

employment or service.

- 12.2 Participation. No Employee or Director shall be entitled to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

ARTICLE 13. CHANGE IN CONTROL

- 13.1 In General. Unless otherwise set forth in the applicable Award agreement, in the event of a Change in Control of the Company as defined in Section 13.2 herein, all Awards granted under this Plan that are still outstanding and not yet exercisable or vested shall become immediately exercisable or vested as of the date of the Change in Control and shall remain exercisable and vested for their term.
- 13.2 Definition. For purposes of the Plan, a Change in Control shall mean (i) any third person, including a "group" as defined in Section 13(d)(3) of the Exchange Act, shall become the beneficial owner of shares of the Company with respect to which 25% or more of the total number of votes for the election of the Board of Directors of the Company may be cast, (ii) as a result of, or in connection with, any cash tender offer, merger or other business combination, sale of assets or contested election, or combination of the foregoing, the persons who were directors of the Company shall cease to constitute a majority of the Board of Directors of the Company, or (iii) the stockholders of the Company shall approve an agreement providing either for a transaction in which the Company will cease to be an independent publicly-owned corporation or for a sale or other disposition of all or substantially all the assets of the Company.

The Board has final authority to determine the exact date on which a Change in Control has been deemed to have occurred.

ARTICLE 14. AMENDMENT, MODIFICATION AND TERMINATION

- 14.1 Amendment, Modification and Termination. The Board may, at any time and from time to time, terminate, amend, or modify the Plan without the consent of shareholders or Participants, except that any such action will be subject to the approval of the Company's shareholders if, when and to the extent such shareholder approval is necessary or required for purposes of any applicable federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted, or if the Board, in its discretion, determines to seek such shareholder

A-9

approval. The Committee may waive any conditions of or rights of the Company or modify or amend the terms of any outstanding Award. The Committee may not, however, amend, alter, suspend, discontinue or terminate any outstanding Award without the consent of the Participant or holder thereof, except as otherwise herein provided.

- 14.2 Awards Previously Granted. No termination, amendment, or modification of the Plan shall in any manner adversely affect any Award previously granted under the Plan, without the written consent of the Participant.

ARTICLE 15. WITHHOLDING

Edgar Filing: UPGRADE INTERNATIONAL CORP /FL/ - Form DEF 14A

- 15.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any grant, exercise, or payment made under or as a result of this Plan.
- 15.2 Share Withholding. With respect to withholding required upon the exercise of Options, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event hereunder, Employees may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value, on the date the tax is to be determined, equal to the minimum marginal tax which could be imposed on the transaction.

ARTICLE 16. INDEMNIFICATION

Each Person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such Persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE 17. SUCCESSORS

All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company.

ARTICLE 18. REQUIREMENTS OF LAW

- 18.1 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.
