PROXY STATEMENT

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of eGain Communications Corporation, a Delaware corporation ("eGain"), of proxies in the accompanying form to be used at the Annual Meeting of Stockholders of eGain to be held at the Sheraton Sunnyvale located at 1100 North Mathilda Avenue, Sunnyvale, California on Thursday, November 15, 2001, at 1:00 P.M., Pacific Time, and any postponement or adjournment thereof (the "Annual Meeting"). The shares represented by the proxies received in response to this solicitation and not properly revoked will be voted at the Annual Meeting in accordance with the instructions therein. A stockholder who has given a proxy may revoke it at any time before it is exercised by filing with the Secretary of eGain a written revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. On the matters coming before the Annual Meeting for which a choice has been specified by a stockholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is specified, the shares will be voted "FOR" the election of the five nominees for director listed in this Proxy Statement and "FOR" approval of the proposals referred to in Items 2 and 3 in the Notice of Annual Meeting and described in this Proxy Statement.

Stockholders of record at the close of business on September 21, 2001 (the "Record Date"), are entitled to vote at the Annual Meeting. As of the close of business on that date, eGain had 36,404,177 shares of common stock, \$0.001 par value (the "common stock"), outstanding. The presence in person or by proxy of the holders of a majority of eGain's outstanding shares of common stock constitutes a quorum for the transaction of business at the Annual Meeting. Each holder of common stock is entitled to one vote for each share held as of the Record Date.

Directors are elected by a plurality vote. The five nominees for director who receive the most votes cast in their favor will be elected to serve as a director. Each of the other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as shares present or represented and entitled to vote on that proposal and thus have the same effect as negative votes. If a broker which is the record holder of shares indicates on a proxy that it does not have discretionary authority to vote on a particular proposal as to such shares, or if shares are not voted in other circumstances in which proxy authority is defective or has been withheld with respect to a particular proposal, these non-voted shares will be counted for quorum purposes but are not deemed to be present or represented for purposes of determining whether stockholder approval of that proposal has been obtained.

The expense of printing, mailing proxy materials and solicitation of proxies will be borne by eGain. eGain will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of the common stock.

This Proxy Statement, the accompanying form of proxy and the Annual Report to Stockholders for the fiscal year ended June 30, 2001, including financial statements, are being mailed to stockholders on or about October 15, 2001.

IMPORTANT

Please mark, sign and date the enclosed proxy and return it at your earliest convenience in the enclosed postage-prepaid return envelope so that, whether you intend to be present at the Annual Meeting or not, your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

PROPOSAL 2

PROPOSAL TO AMEND THE eGAIN COMMUNICATIONS CORPORATION

1999 EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors has approved an amendment to eGain's 1999 Employee Stock Purchase Plan (the "ESPP"), subject to the approval of eGain's stockholders at the Annual Meeting. The following summary of the principal features of the Stock Purchase Plan is qualified by reference to the terms of the ESPP, a copy of which is available without charge upon stockholder request to Milind Kasbekar, eGain Communications Corporation, 714 East Evelyn Avenue, Sunnyvale, California 94086.

Summary of Amendment

The amendment to the ESPP approved by the Board of Directors and submitted for stockholder approval provides for an increase in the number of shares of common stock reserved for sale and issuance under the ESPP by an aggregate of 750,000 shares.

Stock Purchase Plan

The ESPP was adopted by the Board of Directors in July 1999 and approved by eGain's stockholders thereafter. The purpose of the ESPP is to encourage stock ownership by eGain's employees and in doing so assist eGain in retention and motivation of employees who are in a position to make material contributions to eGain's progress.

The ESPP permits employees to purchase eGain common stock at a favorable price and possibly with favorable tax consequences to the employees. Employees (including officers and employee directors of eGain but excluding 5% or greater stockholders) are eligible to participate if they are customarily employed for more than 20 hours per week and for at least five months in any calendar year. An employee may not, during any calendar year, participate in the ESPP if the rights of the employee to purchase eGain common stock under the ESPP and all other qualified employee stock purchase plans of eGain or its subsidiaries would accrue at a rate that exceeds \$25,000 of the fair market value of such stock determined at the time such rights are granted. Participation in the ESPP ends automatically on termination of employment with eGain. As of June 30, 2001, 437 employees were eligible to participate in the ESPP.

As of June 30, 2001, the following persons or groups had in total, purchased common stock under the ESPP as follows: (i) the Chief Executive Officer and the other executive officers named in the Summary Compensation Table: Mr. Roy, no shares, Mr. Sinha, no shares, Mr. Jepson, no shares, Mr. Kedlaya, 8,322 shares, Mr. Grewal 4,134 shares and Mr. Smit, 3,274 shares; (ii) all current executive officers of eGain as a group: 21,943 shares; (iii) all current directors who are not executive officers as a group: no shares; (iv) each nominee for director (other than the two directors listed in (i) above): Mr. Brown, no

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

shares, Dr. Darukhanavala, no shares and Mr. Wolfson, no shares; and (v) all employees of eGain, including all current officers who are not executive officers as a group: 441,151 shares.

Administration and Term

The ESPP is administered by a Plan Administrator appointed by the Board of Directors. The ESPP is currently administered by the Compensation Committee of the Board of Directors. The ESPP will terminate in July 2009, unless sooner terminated by the Board of Directors.

Shares Offered for Sale

The Board of Directors will establish participation periods for the ESPP, none of which will exceed six months. During each participation period, payroll deductions will accumulate, without interest. On the purchase

4

dates set by the Board of Directors for each participation period, accumulated payroll deductions will be used to purchase common stock. The purchase price of the common stock under the ESPP will be equal to 85% of the fair market value per share of common stock on either the first day of the participation period or on the purchase date, whichever is less. Employees may withdraw their accumulated payroll deductions at any time up to the last day of a participation period. If an employee withdraws his or her payroll deductions during a participation period, payroll deductions shall cease and eGain will refund all amounts credited to the participants account in cash, without interest.

Amendment and Termination

The ESPP may be amended or modified by the Board of Directors, subject to applicable laws and stockholder approval only to the extent required by applicable laws, regulations or rules.

The Board of Directors recommends a vote "FOR" amendment of eGain's 1999 Employee Stock Purchase Plan.

5

PROPOSAL 3

RATIFICATION OF INDEPENDENT AUDITORS

Upon the recommendation of the Audit Committee, the Board of Directors has appointed the firm of Ernst & Young LLP as eGain's independent auditors for the fiscal year ending June 30, 2002, subject to ratification by the stockholders. Ernst & Young LLP has audited eGain's financial statements since eGain's inception in 1997. Representatives of Ernst & Young LLP are expected to be present at eGain's Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Ratification will require the affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy. In the event ratification is not provided, the Board of Directors will review its future selection of eGain's independent auditors.

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

Recent Option Grants

The following tables set forth certain information as of June 30, 2001 and for the fiscal year then ended with respect to stock options granted to and exercised by the individuals named in the Summary Compensation Table above.

(1) Potential realizable value assumes that the stock price increases from the exercise price from the date of grant until the end of the option term (5 or 10 years) at the annual rate specified (5% and 10%). For a ten-year option term, annual compounding results in total appreciation of approximately 62.9% (at 5% per year) and 159.4% (at 10% per year). For a five-year option term, annual compounding results in total appreciation of approximately 27.6% (at 5% per year) and 61.1% (at 10% per year). The assumed annual rates of appreciation are specified in SEC rules and do not represent eGain's estimate or projection of future stock price growth. eGain does not necessarily agree that this method can properly determine the value of an option.

(2) Mr. Grewal was granted options to purchase 83,200 shares in fiscal 2001, of which 80,000 were surrendered on August 10, 2001, pursuant to eGain's stock option exchange program.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The following report on executive compensation is provided by the Compensation Committee of the Board of Directors (the "Compensation Committee") to assist stockholders in understanding the committee's objectives and procedures in establishing the compensation of eGain's executive officers and describes the bases on which it made fiscal 2001 compensation determinations. The Compensation Committee is currently comprised of two non-employee directors. In making its determinations, the Compensation Committee relied, in part, on independent surveys and public disclosures of compensation of management of companies in the ecommerce software industry.

Compensation Objectives

The Compensation Committee believes that compensation of eGain's executive officers should:

- . encourage creation of stockholder value and achievement of strategic corporate objectives;
- . provide a competitive total compensation package that enables eGain to attract and retain, on a long-term basis, high caliber personnel;
- . integrate compensation with eGain's annual and long-term corporate objectives and focus executive behavior on the fulfillment of those

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

objectives;

- . align the interests of management and stockholders and enhance stockholder value by providing management with longer term incentives through equity ownership by management;
- . provide total compensation opportunity that is competitive with companies in eGain's industry, taking into account relative company size, performance and geographic location as well as individual responsibilities and performance; and
- . provide fair compensation consistent with internal compensation programs.

Key Elements of Executive Compensation

The compensation of executive officers is based upon eGain's financial performance as well as an evaluation of eGain's progress in the achievement of certain business objectives, including the execution of corporate and collaborative agreements, the expansion of eGain's business and the attainment of certain operational and research and development milestones in eGain's technology development programs, as well as the achievement of individual business objectives by each executive officer. eGain's existing compensation structure for executive officers generally includes a combination of salary and stock options and may include cash bonuses for performance determined to be deserving of such bonuses by the Compensation Committee.

Salary. Salary levels are largely determined through comparisons with companies of similar headcount and market capitalizations or complexity in the ecommerce software industry. Actual salaries are based on individual performance contributions within a competitive salary range for each position that is established through job evaluation of responsibilities and market comparisons. The Compensation Committee, on the basis of its knowledge of executive compensation in the industry, believes that eGain's salary levels for the executive officers are at a level that the Compensation Committee, at the time such salary determinations were made, considered to be reasonable and necessary given eGain's financial resources and the stage of its development. The Compensation Committee reviews salaries on an annual basis. At such time, the Compensation Committee may change each executive officer's salary based on the individual's contributions and responsibilities over the prior 12 months and changes in median comparable company pay levels.

Stock Options. The Compensation Committee believes that by providing those persons who have substantial responsibility for the management and growth of eGain with an opportunity to increase their ownership of eGain stock through stock option grants, the interests of stockholders and executive officers will be closely aligned. Therefore, executive officers are eligible to receive stock options when the Compensation Committee performs

11

its annual salary review; although the Option Committee, at its discretion, may grant options at other times in recognition of exceptional achievements. The number of shares underlying stock options granted to executive officers is based on competitive practices in the industry as determined by independent surveys and the Compensation Committee's knowledge of industry practice.

Chief Executive Officer Compensation

Ashutosh Roy is the eGain's Chief Executive Officer. For the year ended June

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

30, 2001, the Compensation Committee set Mr. Roy's annual salary at \$125,000. The Compensation Committee established Mr. Roy's salary for fiscal 2001 in recognition of his performance in advancing the development and growth of eGain and its achievement of specific corporate objectives, which included the following: the achievement of additional collaborations; the financial performance of eGain; and the compensation of eGain's management relative to industry norms.

eGain's policy is generally to qualify compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code. However, eGain reserves the discretion to pay compensation to its executive officers that may not be deductible.

Mr. Roy is a member of the Board of Directors, but did not participate in matters involving the evaluation of his own performance or the setting of his own compensation.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors (the "Audit Committee") operates under a written charter adopted by the Board of Directors on April 24, 2001. A copy of the Audit Committee Charter is attached as Annex A to this Proxy Statement. The current members of the Audit Committee are Mark A. Wolfson, David G. Brown and Phiroz P. Darukhanavala, each of whom meets the independence standards established by The Nasdaq Stock Market.

The Audit Committee performs the following activities:

- . overseeing eGain's financial reporting process on behalf of the Board of Directors; and
- . providing independent, objective oversight of eGain's accounting functions and internal controls.

The Audit Committee reviewed and discussed the audited financial statements contained in the 2001 Annual Report on Form 10-K with eGain's management and its independent auditors. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally acceptable in the United States.

The Audit Committee met privately with the independent auditors, and discussed issues deemed significant by the auditors, including those required by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. In addition, the Audit Committee discussed with the independent auditors their independence from eGain and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with the Audit Committees).

In reliance on the reviews and discussions outlined above, the Audit

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

Committee recommended to the Board of Directors that the audited financial statements be included in eGain's Annual Report on Form 10-K for the year ended June 30, 2001, for filing with the Securities and Exchange Commission.

RELATED PARTY TRANSACTIONS

Since July 1, 2000, there has not been any transaction or series of transactions to which eGain was or is a party in which the amount involved exceeded or exceeds \$60,000 and in which any director, executive officer, holder of more than 5% of any class of eGain's voting securities or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the transactions described below.

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

Transactions with Management and Others

In August 2000, Mr. Sinha and Oak Hill Venture Fund I, L.P. and its affiliated funds purchased an aggregate of 1.98 and 19.44 shares of eGain's Series A preferred stock, and 48.02 and 470.55 shares of eGain's Series B preferred stock, respectively. The price of each of the Series A preferred stock and Series B preferred stock was \$100,000 per share. Upon approval of eGain's stockholders at the 2000 Annual Meeting, the Series B Preferred Stock was converted to Series A Preferred Stock. In connection with this financing, each investor received a warrant to purchase eGain's common stock. Mr. Sinha and Oak Hill Venture Fund I, L.P. and its affiliated funds received warrants to purchase an aggregate of 216,176 and 2,118,530 shares, respectively, of eGain's common stock at an initial exercise price of \$9.2517 per share. This exercise price is subject to adjustment upon the occurrence of certain dilutive events. On August 8, 2001, the conversion price of the Series A preferred stock and the exercise price of the warrants was reset to \$5.6875 per share. Messrs. Brown and Wolfson have a direct or indirect passive limited partnership interest in Oak Hill Venture Fund I, L.P. and its affiliated funds.

In the past, eGain has granted options to purchase common stock to its directors and executive officers. eGain intends to grant such options to its directors and executive officers in the future. See "Proposal 1--Compensation of Directors" and "EXECUTIVE COMPENSATION--Recent Option Grants."

These affiliates purchased the securities described above at the same price and on the same terms and conditions as the unaffiliated investors in the private financing.

Business Relationships

In connection with eGain's private placement of securities in August 2000, FW Investors V, L.P. and Oak Hill Capital Management, Inc. received transaction fees of \$1,203,125 and \$1,421,875, respectively. Mr. Wolfson is a limited partner of FW Investors V, L.P. and is a Vice President of Oak Hill Capital Management, Inc. Due to the interests of Messrs. Wolfson and Sinha in the transaction, a committee consisting of A. Michael Spence (a former director) and Ashutosh Roy was created to review the merits of the transaction together with Harpreet Grewal, eGain's Chief Financial Officer. In connection with such review, eGain engaged Donaldson, Lufkin & Jenrette as independent advisors to the committee. Mr. Roy and Mr. Spence had indirect passive limited partnership interests in certain entities affiliated with the Oak Hill Entities, but waived rights to any participation, including participation in any profits, derived by the Oak Hill Entities in connection with eGain's private placement. Messrs. Wolfson and Sinha abstained from the director vote which approved the transaction. Mr. Brown, a current director of eGain who was not a director at the time of the private placement, is a limited partner of FW Investors V, L.P.

eGain has entered into indemnification agreements with each of its directors and executive officers. Such agreements require eGain to indemnify such individuals to the fullest extent permitted under Delaware law.

eGain believes the foregoing transactions were in its best interests. It is eGain's current policy that all transactions between eGain and its officers, directors, 5% stockholders and eGain's affiliates will be entered into only if these transactions are approved by a majority of the disinterested directors, are on terms no less favorable to eGain than could be obtained from unaffiliated parties and are reasonably expected to benefit eGain.

However, if notice or prior public disclosure of the date of the annual meeting is given or made to stockholders less than 65 days prior to the meeting date, eGain must receive the stockholder's notice by the close of business on the 15th day after the earlier of the day eGain mailed notice of the annual meeting date or provided such public disclosure of the meeting date.

OTHER MATTERS

eGain knows of no other business that will be presented at the Annual Meeting. If any other business is properly brought before the Annual Meeting, it is intended that proxies in the enclosed form will be voted in accordance with the judgment of the persons voting the proxies.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, eGain's directors, executive officers and any persons holding more than 10% of eGain's common stock are required to report their initial ownership of eGain's common stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and eGain is required to identify in this Proxy Statement those persons who failed to timely file these reports. All of the filing requirements were satisfied for fiscal 2001 except that Mr. Kedlaya reported certain sales of common stock two months late on Form 5.

ANNEX A

eGain Communications Corporation AUDIT COMMITTEE CHARTER

Organization

This charter governs the operations of the audit committee. The committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be appointed by the board of directors and shall comprise at least three directors, each of whom are independent of management and eGain. If an audit committee chair is not designated or present the members of the committee may designate a chair by majority vote of the committee membership. Members of the committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and eGain. All committee members shall be financially literate, and at least one member shall have accounting or related financial management expertise.

Statement of Policy

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to eGain's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of eGain's financial statements, and the legal compliance and ethics programs as established by management and the board. In so doing, it is the responsibility of the committee to maintain free and open

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

communication between the committee, independent auditors, the internal auditors, and management of eGain. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of eGain and the power to retain outside counsel, or other experts, for this purpose.

Responsibilities and Processes

The primary responsibility of the audit committee is to oversee eGain's financial reporting process on behalf of the board and report the results of their activities to the board. Management is responsible for preparing eGain's financial statements, and the independent auditors are responsible for auditing those financial statements. The committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take the appropriate actions to set the overall corporation "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

The following shall be the principal recurring processes of the audit committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the committee may supplement them as appropriate.

- . The committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the audit committee, as representatives of eGain's shareholders. The committee shall have the ultimate authority and responsibility to evaluate and, where appropriate, recommend the replacement of the independent auditors. The committee shall discuss with the auditors their independence from management and eGain and the matters included in the written disclosures required by the Independence Standards Board. Annually, the committee shall review and recommend to the board the selection of eGain's independent auditors, subject to shareholder's approval.
- . The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including eGain's system to

A-1

monitor and manage business risk, and legal and ethical compliance programs. Further, the committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.

- . The committee shall review the internal financial statements with management and the independent auditors prior to the filing of eGain's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for the purposes of this review.
- . The committee shall review with management and the independent auditors the financial statements to be included in eGain's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the

Edgar Filing: EGAIN COMMUNICATIONS CORP - Form DEF 14A

filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.
