PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 9, 2005

This proxy statement together with the form of proxy is being mailed to stockholders on or about April 8, 2005 in connection with the solicitation by the Board of Directors of Tompkins Trustco, Inc. (the "Company") of proxies to be used at the annual meeting of stockholders (the "Meeting") of the Company to be held at the Country Club of Ithaca, Ithaca, New York on Monday, May 9, 2005 at 5:30 p.m., and any adjournment thereof.

Voting

Only stockholders of record at the close of business on March 25, 2005 will be entitled to vote. On March 25, 2005, there were 8,956,468 shares of common stock of the Company, par value \$0.10 per share (the "Common Stock"), outstanding. Each share of Common Stock is entitled to one vote on each matter to be voted on at the Meeting.

Stockholders whose shares are registered in their own names may vote by mailing a completed proxy, via the Internet or by telephone. Instructions for voting via the Internet or by telephone are set forth on the enclosed form of proxy. To vote by mailing a proxy, sign and return the enclosed form of proxy in the enclosed pre-addressed postage-paid envelope. Shares covered by a proxy that is properly executed and received prior to the close of business on the day of the Meeting will be voted and, if the stockholder who executes such proxy shall specify therein how such shares shall be voted on such proposals, the shares will be voted as so specified. Executed proxies with no instructions will be voted "FOR" each proposal for which no instruction is given. Other than (1) the election of directors and (2) certain amendments to the 1996 Stock Retainer Plan for Non-Employee Directors (the "Retainer Plan") the Board is not aware of any other matters to be presented for stockholder action at the Meeting. However, if other matters do properly come before the Meeting or any adjournments thereof, the Board of Directors intends that the persons named in the accompanying proxy will vote the shares represented by all properly executed proxies on any such matters in accordance with the judgment of the person or persons acting under the proxy.

The presence of a stockholder at the Meeting will not automatically revoke a proxy previously delivered by that stockholder. A stockholder may, however, revoke his or her proxy at any time prior to its exercise by: (1) delivering to the Corporate Secretary a written notice of revocation prior to the Meeting, (2) delivering to the Corporate Secretary a duly executed proxy bearing a later date, or (3) attending the Meeting and filing a written notice of revocation

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

with the Corporate Secretary at the Meeting prior to the vote and voting in person.

The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum for the conduct of business at the Meeting and, in the event there are not sufficient votes on any matter, the Meeting may be adjourned.

### Vote Required And Board Recommendations

Proposal -----	Vote Required -----	Board of Directors Recommendation -----
Election of Directors	Plurality of eligible votes cast	"FOR" all director nominees
Amendments to the 1996 Stock Retainer Plan for Non-Employee Directors	Majority of eligible votes cast	"FOR" amendments to the 1996 Retainer Plan for Non-Employee Directors

### Abstentions and Broker Non-votes

Abstentions, in person or by proxy, and broker non-votes will each be counted for purposes of determining the presence of a quorum. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a

1

particular proposal because the nominee does not have discretionary voting power on that matter and has not received instructions from the beneficial owner. However, abstentions and broker non-votes are not deemed to be "votes cast" and therefore have no effect on the outcome of the vote, which requires either a plurality or majority of the votes cast, depending upon the proposal as indicated above. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast and will have no effect on the outcome of the election.

### Solicitation Of Proxies

The total cost of solicitation of proxies in connection with the Meeting will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies for the Meeting personally or by telephone or electronic communication without additional remuneration. The Company will also provide brokers and other record owners holding shares in their names or in the names of nominees, in either case which are beneficially owned by others, proxy material for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so.

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

The Executive/Compensation/Personnel Committee met five times during fiscal 2004. This committee reviews and approves salaries and other matters relating to executive compensation, including determining the compensation of the Company's Chief Executive Officer, and administers the Company's stock option plans, including reviewing and granting stock options to executive officers and other employees. This committee also reviews and approves various other Company compensation policies and matters and is responsible for assuring that the Company's executive officers are compensated effectively and in a manner consistent with the Company's objectives. Each of the members of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards. For more information about the duties and responsibilities of this committee, see "Report of the Executive/Compensation/Personnel Committee of the Board of Directors," included in this proxy statement.

The Board of Directors has adopted a written charter for the Audit/Examining Committee. A copy of the Audit/Examining Committee's charter was included as Appendix A in the Company's fiscal 2003 proxy statement, filed with the Securities and Exchange Commission (the "SEC") on April 6, 2004. The Audit/Examining Committee met six times during fiscal 2004. This committee assists the Board in its general oversight of the Company's accounting and financial reporting, internal controls and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditors. The responsibilities and activities of the Audit/Examining Committee are described in greater detail in the "Report of the Audit/Examining Committee of the Board of Directors" included in this proxy statement. The Board of Directors has determined that John E. Alexander, William W. Griswold and Bonnie H. Howell each qualify as an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K and that each of the members of the Audit/Examining Committee satisfies the independence standards of Section 121A of the AMEX listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the Nominating and Corporate Governance Committee's charter is posted in the "Corporate Governance" section of the Company's Investor Relations website ([www.tompkinstrustco.com](http://www.tompkinstrustco.com)). The Nominating and Corporate Governance Committee met two times during the 2004 fiscal year. This committee is responsible for assisting the Board in developing corporate governance policies and practices that are compliant with applicable laws and regulations, including AMEX listing requirements and the corporate governance requirements of the Sarbanes-Oxley Act of 2002. In addition, this committee is responsible for making recommendations to the Board regarding Board membership and composition. This committee establishes procedures for the nomination process and nominates or recommends to the Board qualified candidates for election to the Board.

The process for selecting director nominees entails making a preliminary assessment of each candidate based upon his or her qualifications, willingness to serve on the Board, and other background information. This information is then evaluated against the criteria set forth below, as well as the specific needs of the Company at that time. Based upon this preliminary assessment, candidates who appear to be the best fit may be interviewed. If the director nominee is a current Board member, the committee will also consider prior Board performance and contributions. At the conclusion of this process, the committee will nominate the candidate(s) that best meet(s) the Company's needs to the Board for election at the next annual meeting of stockholders. The committee uses the same process for evaluating all candidates, whether recommended by stockholders, directors or management.

The minimum qualifications and attributes that the committee believes must be possessed by a director nominee include: highest personal values, judgment and

integrity; an understanding of the regulatory and policy environment in which the Company conducts its business; an understanding of, and interest in, the communities served by the Company; and experience in the key business, financial and management challenges that face financial service companies.

The committee considers nominees proposed by stockholders. To recommend a prospective nominee for the committee's consideration, stockholders should submit the candidate's name and qualifications to: Chairman, Nominating and Corporate Governance Committee, Tompkins Trustco, Inc. Board of Directors, P.O. Box 460, Ithaca, New York 14851. Each member of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards.

The Pension Administration Committee met two times during fiscal 2004. This committee is responsible for administering the Tompkins Trustco, Inc. Retirement Plan assets.

### Director Compensation

It is the general policy of the Board that compensation of non-employee directors should consist of equity-based compensation in order to better align directors' interests with those of the Company's stockholders. It is also the general policy of the Board that employee directors are not paid for their service on the Company's Board of Directors in addition to their regular employee compensation.

### Fees Paid to Non-Employee Directors

During fiscal 2004, the following fees were paid to non-employee directors of the Company for their service in such capacity (other than Bonnie Howell, whose compensation is separately described below):

- o A meeting fee of \$650 for the January Board meeting and \$1,000 for each Board meeting attended thereafter.
- o A meeting fee of \$275 for each committee meeting attended (except Audit/Examining Committee). Members of the Audit/Examining Committee received a meeting fee of \$275 for the first quarter and \$600 for each Audit/Examining Committee meeting attended thereafter.
- o An annual Chair fee of \$2,500 was paid to William W. Griswold for his service as Chair of the Audit/Examining Committee.
- o Excluding the first quarter, a \$1,750 quarterly retainer fee for service as a director.

In lieu of the foregoing, Ms. Howell was paid an aggregate retainer fee of \$16,300 for her service as Vice Chair of the Board of Directors.

### Aggregate Fees Paid to Non-Employee Directors by the Company

Aggregate fees paid by the Company, including retainer, meeting, chair and/or committee fees, to all non-employee directors in fiscal 2004 were \$121,350.

### Timing and Manner of Payment

All retainer and meeting fees, including those paid to Ms. Howell, are paid

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

quarterly by the Company. Mr. Griswold's fee for his service as Chair of the Audit/Examining Committee during fiscal 2004 was paid at the end of the fiscal year. Pursuant to the Retainer Plan, as in effect during fiscal 2004, all retainer, meeting and committee fees, other than Ms. Howell's retainer, were paid in shares of Company Common Stock, in lieu of cash. An aggregate of 2,168 shares of Company Common Stock was paid to non-employee directors, excluding Ms. Howell, in consideration of their service as members of the Company's Board of Directors or committees thereof. Only a portion of the retainer paid to Ms. Howell for fiscal 2004 was paid in shares of Company Common Stock (62 shares of Common Stock); the remainder of Ms. Howell's retainer was paid in cash. All non-employee directors of the Company have elected to defer receipt of payment of all, or a portion, of retainer, meeting, committee and/or Chair fees earned by them pursuant to deferred compensation agreements entered into between each director and the Company. Directors have no rights to these shares of Common Stock until the earlier of their retirement/termination from the Board, the attainment of age 72 (the Company's Bylaws provide for mandatory retirement at age 72) or death.

10

### Changes to Director Compensation for Fiscal 2005

Effective as of January 1, 2005, non-employee directors will receive a quarterly retainer fee of \$1,750 for each fiscal quarter, including the first fiscal quarter, and \$1,000 for each Board meeting attended. The Vice Chair will be paid an annual retainer of \$18,000, in lieu of all meeting, Chair and committee fees. There is no change from fiscal 2004 in committee fees payable to non-employee directors or in the amount of fees paid to the Chair of the Audit/Examining Committee. Mr. Hardie will be paid a quarterly retainer of \$1,750 for each fiscal quarter and will receive \$1,000 for each Board meeting attended.

### Subsidiary Board Service

John E. Alexander, Reeder D. Gates, William W. Griswold, Bonnie H. Howell, Hunter R. Rawlings, III and Thomas R. Salm also served as directors of Tompkins Trust Company during fiscal 2004. Other than Bonnie Howell, Tompkins Trust Company paid the foregoing directors, in consideration of their service as members of Tompkins Trust Company's board of directors, a \$750 retainer fee for the first quarter of fiscal 2004, a \$500 meeting fee for each board meeting attended during the first quarter of fiscal 2004 and a \$600 meeting fee for each board meeting attended during the second, third and fourth quarters of fiscal 2004. Ms. Howell was paid an aggregate retainer of \$10,200 for her service as Vice Chair of the Board of Directors of Tompkins Trust Company during fiscal 2004. The \$750 retainer fee paid by Tompkins Trust Company to each of Messrs. Alexander, Gates, Griswold, Rawlings and Salm was paid in shares of Company Common Stock (an aggregate of 80 shares, or 16 shares each), in lieu of cash, pursuant to the Retainer Plan. Such directors have elected to defer receipt of payment of the retainer as described above under "Timing and Manner of Payment". The retainer fee paid by Tompkins Trust Company to Ms. Howell was paid in cash. In fiscal 2005, the foregoing directors, other than Bonnie Howell, will be paid an annual retainer of \$6,000 for their service on the Tompkins Trust Company board of directors, in addition to the \$600 meeting attendance fee. The Vice Chair of the Board of Directors of Tompkins Trust Company will be paid an annual retainer of \$11,000.

Spain also served as directors of Mahopac National Bank during fiscal 2004 and were each paid an annual retainer fee of \$17,000 by Mahopac National Bank in consideration of their service as members of Mahopac National Bank's board of directors. There has been no change in these fees for fiscal 2005. All retainer and meeting fees paid to such directors by Mahopac National Bank were paid in cash.

### Corporate Governance Matters

#### Stockholder Communications with Directors

Stockholders may communicate with the Company's Board of Directors by writing to the following address: Board of Directors, Tompkins Trustco, Inc., P.O. Box 460, Ithaca, New York 14851. Both the Chairman and Vice Chair of the Company will review all correspondence and will determine whether the correspondence should be presented to the full Board. If either of them determines that a communication should be reviewed by the full Board of Directors, it will be presented to the Board for its review and consideration.

#### Policy Regarding Directors Attendance at Annual Meetings

The Company does not have a formal policy in place requiring the attendance of all directors at annual meetings of stockholders, although the Board strongly encourages such attendance.

#### Directors and Executive Officers - Code of Ethics

The Board of Directors has adopted the Tompkins Trustco Inc. Code of Ethics for Chief Executive Officer and Senior Financial Officers which applies to the Company's Chief Executive Officer and Chief Financial Officer. A copy of the Code of Ethics is available in the "Corporate Governance" section of the Company's Investor Relations website ([www.tompkinstrustco.com](http://www.tompkinstrustco.com)). ### PROPOSAL NO. 2

#### APPROVAL OF AMENDMENTS TO THE 1996 STOCK RETAINER PLAN FOR NON-EMPLOYEE DIRECTORS

The Board of Directors has proposed certain amendments to the Company's 1996 Stock Retainer Plan for Non-Employee Directors (the "Retainer Plan"). The proposed amendments would, among other things, change the name of the Retainer Plan to better reflect the purpose and intent of the Retainer Plan, provide for the mandatory (rather than voluntary) deferral of director fees, and provide that all shares of Company Common Stock used to pay director fees be acquired on the open market, rather than originally issued by the Company. A copy of the Retainer Plan as proposed to be amended and restated (the "Amended Retainer

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Plan") is included as Appendix A to this proxy statement.

### Summary of Changes Included in the Amended Retainer Plan

**Name Change.** The name of the Retainer Plan would be changed to the "Stock Retainer Plan for Eligible Directors of Tompkins Trustco, Inc. and Participating Subsidiaries."

**Open Market Purchases.** The Amended Retainer Plan provides that all retainer, meeting, chairman and/or committee fees (collectively, "Board/Committee Fees") payable to Eligible Directors (as that term is defined in the Amended Retainer Plan) for their respective services as either (i) a member of the Board of Directors of the Company or any committee thereof or (ii) a member of the board of directors of any Participating Subsidiary (as that term is defined in the Amended Retainer Plan) or any committee thereof, shall be paid in shares of Common Stock of the Company acquired on the open market. The Retainer Plan provides for the payment of Board/Committee Fees through original issue shares of Company Common Stock.

**Mandatory Deferral of All Board/Committee Fees.** Under the Amended Retainer Plan, the receipt of payment by Eligible Directors of all Board/Committee Fees would be automatically deferred and Eligible Directors would have no right to distribution of the shares of Common Stock held in their deferred compensation accounts until the earlier of their termination of service as a director of the Company or of the Participating Subsidiary, the attainment of age 72 or death (each of the foregoing, a "Distribution Triggering Event"). Currently, directors have the option of receiving their Board/Committee Fees when paid or deferring receipt of such payment pursuant to deferred compensation agreements.

**Rabbi Trust, Eligible Director Deferred Compensation Accounts.** Under the terms of the Amended Retainer Plan, all Board/Committee Fees earned by an Eligible Director will be transferred to a trustee subject to a rabbi trust agreement (the "Trust") among the Company, Participating Subsidiaries (as applicable), and a trustee appointed by the Board committee administering the Amended Retainer Plan (the "Committee"). Pursuant to the Trust, the trustee will establish deferred compensation accounts for each Eligible Director, and as an Eligible Director earns Board/Committee Fees, the Company (or the Participating Subsidiary, as applicable) will contribute such Board/Committee Fees to the trustee and the trustee will, subject to the terms of the Trust, acquire shares of the Company's Common Stock for such Eligible Director's account on the open market through the Company's Dividend Reinvestment and Stock Purchase and Sale Plan or such other substitute or successor open market purchase plan designated by the Committee ("Direct Stock Purchase Plan"). The actual number of shares of Company Common Stock that may be acquired by the Trust and deposited into an Eligible Director's account will be equal to the quotient determined by dividing the Board/Committee Fees contributed by the Company (or the Participating Subsidiary, as the case may be) to such Eligible Director's account by the purchase price per share of Common Stock paid pursuant to the terms of the Direct Stock Purchase Plan. The actual price per share of Common Stock that will be paid under the Direct Stock Purchase Plan cannot be determined until a particular purchase is completed. Eligible Directors will have no rights to the shares of Common Stock held in the Trust until the occurrence of a Distribution Triggering Event and, until distributed, such shares will be subject to claims of the Company's general creditors or the general creditors of the Participating Subsidiary (as applicable).

### New Plan Benefits

If the Amended Retainer Plan is approved, all Board/Committee Fees payable to Eligible Directors will be deferred and paid in shares of Company Common Stock acquired through open market purchases pursuant to the Direct Stock Purchase

Plan, which is currently identified as the Company's Dividend Reinvestment and Direct Stock Purchase and Sale Plan (the "DRIP"). While the specific amounts of Board/Committee Fees payable to Eligible Directors are determinable at this time (and are described above under "Matters Relating to the Board of Directors - Director Compensation"), the actual number of shares of Common Stock acquired by the Trust and deposited into the participating Eligible Directors' deferred compensation accounts will depend upon the timing of such purchases and the purchase price per share of Company Common Stock at the time each such purchase is made (which purchase price, in accordance with the terms of the DRIP, is the weighted average price on all shares purchased and sold). For that reason, it is not possible at this time to determine the number of shares of Company Common Stock that will be received by Eligible Directors under Amended Retainer Plan, or the number of shares that would have been received by such persons had the Amended Retainer Plan been in effect during fiscal 2004.

#### Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the votes cast by the holders of shares of Common Stock entitled to vote on such matter is required for the adoption of the Amended Retainer Plan.

The Board of Directors believes that approval of the Amended Retainer Plan is in the best interests of the Company and its stockholders, and recommends a vote "FOR" this proposal.

### EXECUTIVE COMPENSATION

#### Report of the Executive/Compensation/Personnel Committee of the Board of Directors

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that such information be treated as "soliciting material" or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act.

#### Overview of Executive Compensation Goals and Objectives

The Executive/Compensation/Personnel Committee (the "Compensation Committee") is responsible for determining and/or recommending to the full Board the compensation of the Company's executive officers, including the executive officers identified in the Summary Compensation Table. A goal of the Compensation Committee is to maintain executive compensation that is fair and reasonable, consistent with the Company's size and the compensation practices of the financial services industry generally. A key objective of the Compensation Committee is to attract, develop and retain high caliber executives who are capable of maximizing the Company's performance for the benefit of its stockholders. In furtherance of this objective, the Compensation Committee periodically compares its compensation levels, practices and financial

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

performance to those of a select group of banking institutions of similar size, geographic market and business makeup. Toward that end, the Compensation Committee considered the compensation practices of approximately 10 banking companies which it believed were reasonably comparable to the Company's asset size and performance and which were located in New York State. The pertinent information pertaining to the companies forming the comparative group considered by the Compensation Committee was gathered from information available to the public and from a survey developed by the Independent Bankers Association of New York (IBANYS) which survey provided information about the compensation practices of community banking institutions in New York State.

Based upon the information reviewed by the Compensation Committee, the Compensation Committee believes the Company's executive compensation practices for fiscal 2004 were appropriate.

### Components of Executive Compensation

The three major components of the Company's executive officer compensation are: (i) base salary, (ii) annual bonus and (iii) long-term, equity-based incentive awards.

**Base salary.** The Compensation Committee annually reviews the salaries of the Company's executives. When setting base salary levels, the Compensation Committee considers (a) competitive market conditions for executive compensation, (b) the Company's performance and (c) the individual's performance. The Company's performance is measured by the Company's strategic and financial performance in the fiscal year, with particular emphasis on earnings per share growth and return on stockholders' equity for the year. Although the Compensation Committee considers year-to-year changes in stock price in its evaluation of Company performance, the Committee does not emphasize this criterion because the Committee does not believe that short-term fluctuations in stock price necessarily reflect the underlying strength or future prospects of the Company. Individual performance is measured by the strategic and financial performance of the particular executive officer's operational responsibility in comparison to targeted performance criteria.

**Annual bonus.** The Company's payment of annual cash bonuses seeks to motivate executives to work effectively to achieve the Company's financial performance objectives and to reward them when objectives are met.

**Long-term, equity-based awards.** The Compensation Committee believes that stock option grants (1) align executive's interests with stockholder interests by creating a direct link between compensation and stockholder return, (2) give executives a significant, long-term interest in the Company's success and (3) help retain key executives in a competitive market for executive talent. While the Compensation Committee recognizes that the Company can exert very little influence on short-term fluctuations in stock price, the Compensation Committee does believe that long-term stock price appreciation reflects achievement of strategic goals and objectives. Stock option awards are based on the performance

of the individual executive and his or her anticipated contribution to the achievement of the Company's strategic goals and objectives. In addition to stock options, executives may receive Common Stock through the profit sharing component of the Tompkins Trustco Inc. Employee Stock Ownership Plan.

Executive Compensation for Fiscal 2004

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

In determining the compensation for the Company's executive officers for fiscal 2004, including the compensation of the Company's Chief Executive Officer, the Compensation Committee considered, but did not formally weigh, a number of quantitative and qualitative performance factors to evaluate the performance of its executive officers, including its Chief Executive Officer.

The performance factors considered included (1) the Company's net income for fiscal 2004 as compared to the Company's internal targets; (2) increases in earnings per share of the Company's Common Stock for the latest 12 months; (3) the Company's return on assets, as ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group Percentile); (4) increases in the Company's stock price over 12 months; and (5) the Company's return on equity, as ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group percentile). The Compensation Committee believes that the total compensation provided to the Company's executive officers is competitive and reflects the Company's performance.

This report was prepared by the Executive/Compensation/Personnel Committee of the Board of Directors.

### Employment Contracts, Termination of Employment and Change-in-Control Arrangements

The Company has a severance agreement dated September 6, 1989 with James J. Byrnes, Chairman and Chief Executive Officer, which provides for severance payments in the event Mr. Byrnes's employment is terminated within two years after a "change of control" (as that term is defined in the agreement) or Mr. Byrnes's employment is terminated during a period in which events take place which seek to effect a change of control. In such circumstance, Mr. Byrnes will be entitled to a lump sum cash payment equal to approximately three times his annualized tax-includable compensation (including bonus compensation) for the five most recent taxable years ending before the date of the change of control, the immediate vesting of any awards made to Mr. Byrnes as bonus or incentive compensation and not previously paid, the termination of Mr. Byrnes's participation in any savings and/or profit sharing plan, with terminating distributions and/or vested rights under such plans to be governed by the terms of such plans and entitlement to retirement benefits.

In connection with the merger of Letchworth Independent Bancshares Corporation ("LIBC") with and into the Company, the Company assumed all of LIBC's obligations under its employment agreement dated September 12, 1989 with James W. Fulmer. During fiscal 2004, Mr. Fulmer served as the President of the Company, and as the Chief Executive Officer, President and Chairman of the Board of Directors of The Bank of Castile. Pursuant to the terms of his employment agreement, as amended, each year the term of Mr. Fulmer's employment agreement is automatically extended for an additional year so that the term of the employment agreement is always three years. In the event that the Company terminates Mr. Fulmer's employment without "cause," as that term is defined in his employment agreement, the Company is required to pay Mr. Fulmer, as severance pay, his annual compensation plus all fringe benefits for a period of three years from the date of such termination.

Stephen E. Garner has an employment agreement with the Company. Each year, the term of Mr. Garner's employment agreement is automatically extended for an additional year so that the term of the employment agreement is always three years. In the event that the Company terminates Mr. Garner's employment without "cause," as that term is defined in his employment agreement, the Company is required to pay Mr. Garner, as severance pay, his annual compensation for a period of 18 months from the date of such termination. In addition, in the event that the Company terminates Mr. Garner's employment without "cause" as a result of a "significant event," as that term is defined in his employment agreement, the Company is required to pay Mr. Garner, as severance pay, his annual compensation for the remainder of the then current three-year term of his employment agreement.

Stephen S. Romaine has an employment agreement with Mahopac National Bank. Each year, the term of Mr. Romaine's employment agreement is automatically extended for an additional year so that the term of the employment agreement is always two years. In the event that the Mahopac National Bank terminates Mr. Romaine's employment without "cause," as that term is defined in his employment agreement, the Mahopac National Bank is required to pay Mr. Romaine, as severance pay, his annual compensation for a period of 12 months from the date of such termination. In addition, in the event that the Mahopac National Bank terminates Mr. Romaine's employment agreement without "cause" as a result of a "significant event," as that term is defined in his employment agreement, the Mahopac National Bank is required to pay Mr. Romaine, as severance pay, his annual compensation for the remainder of the then current two-year term of his employment agreement.

respect to which the Company has entered into life insurance contracts. These insurance contracts are carried at cash surrender value on the Company's consolidated statements of condition. Increases in the cash surrender value of the insurance are reflected as noninterest income, and the related mortality expense is recognized as other employee benefits expense, in the Company's consolidated statements of income. Taxable amounts paid with respect to such life insurance on behalf of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table, above.

17

### Stock Option Plan

The Company maintains the Tompkins Trustco, Inc. 2001 Stock Option Plan as a vehicle to encourage the continued employment of key employees of the Company and its subsidiaries, and to align their interests with those of the Company's stockholders by facilitating their purchase of a stock interest in Tompkins Trustco. Management believes that an incentive stock option plan is in the best interests of the Company and its stockholders since it will enhance the Company's ability to continue to attract and retain qualified directors, officers and other key employees.

### Option Grants in Fiscal 2004

During fiscal 2004, the Company issued options to acquire 218,900 shares of its Common Stock at a purchase price of \$43.27 per share. The following table sets forth certain information concerning stock options granted during the fiscal year ended December 31, 2004, to the Named Executive Officers. In accordance with SEC rules, the following table also sets forth the potential realizable value over the term of the options (the period from the grant date to the expiration date) based on assumed rates of stock appreciation of 5% and 10% compounded annually. The amounts do not represent the Company's estimate of future stock prices. Actual realizable values, if any, of stock options will depend on the future performance of the Common Stock. The Company has never granted stock appreciation rights.

### Options Exercised and Value for Fiscal 2004

The following table sets forth information concerning the exercise of options by each Named Executive Officer during fiscal 2004 and the potential value of unexercised "in-the-money" options held by them as of the end of the fiscal year. Options are "in-the-money" if the fair market value of the underlying shares of Common Stock exceeds the exercise price of the option. The value of exercised options represents the difference between the fair market value of the shares of Common Stock on the date of exercise less the aggregate exercise price established on the grant date. The value of unexercised "in-the-money" options is based on the average price of the Company's Common Stock on December 31, 2004, the last trading day of fiscal 2004, of \$48.63(1) per share, minus the exercise price, multiplied by the number of shares of Common Stock issuable upon exercise of the option. These values have not been, and may never be, realized.

Deferred Profit-Sharing Plan

The Company has an Investment and Stock Ownership Plan (the "ISOP") that covers substantially all of the employees of the Company and its subsidiaries. The ISOP is a profit-sharing plan with a salary deferral arrangement meeting the requirements of Section 401(k) of the Internal Revenue Code of 1986, as amended.

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Pursuant to the ISOP, an employee may defer a portion of the employee's base pay, within limits specified in the ISOP. The ISOP further provides that the Company will match 100% of an employee's contribution up to 3% of the employee's base pay, and will match 50% of an employee's additional contribution to the ISOP that is greater than 3%, but not more than 5%, of the employee's base pay. In addition, the ISOP has an employer-funded profit sharing component. Profit sharing contributions are discretionary contributions determined by the Board of Directors and are limited to a maximum amount as stipulated in the ISOP. The ISOP allows employees to elect to defer a portion of their profit sharing component (which deferral is not eligible for matching by the Company), or to receive cash. Amounts contributed by the Company for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table.

The Company also has the Tompkins Trustco, Inc. Employee Stock Ownership Plan (the "ESOP") which covers substantially all employees of the Company. The purpose of the ESOP is to permit the Company to make discretionary profit sharing contributions to employees in the form of shares of Common Stock in order to facilitate stock ownership by employees. Contributions are determined by the Board of Directors and are limited to a maximum amount as stipulated in the ESOP. Amounts accrued for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table.

### Retirement Plan

The Company has a non-contributory pension equity plan, the Tompkins Trustco, Inc. Retirement Plan (the "Retirement Plan"), which covers substantially all employees of the Company. The assets of the Retirement Plan are held in a separate trust and administered by the Pension Administration Committee of the Board of Directors.

(1) A "grandfathering" multiplier based on age and service as of January 1, 2001 will increase the benefits of certain Tompkins Trust Company employees covered under the previous Tompkins County Trust Company Retirement Plan, including Mr. Byrnes and Mr. Fetsko.

The Retirement Plan provides a retirement benefit based on "Points" defined in the Retirement Plan as a combination of age plus years of service, multiplied by "Average Final Earnings," as that term is defined in the Plan. The benefits are not subject to a reduction for federal social security benefits.

Generally, compensation used for determination of benefits under the Retirement Plan includes wages and all other payments of compensation from the Company, as reported in all columns of the Summary Compensation Table above. Taxable

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

compensation from stock options is excluded for all participants. For highly compensated employees, which includes all of the Named Executive Officers, incentive bonus compensation and taxable fringe amounts are excluded. The annual compensation used for benefit computations of each employee under the plan shall not exceed the IRC section 401(a)(17) annual compensation limit. Considering these limits, the five (5) year average annual compensation for plan years 2000-2004 is \$189,000. As of December 31, 2004, Mr. Byrnes had 16 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$189,000; Mr. Garner had 4 years of

credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$189,000; Mr. Fulmer had 16 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$189,000; Mr. Romaine had 4 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$151,376; and Mr. Fetsko had 8 years of credited service under the Retirement Plan and his average annual compensation for purposes of the Retirement Plan was \$131,285. Certain of the Company's employees, including Messrs. Byrnes and Fetsko, are covered by the Retirement Plan's "grandfathering" provisions, as a result of which their accrued benefit is increased by 100% and 60% respectively.

Under the plan normal retirement age is 65 with reduced benefit payments for early retirement following age 55 to age 65.

### Supplemental Employee Retirement Plans

Tompkins Trust Company has a Supplemental Executive Retirement Agreement (a "SERP") covering James J. Byrnes. The SERP provides for a retirement benefit to Mr. Byrnes at age 65 equal to 50% of average earnings (as defined in the SERP) over the highest five preceding consecutive years. Benefits under the SERP are reduced by payments due under the Retirement Plan and federal social security benefits. Reduced benefits are payable in the event of retirement prior to age 65. The projected annual benefit to Mr. Byrnes at age 65 is \$283,000, inclusive of payments from the Tompkins Trustco Retirement Plan, SERP and Social Security.

Stephen E. Garner, Stephen S. Romaine and certain officers of Mahopac National Bank have SERP agreements with the Company that provide for a retirement benefit at age 65 equal to 75% of final salary as defined in the SERP. Benefits under the SERPs are reduced by payments due under the Retirement Plan and federal social security benefits. Reduced benefits are payable in the event of retirement prior to age 65. The projected annual benefit to Mr. Garner at age 65 is \$198,000, and the projected benefit to Mr. Romaine at age 65 is \$120,000, inclusive of payments from the Tompkins Trustco Retirement Plan, SERP and Social Security.

The Bank of Castile has entered into certain executive supplemental income agreements that provide for specified deferred compensation benefits payable to certain highly compensated officers, including James W. Fulmer. Under these agreements, retirement benefits of up to 75% of the average salary during the participant's final five years of employment are due and payable to the participant. Retirement benefits under these agreements are reduced by payments due under the Retirement Plan and federal social security benefits. The projected benefit to Mr. Fulmer at age 65 is \$178,000, inclusive of payments from the Tompkins Trustco Retirement Plan, supplemental income agreements and Social Security.

### Deferred Compensation Plan for Selected Officers

The Company maintains a nonqualified deferred compensation plan for a select group of employees. This plan allows participating employees to defer receipt of all or a portion of bonuses and profit sharing payments otherwise payable to them until a future date. The Investment Committee, which is a subcommittee of the Executive/Compensation/Personnel Committee, directs the investment of these monies. Amounts deferred under the deferred compensation plan on the part of the Named Executive Officers are included as "Bonus" in the Summary Compensation Table.

### Post-Retirement Life Insurance and Medical Insurance

The Company offers post-retirement life insurance coverage to employees who have worked for the Company for 10 or more years and who retire at or after age 55. All of the Named Executive Officers are entitled to receive life insurance coverage under this policy. Additionally, Tompkins Trust Company offers post-retirement medical coverage to certain employees who have worked for Tompkins Trust Company for 10 years and who retire at or after age 55. The information contained in the Stock Performance Graph section of this proxy statement shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that such information be treated as "soliciting materials" or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The following graph sets forth comparative information regarding the Company's cumulative return on its Common Stock over the five-year period ended December 31, 2004. Total stockholder return is measured by dividing cumulative dividends (assuming dividend reinvestment) plus the change in share price during the measurement period by the share price at the beginning of the measurement period. The Company's cumulative stockholder return for the five-year period based upon an initial investment of \$100 is compared to the cumulative return of the NASDAQ Stock Market (U.S. Companies) and the SNL Securities L.P. Bank Index, assuming the reinvestment of dividends. The stock prices on the performance graph are not necessarily indicative of future stock price performance.

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The Audit/Examining Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Audit/Examining Committee is composed of three non-employee directors, all of whom are "independent directors" under Section 121(A) of the AMEX listing standards and Rule 10A-3 under the Exchange Act.

The Audit/Examining Committee operates under a written charter approved by the Board of Directors, a copy of which was included as Appendix A to the Company's fiscal 2003 proxy statement, filed with the SEC on April 6, 2004. The Audit/Examining Committee's primary duties and responsibilities are: to oversee the Company's accounting and financial reporting process and the audit of the Company's financial statements and to monitor the integrity of the Company's financial statements; to monitor the independence and qualifications of the Company's independent auditor; monitor the performance of the Company's independent auditor and internal auditing department; provide an avenue of communication among the Company's independent auditor, management, the internal auditing department, and the Board of Directors; and to monitor compliance by the Company with legal and regulatory requirements. The Audit/Examining Committee is also directly responsible for the appointment and compensation of the Company's independent auditor.

The Audit/Examining Committee met six times during fiscal 2004 and reports to the Board of Directors on a quarterly basis. The Audit/Examining Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit/Examining Committee's meetings include, whenever appropriate, executive sessions with the Company's independent auditors and with the Company's internal auditors, in each case without the presence of the Company's management.

The Audit/Examining Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities. It has direct access to the independent auditors and to any employee or officer of the Company it deems necessary. The Audit/Examining Committee has the ability to retain, at the Company's expense and at compensation it deems appropriate, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants, KPMG LLP ("KPMG"), are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon.

In connection with its responsibilities, the Audit/Examining Committee met with management and with KPMG to review and discuss the Company's audited consolidated financial statements for the fiscal year ended December 31, 2004. The Audit/Examining Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), received written disclosures and a letter from KPMG required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees), and has discussed with KPMG its independence.

Based upon the Audit/Examining Committee's discussions with management, the

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Company's internal auditor, and KPMG and the Audit/Examining Committee's review of the information described in the preceding paragraph, the Audit/Examining Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2004, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

More specifically, these include fees billed in fiscal 2004 for audit of internal controls over financial reporting in accordance with the Public Company Accounting Oversight Board, including FDICIA reporting, and in fiscal 2003 for the Federal Home Loan Bank collateral maintenance audit at Tompkins Trust Company and fees billed for audit of Tompkins Trust Company's split dollar life insurance policy.

All non-audit services were reviewed with the Audit/Examining Committee, which concluded that the provision of such services by KPMG was compatible with the maintenance of that firm's independence and the conduct of its auditing functions.

### Audit/Examining Committee Pre-Approval Policy

The Audit/Examining Committee pre-approves all audit services and permitted non-audit services (including the fees and terms of such services), other than non-audit services falling within the de minimis exception described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit/Examining Committee prior to the completion of the audit, to be provided to the Company by its independent auditor. The Audit/Examining Committee may delegate to one or more designated members of the Audit/Examining Committee the authority to grant pre-approvals of audit services and permitted non-audit services, provided that decisions of such designated member(s) to pre-approve one or more such services shall be reported to the full Audit/Examining Committee at its next scheduled meeting.

(f) "Subsidiary" means any joint venture, corporation, partnership or other entity as to which the Company, whether directly or indirectly, has more than 50% of the (i) voting rights or (ii) right to capital or profits, and "Subsidiaries" shall mean, collectively, all such entities.

A-1

(g) "Valuation Date" means the last Business Day before the beginning of the Company's immediately succeeding fiscal year, as applicable.

(h) "Value" means, with respect to a share of Stock, (i) the average of the high and low sales prices on the Valuation Date as reported by the American Stock Exchange or by such other national securities exchange or the

NASDAQ National Market System on which the Stock is listed or admitted to trading or if no such sale takes place on such day, the average of the high bid and low asked prices on such day; (ii) if the Stock is not listed or admitted to trading on any national securities exchange or the NASDAQ National Market System, the average of the high and low sale price on such day or, if no sale takes place on such day, the average of the high bid and low asked prices on such day, as reported by a reliable quotation source designated by the Committee, or if there shall be no bid and asked prices on such day, the average of the high bid and low asked prices, as so reported, on the most recent day (not more than 5 days prior to the date in question) for which prices have been so reported; or (iii) if none of the conditions set forth in clauses (i) or (ii) is met then, the Value shall be determined by the Committee, acting in good faith.

4. Administration. This Plan shall be administered by a committee of the Board of Directors of the Company (the "Committee") designated by the Board of Directors for that purpose. However, unless and until a Committee is appointed, this Plan shall be administered by the Company's entire Board of Directors, and references in this Plan to the "Committee" shall be deemed references to the Board of Directors of the Company. The Committee has the authority to control and manage the operation and administration of this Plan, including (a) to adopt, amend and rescind rules and regulations for the administration of this Plan and (b) to interpret this Plan and to decide any questions and settle all controversies and disputes that may arise in connection with this Plan. Such determinations of the Committee shall be conclusive and shall bind all parties. Transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including, but not limited to, any applicable six month holding periods relating to Stock purchased or otherwise acquired under this Plan. To the extent any provision of this Plan or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee.

5. Terms and Conditions; Shares Subject to this Plan.  
-----

(a) Deferred Shares of Stock. All Board/Committee Fees earned by an Eligible Director will be transferred to a trustee subject to a rabbi trust agreement among the Company, to the extent applicable, Participating Subsidiaries, and a trustee designated by the Committee (the "Trust"). Pursuant to the Trust, the trustee will establish deferred compensation accounts for each Eligible Director and, as an Eligible Director earns Board/Committee Fees, the Company (or the Participating Subsidiary, as the case may be) will contribute such Board/Committee Fees to the trustee and the trustee will, subject to the terms of the Trust, acquire shares of Stock for such Eligible Director's account on the open market pursuant to the Direct Stock Purchase Plan. The actual number of shares of Stock acquired by the Trust and deposited into an Eligible Director's account will be equal to the quotient determined by dividing the Board/Committee Fees contributed by the Company (or the Participating Subsidiary, as the case may be) to such Eligible Director's account by the purchase price per share of Stock paid pursuant to the terms of the Direct Stock Purchase Plan. The actual price per share of Stock that will be paid under the Direct Stock Purchase Plan cannot be determined until a particular purchase is completed.

(b) Amount of Board/Committee Fees. Board/ Committee Fees are payable periodically at such time and in such amounts as the Board of Directors of the Company (or of the Participating Subsidiary, as the case may be) may determine from time to time by resolution.

(c) Rights as Stockholder; Assignment. Eligible Directors shall have no rights of a stockholder with regard to shares of Stock held in the

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Trust, and shall be subject to and governed by the terms of the Trust and this Plan. No right to receive payments under this Plan is transferable or assignable by an Eligible Director except by will or by the laws of descent and distribution or as may otherwise be provided for in the Trust or this Plan.

A-2

(d) Rights to Shares of Stock. An Eligible Director's right to payment of deferred compensation under this Plan is a contractual obligation of the Company (or of the Participating Subsidiary, as the case may be) to the Eligible Director, and his or her right to such shares of Stock shall be an unsecured claim against the general assets of the Company. However, the Company has established the Trust as an irrevocable rabbi trust for Eligible Directors for the purpose of holding assets used to provide the benefits required by this Plan. The Company (or the Participating Subsidiary, as the case may be) shall make periodic contributions to the Trust as may be required to fund amounts payable under this Plan. The Trust provides an Eligible Director with assurance that deferred compensation will be paid to him or her in accordance with this Plan, except in the event of the Company's bankruptcy or insolvency.

(e) Payment of Deferred Compensation.

(i) An Eligible Director will have the right to the payment of his or her deferred compensation upon the first to occur of the following events (each of the following a "Distribution Triggering Event"):

- o the Eligible Director's termination of service as a director of the Company or of the Participating Subsidiary;
- o the Eligible Director's attainment of the age of seventy-two (72) years; or
- o the Eligible Director's death.

(ii) Upon the occurrence of a Distribution Triggering Event, payment of an Eligible Director's deferred compensation will commence as soon as practicable following the first Business Day of January of the calendar year (the "Distribution Commencement Date") immediately following the occurrence of the Distribution Triggering Event, and will continue to be paid annually each year thereafter as soon as practicable following the first Business Day of each such subsequent calendar year (each a "subsequent Distribution Date") until the earlier of: (y) the tenth (10th) calendar year following the occurrence of the Distribution Triggering Event or (z) the Eligible Director's receipt of all of the deferred payments to which he or she is entitled (the "Termination Date").

(iii) Annual installments of deferred compensation will be made over a period of not more than 10 years, and shall be made through the transfer of the shares of Stock held in the Eligible Director's deferred compensation account established and maintained pursuant to the Trust. The number of shares of Stock distributed annually to an Eligible Director will be calculated in the following manner: the aggregate Value of the shares of Stock in the Eligible Director's deferred compensation account as of the Valuation Date immediately preceding the Distribution Commencement Date will be multiplied by a fraction, the numerator of which is 1, and the denominator of which is the number of remaining annual distribution installments of Stock, provided, however, that each annual Stock distribution installment must be of at least that number of shares of Stock having an aggregate Value (as of the

## Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

corresponding Valuation Date) of \$10,000 and, in the event the aggregate Value of the shares of Stock held in the Eligible Director's account as of any Valuation Date is less than \$10,000, then the Eligible Director shall be distributed all of the shares of Stock in the Eligible Director's account. The Value of the shares of Stock held in an Eligible Director's deferred compensation account to be distributed annually on subsequent Distribution Dates will be determined annually on each corresponding Valuation Date until the Termination Date. By way of example, if an Eligible Director's service as a director is terminated effective April 1, 2006, the Distribution Commencement Date will be on or about January 2, 2007 and the corresponding Valuation Date shall be December 29, 2006. Accordingly, if as of December 29, 2006 the Value of a share of Stock is \$50 and the Eligible Director has an aggregate of 1350 shares of Stock in his deferred compensation account, the aggregate Value of the shares of Stock held in the Eligible Director's account is \$67,500 (1350 x \$50), the number of shares of Stock to be transferred to the Eligible Director from

A-3

his or her deferred compensation account on or about January 2, 2007 shall be that number of shares of Stock equal to the greater of : 1/10th of \$67,500 (the aggregate Value of the Stock on December 29, 2006) or \$10,000 in Value (as of December 29, 2006). In this example, on or about January 2, 2007, the Eligible Director would be distributed 200 shares, which equal \$10,000 in Value (1/10th of \$67,500, is less than \$10,000); the balance of the shares of Stock held in the Eligible Director's account will be valued again on December 31, 2007 and that number of shares of Stock equal to 1/9th of the aggregate Value of the balance shares of Stock as of December 31, 2007, but not less than that number of shares of Stock equal to \$10,000 in Value as of December 31, 2007, will be distributed to the Eligible Director on or about January 2, 2008; and this process shall continue until the Termination Date.

(iv) Annual distributions shall be made to the Eligible Director while living. In the event of an Eligible Director's death before he or she has received all of the deferred distributions to which he or she is entitled, distributions will be made to the beneficiary designated in writing by the Eligible Director as hereinafter provided. The beneficiary designated by the Eligible Director shall be his or her spouse, child (or children), grandchild (grandchildren), executor or administrator, or the trustee of any testamentary or inter-vivos trust established by the Eligible Director. If no such designation is in effect at the time any distribution becomes due hereunder, such distribution shall be made to the Eligible Director's surviving spouse and, if the Eligible Director leaves no spouse surviving, to the Eligible Director's executor or administrator. Beneficiary designations and changes thereof may be made by the Eligible Director during his or her lifetime by written notice filed with the Company's Secretary, which designation, and any subsequent change, shall take effect as of the date the notice is signed recorded and accepted by the Secretary of the Company, subject to any distribution made by the Company or Participating Subsidiary or action taken by it before acceptance of the notice by the Secretary.

(v) All payments made to an Eligible Director shall be subject to taxes required to be withheld under applicable laws and regulations of any governmental authorities.

(vi) An Eligible Director has no right to elect to accelerate the timing of any distribution or to change the form of distribution from what is set forth in this Section 5(e). In the event any Eligible Director is determined to be a "key employee", as such term is defined in Internal Revenue Code Section 409A, or any successor to such statute of like import, then

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

the distribution of benefits under this Section 5(e) to such Eligible Director shall not be made until six months after such Eligible Director separates from service as a director or, if earlier, the date of such Eligible Director's death, but in no event earlier than the applicable Distribution Commencement Date and, if the Eligible Director's separation is six months or less from the beginning of the calendar year immediately following the occurrence of the Distribution Event and such Eligible Director is determined to be a "key employee" as defined herein, such Eligible Director's Distribution Commencement Date will be as soon as practicable following the expiration of the six month separation period.

(vii) In the event the Distribution Commencement Date or any subsequent Distribution Date falls on a Business Day, such date will be deemed to refer to the next Business Day thereafter.

(viii) In the event an Eligible Director serves as a director of the Company and as a director of one or more Participating Subsidiary, his or her Distribution Triggering Event, Distribution Commencement Date and annual installments of deferred compensation will be determined and paid separately relative to each entity.

6. Effective Date and Term of Plan. This Plan, as amended and restated, is effective on January 25, 2005 (the "Effective Time"), the date on which the Plan was approved by the Board, subject to approval by the stockholders of the Company. The term of this Plan shall be indefinite.

7. Amendment and Termination. This Plan may at any time or from time to time be amended, modified or terminated by the Board of Directors or the Committee; provided that, no amendment or modification will, without the requisite approval of the stockholders of the Company, effectuate a change for which stockholder approval is required under applicable law or the rules of the

A-4

American Stock Exchange or of such other national securities exchange or automated quotation system on which the Stock may be listed or admitted to trading, and further provided that no such amendment, modification or termination will, without the consent of the Eligible Director, adversely affect the Eligible Director's accruals in his or her deferred compensation account.
