MELBOURNE, AUSTRALIA and NEENAH, WISCONSIN Amcor Limited (ASX: AMC) and Bemis Company, Inc. (NYSE: BMS) announce that further, important progress has been made towards completion of their all-stock transaction, with the filing of shareholder documentation and finalisation of Board of Director and Senior Leadership appointments.

The combination of the two complementary companies offers a transformational and unique opportunity to create the global leader in consumer packaging, with the footprint, scale and capabilities to deliver an industry leading value proposition for customers and employees, and the most significant innovations for the environment.

Amcor intends to maintain a competitive, progressive dividend which is expected to increase over time and will have a strong investment grade balance sheet with immediate capacity for further investment or share buy backs.

The combination is unanimously recommended by the Boards of Directors of both companies.
