Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year

On December 4, 2015, the Board of Directors of Northrop Grumman Corporation approved amended and restated Bylaws to provide for proxy access, permitting eligible stockholders to include their own director nominees in the Company's proxy materials under the terms and conditions set forth in the Company's Bylaws. Pursuant to Article II, new Section 2.09 of the Bylaws, a stockholder, or a group of up to 20 stockholders, that has maintained for at least three years continuous ownership of 3% or more of the Company's outstanding shares of capital stock entitled to vote in the election of directors, may include in the Company's proxy materials director nominees constituting up to the greater of two nominees or nominees constituting 20% of the number of directors in office, provided that the stockholder(s), nomination and nominee(s) satisfy the terms set forth in the Bylaws. Section 2.09 and new Section 3.15 of the amended and restated Bylaws include, among other provisions, certain eligibility, procedural and disclosure requirements. The amended and restated Bylaws also contain related and other conforming changes to Article II, Section 2.08.

The amended and restated Bylaws became effective immediately after approval by the Board. To nominate a director under the proxy access procedure, compliant notice from a stockholder must generally be received by the Secretary at the principal executive offices of the Company not less than 120 or more than 150 days prior to the one-year anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting of stockholders.

A copy of the Bylaws, as amended and restated, is filed as Exhibit 3.2 to this Form 8-K, and this summary of the amended and restated Bylaws is qualified in its entirety by reference to such Exhibit 3.2.
