On December 1, 2015, Systemax Inc. (the “Company”) closed the previously announced transaction to divest certain Business to Business assets of its North American Technology Group (“NATG”), including the TigerDirect brand, to PCM, Inc. (“PCM”) for \$14 million in cash.

PCM will have the option for one year to acquire the consumer customer lists and related information for \$500,000. Following closing, the Company will continue selling its remaining inventory using these assets which were sold, and no later than February 15, 2016 the Company will cease such selling activities and transfer to PCM title to certain remaining assets, including the B2B website assets and related domain names.

In connection with the closing of the transaction, the parties entered into a transition services agreement to facilitate an orderly transition of the purchased assets and for the provision of various IT and back office support services.
