**Annual Meeting of Stockholders to be Held on July 31, 2006
PROXY STATEMENT**

This Proxy Statement is furnished to holders of the common stock of Arbios Systems, Inc., a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2006 Annual Meeting of Stockholders to be held at The Westin Waltham-Boston Hotel, located at 70 Third Avenue, Waltham, Massachusetts, beginning at 9:00 a.m., local time, on Monday, July 31, 2006, and at any postponement or adjournment of the Annual Meeting.

This Proxy Statement and the accompanying proxy card are first being mailed to our stockholders on or about July 7, 2006.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement. They are:

- The election of seven directors; and
- The ratification of our appointment of independent registered public accountants.

In addition, management will report on our performance during fiscal 2005 and respond to questions from stockholders.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on June 16, 2006 will be entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement of the Annual Meeting.

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. The affirmative vote of a majority of the votes cast at the Annual Meeting, provided a quorum is present, will be required for approval of the proposal to ratify the appointment of our independent registered public accounting firm. With regard to the election of directors, the seven nominees receiving the greatest number of votes cast at the Annual Meeting will be elected.

Abstentions will be counted in the tabulation of votes cast on matters properly presented to the stockholders (except the election of directors) and will have the same effect as negative votes. So-called broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, at our Annual Meeting of the holders of a majority of the outstanding shares of our common stock will constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked “withhold authority” or “abstain” will be counted as present. Shares represented by proxies that include broker non-votes also will be counted as shares present for purposes of establishing a quorum. On the record date of June 16, 2006, there were 17,460,181 shares of our common stock issued and outstanding, and those shares are the only shares that are entitled to be voted at the Annual Meeting.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendations of our Board of Directors are set forth together with the description of each proposal in this Proxy Statement. In summary, our Board of Directors recommends a vote:

- “FOR” election of the directors named in this Proxy Statement (see Proposal I); and
- “FOR” ratification of our appointment of Stonefield Josephson, Inc. as our independent registered public accounting firm for fiscal 2006 (see Proposal II).

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented by the proxy card will be voted at the Annual Meeting and at any postponement or adjournment of the Annual Meeting in accordance with the directions indicated on the proxy card. IF NO DIRECTIONS ARE INDICATED, PROXIES WILL BE VOTED “FOR” ALL PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND, AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT OF THE ANNUAL MEETING, IN THE SOLE DISCRETION OF THE PROXY HOLDERS.

A stockholder who returns a proxy card may revoke it at any time prior to its exercise at the Annual Meeting by any of the following means: giving written notice of revocation to our Corporate Secretary; properly submitting to us a duly executed proxy bearing a later date; or appearing at the Annual Meeting and voting in person. All written notices of revocation of proxies should be addressed to: Arbios Systems, Inc., 8797 Beverly Boulevard, Suite 304, Los Angeles, California 90048, Attention: Corporate Secretary.

PROPOSAL I

ELECTION OF DIRECTORS

Our Board of Directors currently consists of eleven members, consisting of Walter C. Ogier, Dennis Kogod, Thomas C. Seoh, Jack E. Stover, Thomas M. Tully, John M. Vierling, M.D., Richard W. Bank, M.D., Amy Factor, Roy Eddleman, Marvin S. Hausman, M.D. and Jacek Rozga, M.D., Ph.D. Pursuant to our Bylaws, our Board of Directors has fixed the number of our directors to be seven subsequent to the Annual Meeting. Each director is elected for a term of one year and until his or her successor is elected. On June 10, 2006, our Board of Directors voted to nominate Walter C. Ogier, Dennis Kogod, Thomas C. Seoh, Jack E. Stover, Thomas M. Tully, John M. Vierling, M.D., and Achilles A. Demetriou, M.D., Ph.D. for election at the Annual Meeting, and until his successor has been elected and qualified.

The following is information concerning our current directors, as well as Dr. Demetriou. We believe that each nominee will be able to serve as a director. In the event that a nominee is unable to serve, the proxy holders will vote the proxies for such other nominee as they may determine.

A majority of our directors are "independent directors" as defined by the listing standards of the Nasdaq Stock Market, and the Board of Directors has determined that our independent directors have no relationship with the Company that would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. Meetings of the Board of Directors and Committees

Board of Directors

The property, affairs and business of Arbios are conducted under the supervision and management of our Board of Directors as called for under the corporation law of Delaware, and our Bylaws. Our Board of Directors has established a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, and has determined that each member of these Committees is “independent” under the independence standards of the Nasdaq Stock Market’s Marketplace Rules and the Securities and Exchange Commission, or SEC. Our Board of Directors also has determined that Mr. Stover, one of the independent directors serving on our Audit Committee, is an “audit committee financial expert” within the meaning of SEC rules.

The Board of Directors held twelve meetings during the 2005 fiscal year. During the term for which the director served on the Board, each director attended at least 75% of the aggregate of the total meetings of the Board and the total number of meetings of all Board committees on which he or she served.

(3) Thomas M. Tully is the Chairman of the Compensation Committee.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to:

- The quality and integrity of our financial statements and reports.
- Our independent registered public accounting firm's qualifications and independence.
- Our compliance with applicable legal and regulatory requirements.

The Audit Committee reviews our financial structure, policies and procedures, appoints our independent registered public accountants, reviews with the independent registered public accountants the plans and results of the audit engagement, approves permitted non-audit services provided by our independent registered public accountants and reviews the independence of the accountants and the adequacy of our internal control over financial reporting. The Audit Committee or an authorized independent body of the Board is authorized to review and approve related-party transactions for potential conflicts of interest. The Audit Committee's responsibilities also include oversight activities described below under the "Report of the Audit Committee."

The Audit Committee was established in February 2004 and held nine meetings during the 2005 fiscal year.

Compensation Committee

The Compensation Committee is authorized to review and make recommendations to the full Board of Directors relating to the annual salaries and bonuses of our officers and to make recommendations to the Board regarding grants of stock options, the exercise price of each option and the number of shares to be issuable upon the exercise of each option under our stock option plans.

The Compensation Committee was established in November 2004 and held six meetings during the 2005 fiscal year.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee assists the Board of Directors in identifying qualified candidates for election as directors, selecting director nominees for election at our annual stockholders meetings, selecting candidates to fill vacancies on our Board of Directors and developing criteria to be used in making such recommendations.

A Copy of the Nominating and Corporate Governance Committee's Charter was attached to the Proxy Statement for our 2005 Annual Meeting of Stockholders.

The Nominating and Corporate Governance Committee was formed in November 2004 in compliance with applicable legal and regulatory requirements. The Nominating and Corporate Governance Committee nominated the current slate of directors for the Annual Meeting.

The Nominating and Corporate Governance Committee has not established any specific minimum qualifications for director candidates or any specific qualities or skills that a candidate must possess in order to be considered qualified to be nominated as a director. However, the Nominating and Corporate Governance Committee evaluates potential director candidates based on various factors, including but not limited to: background and experience relevant to the Company's operations, including hepatology and/or medicine in general, clinical, regulatory, product and business development, commercialization of relevant products, senior management and/or board of directors experience in life science companies, and relevant financial and legal public company experience; independence; committee needs; availability; compatibility; and views of management and major stockholders. Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. In making its nominations, our Nominating and Corporate Governance Committee generally will consider, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Stockholder Recommendations and Nominations of Director Candidates

The Nominating and Corporate Governance Committee will consider Board nominees recommended by stockholders. In order for a stockholder to nominate a candidate for director, timely notice of the nomination must be given in writing to the Corporate Secretary of the Company. To be timely, the notice must be received at the principal executive officers of the Company as set forth under "Stockholder Proposals" below. Notice of a nomination must include your name, address and number of shares you own; the name, age, business address, residence address and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws, as well as whether the individual can understand basic financial statements and the candidate's other board memberships (if any). You must submit the nominee's consent to be elected and to serve. The Board of Directors may require any nominee to furnish any other information that may be needed to determine the eligibility and qualifications of the nominee. Any recommendations in proper form received from stockholders will be

evaluated in the same manner as recommendations received from our Board members or management.

7

Stockholder Communication with Board Members

Stockholders who wish to communicate with our Board members may do so by writing to us at our principal executive office at 8797 Beverly Boulevard, Suite 304, Los Angeles, California 90048. Written communications specifically marked as a communication for our Board of Directors, or a particular director, except those that are clearly marketing or soliciting materials, will be forwarded unopened to the Chairman of our Board, or to the particular director to whom they are addressed, or will be delivered unopened to the full Board or the particular director at the next regularly scheduled Board meeting.

Board Members' Attendance at Annual Meetings

The Board has adopted a policy requiring that each member of the Board make every effort to attend the annual meetings of stockholders. Seven of our directors attended our 2005 Annual Meeting.

Compensation of Directors

Stock Option Compensation

On March 24, 2005, the Board of Directors approved a plan for compensating our directors. On May 16, 2005, the Board amended the plan for the 2005 fiscal year and later renewed the plan on January 11, 2006 for fiscal year 2006. The plan consists of the following:

Non-employee directors will receive annual grants of stock options to purchase 15,000 shares of the Company's common stock. The options will be granted on January 1 of each year. The options will have a term of seven years and will have an exercise price equal to the market price on the trading day preceding the grant date. The options will vest in equal monthly installments over the 12-month period following the grant date.

Upon election to the Board of Directors, each new director will be granted a stock option to purchase 30,000 shares of the Company's common stock. The option will have a term of seven years and will have an exercise price equal to the market price on the trading day preceding the date of grant. One half of the options will vest on the date of grant, and the balance will vest on the first anniversary of the grant date.

On January 1 of each year, committee members will receive an annual grant of a stock option to purchase 5,000 shares of common stock for each committee for which they are a member. The option will have a term of seven years and will have an exercise price equal to the market price on the trading day preceding the grant date. The option will vest in equal monthly installments over the 12-month period following the grant date.

During the fiscal year ended December 31, 2005, each of our directors was granted an annual grant of stock options to purchase 15,000 shares of common stock at an exercise price of \$2.48 per share. All director options are granted at the market price on the date of grant and have a term of seven years and vest on a monthly basis from the date of grant.

Cash Compensation

Effective March 24, 2005, all non-employee directors receive a cash payment of \$1,500 for each day they attend a Board of Directors meeting in person (\$1,000 if they attend a meeting by telephone), and \$500 for each telephonic Board meeting (\$1,000 for each telephonic meeting if the meeting lasts longer than two hours). In addition, the Chairman of the Board and Chairman of the Audit Committee are each paid \$25,000 annually (payable quarterly), and the Chairman of the Nominating and Corporate Governance Committee and the Chairman of the Compensation Committee are each paid \$10,000 annually (payable quarterly). On June 10, 2006, the Board adopted a policy that as of June 30, 2006, all directors shall receive compensation for their performance of duties as directors in the form of

common stock or options to purchase common stock, and no cash compensation shall be paid for the performance of director duties. We reimburse all directors for any expenses incurred by them in attending meetings of the Board of Directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than ten percent of the outstanding shares of our common stock (collectively, "Reporting Persons") to file reports of ownership of our common stock and changes in ownership with the SEC. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms that they file.

Our records reflect that all reports which were required to be filed pursuant to Section 16(a) of the Exchange Act were filed on a timely basis, except that 8 reports, covering an aggregate of 21 transactions, were filed late by Roy Eddleman, Marvin Hausman, M.D., Dennis Kogod, Jacek Rozga M.D., Ph.D., Thomas Seoh, Jack Stover, Thomas Tully and John Vierling, M.D.

An Annual Statement of Beneficial Ownership on Form 5 is not required to be filed if there are no previously unreported transactions or holdings to report. Nevertheless, we are required to disclose the names of directors, officers and 10% stockholders who did not file a Form 5 unless we have obtained a written statement that no filing is required. We have received a written statement from each of our directors, officers and 10% stockholders stating that no filing is required.

Certain Relationships and Related Transactions

Spectrum Laboratories, Inc. Agreement

On December 26, 2001, Arbios entered into various agreements with Spectrum Laboratories, Inc. Concurrently with these agreements, Spectrum Laboratories also purchased 362,669 shares of our common stock. Mr. Eddleman, one of the members of our Board of Directors, is the Chairman and Chief Executive Officer of Spectrum Laboratories. The three principal agreements entered into by Arbios and Spectrum Laboratories in December 2001 are the following:

A. **License Agreement.** Spectrum Laboratories granted to Arbios an exclusive, worldwide license to develop, make, use and distribute products based on two Spectrum Laboratories patents. Provided that Arbios purchases the hollow fiber cartridges that it expects that it will need for its products from Spectrum Laboratories, Arbios will not have to pay a royalty for the license. In the event that Spectrum Labs is not the manufacturer of the hollow fiber cartridges, Arbios will have to pay Spectrum Laboratories a royalty for the license (see “Manufacturing and Supply Agreement” below). Spectrum Laboratories also agreed to grant Arbios a right of first refusal to obtain a license to make, use, develop or distribute products based on Spectrum Laboratories’ technology other than in liver assisted products, provided that such other products are in the fields of artificial blood therapy and bioprocessing and therapeutic devices.

B. **Research Agreement.** Arbios and Spectrum Laboratories also entered into a four-year research agreement pursuant to which Arbios and Spectrum Laboratories agreed to combine their expertise and their respective technologies to enable Arbios to (i) develop liver assist systems, (ii) conduct pre-clinical and Phase I-III clinical testing, (iii) obtain regulatory approvals and (iv) commercialize such liver assist systems. Under the terms of the agreement, Spectrum Laboratories agreed to perform certain research toward the development of hollow fiber-in-fiber modules for Arbios’

liver assist systems during product development, pre-clinical and clinical testing at no cost to Arbios. Spectrum Laboratories also agreed to pay for all costs and expenses in connection with the research program and agreed to allocate a total of \$550,000 to the program during the research term. In October 2002, Arbios and Spectrum Laboratories agreed that Spectrum Laboratories has now satisfied its research and development obligations, that Arbios owed Spectrum Laboratories an additional \$54,960 for services provided by Spectrum Laboratories (which amount was paid in full in 2004), and that the 362,669 shares of Arbios common stock previously issued to Spectrum Laboratories are now fully vested. Spectrum Laboratories has agreed to perform additional research and development work as may be requested by Arbios on such terms as the parties may agree to in good faith negotiations.

C. Manufacturing and Supply Agreement. Arbios and Spectrum Laboratories have also entered into an agreement pursuant to which the parties have agreed that Spectrum Laboratories will manufacture for Arbios the hollow fiber cartridges with fiber-in-fiber geometry for its LIVERAID™ device. The agreement provides that the price of the hollow fiber-in-fiber cartridges to be sold by Spectrum Laboratories to Arbios will be determined by good faith negotiations between the parties. Arbios has agreed that it will not purchase cartridges with fiber-in-fiber geometry from any other manufacturer unless Spectrum Laboratories is either unable or unwilling to manufacture the cartridges. In the event that Spectrum Laboratories is unwilling to manufacture the fiber-in-fiber cartridges for Arbios, Arbios shall have the right to have a third party manufacture the cartridges for it, in which case Arbios will pay Spectrum Laboratories a royalty for the license granted to Arbios by Spectrum Laboratories under the License Agreement. The royalty shall be equal to 3% of the net sales (total sales less taxes, returns, transportation, insurance, and handling charges) attributed solely to the fiber-in-fiber cartridges.

The agreement provides that Mr. Hayashi's employment is "at will" and can be terminated at any time.

We have entered into an agreement with Shawn Cain, dated March 22, 2005, pursuant to which Mr. Cain serves as Vice-President of Operations. The agreement provides for a salary of \$160,000 per year. The agreement also offered Mr. Cain a five-year incentive stock option to purchase 30,000 shares of our common stock. The options have an exercise price of \$1.65 per share and vest in monthly installments of 1,250 shares commencing on May 1, 2005. The

agreement also provides that we will match Mr. Cain's contributions to a 401(k) plan at a rate of 50% up to 6% of total compensation per year. The agreement also offers to pay Mr. Cain's COBRA costs for an 18-month period commencing on the April 15, 2005. Mr. Cain is also eligible to receive an annual discretionary cash bonus of up to 15% of his base annual salary. The agreement provides that Mr. Cain's employment is "at will" and can be terminated at any time. During Mr. Cain's first year of employment, he will receive six months' notice if we wish to terminate his employment, during the second year he will receive four months' notice and during the third year he will receive three months' notice. If we fail to provide the required notice, upon termination, we will pay Mr. Cain the salary equivalent of the notice of the shortened notice period.

We have entered into an agreement with Dr. Jacek Rozga, dated July 28, 2005, pursuant to which Dr. Rozga has served as President and Chief Scientific Officer. The agreement provides for a salary of \$200,000 per year that is subject to review and adjustment by the Board of Directors. Dr. Rozga is eligible to receive a discretionary annual bonus of up to 20% of his salary as determined by the Board of Directors. The agreement provides that Dr. Rozga's employment is "at will" and can be terminated at any time. Dr. Rozga's title of President was transferred to Walter Ogier upon his hiring in November 2005. Dr. Rozga continues to serve as Chief Scientific Officer.

On March 31, 2005, we entered into an employment agreement with Amy Factor pursuant to which Ms. Factor was appointed as our interim Chief Executive Officer. Under the agreement, Ms. Factor was hired to be our Chief Executive Officer until the hiring of a permanent Chief Executive Officer. The employment agreement was terminable by either Ms. Factor or by us at any time upon 30 day's prior written notice. Under the agreement, we agreed to pay Ms. Factor a base salary at a monthly rate of \$25,000 (which is equivalent to \$300,000 on an annualized basis) and to issue to Ms. Factor five-year non-qualified stock options to purchase an aggregate of 200,000 shares of common stock. The options are exercisable at \$1.65 per share (the closing market price of the common stock on March 31, 2005). Options to purchase 80,000 shares vested on March 31, 2005, and the options for the remaining 120,000 shares will vest in monthly installments of 6,000 shares commencing on April 1, 2005. The vesting of these options was to be accelerated to be immediately and fully vested when we hired a permanent Chief Executive Officer, which has subsequently occurred. If Ms. Factor terminated the employment agreement for any reason other than our breach, or if we terminated the agreement "for cause" (as defined in the agreement) before all of the remaining 120,000 options had vested, all unvested options would have been forfeited. If we had terminated the employment agreement for any reason other than cause, the options would have thereupon immediately and fully (100%) vested. In November 2005, Ms. Factor resigned her position as the interim Chief Executive Officer upon the hiring of Walter C. Ogier, and we terminated her employment agreement with the Company at such time.

We entered into an agreement with Walter C. Ogier, dated October 17, 2005, pursuant to which Mr. Ogier began serving as Chief Executive Officer commencing November 7, 2005. The agreement provides for an annual initial base salary of \$300,000 that is subject to review and adjustment on an annual basis in accordance with the procedures established by the Board of Directors. Mr. Ogier is eligible to receive a discretionary annual cash bonus equal to up to 50% of his annual base salary. The agreement provides that upon commencement of employment, Mr. Ogier received an option to purchase 500,000 shares of our common stock, which will vest 250,000 shares on the one year anniversary of the date Mr. Ogier's employment commenced and 250,000 shares will vest ratably at the end of each of the twelve months of the second year of his employment. If there is a liquidation or change-in-control of the Company and in connection with such transaction, Mr. Ogier is terminated other than for cause or is no longer President and Chief Executive Officer of the surviving corporation, then all option shares granted to Mr. Ogier in connection with his employment will immediately and fully vest. Additionally, if Mr. Ogier terminates his employment for good reason or is terminated in anticipation of such a transaction, then all option shares granted to Mr. Ogier in connection with his employment will immediately and fully vest. The agreement provides that Mr. Ogier's employment is "at will" and can be terminated at any time. Mr. Ogier is entitled to 12 months of salary if the Company terminates him without cause or he terminates his employment for defined good reason.

Code of Ethics

The Board of Directors adopted a Code of Ethics that covers all of our executive officers and key employees. The Code of Ethics requires that senior management avoid conflicts of interest; maintain the confidentiality of our confidential and proprietary information; engage in transactions in our common stock only in compliance with applicable laws and regulations and the requirements set forth in the Code of Ethics; and comply with other requirements which are intended to ensure that our officers conduct business in an honest and ethical manner and otherwise act with integrity and in the best interest of this Company.

All of our executive officers are required to affirm in writing that they have reviewed and understand the Code of Ethics.

A copy of our Code of Ethics will be furnished, without charge, to any person upon written request from any such person. Requests should be sent to: Secretary, Arbios Systems, Inc., 8797 Beverly Blvd., Suite 304, Los Angeles, California, 90048.

Stock Option Plans

2001 Stock Option Plan

In 2001, we adopted our 2001 Stock Option Plan, pursuant to which our Board of Directors has the authority to grant options to purchase up to a total of 1,000,000 shares of our common stock to our directors, officers, consultants and employees. Awards under the plan may be either non-qualified options or options intended to qualify as “incentive stock options” under Section 422 of the Internal Revenue Code of 1986, as amended.

The exercise price of incentive stock options granted under the plan may not be less than 100% of the fair market value of the common stock on the day of grant. If incentive stock options are granted to a person who controls more than 10% of our stock, then the exercise price of those incentive stock options may not be less than 110% of the fair market value on the day of the grant. The purchase price and method of exercise of each option granted to officers and other key employees shall be determined by the Board of Directors. The purchase price is payable in full by cash. However, the Board of Directors may accept payment for the purchase price of the shares of common stock acquired upon exercise of an option, by optionee’s tendering outstanding shares of our common stock owned by the optionee, or by other so-called cashless exercises as permitted by law, or any combination of cash, check, shares and cashless exercises.

Options granted under the 2001 Stock Option Plan become exercisable and shall expire on such dates as determined by the Board of Directors, provided, however, that no term of an incentive stock option may exceed ten years from the date of grant, or five years from the date of grant in the case of any optionee holding more than 10 percent of the combined voting power of all classes of our capital stock as of the date of grant. After options become exercisable they may be exercised at any time or from time to time as to any part thereof.

Options are not transferable except by will or by the laws of descent and distribution; during the life of the person to whom the option is granted, that person alone may exercise them. Generally, all rights to exercise options terminate 90 days after the date a grantee ceases to be an employee of this company or any subsidiary for any reason other than death or disability.

In connection with the reorganization transaction between Arbios and Arbios Technologies, Inc. in October 2003, Arbios assumed all of the 314,000 outstanding options granted by Arbios Technologies, Inc. under its existing stock option plan and the options previously issued under that plan were cancelled. None of the terms of the assumed options were changed. The options assumed under the 2001 Stock Option Plan are identical to the options that were previously granted under the Arbios Technologies, Inc. Plan.

2005 Stock Incentive Plan

In 2005, Arbios adopted the 2005 Stock Incentive Plan (the “2005 Plan”) for the purpose of granting incentive stock options and/or non-statutory stock options to employees, consultants, directors and others. Under the 2005 Plan, the Company is authorized to grant options to purchase up to 3,000,000 shares. The 2005 Plan is administered by the Board of Directors of the Company or by a committee of the Board.

For the years ended December 31, 2005 and 2004, the Company granted 60,000 and 140,000 options, respectively, to consultants and recorded expenses of \$58,000 and \$555,000 for the years ended December 31, 2005 and 2004 relating to the vested portion of these options.

Report of the Audit Committee

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act or the Exchange Act that might incorporate by reference previous or future filings, including this Proxy Statement, in whole or in part, the following report shall not be incorporated by reference into any of such filings.

The responsibilities of the Audit Committee include providing oversight to the financial reporting process of the Company through periodic meetings with the Company's independent auditors and management to review accounting, auditing, internal controls, and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on senior management, including senior financial management, and the Company's independent auditors.

We have reviewed and discussed with senior management the audited financial statements of the Company that are included in the fiscal year 2005 Annual Report on Form 10-KSB. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management and (ii) have been prepared in conformity with accounting principles generally accepted in the United States.

We have discussed with Stonefield Josephson, Inc. ("Stonefield") our independent registered public accountants, the matters required to be discussed by SAS 61 (Communications with Audit Committee). SAS 61 requires our independent registered public accountants to provide us with additional information regarding the scope and results of their audit of the Company's financial statements with respect to (i) their responsibility under auditing standards generally accepted in the United States, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

We also have received from Stonefield a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between Stonefield and the Company that in its professional judgment may reasonably be thought to bear on independence. Stonefield has discussed its independence with us. Stonefield confirmed in its letter, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions described above with respect to the audited financial statements of the Company, we recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with accounting principles generally accepted in the United States. That is the responsibility of management and the Company's independent registered public accountants. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and (ii) the report of the Company's independent registered public accountants with respect to such financial statements.

Respectfully submitted,

Audit Committee

PROPOSAL II

**RATIFICATION OF APPOINTMENT
OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On January 27, 2004, our Board of Directors dismissed our former independent accountants, Williams & Webster, P.S. (“Williams”). Williams’ report on our financial statements for the two years prior to their dismissal did not contain an adverse opinion or disclaimer of opinion, and was not modified as to uncertainty, audit scope or accounting principles, except that there was an explanatory paragraph relating to our ability to continue as a going concern.

During the two fiscal years prior to Williams’ dismissal, we also had no disagreements with Williams, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to Williams’ satisfaction, would have caused Williams to make reference to the subject matter of the disagreement in connection with its report. Williams also did not advise the Company of any of the events requiring reporting in a Form 8-K under Item 304(a)(iv)(B).

The Audit Committee has appointed Stonefield Josephson, Inc. (“Stonefield”) to serve as our independent accountants to audit our financial statements for the year ending December 31, 2006. The Board proposes that the stockholders ratify this appointment. Stonefield audited our financing statements for the fiscal years ended December 31, 2005 and December 31, 2004.

Accounting Fees

Aggregate fees billed to us by Stonefield for professional services rendered for the years ended December 31, 2005 and December 31, 2004 were as follows:

	2005	2004
Audit Fees	\$ 53,083	\$ 52,769
Audit-Related Fees	--	--
Tax Fees	--	--
All Other Fees		
Total	\$ 53,083	\$ 52,769

In the above table, in accordance with the SEC’s definitions and rules, “audit fees” are fees that the Company paid for professional services for the audit of our consolidated financial statements included in our Form 10-KSB and for services that are normally provided by the accountants in connection with statutory and regulatory filings or engagements; “audit-related fees” are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements; and “tax fees” are fees for tax compliance, tax advice and tax planning.

Audit Committee Pre-Approval Policies and Procedures

Consistent with SEC policies, the Audit Committee charter provides that the Audit Committee shall pre-approve all audit engagement fees and terms and pre-approve any other significant compensation to be paid to the independent registered public accounting firm. The Audit Committee pre-approved all services performed by Stonefield Josephson,

Inc. during 2004 and 2005.

Stockholder Ratification of the Appointment of Stonefield

The Audit Committee of the Board of Directors has appointed Stonefield to serve as our independent accountants to audit our consolidated financial statements for the fiscal year ending December 31, 2006. We are not required to seek stockholder approval for the appointment of our independent accountants; however, the Audit Committee believes it to be sound corporate practice to seek such approval. If the appointment is not ratified, the Audit Committee will investigate the reasons for stockholder rejection and will re-consider its appointment of Stonefield. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Stonefield will be present at the Annual Meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF STONEFIELD JOSEPHSON, INC. AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.

STOCKHOLDER PROPOSALS

Notice of stockholder proposals submitted outside of Rule 14a-8 of the Exchange Act will be considered untimely if received by us after March 9, 2007. Only proper proposals under Rule 14a-8 of the Exchange Act that are timely received will be included in the 2007 Proxy Statement. All proposals described in this paragraph should be sent to Arbios Systems, Inc., 8797 Beverly Boulevard, Suite 304, Los Angeles, California 90048, Attention: Corporate Secretary.
