Only stockholders of record at the close of business on that date will be entitled to notice of, and to vote at, the annual meeting.

**PROXY STATEMENT**

**November 6, 2003**

**Annual Meeting of Stockholders**

**General Information**

This proxy statement is furnished to stockholders of Saba Software, Inc., a Delaware corporation, in connection with the solicitation by our Board of Directors of proxies in the accompanying form for use in voting at our annual meeting of stockholders to be held on Thursday, November 6, 2003, at 9:00 a.m., Pacific Time, at our corporate headquarters located at 2400 Bridge Parkway, Redwood Shores, California 94065-1166, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the annual meeting for the purposes set forth in the accompanying notice of annual meeting of stockholders.

**Revocability of Proxies**

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to us (to the attention of Peter E. Williams III, our Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the annual meeting and voting in person.

**Solicitation and Voting Procedures**

The proxy statement and the enclosed proxy card are being mailed to the stockholders on or about September 25, 2003. This proxy statement and the accompanying proxy card are for the use by the stockholders.

The close of business on September 15, 2003 has been fixed as the record date for determining the holders of shares of our common stock entitled to notice of, and to vote, at the annual meeting. As of the close of business on the record date, we had 13,271,408 shares of common stock outstanding and entitled to vote at the annual meeting. The presence at the annual meeting of a majority, or 6,635,705, of these shares of our common stock, either in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. Each outstanding share of common stock on the record date is entitled to one vote on all matters.

## Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

All expenses in connection with the solicitation of proxies will be borne by us. These costs will include the expense of preparing and mailing proxy materials for the annual meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the annual meeting to beneficial owners of our common stock. We may conduct further solicitation personally, by telephone or by facsimile through our officers, directors and employees, none of who will receive additional compensation for assisting with the solicitation.

An automated system administered by ADP-Investor Communication Services and Mellon Investor Services will tabulate votes cast by proxy at the annual meeting, and one of our officers, duly appointed by the Board of Directors, will tabulate votes cast in person at the annual meeting.

Under the General Corporation Law of the State of Delaware, an abstaining vote and a broker non-vote are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the annual meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have the discretionary voting power with respect to that matter and has not received instructions from the beneficial owner. Broker non-votes and shares

as to which proxy authority has been withheld with respect to any matter are not deemed entitled to vote for purposes of determining whether stockholders' approval of that matter has been obtained.

As a result, with respect to proposal 1, which requires a plurality vote, and proposal 2, which requires the affirmative vote of a majority of our common stock present and entitled to vote, broker non-votes have no effect. Because abstentions will be included in the tabulation of shares of our common stock entitled to vote for purposes of determining whether a proposal has been approved, abstentions have the same effect as negative votes on proposal 2.

The shares represented by properly executed proxy cards will be voted at the annual meeting as indicated or, if no instructions are given, in favor of proposals 1 and 2. We do not presently know of any other business that may come before the annual meeting.

**PROPOSAL NO. 1**

**ELECTION OF DIRECTORS**

The number of directors on the Board of Directors is currently fixed at five. Our Certificate of Incorporation divides our Board of Directors into three classes designated Class I, Class II and Class III. The members of each class of directors serve staggered three-year terms. The Board of Directors is composed of two Class I Directors: Joe E. Kiani and Clifton Thomas Weatherford; one Class II Director: Bobby Yazdani; and two Class III Directors: Douglas C. Allred and Michael J. Moritz. The term of office of the Class III Directors expires at this annual meeting, the term of office of the Class I Directors expires at the 2004 annual meeting and the term of office of the Class II Director expires at the 2005 annual meeting. At each annual meeting of stockholders, directors will be elected for a full term of three years to succeed those directors whose terms are expiring. Directors will be elected by a plurality of votes cast.

In September 2003, Geno P. Tolari resigned from serving as a Class II Director on our Board of Directors. In connection with Mr. Tolari's resignation, the Board of Directors amended our Bylaws to fix the number of directors at five. In addition, to more evenly classify our directors among the three classes, the Board of Directors assigned Bobby Yazdani to serve as a Class II Director. Prior to his appointment as a Class II Director, Mr. Yazdani was serving as a Class III Director.

At the annual meeting, the stockholders will elect two Class III Directors, to serve a three year term until the election and qualification of a successor at the 2006 annual meeting of stockholders, until a successor is otherwise duly elected or appointed and qualified or until the director's earlier resignation or removal. The Board of Directors has nominated Douglas C. Allred and Michael J. Moritz for election as Class III Directors. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve as a nominee or as a director, if elected.

Certain information about Douglas C. Allred and Michael J. Moritz, the Class III Director nominees, is furnished below:

*Douglas C. Allred* has been a Director of Saba since January 2000. Mr. Allred has served as Senior Vice President, Customer Advocacy of Cisco Systems, Inc. since July 1991. Mr. Allred serves as a Director of BearingPoint, Inc., a business consulting, systems integration and managed services firm. Mr. Allred holds a B.S. from Washington State University. Mr. Allred serves on the Board of Director's Compensation Committee.

*Michael J. Moritz* has been a Director of Saba since August 1998. Mr. Moritz has been a General Partner of Sequoia Capital, a venture capital firm, since 1986. Mr. Moritz serves as a Director of Flextronics Corporation, a provider of electronics products manufacturing and logistical services. Mr. Moritz holds an M.A. from Christ Church, Oxford. Mr. Moritz serves on the Board of Director's Audit Committee and Compensation Committee.

**Required Vote**

**The affirmative vote of a plurality of all the votes represented in person or by proxy at the annual meeting is required to approve the foregoing proposal.**

**THE BOARD RECOMMENDS A VOTE *FOR* THE ELECTION OF THE NOMINEES NAMED ABOVE.**

**Meetings and Committees of the Board of Directors**

During our fiscal year ended May 31, 2003, the Board of Directors met eight times. No current director attended fewer than 75% of all the meetings of the Board of Directors and its committees on which he served after becoming a member of the Board of Directors. The Board of Directors has two standing committees: the Audit Committee and the Compensation Committee. The Board of Directors does not have a nominating committee or a committee performing the functions of a nominating committee. Although there are no formal

procedures for stockholders to recommend nominations, the Board of Directors will consider stockholder recommendations. Such recommendations should be addressed to Peter E. Williams III, our Secretary, at our principal executive offices.

During our fiscal year ended May 31, 2003, the Audit Committee held six meetings. Mr. Kiani, Mr. Moritz and Mr. Weatherford are the current members of our Audit Committee. The Audit Committee oversees the accounting and financial reporting processes of Saba and audits of the financial statements of Saba. The Audit Committee reviews, acts on and reports to our Board of Directors with respect to various auditing and accounting matters. The Audit Committee reviews and monitors the corporate financial reporting and the external audits of Saba, including, among other things, our internal control functions, the results and scope of the annual audit and other services provided by our independent auditors and our compliance with legal matters that have significant impact on our financial reports. In addition, the Audit Committee is responsible for the appointment, compensation and oversight of our independent auditors. See Report of the Audit Committee of the Board of Directors. Our Board adopted and approved a charter for the Audit Committee on October 21, 1999. The charter for the Audit Committee was amended to reflect relevant provisions of the Sarbanes-Oxley Act of 2002 and The Nasdaq Stock Market rules. A copy of the Audit Committee charter, as amended to date, was attached to our Proxy Statement for the 2002 Annual Meeting of Stockholders. The Board has determined that all members of the Audit Committee are independent as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers.

During our fiscal year ended May 31, 2003, the Compensation Committee held one meeting. Mr. Kiani, Mr. Moritz and Mr. Allred are the current members of our Compensation Committee. The Compensation Committee establishes salaries, incentives and other forms of compensation for executive officers and other key employees. This committee also administers our incentive compensation and benefit plans.

#### Compensation of Directors

Except for the Chairman of our Audit Committee, we do not pay directors cash compensation for their services as directors or members of committees of the Board of Directors. The Chairman of the Audit Committee receives an annual retainer of \$20,000 and an additional \$1,500 per meeting. We reimburse all non-employee directors for their reasonable expenses incurred in attending meetings of the Board of Directors. Members of the Board who are not employees of the Company are eligible to receive stock options under the Company's 2000 Stock Incentive Plan. During the fiscal year ended May 31, 2003, an option to purchase 8,750 shares of common stock was granted to the Chairman of the Audit Committee, an option to purchase 7,500 shares of common stock was granted to each of the other members of the Audit Committee and an option to purchase 5,000 shares of common stock was granted to the non-employee director that does not serve on the Audit Committee. These options are immediately vested and have an exercise price equal to the current market price on the date of grant.

Below are options we have granted to non-employee members of our Board of Directors during our fiscal year ended May 31, 2003:

<u>Name</u>	<u>Grant Date</u>	<u>Number of Options Granted</u>	<u>Exercise Price Per Share</u>

#### Compensation Committee, Insider Participation and Interlocks

## Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

None of the members of our Compensation Committee is an officer or employee of Saba. No interlocking relationship exists between our Board of Directors or Compensation Committee and the Board of Directors or compensation committee of any other company, nor has such an interlocking relationship existed in the past.

**Report of the Compensation Committee of the Board of Directors**

*Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such report be incorporated by reference into any such filings, nor shall the following report be deemed to be incorporated by reference into any future filings under the Securities Act or the Exchange Act.*

We have a compensation committee of the Board of Directors (the Compensation Committee) which has the authority and responsibility to approve the overall compensation strategy, administer our annual and long-term compensation plans, and review and make recommendations to the Board of Directors with respect to executive compensation. The Compensation Committee is comprised of independent, non-employee board of director members.

**Executive Officer Compensation Programs**

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess the necessary leadership and management skills, through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options, and various benefits, including medical and life insurance plans.

The executive compensation policies of the Compensation Committee are intended to combine competitive levels of compensation and rewards for above average performance and to align relative compensation with the achievements of key business objectives, optimal satisfaction of customers and maximization of stockholder value. The Compensation Committee believes that stock ownership by management is beneficial in aligning management and stockholder interests, thereby enhancing stockholder value.

*Base Salaries.* Salaries for our executive officers are determined primarily on the basis of the executive officer's responsibility, general salary practices of peer companies and the officer's individual qualifications and experience. The base salaries are reviewed annually and may be adjusted by the Compensation Committee in accordance with certain criteria which include individual performance, the functions performed by the executive officer, the scope of the executive officer's on-going duties, general changes in the compensation peer group in which we compete for executive talent, and our financial performance generally. The weight given to each such factor by the Compensation Committee may vary from individual to individual.

*Incentive Bonuses.* The Compensation Committee believes that a cash incentive bonus plan can serve to motivate our executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of stock options. The bonus amounts are based upon recommendations by management and a subjective consideration of factors including such officer's level of responsibility, individual performance, contributions to our success and our financial performance generally. No incentive bonuses were paid to executive officers during the fiscal year ended May 31, 2003.

*Stock Option Grants.* Stock options may be granted to executive officers and other employees under the 1997 Stock Incentive Plan and the 2000 Stock Incentive Plan (collectively, the Plans). Because of the direct relationship between the value of an option and the stock price, the Compensation Committee believes that options motivate executive officers to manage Saba in a manner that is consistent with stockholder interests. Stock option grants are intended to focus the attention of the recipient on our long-term performance which we believe results in improved stockholder value, and to retain the services of the executive officers in a competitive job market by providing significant long-term

earnings potential. To this end, stock options generally vest and

become fully exercisable over a four-year period. The principal factors considered in granting stock options to executive officers of Saba are prior performance, level of responsibility, other compensation and the executive officer's ability to influence our long-term growth and profitability. However, the Plans do not provide any quantitative method for weighing these factors, and a decision to grant an award is primarily based upon a subjective evaluation of the past as well as future anticipated performance.

*Other Compensation Plans.* We have adopted certain general employee benefit plans in which executive officers are permitted to participate on parity with other employees. We also provide a 401(k) deferred compensation pension plan.

*Deductibility of Compensation.* Section 162(m) of the Internal Revenue Code ( IRC ) disallows a deduction by Saba for compensation exceeding \$1.0 million paid to certain executive officers, excluding, among other things, performance based compensation. Because the compensation paid to the executive officers has not approached the limitation, the Compensation Committee has not had to use any of the available exemptions from the deduction limit. The Compensation Committee remains aware of the IRC Section 162(m) limitations and the available exemptions and will address the issue of deductibility when and if circumstances warrant the use of such exemptions.

### **Chief Executive Officer Compensation**

The compensation of our Chief Executive Officer is reviewed annually on the same basis as discussed above for all executive officers. The Compensation Committee established an annual base salary of \$250,000 for Mr. Tolari at the time he joined Saba as President and Chief Executive Officer in March 2002. However, in December, 2002, Mr. Tolari voluntarily elected to forego his annual base salary. Accordingly, the base salary earned by Mr. Tolari during the fiscal year ended May 31, 2003 was \$125,000. Mr. Tolari's base salary was established in part by comparing the base salaries of chief executive officers at other companies of similar size in the high-technology industry. Mr. Tolari's base salary was at the approximate median of the base salary range for chief executive officers of comparative companies.

Reporting Persons are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports received or written representations from certain Reporting Persons that no other reports were required, we believe that during fiscal 2003, all Reporting Persons complied with all applicable filing requirements, except for 1,705 shares gifted by Bobby Yazdani in May, 2002 that were reported on a Form 5 in March 2003.
