Item 1.01 Entry into Material Definitive Agreements

On November 17, 2006 (the Distribution Date), Verizon Communications Inc. (Verizon) spun off the companies that comprised its domestic print and Internet yellow pages directories publishing operations. In connection with the spin-off, Verizon transferred to Idearc Inc. (Idearc) all of its ownership interest in Idearc Information Services LLC and other assets, liabilities, businesses and employees primarily related to Verizon's domestic print and Internet yellow pages directories publishing operations (the Contribution). The spin-off was completed by making a pro rata distribution to Verizon's shareholders of all of the outstanding shares of common stock of Idearc.

In connection with the spin-off, on the Distribution Date, and in consideration for the Contribution, Idearc (1) issued to Verizon additional shares of Idearc common stock, (2) issued to Verizon \$2.85 billion aggregate principal amount of Idearc's 8% senior notes due 2016 and \$4.3 billion aggregate principal amount of loans under Idearc's tranche B term loan facility (collectively, the Idearc Debt Obligations) and (3) transferred to Verizon approximately \$2.4 billion in cash from cash on hand, from the proceeds of loans under Idearc's tranche A term loan facility and from the proceeds of the remaining portion of the loans under Idearc's tranche B term loan facility.

In addition, in connection with the spin-off, Verizon entered into the agreements described below.

Distribution Agreement

On November 13, 2006, Verizon entered into a distribution agreement with Idearc, which contains the key provisions relating to the separation of Idearc from Verizon and the distribution of Idearc common stock. The distribution agreement identifies the assets to be transferred, liabilities to be assumed and contracts to be assigned to Idearc by Verizon and by Idearc to Verizon in the separation and describes when and how these transfers, assumptions and assignments occur. The Contribution is made on an as is, where is basis without any representations or warranties, and Idearc bears the economic and legal risks that the conveyance is insufficient to vest good and marketable title, free and clear of any lien or other security interest, that any necessary consents or approval were not obtained, and that requirements of laws or judgments were not complied with. A copy of the distribution agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference into this Item 1.01.

Exchange Agreements

On November 13, 2006, Verizon entered into (1) an Exchange Agreement with Idearc (with respect to certain sections thereof) and J.P. Morgan Ventures Corporation and (2) an Exchange Agreement with Idearc (with respect to certain sections thereof) and

Bear, Stearns & Co. Inc. (together with J.P. Morgan Ventures Corporation, the Investment Entities) (collectively, the Exchange Agreements). Pursuant to the Exchange Agreements, Verizon transferred to the Investment Entities the Idearc Debt Obligations in exchange (the Exchange) for certain debt obligations of Verizon held by the Investment Entities. A copy of each Exchange Agreement is attached hereto as Exhibit 10.2 and 10.3, and each is incorporated herein by reference into this Item 1.01.

The Exchange was consummated on November 17, 2006.
