**Item 5.03. Amendments to Articles of Incorporation or By-laws; Change in Fiscal Year**

On January 24, 2007, the Board of Directors of PerkinElmer, Inc. (the Company) adopted amendments to the Company's Amended and Restated Articles of Organization and Amended and Restated By-laws that, if approved by the Company's stockholders, would implement a majority voting standard for uncontested elections of directors. These amendments are being submitted for such approval at the Company's annual meeting of stockholders in April 2007.

To support the operation of the proposed majority voting standard for the election of directors, the Company's Board of Directors also adopted, on January 24, 2007, an amendment to the Company's Amended and Restated By-laws to add an advance notice provision for the election of directors. This provision fixes a deadline by which stockholder nominations for directors must be submitted to the Company before an annual meeting, and requires that a stockholder nominating a director submit important information about the nominee to the Company. This amendment enables the Company to know, before it mails its proxy statement for a meeting of stockholders and the proxy card for the election of directors, whether or not the election will be contested and thus whether a majority or plurality voting standard will apply. Unlike the amendments described in the preceding paragraph, the amendment described in this paragraph does not require approval of the Company's stockholders, so it became effective on January 24, 2007.

**Item 8.01. Other Events**

On January 30, 2007, the Company released the press release attached as Exhibit 99.1. Exhibit 99.1 is incorporated by reference into this Item 8.01.

**Important Additional Information Will Be Filed with the SEC**
