Item 8.01. Other Events.

On August 13, 2007, Power Integrations, Inc. ("Power Integrations") sent an email (the "Preliminary Communication") from Rafael Torres, the Chief Financial Officer of Power Integrations, to Power Integrations employees reminding them of a proposed tender offer pursuant to which Power Integrations would offer to amend, at the election of the applicable current employee-optionholder, specified portions of certain stock options granted under certain Power Integrations stock option plans (the "Affected Options"). In the email Mr. Torres informs the recipient that Power Integrations currently expects the tender offer to commence on August 14, 2007, and that those persons eligible to participate in the tender offer would be receiving information regarding which of the options they hold may be Affected Options once the tender offer commences. The Preliminary Communication does not constitute an offer to Power Integrations optionholders to amend their Affected Options. The email is filed as Exhibit 99.1 hereto.

Tender offer statement

This Current Report on Form 8-K is for informational purposes only and is not an offer to buy, or the solicitation of an offer to sell, any shares. The full details of any tender offer, including complete instructions on how to tender shares, will be included in the offer to purchase, the letter of transmittal and related materials, which would be mailed to optionholders promptly following commencement of the offer. Optionholders should read carefully the offer to purchase, the letter of transmittal and other related materials when they are available because they will contain important information. Optionholders may obtain free copies, when available, of the offer to purchase and other related materials that will be filed by Power Integrations with the Securities and Exchange Commission at the Commission's website at www.sec.gov. When available, optionholders also may obtain a copy of these documents, free of charge, from Laura Bright at Power Integrations.
