Dear Stockholder:

You are cordially invited to attend the 2011 Annual Meeting of Stockholders of Trans Energy, Inc., which will be held on November 30, 2011, 10:00 a.m. Eastern Time. We are very pleased that this year's annual meeting will be our first virtual meeting of stockholders. You will be able to attend the 2011 Annual Meeting, vote and submit your questions during the meeting via live webcast by visiting www.virtualshareholdermeeting.com/TENG.

At the 2011 Annual Meeting, stockholders will be asked to elect seven directors and ratify the appointment of Maloney + Novotny, LLC, as our independent registered public accounting firm. Our board of directors believes that the proposals being submitted for stockholder approval are in the best interests of Trans Energy, Inc. and its stockholders and recommends a vote FOR each of these proposals.

We will be using the Notice and Access method of providing proxy materials to you via the Internet. We believe that this process should provide you with a convenient and quick way to access your proxy materials and vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about October 21, 2011, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and our 2010 Annual Report to Stockholders on the Internet. The Notice also contains instructions on how to vote electronically via the Internet and how to receive a paper copy of your proxy materials and proxy card. If you received your proxy materials via e-mail, the e-mail contained voting instructions and links to the 2010 Proxy Statement and 2011 Annual Report on the Internet.

It is important that your shares be represented and voted at the 2011 Annual Meeting regardless of the size of your holdings. Whether or not you plan to attend the virtual meeting, please vote electronically via the Internet, or, if you request paper copies of the proxy materials, please complete, sign, date and return the accompanying proxy in the postage-paid envelope provided, or follow the instructions on the proxy card or voting instruction card to vote by phone. See "How Do I Vote?" in the proxy statement for more details. Voting electronically, returning your proxy or voting by phone does NOT deprive you of your right to attend the webcast of the virtual meeting and to vote your shares via the Internet for the matters acted upon at the meeting.

We look forward to greeting those of you who will be able to attend the meeting.

Very truly yours,

John G. Corp
President

PROXY STATEMENT

2011 ANNUAL MEETING OF STOCKHOLDERS

We are providing this proxy statement to stockholders of Trans Energy, Inc. in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders to be held on November 30, 2011, at 10.a.m. Eastern Time (the **2011 Annual Meeting** or the **meeting**), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement contains important information for you to consider when deciding how to vote on matters brought before the meeting. Please read it carefully. **The accompanying proxy is solicited by the Board of Directors and is revocable by the stockholder anytime before it is voted.**

As used in this proxy statement, unless otherwise indicated, we, us, our, Trans Energy and the company refer to Trans Energy, Inc.

QUESTIONS AND ANSWERS ABOUT THE 2011 ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission (the **SEC**) has approved Notice and Access rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our 2010 Annual Report to Stockholders, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability, which was mailed to stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability provides instructions on how to vote by Internet, by requesting and returning a paper proxy card or voting instruction card, or by submitting a ballot in person at the meeting. Any request to receive proxy materials by mail or email will remain in effect until you revoke it.

How do I obtain proxy materials via the Internet?

We are making this proxy statement and our 2011 Annual Report on Form 10-K with audited financial statements, available to our stockholders primarily via the Internet. On October 21, 2011, we mailed to our stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials, including this Proxy Statement and the 2011 Annual Report. The Notice of Internet Availability also instructs you on how to access your proxy card to be able to vote through the Internet or by telephone. If you received a Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials in the mail. Other stockholders, in accordance with their prior requests, have received e-mail notification of how to access our proxy materials and vote via the Internet, or have been mailed paper copies of our proxy materials and proxy card or vote instruction form.

Internet distribution of proxy materials is designed to expedite receipt by stockholders, lower the cost of the meeting, and conserve natural resources. However, if you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on the Notice of Internet Availability. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

How do I attend the webcast of the 2011 Annual Meeting?

Edgar Filing: TRANS ENERGY INC - Form DEF 14A

Any stockholder can attend the 2011 Annual Meeting live via the Internet at www.virtualshareholdermeeting.com/TENG.

Webcast starts at 10:00 a.m. Eastern Time.

Stockholders may vote and submit questions while attending the meeting on the Internet.

Please have your 12-Digit Control Number to enter the meeting.

Table of Contents

Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.proxyvote.com.

Questions regarding how to attend and participate via the Internet will be answered by calling 800-690-6903 on the day before the meeting and the day of the meeting.

Webcast replay of the Annual Meeting will be available until December 30, 2011.

Who is entitled to vote at the 2011 Annual Meeting and what are the voting procedures?

Holders of Trans Energy, Inc. common stock at the close of business on October 6, 2011, the record date for the 2011 Annual Meeting established by our board of directors (the **Board**), are entitled to receive Notice of the meeting, and to vote their shares at the meeting and any related adjournments or postponements. The Notice of Internet Availability, proxy statement and form of proxy are first expected to be made available to stockholders on or about October 21, 2011.

As of the close of business on the record date, there were 12,872,078 shares of our common stock outstanding and entitled to vote. Holders of our common stock are entitled to one vote per share. In the election of directors, director nominees must receive a majority of the votes cast at the meeting to be elected. Thus, a director nominee will be elected to the Board only if the number of votes cast FOR the nominee's election exceeds the number of votes cast AGAINST the nominee's election. Stockholders also have the option to abstain from voting for a nominee.

The affirmative vote of a majority of the shares cast at the meeting is required to ratify the appointment of Maloney + Novotny, LLC, an independent registered public accounting firm, as our independent registered public accountants. Votes may be cast FOR or AGAINST the appointment or a stockholder may abstain from voting on the proposal.

Can I vote my shares by filling out and returning the Notice of Internet Availability?

No. The Notice of Internet Availability identifies the items to be voted on at the 2011 Annual Meeting, but you cannot vote by marking the Notice of Internet Availability and returning it.

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name, you are a stockholder of record. If your shares are held in the name of your broker, bank or another holder of record, these shares are held in street name.

If you are a stockholder of record and you have requested printed proxy materials, we have enclosed a proxy card for you to use. If you hold our shares in street name through one or more banks, brokers and/or other holders of record, you will receive the Notice of Internet Availability, together with voting instructions, from the third party or parties through which you hold your shares. If you requested printed proxy materials, your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

What are the quorum requirements for the 2011 Annual Meeting?

The presence in person or by proxy of holders having a majority of the total votes entitled to be cast by holders of our common stock at the 2011 Annual Meeting constitutes a quorum. Your shares of our common stock will be counted as present at the meeting for purposes of determining whether there is a quorum if you vote on the Internet, a proxy card has been properly submitted by you or on your behalf, you vote by phone or you vote in person at the meeting. Abstaining votes and broker non-votes are counted for purposes of establishing a quorum.

What matters will the stockholders vote on at the 2011 Annual Meeting?

The stockholders will vote on the following proposals:

Proposal 1. To elect seven members of our board of directors, each to hold office for a one-year term ending on the date of the next succeeding annual meeting of stockholders or until such director's successor shall have been duly elected and qualified.

Edgar Filing: TRANS ENERGY INC - Form DEF 14A

Proposal 2. To ratify the appointment of Maloney + Novotny, LLC as our independent registered public accounting firm for 2011.

What vote is required to approve these proposals?

The following are the voting requirements for each proposal:

Table of Contents

Proposal 1, Election of Directors. Each director nominee receiving a majority of the votes cast at the meeting will be elected. Abstentions will have the same effect as a vote against a nominee, and broker non-votes will have no effect on the outcome of the vote on the election of directors.

Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's appointment of Maloney + Novotny, LLC as our independent registered public accounting firm for 2011 will be approved if a majority of stockholders present or represented, in person or by proxy, and voting on this matter vote in favor of the proposal.

The person appointed by the company to act as independent inspector of elections will treat all shares of our common stock represented by a returned, properly executed proxy as present for purposes of determining the existence of a quorum at the meeting. Each one share of common stock will entitle the holder to one vote. Cumulative voting is not permitted. Votes cast during the meeting will be counted by the independent inspector of elections.

How do I vote?

You may vote by any of the following methods:

Via the Internet. You may vote via the Internet by following the instructions provided in the Notice of Internet Availability or the voting instruction card provided.

By mail. If you elected to receive printed proxy materials by mail, you may vote by signing and returning the proxy card or voting instruction card provided. Please allow sufficient time for mailing if you decide to vote by mail.

By phone. If you elected to receive printed proxy materials by mail, you may vote by phone by following the instructions on the proxy card or voting instruction card provided.

If you vote by phone or the Internet, please have your proxy card or voting instruction card available. The control number appearing on your proxy card or voting instruction card is necessary to process your vote. A phone or Internet vote authorizes the named proxy holders in the same manner as if you marked, signed and returned a proxy card by mail.

How can I change my vote?

You may change your vote as follows:

Stockholders of record. You may change your vote by submitting another proxy card or a vote via the Internet or by telephone on or before November 30, 2011. For all methods of voting, the last vote cast will supersede all previous votes.

Beneficial owners of shares held in street name. You may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker or other holder of record.

What if I do not specify a choice for a matter when returning a proxy?

If you do not give specific instructions, proxies that are signed and returned will be voted **FOR** each of the proposals.

Could other matters be decided at the 2011 Annual Meeting?

As of the date of the filing of this proxy statement, we were not aware of any matters to be raised at the 2011 Annual Meeting other than those referred to in this proxy statement.

If other matters are properly presented at the meeting for consideration, the proxy holders for the meeting will have the discretion to vote on those matters for stockholders who have voted by the Internet or telephone or submitted a proxy card.

Table of Contents

If I hold my shares in street name through my broker, will my broker vote these shares for me?

If you hold our shares in street name, you must provide your broker, bank or other holder of record with instructions in order to vote these shares. To do so, you should follow the directions regarding voting instructions provided to you by your bank, broker or other holder of record. Banks, brokers and other holders of record have discretionary authority to vote shares held in street name, even if they do not receive instructions from the beneficial owner, on routine proposals, which includes the ratification of the appointment of an independent registered public accounting firm. Accordingly, if you do not provide your bank, broker or other holder of record with voting instructions with respect to the ratification of the appointment of our independent registered public accounting firm (Proposal 2), such holder will have discretionary authority to vote your shares held in street name on that proposal at the 2011 Annual Meeting. As a result of this discretionary authority, broker non-votes will not occur in connection with Proposal 2 at the 2011 Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Banks, brokers and other holders of record do not have discretionary authority to vote shares held in street name in connection with non-routine proposals, including the election of directors (Proposal 1). As a result, broker non-votes will occur in connection with this proposal at the 2011 Annual Meeting. Nevertheless, since broker non-votes are not counted as votes cast they will have no effect on the election of directors.

How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. Although we do not currently contemplate doing so, we may engage a proxy solicitation firm to assist us in soliciting proxies, and if we do so we will pay the fees of any such firm. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, letter, facsimile, electronic medium or in person. Following the original mailing of the Notice of Internet Availability, we will request brokers, custodians, nominees and other record holders to forward their own notice and, upon request, to forward copies of the proxy statement and related soliciting materials to persons for whom they hold shares of our common stock and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses.

What should I do if I have questions regarding the 2011 Annual Meeting?

If you have any questions about the 2011 Annual Meeting, would like to obtain instructions to be able to attend the meeting and vote in person or would like additional copies of any of the documents referred to in this proxy statement, you should call our Investor Relations department at (304) 684-7053.

Table of Contents

CORPORATE GOVERNANCE

Director Independence. Our common stock is currently traded on the OTC Bulletin Board. Accordingly, we are not subject to the rules of any national securities exchange that require that a majority of a listed company's directors and specified committees of the board of directors meet independence standards prescribed by such rules. However, of our seven directors currently serving on the Board, we believe that Robert L. Richards, Richard L. Starkey, Stephen P. Lucado, Dr. Benjamin H. Thomas are independent directors within the meaning of Rule 5605(a)(2) of The NASDAQ Stock Market Inc. listing rules. The Board believes this leadership structure provides effective and clear leadership for the company.

Director Nominations. The Board does not currently have a standing nominating committee nor has it adopted a nominating committee charter. The entire Board currently operates as the nominating committee. There is no formal process or policy that governs the manner in which we identify potential candidates for the Board. Historically, the Board has considered several factors in evaluating candidates for nomination to the Board including, but limited to the candidate's knowledge of the company and its business, the candidate's business experience and credentials, and whether the candidate would represent the interests of all our stockholders as opposed to a specific group of stockholders.

Deadline and Procedures for Submitting Board Nominations. We do not have a formal policy with respect to our consideration of Board nominees recommended by stockholders. However, the Board will consider candidates recommended by stockholders on a case-by-case basis. A stockholder who desires to recommend a candidate for nomination to the Board at the Annual Meeting of Stockholders to be held in 2012, is required to give written notice to the company at 210 Second Street, P.O. Box 393, St. Marys, West Virginia 26170, attention Chief Financial Officer. The notice of nomination and other required information must be received by the company no later than March 31, 2012. With respect to the aforementioned deadline, if the date of the 2012 Annual Meeting is advanced by more than thirty days or delayed (other than as a result of adjournment) by more than thirty days from the anniversary of the 2011 Annual Meeting, a stockholder must submit any such proposal to the company no later than the close of business on the sixtieth day prior to the date of the 2012 Annual Meeting.

Code of Ethics. We currently do not have a code of ethics. Following the 2011 Annual Meeting, our Board will consider adopting a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions.

Board of Directors and Board Committees

We have an audit committee comprised of our four independent directors within the meaning of Rule 5605(a)(2) of The NASDAQ Stock Market Inc. listing rules. Our audit committee will approve in advance the scope and cost of the engagement of an auditor before the auditor renders audit and non-audit services. As a result, we do not rely on pre-approval policies and procedures.

Communications with the Board of Directors

All interested parties who wish to communicate with the Board or any of the non-management directors, may do so by sending a letter to the Corporate Secretary, Trans Energy, Inc. 210 Second Street, P.O. Box 393, St. Marys, West Virginia 26170, and should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations or communications, will be forwarded to the appropriate director or directors for review. Any such unsolicited commercial solicitation or communications not forwarded to the appropriate director or directors will be available to any non-management director who wishes to review it.

Certain Relationships and Related Transactions

The company does not have a written policy pertaining solely to the approval or ratification of related party transactions. However, it is our policy that any material transactions between us and members of management or their affiliates, must be on terms no less favorable than those available from unaffiliated third parties.

On October 6, 2009, our Board approved a plan to satisfy an immediate cash need of \$1,250,000 to settle a disputed invoice for drilling services. The invoice had been held without payment for several months due to a dispute over its amount. Management negotiated a settlement at what it considered a reasonable level and less than the amount previously accrued on October 8, 2009. In order to raise the necessary funds to immediately settle the dispute, the company sold for \$321,192 an interest in five shallow wells, which management determined to be non-strategic to the company, to Sancho Oil & Gas Corporation that is principally owned by Loren E. Bagley, a director. In addition, three members of the Board extended 60-day bridge loans to the company in the aggregate amount of \$928,858, evidenced by three secured convertible promissory notes.

Table of Contents

The promissory notes, payable on demand, were issued to James K. Abcouwer (\$350,000), Robert L. Richards (\$100,000), and Loren E. Bagley in the name of Sancho Oil & Gas (\$478,858). Director Attendance at Annual Meetings

We did not hold an annual meeting during 2010. The company does not have a formal policy with regard to the directors' attendance at annual meetings of stockholders. During our fiscal year ended December 31, 2010, there were 14 meetings of the Board. Attendance at the meetings averaged 100% in person, by phone or by proxy in 2010, and no member of the Board attended less than 75% or more of the aggregate number of meetings of the Board in person or by proxy and any committee of which he is a member.

The Board of Directors, acting as a committee of the whole, has the responsibility for considering nominations for prospective Board members. The Board of Directors will consider nominees recommended by stockholders who submit a notice of nomination to the company at least 60 days but not more than 90 days prior to the first anniversary of the preceding year's annual meeting. Such notice shall contain appropriate data with respect to the suggested candidate in order to make an informed decision as to the qualifications of the person.

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Audit Committee of the Board has appointed Maloney + Novotny, LLC as the independent registered public accountants for the fiscal year ending December 31, 2011. While stockholder ratification is not required by the company's By-laws or otherwise, the Board is submitting the selection of Maloney + Novotny, LLC to the stockholders for ratification as part of good corporate governance practices. If the stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain Maloney + Novotny, LLC. Even if the selection is ratified, the Board, in its discretion, may direct the appointment of different independent registered public accountants at any time during the year if it determines that such a change would be in the best interest of the company and its stockholders.

Change in Certifying Accountant

On June 17, 2009, we dismissed our former certifying accountant, GBH CPAs, PC (*GPA CPAs*). GBH CPAs served as certifying accountant for financial statements since October 1, 2007. Its audit report to the company's financial statements for the year ended December 31, 2008, includes a modification expressing substantial doubt as to the company's ability to continue as a going concern because the company had generated significant losses from operations and had a working capital deficit. GBH CPAs' audit report for the year ended December 31, 2007 also expressed substantial doubt as to the company's ability to continue as a going concern because we had generated significant losses from operations, had an accumulated deficit and a working capital deficit. The audit reports contained no other adverse opinion, disclaimer of opinion or modification as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2008 and 2007 and the subsequent interim periods preceding the change, there were no disagreements with GBH CPAs on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of GBH CPAs would have caused GBH CPAs to make reference to the subject matter of the disagreements in connection with any reports it would have issued. Also, there were no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

On June 23, 2009, we entered into an engagement letter with Maloney + Novotny LLC (*Maloney + Novotny*) to assume the role of our new certifying accountant. Maloney + Novotny was asked to audit the company's financial statements for the year ended December 31, 2009. During the two most recent fiscal years and the subsequent interim periods prior to the engagement of Maloney + Novotny, the company did not consult with Maloney + Novotny with regard to any matters set forth in Item 304(a)(2) Regulation S-K.

The decision to change the company's certifying accountant and the engagement of the new certifying accountant was recommended and approved by the company's Board of Directors.

Audit fees include professional services with respect to the audit of the company's consolidated financial statements included in our Annual Report on Form 10-K and review of financial statements included in our Quarterly Reports on Form 10-Q. These services are normally provided by Maloney + Novotny in connection with statutory and regulatory filings performed by Maloney + Novotny to comply with generally accepted auditing standards, as well as fees for the audit of the company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit-Related Fees. Audit-related fees (including expenses) billed to the company by Maloney + Novotny were \$0 in both fiscal years 2010 and 2009. GBH CPAs billed the company \$1,200 for audit-related fees in 2009.

All Other Fees. No other fees were billed by our auditors during the fiscal years 2010 and 2009.

The Board has adopted procedures for pre-approving all audit and permissible non-audit services provided by the independent registered public accountants. The Board will annually review and pre-approve the audit, review and attest services to be provided during the next audit cycle by the independent registered public accountants and may annually review and pre-approve permitted non-audit services to be provided during the

Such proposal must also comply with the requirements as to form and substance established by the SEC for such a proposal to be included in the proxy statement. We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

the execution of proxies. The company will reimburse such entities for reasonable out-of-pocket expenses incurred in handling proxy materials for the beneficial owners of the company's common stock.

All shares represented at the meeting by a proxy will be voted in accordance with the instructions specified in that proxy. Proxies received and marked "Abstain" as to any particular proposal, will be counted in determining a quorum, however, such proxies will not be counted for the vote on that particular proposal. A majority of the shares represented at the meeting is required to ratify any proposal presented.

HOUSEHOLDING

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Trans Energy stock but sharing the same address, we have adopted a procedure approved by the SEC called "householding." Under this procedure, certain registered stockholders who have the same address and last name, and who do not participate in electronic delivery of proxy materials, will receive only one copy of our Notice of Internet Availability and, as applicable, any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you are a registered stockholder and would like to have separate copies of the Notice of Internet Availability or proxy materials mailed to you in the future, you must submit a request to opt out of householding in writing to Trans Energy, Inc., Householding Department, 210 Second Street, P.O. Box 393 St. Marys, West Virginia 26170, or call Trans Energy at (304) 684-7053, and we will cease householding all such documents within 30 days. If you are a beneficial stockholder, information regarding householding of proxy materials should have been forwarded to you by your broker. Registered stockholders are those stockholders who maintain shares under their own names. Beneficial stockholders are those stockholders who have their shares deposited with a brokerage firm.

However, please note that if you want to receive a paper proxy card or vote instruction form or other proxy materials for purposes of this year's Meeting, you should follow the instructions included in the Notice of Internet Availability that was sent to you.

ELECTRONIC DELIVERY OF FUTURE PROXY MATERIALS

If you receive your proxy materials by mail, we encourage you to elect to receive future copies of proxy statements and annual reports by e-mail. To enroll in the online program, go to www.proxyvote.com, click on Stockholder Electronic Delivery and follow the enrollment instructions. Upon completion of enrollment, you will receive an e-mail confirming the election to use the electronic delivery services. The enrollment in the online program will remain in effect for as long as your brokerage account is active or until enrollment is cancelled. Enrolling to receive proxy materials online will save Trans Energy the cost of printing and mailing documents and help preserve our natural resources.
