SUBJECT COMPANY: ENDO HEALTH SOLUTIONS INC.

COMMISSION FILE NO. 001-15989

Dear Colleagues,

I am pleased to inform you that today we announced a definitive agreement to acquire Paladin Labs, a leading Canadian specialty pharmaceuticals company, in a transaction that brings considerable benefits to our company, patients, customers, employees, and shareholders.

Since its founding in 1996, Paladin has assembled an impressive track record of successfully acquiring and in-licensing innovative pharmaceutical products for the Canadian market as well as other select international markets. The Company has a strong product portfolio with a significant presence in attractive therapeutic areas with substantial unmet needs, including ADHD, pain management, urology, and allergy.

Paladin has more than 60 marketed drugs, a promising pipeline of new products, a focused sales team and proven marketing expertise in Canada. Our acquisition of Paladin will accelerate Endo's strategic transformation from an integrated healthcare solutions provider to a leading global specialty healthcare company. The acquisition presents enhanced opportunities to drive future growth by enabling Endo to directly commercialize future products in Canada, providing access to attractive emerging markets such as South Africa and Latin America, and creating a compelling platform to support additional strategic acquisitions going forward.

In many ways, the combination of our companies is very strategic: Paladin operations complement our existing specialty pharmaceuticals business, their business model is very similar to our own and their people share our values and commitment to making a positive impact on the lives of patients. We look forward to working together toward a smooth integration for all employees of both companies as we to continue to expand Paladin's presence in the Canadian market.

Following the completion of the transaction, Paladin's current operations and headquarters will remain in Montreal, Canada. Endo will continue to be led by our management team and Paladins will continue as a separate operating entity led by Mark Beaudet, its current President, who will report directly to me upon the close of the transaction. The transaction is expected to close in the first half of 2014. We will provide further details related to the transaction over the next few months.

More information regarding this transaction can be obtained by reading the attached press release or speaking with a member of the Executive Leadership Team (ELT). I look forward to

welcoming Paladin's talented team of professionals on board. I want to take this opportunity to thank all of you for your ongoing efforts and your commitment and dedication is the foundation of our success.

Sincerely,

Rajiv De Silva

President and CEO
