The following document is filed herewith pursuant to Rule 425 under the Securities Act of 1933:

Investor presentation made by Northrim BanCorp, Inc. on February 5, 2014.

*This communication contains forward-looking statements that are subject to risks and uncertainties. All statements, other than statements of historical fact, regarding the financial position, business strategy and respective management's plans and objectives for future operations of each of Northrim BanCorp, Inc. ( Northrim ) and Alaska Pacific Bancshares, Inc. ( Alaska Pacific ) are forward-looking statements. Readers should not place undue reliance on forward-looking statements, which reflect management's views only as of the date hereof. When used in this communication, the words anticipate, believe, estimate, expect, and intend and words or phrases of similar meaning as they relate to Northrim, Northrim's management, Alaska Pacific, or Alaska Pacific's management are intended to help identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Although we believe that management's respective expectations as reflected in forward-looking statements are reasonable, we cannot assure readers that those expectations will prove to be correct. Forward-looking statements are subject to various risks and uncertainties that may cause actual results to differ materially and adversely from expectations as indicated in the forward-looking statements. These risks and uncertainties include: expected cost savings, synergies and other financial benefits from the proposed merger with Alaska Pacific might not be realized within the expected time frames and costs or difficulties relating to integration matters might be greater than expected; the requisite shareholder and regulatory approvals for the proposed merger might not be obtained; and the ability of Northrim and Alaska Pacific to execute their respective business plans (including the proposed merger). Further, actual results may be affected by the ability to compete on price and other factors with other financial institutions; customer acceptance of new products and services; the regulatory environment in which we operate; and general trends in the local, regional and national banking industry and economy as those factors relate to the cost of funds and return on assets. In addition, there are risks inherent in the banking industry relating to collectibility of loans and changes in interest rates. Many of these risks, as well as other risks that may have a material adverse impact on our operations and business, are identified in other filings of Northrim and Alaska Pacific made with the Securities and Exchange Commission (the SEC ). However, you should be aware that these factors are not an exhaustive list, and you should not assume these are the only factors that may cause our actual results to differ from our expectations. These forward-looking statements*

*are made only as of the date of this current report, and neither Northrim nor Alaska Pacific undertakes an obligation to release revisions to these forward-looking statements to reflect events or conditions after the date of this current communication.*

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. This communication relates to a transaction which is subject to a registration statement filed with the SEC. In connection with the proposed merger transaction, Northrim has filed with the SEC a registration statement on Form S-4 (File No. 333-192718) that includes a proxy statement of Alaska Pacific, and a prospectus of Northrim, as well as other relevant documents concerning the proposed merger transaction. Alaska Pacific has mailed the proxy statement to its shareholders on or about February 3, 2014. This communication is not a substitute for the registration statement Northrim has filed with the SEC regarding the proposed merger transaction or for any other document Northrim may file with the SEC. **INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT AND THE PROXY STATEMENT/PROSPECTUS REGARDING THE MERGER AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THOSE DOCUMENTS, CAREFULLY IN THEIR ENTIRETY BECAUSE THEY CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED MERGER TRANSACTION.** Such documents are available free of charge through the website maintained by the SEC at [www.sec.gov](http://www.sec.gov) or by calling the SEC at telephone number 800-SEC-0330.
