ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

2014 Executive Bonus Plan

On March 16, 2014, the Compensation Committee (the *Committee*) of the Board of Directors (the *Board*) of CEVA, Inc. (the *Company*) approved a 2014 Executive Bonus Plan (the *Executive Plan*), effective as of January 1, 2014, applicable for Gideon Wertheizer, the *Company's* Chief Executive Officer, and Yaniv Arieli, the *Company's* Chief Financial Officer.

The following is a description of the Executive Plan provided pursuant to Paragraph 10(iii) to Item 601 of Regulation S-K, which requires a written description of a compensatory plan when there is no formal document containing the compensation information. In accordance with the Executive Plan, fifty percent of the cash bonus payable to each of Messrs. Wertheizer and Arieli would be determined based upon the *Company's* achievement of financial performance targets, consisting of (x) the licensing and related revenue target, and (y) the royalty revenue target, both of which are based on the *Company's* internal 2014 budget approved by the Board. The licensing and related revenue target and the royalty revenue target are subject to different weightings for determination of the 50% cash payout based on the achievement of financial performance targets. No bonus would be payable for that portion of the bonus payable upon achievement of the licensing and related revenue target or the royalty revenue target if the *Company* fails to achieve 90% of that target. If the *Company* exceeds 110% of either target, the *Committee* has the discretion, if it is deemed to be in the *Company's* best interests and the best interests of its stockholders, to pay an additional discretionary bonus for exceeding such target. If the *Company* achieves 90% but below 110% of the licensing and related revenue target or the royalty revenue target, the payout for that portion of the bonus payable upon achievement such target would be linear between those two percentage points (i.e. if the *Company* achieves 95% of the royalty revenue target, 95% of the bonus amount payable upon achievement of such target would be payable to Messrs. Wertheizer and Arieli). The other fifty percent of the bonus payable to each of Messrs. Wertheizer and Arieli under the Executive Plan would be payable at the sole discretion of the *Committee* based on such tangible and intangible individual performance factors as it considers appropriate, including the executive officer's relative contribution to the *Company's* performance during 2014. No individual performance factors have been determined by the *Committee* to date. The *Committee's* determination as to whether individual performance goals have been met may be subjective in nature. The bonus payable to each of Messrs. Wertheizer and Arieli under the Executive Plan is capped at 83.33% and 58.33%, respectively, of each of their base salaries for 2014. Payment of bonuses (if any) will be made in 2015. Bonuses will be paid in cash in a single lump sum, subject to payroll taxes and tax holdings.

Due to their strategic significance, the *Company* believes that the disclosure of the 2014 licensing and related revenue target and royalty revenue target under the Executive Plan would cause future competitive harm to the *Company* and therefore are not disclosed. In addition, the *Company* believes the disclosure of the weightings that applied to the financial performance targets would cause future competitive harm since the weightings indicate the priority the *Company* places on certain revenue generating activities and therefore are not disclosed.
