WALKER & DUNLOP, INC.

We are one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending. We originate, sell, and service a range of multifamily and other commercial real estate finance products. Our clients are owners and developers of commercial real estate across the country. We originate and sell loans through the programs of the Federal National Mortgage Association (**Fannie Mae**), the Federal Home Loan Mortgage Corporation (**Freddie Mac**) and together with Fannie Mae, the government-sponsored enterprises, or the **GSEs**), the Government National Mortgage Association (**Ginnie Mae**) and the Federal Housing Administration, a division of the U.S. Department of Housing and Urban Development (together with Ginnie Mae, **HUD**), with which we have long-established relationships. We retain servicing rights and asset management responsibilities on substantially all loans that we originate for GSE and HUD programs. We are approved as a Fannie Mae Delegated Underwriting and Servicing (**DUS**) lender nationally, a Freddie Mac Program Plus lender in 22 states and the District of Columbia, a Freddie Mac targeted affordable housing seller/servicer, a HUD Multifamily Accelerated Processing (**MAP**) lender nationally, a HUD Section 232 LEAN lender nationally, and a Ginnie Mae issuer. We broker and service loans for a number of life insurance companies, commercial banks, commercial mortgage backed securities (**CMBS**) issuers, and other institutional investors, in which cases we do not fund the loan but rather act as a loan broker. We also originate and hold interim loans on our balance sheet and offer proprietary CMBS and large interim loans through our partnerships with institutional investors. We have been in business for more than 77 years; a Fannie Mae DUS lender since 1988, when the DUS program began; a HUD lender since acquiring a HUD license in 2009; and a Freddie Mac Program Plus lender since 2009.

The sale of each loan through GSE and HUD programs is negotiated prior to rate locking or closing the loan with the borrower. For loans originated pursuant to the Fannie Mae DUS program, we generally are required to share the risk of loss, with our maximum loss capped at 20% of the loan's balance at origination. In addition to our risk-sharing obligations, we may be obligated to repurchase loans that are originated for GSE and HUD programs if certain representations and warranties that we provide in connection with such originations are breached. We have never been required to repurchase a loan. We have established a strong credit culture over decades of originating loans and are committed to disciplined risk management from the initial underwriting stage through loan payoff.

Walker & Dunlop, Inc. is a holding company, and we conduct substantially all of our operations through Walker & Dunlop, LLC, our operating company. In December 2010, we completed our initial public offering. In connection with our initial public offering, we completed certain formation transactions through which Walker & Dunlop, LLC became a wholly owned subsidiary of Walker & Dunlop, Inc., a newly formed Maryland corporation (the **Formation Transaction**).

Table of Contents

On September 4, 2012, we closed the acquisition of CWCapital LLC (CWCapital), a wholly owned subsidiary of CW Financial Services LLC (CWFS), which is an affiliate of Fortress Investment Group LLC (Fortress), at which time the total consideration transferred was valued at approximately \$231.1 million, consisting of \$80.0 million in cash and approximately 11.6 million shares of our common stock with a fair value of \$151.1 million issued in a private placement to CWFS (the CW Acquisition). Upon closing of the CW Acquisition, CWCapital became an indirect wholly owned subsidiary of the Company and was renamed Walker & Dunlop Capital, LLC. Additionally, Fortress became our largest shareholder.

CWCapital was one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending, originating and selling mortgage loans pursuant to the programs of Fannie Mae, Freddie Mac, Ginnie Mae and HUD. The CW Acquisition increased our servicing portfolio by \$14.5 billion and significantly increased our origination capacity and national presence.

On September 25, 2014, we executed a purchase agreement to acquire certain assets and assume certain liabilities of Johnson Capital Group, Inc. (Johnson Capital). The acquisition of Johnson Capital closed on November 1, 2014 (JC Acquisition). The consideration transferred totaled \$23.5 million and consisted of \$17.6 million in cash and \$5.9 million of our common stock issued in a private placement. The JC Acquisition expands our network of loan originators, provides further diversification to our origination platform, and increases our HUD servicing portfolio.

Since 2011, we have offered interim loans for our balance sheet that provide floating-rate debt to experienced borrowers seeking to acquire or reposition multifamily properties that do not currently qualify for permanent financing (the Interim Program). We closed our first loan under the Interim Program in February 2012. We underwrite all loans originated through the Interim Program. During the time the loans are outstanding, we assume the full risk of loss on the loans. In addition, we service and asset-manage loans originated through the Interim Program, with the ultimate goal of providing permanent financing on the properties. These loans are classified as held for investment on our balance sheet during such time that they are outstanding. We have not experienced any delinquencies or charged off any loans originated under the Interim Program. We held 12 loans originated under the Interim Program with an aggregate \$225.3 million unpaid principal balance as of December 31, 2014.

Since 2013, we have offered a large loan bridge program (the Bridge Program) through a partnership in which we own a five-percent interest (Bridge Partnership). The loans in the Bridge Program are selected and funded by the Bridge Partnership and underwritten by us. We receive an asset management fee on the invested capital for managing the Bridge Program and servicing the loans. The Bridge Partnership assumes the full risk of loss on the loans. We account for our five-percent interest under the equity method of accounting. The Bridge Partnership held one loan originated under the Bridge Program with a \$44.2 million unpaid principal balance as of December 31, 2014.

We own a 20% interest in a partnership with an affiliate of our largest stockholder and an affiliate of the selling stockholders in this offering, Fortress (the CMBS Partnership). The CMBS Partnership began offering financing through a CMBS platform for all commercial property types throughout the United States (the CMBS Program) during 2014. The CMBS Partnership expects to sell all loans originated by it into secondary securitization offerings within 90 days of origination. The loans in the CMBS Partnership are selected and funded by the CMBS Partnership and underwritten by us. We receive a fee for servicing the loans. The CMBS Partnership assumes the full risk of loss on the loans while it holds the loans. We account for our 20 percent interest under the equity method of accounting. The CMBS Partnership originated \$116.1 million of loans through the CMBS Program and contributed loans to two third-party securitizations during 2014.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transaction Policies

Our Board has adopted a written policy regarding the approval of any related person transaction, which is any transaction or series of transactions in which we or any of our subsidiaries is (or are to be) a participant, the amount involved exceeds \$100,000, and a related person (as defined under SEC rules) has a direct or indirect material interest; provided, however, that approval is not required for competitive bidding and similar transactions that are not deemed to be related party transactions under Item 404(a) of Regulation S-K of the Securities Act of 1933, as amended (the Securities Act). Under the policy, a related person would need to promptly disclose to our compliance officer any related person transaction and all material facts about the transaction. Our compliance officer would then assess and promptly communicate that information to the Audit Committee of our Board. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee which will evaluate all options available, including ratification, revision or termination of such transaction, and will either approve or reject the transaction or refer the transaction to the full Board or other appropriate Board committee, in its discretion. Our policy provides that any director who may be interested in a related person transaction should recuse himself or herself from any consideration of such related person transaction.

2010 Registration Rights Agreement

In December 2010, in connection with our initial public offering, we completed formation transactions through which Walker & Dunlop, LLC became our wholly owned subsidiary. Among the parties to such registration rights agreement, which we refer to as the 2010 registration rights agreement, were Column Guaranteed LLC (Column), three of our named executive officers, Messrs. Walker, Smith and Warner, our then Executive Vice President and Chief Executive Officer, Deborah Wilson and certain employees and non-employees, together with their permitted assignees and transferees, we refer to collectively as holders of 2010 registrable shares.

Pursuant to the 2010 registration rights agreement, we granted to holders of 2010 registrable shares demand registration rights, subject to certain limitations, to have such shares registered for resale on a registration statement that must remain effective for the shorter of: (a) two (2) years from its date of effectiveness, (b) the period ending on the date on which all of the 2010 registrable shares covered by such registration are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (c) the date on which the parties to the 2010 registration rights agreement complete the sale of all of the 2010 registrable shares. We also granted to holders of 2010 registrable shares holding a number of 2010 registrable shares equal to at least ten percent (10%) of the total number of shares of our common stock issued in the formation transactions described above demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2010 registrable shares through an underwritten public offering.

In addition to demand registration rights, we also granted to holders of 2010 registrable shares tag-along (or piggy-back) rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account.

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2010 registration rights agreement, subject to certain limitations, to postpone the filing of

a registration statement and from time to time to require holders of 2010 registrable shares not to sell under a registration statement or to suspend the effectiveness of such registration statement. We will bear all of the costs and expenses incident to our registration obligations under the 2010 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2010 registrable shares. We have also agreed, subject to certain limitations, to indemnify holders of 2010 registrable shares against specified liabilities, including certain potential liabilities arising under the Securities Act.

As described in *Column Stock Repurchase*, on March 17, 2014, we repurchased from Column all of the shares of our common stock it then owned. Accordingly, Column has no registration rights under the 2010 registration rights agreement.

Amendment of 2010 Registration Rights Agreement

In connection with our acquisition of CWC Capital and the 2012 registration rights agreement described below, the Company, CWFS and certain of the signatories to the 2010 registration rights agreement, which we refer to collectively as the current holders, entered into a letter agreement pursuant to which CWFS and the current holders agreed, among other things: (i) to *pro rata* cutbacks with respect to their respective piggy-back registration rights under the 2012 registration rights agreement and the 2010 registration rights agreement, respectively, if requested by a managing underwriter in order to reduce the amount of shares to be included in offerings for our own account or offerings of 2012 registrable shares or 2010 registrable shares, as applicable, (ii) that whichever of them requests an underwritten offering of 2012 registrable shares or 2010 registrable shares, as applicable, will also have the right to select the managing underwriters for such offering, (iii) to reduce the threshold at which Column has the right to request registration of 2010 registrable shares for sale through an underwritten public offering to five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWC Capital described below and (iv) for the Company to include the 2010 registrable shares of the current holders in the registration statement to be filed in connection with the 2012 registration rights agreement.

2012 Registration Rights Agreement

In September 2012, in connection with our acquisition of CWC Capital, we entered into a registration rights agreement, which we refer to as the 2012 registration rights agreement, with CWFS, the former owner of CWC Capital, with regard to shares of our common stock issued to CWFS, which we refer to collectively as the 2012 registrable shares.

Pursuant to the 2012 registration rights agreement, we agreed to register for resale all of the 2012 registrable shares held by CWFS, which, together with its permitted transferees or assigns, we refer to collectively as holders of 2012 registrable shares, on a shelf registration statement filed with the SEC no later than 30 days after the closing date of our acquisition of CWC Capital. We also granted to holders of 2012 registrable shares piggy-back rights, subject to certain limitations, pursuant to which such holders have the right to have such shares registered if we propose to file a registration statement with respect to an underwritten offering of shares for our own account or for the account of one or more other stockholders of the Company. In either case, we agreed to use our reasonable best efforts to maintain the effectiveness of the relevant registration statement until the earlier of (i) the date on which all 2012 registrable shares covered by such registration statement are eligible for sale without registration pursuant to Rule 144 or any successor provision under the Securities Act, without volume limitations or other restrictions on transfer thereunder and (ii) the date on which holders of 2012 registrable shares consummate the sale of all 2012 registrable shares registered under such registration statement.

We also granted to holders of 2012 registrable shares holding a number of 2012 registrable shares equal to at least five percent (5%) of the shares of our common stock outstanding as of the closing date of our acquisition of CWC Capital

demand registration rights, subject to certain limitations, pursuant to which such holder will be entitled to effect the sale of such 2012 registrable shares through an underwritten public offering.

Notwithstanding the foregoing, in the event of certain corporate events affecting us for certain periods, we are permitted under the 2012 registration rights agreement, subject to certain limitations, to postpone the filing of a registration statement and from time to time to require holders not to sell under a registration statement or to suspend the effectiveness thereof. We will bear all of the costs and expenses incident to our registration obligations under the 2012 registration rights agreement, including, among other things, fees and disbursements of one counsel retained by the selling holders of 2012 registrable shares. Affiliates of Fortress sold 2 million shares of our common stock in a registered offering in November 2014. In connection therewith, we paid \$205 thousand in Fortress expenses.

Column Voting Agreement

Under the terms of the Column Voting Agreement, to the extent that Column beneficially owned at least ten percent of our then outstanding common stock, at our annual meeting of stockholders held in 2014 or at any special meeting of our stockholders held prior to our 2014 annual meeting at which our directors were to be elected, or at any taking of action by written consent of our stockholders prior to our 2014 annual meeting at which our directors were to be elected, Column had the right to designate one nominee for election to the Board (such nominee, the Column Nominee) at such director election. At or prior to any director election, (i) our Nominating and Corporate Governance Committee was required to recommend to the Board the nomination of the Column Nominee for election to the Board, and (ii) the Board was required to recommend to our stockholders the election of the Column Nominee to the Board. At each such director election, (i) CWFS and its affiliates were required to vote all of their shares of common stock then held in favor of electing the Column Nominee to the Board, and (ii) Column was required to vote all of its shares of our common stock then held in favor of electing CWFS or its affiliates nominees to the Board.

As described in Column Stock Repurchase, on March 17, 2014, we repurchased from Column all of the shares of our common stock it then owned. Accordingly, Column had no right to designate a nominee for election to our Board at the June 5, 2014 annual meeting.

CWFS Designation and Election of Directors

Pursuant to the terms of the Purchase Agreement by which we acquired CWCapital, CWFS was entitled to designate up to two nominees for election as directors to our Board through our annual meeting held in 2014. The Purchase Agreement specified that at our annual meeting of stockholders to be held during the 2013 and 2014 calendar years, or at any special meeting of our stockholders held prior to our 2014 annual meeting of stockholders at which our directors were to be elected, or at any taking of action by written consent of our stockholders prior to our 2014 annual meeting of stockholders with respect to which our directors were to be elected, CWFS had the right (but not the obligation) to designate two nominees for election to our Board at such director elections. Under the terms of the Purchase Agreement, at or prior to any such director election: (i) our Nominating and Corporate Governance Committee was required to recommend to our Board the nomination of the CWFS nominees for election to our Board, and (ii) our Board was required to recommend to our stockholders the election of the CWFS nominees to our Board. Such right has now expired in accordance with the terms of the Purchase Agreement. At each of our 2013 and 2014 annual meetings, CWFS designated Michael D. Malone as the CWFS nominee.

Column Indemnification Agreements

On February 17, 2010, Capital Funding Group, Inc. (Capital Funding) filed a lawsuit in the state Circuit Court for Montgomery County, Maryland against Walker & Dunlop, LLC, our wholly owned subsidiary, for

S-10

Table of Contents

alleged breach of contract, unjust enrichment and unfair competition arising out of an alleged agreement that Capital Funding had with Column to refinance a large portfolio of senior healthcare facilities located throughout the United States (the "Golden Living Facilities"). On November 17, 2010, Capital Funding filed an amended complaint adding Credit Suisse Securities (USA) LLC ("Credit Suisse") and its affiliates Column and Column Financial, Inc. as defendants. In December 2010, Column assumed the defense of the Company pursuant to an indemnification agreement. Capital Funding alleges that a contract existed between it and Column (and its affiliates) whereby Capital Funding allegedly had the right to perform the HUD refinancing for the Golden Living Facilities and according to which Capital Funding provided certain alleged proprietary information to Column and its affiliates relating to the refinancing of the Golden Living Facilities on a confidential basis. Capital Funding further alleges that Walker & Dunlop, LLC, as the alleged successor by merger to Column, is bound by Column's alleged agreement with Capital Funding, and breached the agreement by taking for itself the opportunity to perform the HUD refinancing for the Golden Living Facilities.

Capital Funding further claims that Column and its affiliates and Walker & Dunlop, LLC breached the contract, were unjustly enriched, and committed unfair competition by using Capital Funding's alleged proprietary information for certain allegedly unauthorized purposes. Capital Funding also asserts a separate unfair competition claim against Walker & Dunlop, LLC in which it alleges that Walker & Dunlop, LLC is improperly "taking credit" on its website for certain work actually performed by Capital Funding. Capital Funding seeks damages in excess of \$30.0 million on each of the three claims asserted against all defendants, and an unspecified amount of damages on the separate claim for unfair competition against Walker & Dunlop, LLC. Capital Funding also seeks injunctive relief in connection with its unjust enrichment and unfair competition claims.

Pursuant to an agreement, dated January 30, 2009 (the "Column Transaction Agreement"), among Column, Walker & Dunlop, LLC, W&D, Inc. and Green Park Financial Limited Partnership, Column generally agreed to indemnify Walker & Dunlop, LLC against liability arising from Column's conduct prior to Column's transfer of the assets to Walker & Dunlop, LLC. However, pursuant to the Column Transaction Agreement, Column's indemnification obligation arises only after Column receives a claim notice following the resolution of the litigation that specifies the amount of Walker & Dunlop, LLC's claim.

To provide for greater certainty regarding Column's indemnification obligations before the resolution of this litigation and to cap our total loss exposure, we secured a further agreement from Column in November 2010 confirming that it will indemnify us for any liabilities that arise as a result of this litigation. As part of this further indemnification agreement, in the event Column is required to pay us for any liabilities under the Capital Funding litigation that it otherwise would not have been obligated to pay under the Column Transaction Agreement, we will indemnify Column for an amount up to \$3.0 million. Also as part of this further indemnification agreement, William Walker, our Chairman, President and Chief Executive Officer, and Mallory Walker, former Chairman and current stockholder, in their individual capacities, agreed that if Column is required to indemnify us under this agreement and otherwise would not have been obligated to pay such amounts under the Column Transaction Agreement, Messrs. William Walker and Mallory Walker will pay any such amounts in excess of \$3.0 million but equal to or less than \$6.0 million. As a result of this agreement, we will have no liability or other obligation for any damage amounts in excess of \$3.0 million arising out of this litigation. Although Column has assumed defense of the case for all defendants, and is paying applicable counsel fees, as a result of the indemnification claim procedures described above, we could be required to bear the significant costs of the litigation and any adverse judgment unless and until we are able to prevail on our indemnification claim. We believe that we will fully prevail on our indemnification claims against Column, and that we ultimately will incur no material loss as a result of this litigation, although there can be no assurance that this will be the case.

On July 19, 2011, the Circuit Court for Montgomery County, Maryland issued an order granting the defendants motion to dismiss the case, without prejudice. After the initial case was dismissed without prejudice, Capital Funding filed an amended complaint. In November 2011, the Circuit Court for Montgomery County,

S-11

Table of Contents

Maryland rejected our motion to dismiss the amended complaint. Capital Funding filed a Second Amended Complaint that did not alter the claims at issue but revised their alleged damages. Defendants moved for summary judgment on all claims, including two counts of breach of contract, two counts of promissory estoppel, two counts of unjust enrichment, and two counts of unfair competition. On April 30, 2013, the Court issued an Opinion and Order which granted the motion as to the two promissory estoppel counts and one count of unjust enrichment. The Court denied the motion as to all remaining claims.

A two-week jury trial was held in July 2013. In the course of the trial, all but two of Capital Funding's claims were dismissed. The jury awarded Capital Funding (i) a \$1.8 million judgment against defendants on Capital Funding's breach of contract claim and (ii) a \$10.4 million judgment against Credit Suisse, Column's parent, on Capital Funding's unjust enrichment claim. Because the two claims arise from the same facts, Capital Funding agreed it may only collect on one of the judgments; following the verdict, Capital Funding elected to collect the \$10.4 million judgment against Credit Suisse. The defendants filed a post judgment motion to reduce or set aside the judgment. On January 31, 2014, the Court ruled that the \$10.4 million unjust enrichment judgment is vacated, and awarded Capital Funding the \$1.8 million breach of contract judgment. On February 10, 2014, Capital Funding filed a motion with the Court seeking a new trial. On March 13, 2014, the Court denied Capital Funding's motion for a new trial. Capital Funding filed an appeal with Maryland's Court of Special Appeals, which was heard on December 10, 2014. We are awaiting a ruling on the appeal.

As a result of an indemnification arrangement with Column, our loss exposure is limited to \$3.0 million, and we believe that the indemnification fully covers the \$1.8 million judgment.

Column Stock Repurchase

On March 14, 2014 we entered into a Stock Purchase Agreement with Column to repurchase all 2,450,451 shares of our common stock it then owned, at an aggregate purchase price of \$35.5 million or \$14.50 per share. The repurchase was completed on March 17, 2014.

CMBS Partnership

We offer a Commercial Mortgage Backed Securities (CMBS) lending program (CMBS Program) through a partnership with an affiliate of Fortress, in which we own a 20 percent interest (CMBS Partnership). Affiliates of Fortress and the selling stockholders in this offering manage funds which collectively constitute our largest stockholder group. The CMBS Program offers financing for all commercial property types throughout the United States. The loans in the CMBS Program are selected and funded by the CMBS Partnership and underwritten by us. We receive a fee for servicing the loans. The CMBS Partnership assumes the full risk of loss on the loans while it holds the loans. We account for our 20 percent interest in the CMBS Partnership using the equity method of accounting. Eleven loans with an aggregate unpaid principal balance of \$116.1 million were originated through the CMBS Program during 2014. We recorded a \$29 thousand loss related to the CMBS Program in 2014.

Servicing Fees

Walker & Dunlop, LLC is the loan subservicer for three loans serviced by CWCAPITAL Asset Management LLC (CWCAM), an affiliate of Fortress and the selling stockholders in this offering, pursuant to a subservicing agreement between Walker & Dunlop, LLC and CWCAM. In 2014, we received aggregate servicing fees under this agreement of \$73 thousand.

Walker & Dunlop, LLC is the servicer of a portfolio of 439 Fannie Mae secondary risk loans. In connection with that portfolio of loans, Walker & Dunlop, LLC is party to a sub-special servicing agreement with CWCAM pursuant to which we will pay CWCAM fees for performing special servicing services for mortgage loans in the portfolio. CWCAM currently performs special servicing services for three loans under the special servicing agreement. In 2014, we paid CWCAM aggregate fees of \$151 thousand.

In 2014 through October 30, 2014, we received \$606 thousand in servicing fees, including a prepayment fee. CoStar Information Subscriptions

Andrew C. Florance, one of our Directors, is the president and chief executive officer and a member of the board of directors of CoStar. CoStar is a provider of commercial real estate information and analytic services. In 2014, we paid \$324 thousand in fees for various CoStar subscription services. We use each of these subscriptions to analyze commercial real estate property, markets and assets in connection with our lending, loan servicing and asset management activities.

U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a discussion of certain United States federal income tax considerations relating to the holding and disposition of our common stock by a non-U.S. stockholder (as defined below). As used in this section, references to the terms company, we, our, and us mean only Walker & Dunlop, Inc. and not its subsidiaries or other lower-tier entities, except as otherwise indicated.

This summary is based upon the United States Internal Revenue Code of 1986, as amended (the Internal Revenue Code), U.S. Treasury Regulations, rulings and other administrative interpretations and practices of the Internal Revenue Service (the IRS) (including administrative interpretations and practices expressed in private letter rulings which are binding on the IRS only with respect to the particular taxpayers who requested and received those rulings), and judicial decisions, all as currently in effect, and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences described below. We have not sought and will not seek an advance ruling from the IRS regarding any matter discussed in this section. The summary is also based upon the assumption that we will operate the company and its subsidiaries and affiliated entities in accordance with their applicable organizational documents.

This summary is for general information only, and does not purport to discuss all aspects of U.S. federal income taxation that may be important to a particular investor in light of its investment or tax circumstances, or to investors subject to special tax rules, including:

broker-dealers;

financial institutions;

holders who receive our common stock through the exercise of employee stock options or otherwise as compensation;

insurance companies;

persons other than non-U.S. stockholders (as defined below);

persons holding 10% or more (by vote or value) of our outstanding common stock, except to the extent discussed below;

persons holding our stock as part of a straddle, hedge, conversion transaction, synthetic security or other integrated investment or transaction;

This summary assumes that stockholders will hold our common stock as a capital asset, which generally means as property held for investment.

You are urged to consult your tax advisor regarding the U.S. federal, state, local, and foreign income and other tax consequences to you in light of your particular investment or tax circumstances of acquiring, holding, exchanging, or otherwise disposing of our common stock.

Taxation of Non-U.S. Stockholders

This section summarizes the taxation of non-U.S. stockholders. For these purposes, a non-U.S. stockholder is a beneficial owner of our common stock that for U.S. federal income tax purposes is other than:

a citizen or resident of the U.S.;

a corporation (including an entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the U.S. or of a political subdivision thereof (including the District of Columbia);

an estate whose income is subject to U.S. federal income taxation regardless of its source; or

any trust if (i) a U.S. court is able to exercise primary supervision over the administration of such trust and one or more United States persons have the authority to control all substantial decisions of the trust, or (ii) it has a valid election in place to be treated as a United States person.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds our common stock, the U.S. federal income tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of any such partnership holding our common stock should consult its own tax advisor regarding the U.S. federal income tax consequences to the partner of the acquisition, ownership and disposition of our common stock by the partnership.

Distributions

If distributions are paid on shares of our common stock, the distributions will constitute dividends for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. To the extent a distribution exceeds our current and accumulated earnings and profits, it will constitute a return of capital that is applied against and reduces, but not below zero, the adjusted tax basis of your shares in our common stock. Any remainder will constitute gain on the common stock. Dividends paid to a non-U.S. stockholder generally will be subject to withholding of U.S. federal income tax at the rate of 30% or such lower rate as may be specified by an applicable income tax treaty. If the dividend is effectively connected with the non-U.S. stockholder's conduct of a trade or business in the United States or, if a tax treaty requires, attributable to a U.S. permanent establishment maintained by such non-U.S. stockholder, the dividend will not be subject to any withholding tax, provided certification requirements are met, as described below, but will be subject to U.S. federal income tax imposed on net income on the same basis that applies to U.S. persons generally. A non-U.S. stockholder that is taxable as a corporation for U.S. federal income tax purposes may, under certain circumstances, also be subject to a branch profits tax equal to 30%, or such lower rate as may be specified by an applicable income tax treaty, on a portion of its effectively connected earnings and profits for the taxable year.

To claim the benefit of a tax treaty or to claim exemption from withholding because the income is effectively connected with the conduct of a trade or business in the United States, a non-U.S. stockholder must provide a properly executed IRS Form W-8BEN or IRS Form W-8BEN-E for treaty benefits or W-8ECI for effectively connected income, or such successor forms as the IRS designates, prior to the payment of dividends. These forms must be periodically updated. Non-U.S. stockholders generally may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund. Non-U.S. stockholders should consult their own tax advisors regarding the potential applicability (including their eligibility for the benefits) of any income tax treaty.

S-15

Table of Contents

Disposition

A non-U.S. stockholder generally will not be subject to U.S. federal income tax, including by way of withholding, on gain recognized on a sale or other disposition of shares of our common stock unless any one of the following is true:

the gain is effectively connected with the non-U.S. stockholder's conduct of a trade or business in the United States and, if a tax treaty applies, attributable to a U.S. permanent establishment or fixed base maintained by such non-U.S. stockholder;

the non-U.S. stockholder is a nonresident alien individual present in the United States for 183 days or more in the taxable year of the disposition and certain other requirements are met; or

our common stock constitutes a U.S. real property interest by reason of our status as a United States real property holding corporation, or USRPHC, for U.S. federal income tax purposes at any time during the shorter of (i) the period during which you hold our common stock or (ii) the five-year period ending on the date you dispose of our common stock.

We believe that we are not currently, and will not become, a USRPHC. However, because the determination of whether we are a USRPHC depends on the fair market value of our U.S. real property interests relative to the fair market value of our other business assets, there can be no assurance that we will not become a USRPHC in the future. As a general matter, as long as our common stock is regularly traded on an established securities market, however, it will not be treated as a U.S. real property interest with respect to any non-U.S. stockholder that holds no more than 5% of such regularly traded common stock. If we are determined to be a USRPHC and the foregoing exception does not apply, among other things, a purchaser may be required to withhold 10% of the proceeds payable to a non-U.S. stockholder from a disposition of our common stock, and the non-U.S. stockholder generally will be taxed on its net gain derived from the disposition at the graduated U.S. federal income tax rates applicable to United States persons, and may also be subject to alternative minimum tax.

Unless an applicable treaty provides otherwise, gain described in the first bullet point above will be subject to the U.S. federal income tax imposed on net income on the same basis that applies to U.S. persons generally but will generally not be subject to withholding. A non-U.S. stockholder that is taxable as a corporation for U.S. federal income tax purposes may, under certain circumstances, also be subject to a branch profits tax equal to 30%, or such lower rate as may be specified by an applicable income tax treaty, on such gain. Gain described in the second bullet point above will be subject to a flat 30% U.S. federal income tax, which may be offset by certain U.S. source capital losses. Non-U.S. stockholders should consult any potentially applicable income tax treaties that may provide for different rules.

Information Reporting and Backup Withholding

Information reporting and backup withholding may apply to dividends paid with respect to our common stock and to proceeds from the sale or other disposition of our common stock. In certain circumstances, non-U.S. stockholders may not be subject to information reporting and backup withholding if they certify under penalties of perjury as to their status as non-U.S. stockholders or otherwise establish an exemption and certain other requirements are met. Non-U.S. stockholders should consult their own tax advisors regarding the application of the information reporting and backup withholding rules to them.

Backup withholding is not an additional tax. Amounts withheld under the backup withholding rules from a payment to a non-U.S. stockholder generally may be refunded or credited against the non-U.S. stockholder's U.S. federal income tax liability, if any, provided that an appropriate claim is timely filed with the IRS.

Withholding on Payments to Certain Foreign Entities

The Foreign Account Tax Compliance Act (FATCA), which was enacted in 2010, imposes a 30% withholding tax on certain types of payments made to foreign financial institutions and certain other non-U.S. entities unless certain due diligence, reporting, withholding, and certification obligation requirements are satisfied.

The Treasury Department and the IRS have issued final regulations under FATCA. As a general matter, FATCA imposes a 30% withholding tax on dividends on, and gross proceeds from the sale or other disposition of, our common stock if paid to a foreign entity unless either (i) the foreign entity is a foreign financial institution that undertakes certain due diligence, reporting, withholding, and certification obligations, or in the case of a foreign financial institution that is a resident in a jurisdiction that has entered into an intergovernmental agreement to implement FATCA, the entity complies with the diligence and reporting requirements of such agreement, (ii) the foreign entity is not a foreign financial institution and identifies certain of its U.S. investors, or (iii) the foreign entity otherwise is excepted under FATCA. Under delayed effective dates provided for in the regulations and subsequent guidance, the required withholding began July 1, 2014 with respect to dividends on our stock, but will not begin until January 1, 2017 with respect to gross proceeds from a sale or other disposition of our stock.

If withholding is required under FATCA on a payment related to our stock, investors that otherwise would not be subject to withholding (or that otherwise would be entitled to a reduced rate of withholding) generally will be required to seek a refund or credit from the IRS to obtain the benefit of such exemption or reduction (provided that such benefit is available). Prospective investors should consult their own tax advisors regarding the effect of FATCA in their particular circumstances.

U.S. Federal Estate Taxes

Shares of our common stock owned or treated as owned by an individual who at the time of death is a non-U.S. stockholder are considered U.S. situs assets and will be included in the individual's estate for U.S. federal estate tax purposes, unless an applicable estate tax treaty provides otherwise.

State, Local and Foreign Taxes

Our stockholders may be subject to state, local or foreign taxation in various jurisdictions, including those in which we or they transact business, own property or reside. We may conduct business or own assets located in numerous U.S. jurisdictions, and may be required to file tax returns in some or all of those jurisdictions. The state, local and foreign tax treatment of our stockholders may not conform to the U.S. federal income tax treatment discussed above. Prospective investors should consult their tax advisors regarding the application and effect of state, local and foreign income and other tax laws on an investment in our common stock.

UNDERWRITING

The selling stockholders are offering 8,246,534 shares of our common stock described in this prospectus supplement through Morgan Stanley & Co. LLC as underwriter. Subject to the terms and conditions of the underwriting agreement, the underwriter has agreed to purchase all of the shares to be sold by the selling stockholders in this offering, and the selling stockholders have agreed, severally as contemplated under Selling Stockholders above, to sell to the underwriter the related number of shares of common stock to be sold in this offering.

Subject to the completion of the offering, we will repurchase from the underwriter 3,000,000 of the 8,246,534 shares of our common stock that are the subject of this offering at a price per share equal to the price at which the underwriters will purchase such shares from the selling stockholders in this offering, see Summary The Share Repurchase.

In connection with this offering, the underwriter or securities dealers may distribute this prospectus supplement and the accompanying prospectus to investors electronically.

Commissions and Discounts

The underwriter proposes to offer shares of the common stock from time to time for sale in one or more transactions in the NYSE, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices, subject to receipt and acceptance by it and subject to its right to reject any order in whole or in part. The underwriter may effect such transactions by selling the shares of common stock to or through dealers and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriter and/or purchasers of shares of common stock for whom they may act as agents or to whom they may sell as principal. The difference between the price at which an underwriter purchases shares and the price at which the underwriter resells such shares may be deemed underwriting compensation. The underwriter will not receive any discount or commission on the 3,000,000 shares of our common stock that we will repurchase from the underwriter.

Indemnification and Contribution

We and the selling stockholders have agreed to indemnify the underwriter and its affiliates, selling agents and controlling persons against certain liabilities, including liabilities under the Securities Act. If we are unable to provide this indemnification, we will contribute to the payments the underwriter and its affiliates, selling agents and controlling persons may be required to make in respect of those liabilities.

New York Stock Exchange Listing

Our common stock is listed on the New York Stock Exchange under the symbol **WD**.

No Sale of Similar Securities by Selling Stockholders

The selling stockholders have agreed that, subject to certain exceptions, for a period of 45 days from the date of this prospectus, they will not, without the prior written consent of the underwriter, dispose of any of our common stock or any securities convertible into or exercisable or exchangeable for our common stock. The underwriter may, in its sole discretion, release any of the securities subject to these lock-up agreements at any time.

WALKER & DUNLOP, INC.

We are one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending. We originate, sell and service a range of multifamily and other commercial real estate financing products. Our clients are owners and developers of commercial real estate across the country. We originate and sell loans pursuant to the programs of the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac, and together with Fannie Mae, the government-sponsored enterprises, or the GSEs), the Government National Mortgage Association (Ginnie Mae) and the Federal Housing Administration, a division of the U.S. Department of Housing and Urban Development (together with Ginnie Mae, HUD), with which we have long-established relationships. We retain servicing rights and asset management responsibilities on nearly all loans that we sell to GSEs and HUD. We are approved as a Fannie Mae Delegated Underwriting and Servicing (DUS TM) lender nationally, a Freddie Mac Program Plus lender in 22 states and the District of Columbia, a HUD Multifamily Accelerated Processing lender nationally and a Ginnie Mae issuer. We also originate and service loans for a number of life insurance companies and other institutional investors, in which cases we do not fund the loan but rather act as a loan broker.

We fund loans for GSE and HUD programs, generally through warehouse facility financings, and sell them to investors in accordance with the related loan sale commitment, which we obtain prior to loan closing. Proceeds from the sale of the loan are used to pay off the warehouse facility. The sale of the loan is typically completed within 60 days after the loan is closed. In cases where we do not fund the loan, we act as a loan broker and service some of the loans. Our originators who focus on loan brokerage are engaged by borrowers to work with a variety of institutional lenders to find the most appropriate loan instrument for the borrowers' needs. These loans are then funded directly by the institutional lender and we receive an origination fee for placing the loan and a servicing fee for any loans we service.

In December 2010, we completed our initial public offering, pursuant to which we sold 6,666,667 shares and selling stockholders sold 3,333,333 shares of our common stock at a price per share of \$10.00, resulting in gross proceeds to us of \$66.7 million. The offering was completed on December 20, 2010. We received net proceeds of \$58.4 million from the initial public offering after deferred underwriting discounts and commissions and other accrued offering costs. In connection with our IPO, we completed the formation transaction through which Walker & Dunlop, LLC (WDLLC) became a wholly owned subsidiary of Walker & Dunlop, Inc., a newly formed Maryland corporation. In connection with the formation transaction, members of the Walker family, certain of our directors and executive officers and certain other individuals and entities who owned direct and indirect equity interests in WDLLC contributed their respective interests in such entities to Walker & Dunlop, Inc. in exchange for shares of our common stock. Our predecessor entities have historically operated as pass-through tax entities (partnerships, LLCs and S-corporations). Accordingly, our historical earnings have resulted in only nominal federal and state corporate level expense. The tax liability has been the obligation of our owners. Upon closing our initial public offering on December 20, 2010, our income became subject to both federal and state corporate tax.

On January 19, 2011, we issued an additional 221,292 shares of common stock at \$10.00 per share upon the partial exercise of the overallotment option by the underwriters. We received net proceeds of approximately \$2.1 million, net of underwriting discounts and commissions of approximately \$0.2 million.

On September 4, 2012, our indirect wholly owned subsidiary, WDLLC, purchased from CW Financial Services LLC (CW Financial), and CW Financial sold to WDLLC, all of the limited liability company interests in CWCapital LLC (the Acquisition). Prior to the Acquisition, CWCapital LLC was a wholly owned subsidiary of CW Financial and was one of the leading commercial real estate finance companies in the United States, with a primary focus on multifamily lending. Like we, CWCapital originated and sold multifamily mortgage loans pursuant to the programs of the GSEs

and HUD, with which CWCapital had long-established relationships. Upon the Acquisition, CWCapital LLC became a wholly owned subsidiary of WDLLC and changed its name from CWCapital LLC to Walker & Dunlop Capital LLC. On the same date, in partial consideration for the

Acquisition, we issued to CW Financial 11,647,255 shares of our common stock (the Acquisition Shares) pursuant to an exemption from registration under the Securities Act of 1933, as amended (the Securities Act). CW Financial subsequently transferred the Acquisition Shares to Galaxy Acquisition LLC (Galaxy). Galaxy indirectly owns 100% of the membership interest in CW Financial.

The table below sets forth as of October 1, 2012 the name of each selling stockholder and the number of shares of our common stock that each selling stockholder may, from time to time, offer pursuant to this prospectus. To our knowledge, none of the selling stockholders has, or within the past three years has had, any material relationships with us or any of our predecessors other than as discussed in this prospectus or the documents incorporated by reference in this prospectus. For more information on such material relationships, see Material Relationships with the Selling Stockholders. The information presented regarding each selling stockholder is based, in part, upon information provided to us by that selling stockholder.

We do not know when or in what amounts any selling stockholder may offer shares for sale, except that we understand certain selling stockholders have adopted or may in the future adopt prearranged Rule 10b5-1 stock trading plans allowing them to sell a portion of their shares over time as part of their financial, tax and/or estate planning. On September 4, 2012, we entered into a registration rights agreement with CW Financial, pursuant to which we agreed to file within 30 days a registration statement registering for resale the shares of the Acquisition Shares with the SEC. See Plan of Distribution below. Additional information concerning the registration rights agreement is provided under the caption Registration Rights Agreement in our Definitive Proxy Statement on Schedule 14A, filed on July 26, 2012, and under the captions Registration Rights Agreement and Transfer and Joinder Agreement in Item 1.01 of our Current Report on Form 8-K, filed on September 10, 2012. If at any time Galaxy or CW Financial desires to transfer any of the Acquisition Shares to an unaffiliated third party in a private sale and such Acquisition Shares would constitute more than 10% of our common stock then issued and outstanding on a fully-diluted basis, then we will have a right of first offer with respect to such Acquisition Shares. Additional information concerning our right of first offer is provided under the caption Closing Agreement Right of First Offer in our Definitive Proxy Statement on Schedule 14A, filed on July 26, 2012, and under the captions Closing Agreement and Transfer and Joinder Agreement in Item 1.01 of our Current Report on Form 8-K, filed on September 10, 2012. The Closing Agreement and the Transfer and Joinder Agreement also provide that Galaxy will not transfer any of the Acquisition

Shares prior to the 180th day following September 4, 2012, except for transfers to one or more of Galaxy's affiliates. For a further description of any agreements, arrangements or understandings between us and any selling stockholder regarding the sale by

it of any of the shares covered by this prospectus, see **Selling Stockholders** **Material Relationships with the Selling Stockholders** and **Plan of Distribution**. Any selling stockholder may at any time sell all, a portion or none of its shares offered by this prospectus.

The following table has been prepared assuming that each selling stockholder sells all of the shares of our common stock beneficially owned by it that have been registered by us and does not acquire any additional shares of our common stock during the offering. We cannot advise you as to whether any selling stockholder will in fact sell any or all of its shares of our common stock. In addition, information about each selling stockholder may change over time. Any selling stockholder may have sold or transferred, in transactions exempt from the registration requirements of the Securities Act, some or all of its shares since the date on which the information in the table is presented. Any revised or new information given to us by any selling stockholder will be set forth in an applicable prospectus supplement or amendments to the registration statement of which this prospectus is a part, if and when necessary.

Beneficial ownership is determined in accordance with the rules of the U. S. Securities and Exchange Commission (the **SEC**) and generally includes voting or investment power over securities. To our knowledge, unless otherwise indicated, all persons named in the table below have sole voting and investment power with respect to their shares of our common stock. Percentage of beneficial ownership as given below is based on 34,574,281 shares of our common stock outstanding as of October 1, 2012.

* Represents less than 1.0% of our common stock outstanding as of October 1, 2012.

- (1) Based on 34,574,281 shares of our common stock outstanding at October 1, 2012, determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the **Exchange Act**). Under such rule, beneficial ownership includes any shares over which the selling stockholder has sole or shared voting or investment power (including the power to dispose or direct the disposition of) and also any shares that the selling stockholder has the right to acquire within 60 days of such date through the exercise of options or other rights.
- (2) This registration statement shall also cover any additional shares of common stock that become issuable in connection with the shares registered for sale in this prospectus because of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration, which results in an increase in the number of the registrant's outstanding shares of common stock.

- (3) Because the selling stockholders are not obligated to sell all or any portion of the shares of our common stock shown as offered by them, we cannot estimate the actual number of shares (or actual percentage of the class) of our common stock that will be held by any selling stockholder upon completion of this resale offering.
- (4) Column Guaranteed LLC (Column) is an indirect subsidiary of Credit Suisse (USA), Inc. a Delaware holding company. Decisions regarding the voting or disposition of the shares of our common stock owned by Column would be made by management and various other professionals within Credit Suisse Securities (USA) LLC (Credit Suisse) and its affiliates. As of the date hereof, Edmund F. Taylor, a Managing

Table of Contents

Director of Credit Suisse, may be deemed to have voting or dispositive power over these shares. Mr. Taylor disclaims beneficial ownership of these shares. The principal business address for Credit Suisse, is Eleven Madison Avenue, New York, New York 10010. See also Material Relationships with the Selling Stockholders.

Column is an affiliate of a broker-dealer and acquired the shares of our common stock for investment purposes in the ordinary course of business in connection with the formation transaction through which WDLLC became our wholly owned subsidiary. Column has represented to us that it had no agreements or understandings, directly or indirectly, with any person to distribute the securities at the time of their acquisition. In addition, Column did not receive the securities as compensation for professional services rendered by or on behalf of a broker-dealer.

- (5) In connection with the transactions contemplated by the Acquisition, the Company, WDLLC, Column and CW Financial entered into the Voting Agreement dated as of June 7, 2012 (the Column Voting Agreement). The Column Voting Agreement provides that to the extent Column owns, directly or indirectly, at least 10% of our then outstanding common stock, at the annual meeting of our shareholders for the 2013 and 2014 calendar years, or at any special meeting of our shareholders held prior to the our 2014 annual meeting of shareholders at which our directors are to be elected, or at any taking of action by written consent of our shareholders prior to our 2014 annual meeting of shareholders with respect to which our directors are to be elected, Column has the right (but not the obligation) to designate one nominee for election to our board (such nominee, the Column Nominee). At each such election of our directors, CW Financial and its affiliates agreed to vote the shares of our common stock then held by CW Financial and its affiliates in favor of electing the Column Nominee to our board, and Column agreed to vote all of the shares of our common stock then held by Column in favor of electing the nominees of CW Financial or its affiliates to our board. Pursuant to the Column Voting Agreement, Galaxy may be deemed to have beneficial ownership of 4,776,568 shares of our common stock held by Column, and Column may be deemed to have beneficial ownership of 11,647,255 shares of our common stock held by Galaxy. Each of Galaxy and Column disclaims that it holds any beneficial ownership of the shares of our common stock held by the other.

Galaxy is an affiliate of a broker-dealer and acquired the shares of our common stock for investment purposes in the ordinary course of business in connection with the Acquisition. Galaxy has represented to us that it had no agreements or understandings, directly or indirectly, with any person to distribute the securities at the time of their acquisition. In addition, Galaxy did not receive the securities as compensation for professional services rendered by or on behalf of a broker-dealer.

Material Relationships with the Selling Stockholders

We have entered into several agreements and arrangements with the selling stockholders and their affiliates, including the registration rights agreements pursuant to which the selling stockholders' shares are included in this prospectus.

Tax Advances and Loans Prior to our Initial Public Offering

As our predecessor, WD LLC, provided tax advances to its members on a quarterly basis when it generated taxable income for the members. Tax advances were based on taxable income at the highest federal and local taxes for residents of the District of Columbia. For the year ended December 31, 2010, tax advances of \$611,636 and \$459,546 were made to William Walker and Howard Smith, respectively. All outstanding advances were repaid in full prior to our initial public offering. The tax advances bore no interest rate.

On July 8, 2008, Deborah Wilson purchased a 3.2% interest in one of our predecessors, GPF Acquisition, LLC, in return for a \$218,946 note held by the company. The note was scheduled to mature on the earlier of December 31, 2018, at Deborah Wilson's termination of employment with the company, or a sale of GPF Acquisition, LLC. The interest rate on the note was equal to the 90-day LIBOR plus 200 basis points. All GPF Acquisition, LLC distributions, except for tax advances, were used to pay down the note. On August 2, 2010, Deborah Wilson repaid the balance of the note in full.

PLAN OF DISTRIBUTION

We are registering the common stock covered by this prospectus to permit certain selling stockholders to conduct public secondary trading of such common stock from time to time after the date of this prospectus. We will not receive any proceeds from the sale of shares of our common stock from time to time by any selling stockholder pursuant to this prospectus. The aggregate proceeds received by the selling stockholders from the sale of the common stock will be the purchase price of the common stock less any discounts and commissions. Each selling stockholder named in this prospectus reserves the right, directly or through its agents, to accept or reject any proposed purchase of common stock.

The common stock offered by this prospectus may be sold or otherwise distributed from time to time:

directly by the selling stockholders (including, without limitation, any or all of the Galaxy Affiliates) and their successors, which include their permitted transferees, pledgees, donees, assignees, successors and others who later come to hold any of the selling stockholder's interests, or

through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, commissions or agent's commissions from the selling stockholders or the purchasers of the common stock (these discounts, concessions or commissions may be less than or in excess of those customary in the types of transactions involved).

Unless otherwise permitted by law, if shares of our common stock are to be sold pursuant to this prospectus by pledgees, donees or transferees of, or other successors in interest to, the selling stockholders or the Galaxy Affiliates, then we must file a prospectus supplement or an amendment to this registration statement under applicable provisions of the Securities Act amending the list of selling stockholders to include such pledgee, donee, transferee or other successors in interest as selling stockholders under this prospectus.

Any selling stockholder or underwriter, broker-dealer or agent who participates in the sale or distribution of the common stock may be deemed to be an underwriter with respect to that sale or distribution within the meaning of the Securities Act. Any selling stockholder from time to time identified as or affiliated with registered broker-dealers participating in the sale or distribution of the common stock is deemed to be an underwriter with respect to securities sold by it pursuant to this prospectus and any applicable prospectus supplement. As a result, any profits on the sale of the shares of our common stock by such selling stockholder and any discounts, commissions or agent's commissions or concessions received by any such broker-dealer or agent may be deemed to be underwriting discounts and commissions under the Securities Act. Any selling stockholder who is deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. Underwriters are also subject to certain statutory liabilities, including, but not limited to, Sections 11, 12 and 17 of the Securities Act.

The common stock may be sold in one or more transactions at:

fixed prices;

prevailing market prices at the time of sale;

prices related to such prevailing market prices;

varying prices determined at the time of sale; or

otherwise negotiated prices or without cash consideration.

These sales may be effected in one or more transactions:

on any national securities exchange or quotation on which the common stock may be listed or quoted at the time of the sale;

in the over-the-counter market;

in transactions other than on such exchanges or services or in the over-the-counter market;

through the writing of options, whether such options are listed on an options exchange or otherwise;

in ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

through block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

in sales at the market to or through a market maker or into an existing trading market, on an exchange or otherwise, for the shares;

in purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

through an exchange distribution in accordance with the rules of the applicable exchange;

in privately negotiated transactions;

through the settlement of short sales;

in which broker-dealers may agree with the selling stockholder to sell a specified number of shares at a stipulated price per share;

through dividends or other distributions made by selling stockholders to their respective partners, members or stockholders;

through any combination of the foregoing; or

any other method permitted pursuant to applicable law.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as an agent on both sides of the trade.

In connection with the sales of our common stock, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which in turn may:

engage in short sales of our common stock in the course of hedging their positions;

sell our common stock short and deliver our common stock to close out short positions;

loan or pledge our common stock to broker-dealers or other financial institutions that in turn may sell our common stock;

enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer or other financial institution of our common stock, which the broker-dealer or other financial institution may resell under the prospectus; or

enter into transactions in which a broker-dealer makes purchases as a principal for resale for its own account or through other types of transactions.

Our common stock may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. The obligations of underwriters or dealers to purchase the common stock offered will be subject to certain conditions precedent and the terms of any agreement entered into with the underwriters. Any public offering price and any discount or concession allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time.

To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any underwriter, broker-dealer or agent regarding the sale of our common stock by the selling stockholders, except that we understand certain selling stockholders have adopted or may in the future adopt prearranged Rule 10b5-1 stock trading plans allowing them to sell a portion of their shares over time as part of their financial, tax and/or estate planning.

Our common stock is listed on the NYSE under the symbol WD.

There can be no assurance that any selling stockholder will sell any or all of our common stock held by it under this prospectus. Further, we cannot determine whether any such selling stockholder will transfer, devise or gift the common stock by other means not described in this prospectus. In addition, any common stock covered by this prospectus that qualifies for sale under Rule 144 of the Securities Act may be sold under Rule 144 rather than under this prospectus. The common stock covered by this prospectus may also be sold to non-U.S. persons outside the U.S. in accordance with Regulation S under the Securities Act rather than under this prospectus. The common stock may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification is available and complied with.

The selling stockholders and any other person participating in the sale of the common stock will be subject to the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the common stock by the selling stockholders and any other such person. In addition, Regulation M may restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the particular common stock. This may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

Underwriters, dealers or agents may be authorized to solicit offers by certain institutional investors to purchase the common stock from the selling stockholders pursuant to contracts providing for payment and delivery at a future date. Institutional investors with which these contracts may be made include, among others:

commercial and savings banks;

insurance companies;

pension funds;

investment companies; or

educational and charitable institutions.

If and to the extent required, upon being notified by a selling stockholder that any arrangement has been entered into with any agent, underwriter or broker-dealer for the sale of the shares of common stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase of any agent, underwriter or broker-dealer(s), the name(s) of the selling stockholder(s) and of the participating agent, underwriter or broker-dealer(s), specific common stock to be sold, the respective purchase prices and public offering prices, any applicable commissions or discounts, and other facts material to the transaction will be set forth in a supplement to this prospectus or a post-effective amendment to the registration statement of which this prospectus is a part, as appropriate.

On December 20, 2010, we issued 14,741,504 shares of our common stock as part of the formation transactions completed concurrently with our initial public offering. In connection with the formation transactions, we entered into a registration rights agreement, dated as of December 20, 2010 (the 2010 Registration Rights Agreement), with Mallory Walker, Taylor Walker, William M. Walker, Howard W. Smith, III, Richard C. Warner, Donna Mighty, Michael Yavinsky, Ted Hermes, Deborah A. Wilson and Column (collectively, the RRA Stockholders). The 2010 Registration Rights Agreement related to 11,408,171 shares of our common stock (of which 9,988,665 remain registrable) issued in connection with our formation transactions to former direct and indirect equity holders of WDLLC, including the RRA Stockholders (the Initial Registrable Shares). Pursuant to the 2010 Registration Rights Agreement, we have granted such holders and their direct and indirect transferees demand registration rights to have the Initial Registrable Shares registered for resale, which registration statement must remain effective for the shorter of two years or until the date on which all of the Initial Registrable Shares have been sold. In addition to demand registration rights, certain holders received tag along rights whereby they have the right to have their shares registered if other

persons with registration rights register their shares or if our company proposes to file a registration statement in connection with an underwritten offering. The right to keep a registration statement effective shall cease to apply on the earlier of (1) the date that is two years after the date the SEC declares effective a registration statement covering the Initial Registrable Shares, (2) the date on which all of the Initial Registrable Shares can be sold pursuant to Rule 144 without any volume limitations or other restrictions on transfer or (3) the date on which such holders sell all of the initial registrable securities under a registration statement covering the Initial Registrable Shares. Notwithstanding the foregoing, we are permitted, from time to time, to suspend the use of any prospectus that is part of the registration statement filed pursuant to the 2010 Registration Rights Agreement (and therefore suspend sales under the registration statement) in the event of certain corporate events affecting us for certain periods.

On September 4, 2012, we issued the Acquisition Shares in connection with the closing of the Acquisition and entered into a registration rights agreement with CW Financial (the 2012 Registration Rights Agreement), related to the Acquisition Shares. Pursuant to the 2012 Registration Rights Agreement, we have granted CW Financial and its direct and indirect assignees and transferees (the Holders) demand registration rights to have the Acquisition Shares registered for resale. We must use our reasonable best efforts to keep the Acquisition Shares registered on a registration statement that remains effective for the earlier of (i) the date on which all of the Acquisition Shares covered by such registration statement are eligible for sale without registration pursuant to Rule 144 (or any successor provision) under the Securities Act without volume limitations or other restrictions on transfer or (ii) the date on which the Holders consummate the sale of all of the Acquisition Shares registered under the registration statement. The 2012 Registration Rights Agreement provides that, upon the written request of Holders of a number of Acquisition Shares equal to at least five (5) percent of the outstanding shares of our common stock as of September 4, 2012, the Holders are entitled to effect the sale of Acquisition Shares through an underwritten public offering, subject to certain limitations. In addition to demand registration rights, certain holders received piggy-back rights whereby they have the right to have their shares registered if other persons with registration rights register their shares or if our company proposes to file a registration statement in connection with an underwriting offering. Notwithstanding the foregoing, we are permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement filed pursuant to the 2012 Registration Rights Agreement (and therefore suspend sales under the registration statement) in the event of certain corporate events affecting us for certain periods.

We will bear all of the costs and expenses incident to our registration requirements under the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement including, without limitation, all registration, filing and stock exchange or Financial Industry Regulatory Authority fees, all fees and expenses of complying with securities or blue sky laws, all printing expenses, and all fees and disbursements of counsel and independent public accountants retained by us and one counsel retained by the respective selling stockholders under each of the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement. We have also agreed to indemnify the persons receiving registration rights against specified liabilities, including certain potential liabilities arising under the Securities Act, or to contribute the payments such persons may be required to make in respect thereof.

Our company and CW Financial entered into a letter agreement, dated as of June 7, 2012 (the Piggyback Side Letter), with William M. Walker, Howard W. Smith, III, Richard C. Warner, Deborah A. Wilson, Mallory Walker and Column (the Specified Stockholders) pursuant to which each of CW Financial and the Specified Stockholders agreed to, among other things: (i) pro rata cutbacks with respect to their respective piggyback registration rights under the 2010 Registration Rights Agreement and the 2012 Registration Rights Agreement, if requested by a managing underwriter in order to reduce the amount of shares of our common stock to be included in offerings of common stock for our own account or underwritten offerings of common stock for the account of CW Financial or the Specified Stockholders; (ii) the selection of the managing underwriters for any underwritten offering demanded by CW Financial and the Specified Stockholders, respectively; (iii) the right of Column to request an underwritten offering subject to certain thresholds; and (iv) our inclusion of registrable securities of the Specified Stockholders in the

registration statement to be filed in connection with the 2012 Registration Rights Agreement.

DESCRIPTION OF CAPITAL STOCK

The following summary of the rights and preferences of our capital stock and related provisions of our charter and bylaws does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Maryland law, and to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus is a part. See [Where You Can Find More Information](#).

General

Our charter provides that we may issue up to two hundred million (200,000,000) shares of common stock, \$0.01 par value per share, and fifty million (50,000,000) shares of preferred stock, \$0.01 par value per share. Our charter authorizes our board of directors to amend our charter to increase or decrease the aggregate number of authorized shares of common stock or the number of shares of stock of any class or series without stockholder approval. No shares of our preferred stock are presently outstanding, and we have no present plans to issue any shares of preferred stock.

Under Maryland law, stockholders generally are not personally liable for our debts or obligations solely as a result of their status as stockholders.

Shares of our common stock are not deposits or other obligations of any bank, an insurance policy of any insurance company or insured or guaranteed by the FDIC, any other governmental agency or any insurance company. The shares of common stock will not benefit from any insurance guarantee association coverage or any similar protection.

Shares of Common Stock

Voting Rights of Common Stock

Except as may otherwise be specified in the terms of any class or series of shares of common stock, each outstanding share of common stock entitles the holder to one vote on all matters submitted to a vote of stockholders, including the election of directors, and, except as provided with respect to any other class or series of shares of capital stock, the holders of such shares of common stock will possess the exclusive voting power. There will be no cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast.

Under the Maryland General Corporation Law ([MGCL](#)), a Maryland corporation generally cannot dissolve, amend its charter, merge, consolidate, sell all or substantially all of its assets, engage in a statutory share exchange or engage in similar transactions outside the ordinary course of business unless declared advisable by the board of directors and approved by the affirmative vote of stockholders holding at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage (but not less than a majority of all the votes entitled to be cast on the matter) is set forth in the corporation's charter. Our charter provides that these actions (other than certain amendments to the provisions of our charter related to the removal of directors) may be taken if declared advisable by a majority of our board of directors and approved by the vote of stockholders holding a majority of the votes entitled to be cast on the matter. Maryland law also permits a corporation to transfer all or substantially all of its assets without the approval of its stockholders to an entity if all of the equity interests of that entity are owned, directly or indirectly, by the corporation. In addition, because operating assets may be held by a corporation's subsidiaries, as in our situation, these subsidiaries may be able to transfer all or substantially all of such assets without the approval of our stockholders.

Dividends, Distributions, Liquidation and Other Rights

Subject to the preferential rights of any other class or series of our stock, holders of shares of our common stock are entitled to receive dividends on such shares of common stock if, as and when authorized by our board of directors, and declared by us out of assets legally available therefore. If we fail to pay dividends on any shares

Table of Contents

of our preferred stock, if any are then outstanding, generally we may not pay dividends on or repurchase shares of our common stock until such time as we have paid dividends on any outstanding shares of our preferred stock. Holders of shares of our common stock are also entitled to share ratably in the assets of our company legally available for distribution to our stockholders in the event of our liquidation, dissolution or winding up after payment or establishment of reserves for all debts and liabilities of our company and the preferential amounts owing with respect to any outstanding preferred shares.

Holders of shares of common stock have no preference, conversion, exchange, sinking fund or redemption rights, have no preemptive rights to subscribe for any securities of our company and generally have no appraisal rights, unless our board of directors determines prospectively that appraisal rights will apply to one or more transactions in which holders of our common stock would otherwise be entitled to exercise appraisal rights. Holders of shares of our common stock have equal dividend, liquidation and other rights.

Power to Reclassify Our Unissued Shares of Stock

Our charter authorizes our board of directors to classify and reclassify any unissued shares of our common or preferred stock into other classes or series of shares of stock and to establish the number of shares in each class or series and to set the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption for each such class or series. As a result, our board of directors could authorize the issuance of shares of preferred stock that have priority over the shares of our common stock with respect to dividends, distributions and rights upon liquidation and with other terms and conditions that could have the effect of delaying, deterring or preventing a transaction or a change in control of our company that might involve a premium price for holders of shares of our common stock or otherwise might be in their best interest. No shares of our preferred stock are presently outstanding, and we have no present plans to issue any shares of preferred stock.

Power to Increase or Decrease Authorized Shares of Common Stock and Issue Additional Shares of Common and Preferred Stock

We believe that the power of our board of directors to amend our charter to increase or decrease the aggregate number of authorized shares of stock, to issue additional authorized but unissued shares of our common stock or preferred stock and to classify or reclassify unissued shares of our common stock or preferred stock and thereafter to cause to issue such classified or reclassified shares of stock provides us with increased flexibility in structuring possible future financings and acquisitions and in meeting other needs that might arise. The additional classes or series of stock, as well as the additional shares of stock, will be available for issuance without further action by our stockholders, unless such action is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed, traded or quoted. Although our board of directors does not currently intend to do so, it could authorize us to issue a class or series that, depending upon the terms of the particular class or series, delays, defers or prevents a transaction or a change in control of our company that might involve a premium price for holders of our shares of stock or otherwise be in the best interest of our stockholders.

Preferred Stock

Our charter authorizes our board of directors to designate and issue one or more classes or series of preferred stock without stockholder approval. Our board of directors may determine the relative rights, preferences and privileges of each class or series of preferred stock so issued, which may be more beneficial than the rights, preferences and privileges attributable to our common stock with respect to dividends, distributions or rights upon liquidation. The issuance of preferred stock could have the effect of delaying, deferring or preventing a transaction or a change in

control of our company that might involve a premium price for holders of shares of our common stock or otherwise be in the best interests of the stockholders. The rights, preferences and privileges of holders of shares of our common stock are subject to, and may be adversely affected by, the rights of the holders of preferred stock.

CERTAIN PROVISIONS OF MARYLAND GENERAL CORPORATION LAW AND OUR CHARTER AND BYLAWS

The following summary of certain provisions of the MGCL and our charter and bylaws does not purport to be complete and is subject to and qualified in its entirety by reference to applicable Maryland law, and to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus is a part. See Where You Can Find More Information.

Our Board of Directors

Our charter and bylaws provide that the number of directors of our company may be established, increased or decreased only by a majority of our entire board of directors, but may not be fewer than the minimum number required under the MGCL nor more than 15. As of the date of this prospectus, we have eight directors. As previously disclosed, in connection with the Acquisition, our board of directors has adopted resolutions to increase the number of members of our board of directors from eight to eleven members, up to two of whom may be designated by CW Financial for each election of directors through our annual meeting to be held in 2014. In addition, an independent member will be nominated by us. Should CW Financial and its affiliates cease to own at least 20% of our common stock, CW Financial shall forfeit the right to nominate one Board designee; and upon ceasing to own at least 10% of our common stock, CW Financial shall forfeit the right to nominate its remaining Board designee.

Our charter and bylaws provide that any vacancy, including a vacancy created by an increase in the number of directors, may be filled only by a majority of the remaining directors, even if the remaining directors do not constitute a quorum. Any individual elected to fill such vacancy will serve for the remainder of the full term and until a successor is duly elected and qualifies.

Pursuant to our bylaws, each of our directors is elected by our stockholders to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies under the MGCL. Holders of shares of our common stock will have no right to cumulative voting in the election of directors. Directors are elected by a plurality of the votes cast.

Our bylaws provide that at least a majority of our directors will be independent, with independence being defined in the manner established by our board of directors and in a manner consistent with listing standards established by the NYSE.

Removal of Directors

Our charter provides that, subject to the rights of holders of one or more classes or series of preferred stock to elect or remove one or more directors, a director may be removed only for cause (as defined in our charter) and only by the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors and that our board of directors has the exclusive power to fill vacant directorships. These provisions may preclude stockholders from removing incumbent directors and filling the vacancies created by such removal with their own nominees.

Business Combinations

Under the MGCL, certain business combinations (including a merger, consolidation, share exchange or, in certain circumstances specified under the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and any interested stockholder, or an affiliate of such an interested stockholder, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder.

Maryland law defines an interested stockholder as:

any person who beneficially owns, directly or indirectly, 10% or more of the voting power of the corporation's voting stock; or

an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation.

A person is not an interested stockholder under the statute if the board of directors approve in advance the transaction by which the person otherwise would have become an interested stockholder. In approving a transaction, however, the board of directors may provide that its approval is subject to compliance, at or after the time of the approval, with any terms and conditions determined by it.

After such five-year prohibition, any business combination between our company and an interested stockholder must be recommended by the board of directors and approved by the affirmative vote of at least:

80% of the votes entitled to be cast by holders of outstanding voting shares of stock of the corporation; and

two-thirds of the votes entitled to be cast by holders of voting shares of stock of the corporation other than shares held by the interested stockholder with whom (or with whose affiliate) the business combination is to be effected or shares held by an affiliate or associate of the interested stockholder.

These supermajority approval requirements do not apply if, among other conditions, the corporation's common stockholders receive a minimum price (as defined in the MGCL) for their shares and the consideration is received in cash or in the same form as previously paid by the interested stockholder for its shares.

These provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by a corporation's board of directors prior to the time that the interested stockholder becomes an interested stockholder.

Control Share Acquisitions

The MGCL provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights except to the extent approved at a special meeting of stockholders by the affirmative vote of at least two-thirds of the votes entitled to be cast by stockholders entitled to exercise or direct the exercise of the voting power in the election of directors generally but excluding: (i) a person who makes or proposes to make a control share acquisition, (ii) an officer of the corporation or (iii) an employee of the corporation who is also a director of the corporation. Control shares are voting shares of stock that, if aggregated with all other such shares of stock previously acquired by the acquirer or in respect of which the acquirer is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquirer to exercise voting power in electing directors within one of the following ranges of voting power:

one-tenth or more but less than one-third;

one-third or more but less than a majority; or

a majority or more of all voting power.

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A control share acquisition means the acquisition, directly or indirectly, of ownership of, or the power to direct the exercise of voting power with respect to, issued and outstanding control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses and making an acquiring person statement as described in the MGCL), may compel our board of directors to call a special meeting of stockholders to be held within 50 days of demand to consider the voting rights of the control shares. If no request for a special meeting is made, we may present the question at any stockholders meeting.

Table of Contents

If voting rights of control shares are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then, subject to certain conditions and limitations, the corporation may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value. Fair value is determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquirer or of any meeting of stockholders at which the voting rights of such shares are considered and not approved. If voting rights for control shares are approved at a stockholders meeting and the acquirer becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights. The fair value of the shares as determined for purposes of such appraisal rights may not be less than the highest price per share paid by the acquirer in the control share acquisition.

The control share acquisition statute does not apply (i) to shares acquired in a merger, consolidation or share exchange if we are a party to the transaction or (ii) to acquisitions approved or exempted by the charter or bylaws of the corporation. Our bylaws provide that the Maryland Control Share Acquisition Act does not apply to any of the Acquisition Shares.

Subtitle 8

Subtitle 8 of Title 3 of the MGCL permits a Maryland corporation with a class of equity securities registered under the Exchange Act and at least three independent directors to elect to be subject, by provision in its charter or bylaws or a resolution of its board of directors and notwithstanding any contrary provision in the charter or bylaws, to any or all of the following five provisions:

a classified board;

a two-thirds stockholder vote requirement for removing a director;

a requirement that the number of directors be fixed only by vote of the directors;

a requirement that a vacancy on the board be filled only by the remaining directors and for the remainder of the full term of the class of directors in which the vacancy occurred; and

a majority requirement for the calling of a special meeting of stockholders.

Our charter provides that, at such time as we become eligible to make a Subtitle 8 election, we elect to be subject to the provisions of Subtitle 8 relating to the filling of vacancies on our board of directors. Through provisions in our charter and bylaws unrelated to Subtitle 8, we already (i) require the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors for the removal of any director from the board, which removal will be allowed only for cause, (ii) vest in the board the exclusive power to fix the number of directorships, subject to limitations set forth in our charter and bylaws, and fill vacancies and (iii) require, unless called by the chairman of our board of directors, our president or chief executive officer or a majority of our directors then in office, the written request of stockholders entitled to cast no less than a majority of all votes entitled to be cast at such meeting to call a special meeting to consider and vote on any matter that may properly be considered at a meeting of stockholders. We have not elected to create a classified board. In the future, our board of directors may elect, without stockholder

approval, to create a classified board or adopt one or more of the other provisions of Subtitle 8.

Amendment of Our Charter and Bylaws and Approval of Extraordinary Actions

Under the MGCL, a Maryland corporation generally cannot dissolve, amend its charter, merge, sell all or substantially all of its assets, engage in a statutory share exchange or engage in similar transactions outside the ordinary course of business unless declared advisable by the board of directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage, but not less than a majority of all of the votes entitled to be cast on the matter, is set forth in the

Table of Contents

corporation's charter. Our charter provides that these actions (other than certain amendments to the provisions of our charter related to the removal of directors and indemnification of directors and officers) may be taken if declared advisable by a majority of our board of directors and approved by the vote of stockholders holding a majority of all votes entitled to be cast on the matter.

Our board of directors has the exclusive power to adopt, alter or repeal any provision of our bylaws and to make new bylaws.

Meetings of Stockholders

Under our bylaws, annual meetings of stockholders are to be held each year at a date and time as determined by our board of directors. Special meetings of stockholders may be called only by a majority of the directors then in office, by the chairman of our board of directors, our president or our chief executive officer. Additionally, subject to the provisions of our bylaws, special meetings of the stockholders shall be called by our secretary upon the written request of stockholders holding not less than a majority of all votes entitled to be cast at such meeting. Only matters set forth in the notice of the special meeting may be considered and acted upon at such a meeting. Maryland law and our bylaws provide that any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting by unanimous written consent, if that consent sets forth that action and is given in writing or by electronic transmission by each stockholder entitled to vote on the matter.

Advance Notice of Director Nominations and New Business

Our bylaws provide that, with respect to an annual meeting of stockholders, nominations of persons for election to our board of directors and the proposal of business to be considered by stockholders at the annual meeting may be made only:

pursuant to our notice of the meeting;

by or at the direction of our board of directors; or

by a stockholder who was a stockholder of record both at the time of giving of the notice of the meeting and at the time of the annual meeting, who is entitled to vote at the meeting in the election of directors or on the proposal of other business, as the case may be, and who has complied with the advance notice procedures set forth in, and provided the information and certifications required by, our bylaws.

With respect to special meetings of stockholders, only the business specified in our notice of meeting may be brought before the meeting of stockholders. Nominations of persons for election to our board of directors may be made only:

pursuant to our notice of the meeting;

by or at the direction of our board of directors; or

provided that our board of directors has determined that directors shall be elected at such meeting, by a stockholder who is a stockholder of record both at the time of giving of the notice required by our bylaws and at the time of the meeting, who is entitled to vote at the meeting in the election of directors or on the proposal of other business, as the case may be, and who has complied with the advance notice provisions set forth in, and provided information and certificates required by, our bylaws.

The purpose of requiring stockholders to give advance notice of nominations and other proposals is to afford our board of directors the opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposals and, to the extent considered necessary by our board of directors, to inform stockholders and make recommendations regarding the nominations or other proposals. The advance notice procedures also permit a more orderly procedure for conducting our stockholder meetings. Although our bylaws do not give our

board of directors the power to disapprove timely stockholder nominations and proposals, our bylaws may have the effect of precluding a contest for the election of directors or proposals for other action if the proper procedures are not followed and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of directors to our board of directors or to approve its own proposal.

Anti-takeover Effect of Certain Provisions of Maryland Law and Our Charter and Bylaws

The business combination statute, control share acquisition statute, the provisions of our charter on removal of directors and the advance notice provisions of the bylaws could delay, defer or prevent a transaction or a change in control of our company that might involve a premium price for holders of our common stock or otherwise be in the best interests of our stockholders.

Corporate Opportunities

Our bylaws provide that we renounce any interest or expectancy in certain corporate opportunities in which Fortress Investment Group LLC (Fortress) and certain persons affiliated with Fortress participate or desire or seek to participate.

Indemnification and Limitation of Directors and Officers Liability

The MGCL permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision that eliminates such liability to the maximum extent permitted by Maryland law.

The MGCL requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made or threatened to be made a party by reason of his or her service in that capacity. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made or are threatened to be made a party by reason of their service in those or other capacities unless it is established that:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

However, under the MGCL, a Maryland corporation may not indemnify a director or officer for an adverse judgment in a suit by or in the right of the corporation or if the director or officer was adjudged liable on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation; and

a written undertaking by the director or officer on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that he or she did not meet the standard of conduct.

Table of Contents

Our charter and bylaws obligate us, to the fullest extent permitted by Maryland law in effect from time to time, to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding without requiring a preliminary determination of the director's or officer's ultimate entitlement to:

any present or former director or officer who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity; or

any individual who, while a director or officer of our company and at our request, serves or has served another corporation, REIT, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner, member, manager or trustee of such corporation, REIT, partnership, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity.

Our charter and bylaws also permit us, with the approval of our board of directors, to indemnify and advance expenses to any person who served a predecessor of ours in any of the capacities described above and to any employee or agent of our company or a predecessor of our company.

We have entered into indemnification agreements with each of our directors and executive officers that would provide for indemnification to the maximum extent permitted by Maryland law.

Insofar as the foregoing provisions permit indemnification of directors, officers or persons controlling us for liability arising under the Securities Act, we have been informed that, in the opinion of the SEC, this indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
