On November 16, 2018, Myriad Genetics, Inc. (the Company) entered into an accelerated share repurchase agreement (the ASR Agreement ) with Bank of America, to repurchase approximately \$50 million of the Company s common stock.

Under the ASR Agreement, Bank of America will deliver to the Company, on November 19, 2018, shares of the Company s common stock equal to the aggregate purchase price of \$50 million divided by the Company s volume-weighted average price of trading on November 16, 2018. The initial number of shares of common stock will be adjusted based on a discount to the volume-weighted average share price of the common stock over a measurement period, the exact termination date of which will be selected by Bank of America. After the termination of this period, the Company may receive additional shares of common stock or be required to remit, at the Company s election, cash or additional shares of common stock based on this average price.

The foregoing description of the ASR Agreement is a summary and is qualified in its entirety by the terms of the ASR Agreement, a copy of which will be filed as an exhibit to the Company s Quarterly Report on Form 10-Q for its second fiscal quarter ending December 31, 2018.
