Item 3. Source and Amount of Funds or Other Consideration.

The Shares purchased by Lion Point were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted, as set forth in Schedule A, which is incorporated by reference herein. The aggregate purchase price of the 2,218,708 Shares beneficially owned by Lion Point is approximately \$71,153,536 excluding brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares over which they exercise beneficial ownership based on the Reporting Persons' beliefs that the Shares were undervalued and represented an attractive investment opportunity.

The Reporting Persons have had discussions with the Issuer to express the Reporting Persons' views as to the Issuer's business and strategies to enhance or maximize shareholder value. In these discussions, the Reporting Persons have expressed the view that the Issuer has some of the most attractive leaseholds for oil and gas development in the Permian Basin. However, despite this leading asset position, the Issuer's operational performance has fallen short of its internally generated plan and external communications, leading to substantial underperformance for its Shares. As a result, the Reporting Persons believe the Issuer needs to strongly consider what actions can be taken to enhance and maximize shareholder value – including a review of the potential value delivered to shareholders through a sale of the Issuer. The Reporting Persons believe the Issuer should promptly and fulsomely explore strategic interest, rescind the shareholder rights plan, engage in a comprehensive strategic review and begin discussions with shareholders over changes in the size and composition of the Issuer's Board of Directors (the "Board"). The Reporting Persons and their representatives expect to continue to have conversations with the Issuer and with third parties, including other oil and gas companies, as well as shareholders of the Issuer and others.

The Reporting Persons intend to consider, explore and/or develop plans and/or make proposals with respect to, among other things, the matters set forth in the previous paragraph and potential changes in, the Issuer's operations, management, organizational documents, Board composition, ownership, capital or corporate structure, sale transactions, dividend policy, and strategy and plans. The Reporting Persons intend to communicate with the Issuer's management and Board about, and may enter into negotiations with them regarding, the foregoing and a broad range of operational and strategic matters and to communicate with other shareholders or third parties, including potential acquirers, service providers and financing sources regarding the Issuer. The Reporting Persons may exchange information with any such persons pursuant to appropriate confidentiality or similar agreements.

CUSIP No. 76116A306

The Reporting Persons intend to review their investment in the Issuer on a continuing basis and depending upon various factors, including without limitation, the Issuer's financial position and strategic direction, the outcome of any discussions referenced above, overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of securities of the Issuer at prices that would make the purchase or sale of such securities desirable, the Reporting Persons may endeavor (i) to increase or decrease their respective positions in the Issuer through, among other things, the purchase or sale of securities of the Issuer, including through transactions involving the Shares and/or other equity, debt, notes, other securities, or derivative or other instruments that are based upon or relate to the value of securities of the Issuer in the open market or in private transactions on such terms and at such times as the Reporting Persons may deem advisable and/or (ii) to enter into transactions that increase or hedge their economic exposure to the Shares without affecting their beneficial ownership of Shares. In addition, the Reporting Persons may, at any time and from time to time, (i) review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto and (ii) consider or propose one or more of the actions described in this Item 4 of the Schedule 13D.
