ANGLOGOLD ASHANTI AMENDS MERGER AGREEMENT TO ACQUIRE 100% OF GOLDEN CYCLE GOLD CORPORATION AND FILES REGISTRATION STATEMENT WITH THE SECURITIES EXCHANGE COMMISSION

Further to the announcement of 14 January 2008 related to the proposed acquisition by AngloGold Ashanti of 100% of Golden Cycle Gold Corporation (“the Transaction”), AngloGold Ashanti is pleased to announce that the agreement regulating the implementation of the Transaction (“the Merger Agreement”) has been amended and the registration statement on Form F-4 (“the Registration Statement”) as required to register the AngloGold Ashanti American Depositary Shares (“AngloGold Ashanti ADSs”) to be issued to holders of common stock in, and options to acquire common stock in, Golden Cycle Gold Corporation (“GCGC”) has been updated and filed with the United States Securities and Exchange Commission (“SEC”). Upon consummation of the Transaction, an aggregate of 3,233,633 AngloGold Ashanti ADSs will be issued to GCGC shareholders and option holders. The principal amendments to the Merger Agreement, as reflected in the updated Registration Statement, are as follows:

- the consideration that GCGC shareholders will receive in the Transaction has been adjusted from 0.29 AngloGold Ashanti ADSs to 0.3123 AngloGold Ashanti ADSs per share of GCGC’s common stock to take account of the AngloGold Ashanti rights offering (“the rights offering”), the final terms of which were announced on 23 May 2008, so as to place holders of GCGC common stock in the same economic position after the rights offering as they were before the rights offering (holders of GCGC common stock will not participate in the rights offering as they will not be registered holders of AngloGold Ashanti ADSs by the record date of the rights offering);
- the treatment of options to acquire shares of GCGC common stock has been changed. Under the terms of the Merger Agreement as originally executed on 11 January 2008 it was intended that options to acquire shares of GCGC common stock would be converted into options to acquire AngloGold Ashanti ADSs under AngloGold Ashanti’s various employee share incentive schemes. Subsequently it has been determined that this will not be possible under the rules of these schemes. Therefore, a cashless exercise for the options to purchase GCGC common stock (determined using a Black Scholes calculation and to be settled by the issue of AngloGold Ashanti ADSs) has been agreed; and
- the unpaid costs and expenses to GCGC as a condition to closing the Transaction has been increased from US\$200,000 to US\$275,000.

The special meeting of GCGC shareholders, to consider, and vote upon, resolutions required to be approved to implement the Transaction, is planned to be convened upon 30 June 2008. Should GCGC shareholders approve these resolutions at the special meeting, the Transaction will then be implemented.
