Cautionary Statement Regarding Forward Looking Statements

Windstream claims the protection of the safe-harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to uncertainties that could cause actual future events and results to differ materially from those expressed in the forward-looking statements. Forward-looking statements include, but are not limited to, statements regarding the completion of the transaction, the expected benefits of the transaction, the expected financial attributes of the new Windstream and the REIT including the initial rent amount, the pro forma dividend and leverage ratio for each company, and the illustrative trading multiples and values for each company. Such statements are based on estimates, projections, beliefs and assumptions that Windstream believes are reasonable but are not guarantees of future events and results. Actual future events and results of Windstream may differ materially from those expressed in these forward-looking statements as a result of a number of important factors.

Factors that could cause actual results to differ materially from those contemplated in Windstream's forward-looking statements include, among others:

risks related to the anticipated timing of the proposed separation, the expected tax treatment of the proposed transaction, the ability of each of Windstream (post-spin) and the new REIT to conduct and expand their respective businesses following the proposed spinoff, and the diversion of management's attention from regular business concerns;

our ability to receive, or delays in obtaining, the regulatory approvals required to complete the spinoff; and

those additional factors under "Risk Factors" in Item 1A of Part I of Windstream's Annual Report on Form 10-K for the year ended December 31, 2013, and in subsequent filings with the Securities and Exchange Commission at www.sec.gov.

In addition to these factors, actual future performance, outcomes and results may differ materially because of more general factors including, among others, general industry and market conditions and growth rates, economic conditions, and governmental and public policy changes.

Windstream undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The foregoing review of factors that could cause Windstream's actual results to differ materially from those contemplated in the forward-looking statements should be considered in connection with information regarding risks and uncertainties that may affect Windstream's future results included in other filings by Windstream with the Securities and Exchange Commission at www.sec.gov.
