**RELEASE**

**Portugal Telecom informs on relevant fact issued  
by its subsidiary Vivo Participações, S.A.**

Lisbon, Portugal, 21 July 2006 Portugal Telecom announced that its subsidiary Vivo Participações, S.A. issued today the following relevant fact:

Vivo Participações S.A., holding company of the Personal Mobile Service operators using Vivo brand, a leader in Brazil, hereby informs to the public, in the form and for the purposes of CVM Instruction no. 358/02, that subsequently to the communication contained in the Relevant Fact dated on 06.30.2006, the Board of Directors evaluated the proposal and the study related to the construction of a GSM/EDGE network convertible into W-CDMA, to be added to its current CDMA network, which will continue in full operation and expansion, and resolved to approve the same, authorizing the Board of Executive Officers to start the procedures pertaining to the achievement of such goal.

The installation of Vivo's GSM/EDGE network shall start upon the signature of the supply contracts. The capital expenditures (CAPEX) required for the installation of the new Vivo network are approximately one billion and eighty million reais (R\$ 1,080,000.00) .

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
