Voting

Only holders of record of common shares at the close of business on March 15, 2014 are entitled to vote at the Annual General Meeting or at any adjournment or postponement of the Meeting. Each common share that you own entitles you to one vote.

If I am a shareholder of record of common shares, how do I vote?

If you are a shareholder of record, you may vote by mailing a completed proxy card. To vote by mailing a proxy card, please sign and return the enclosed proxy card in the enclosed prepaid and self-addressed envelope and your shares will be voted at the Annual General Meeting in the manner you directed. You may also vote your shares in person at the Annual General Meeting. If you are a shareholder of record, you may request a ballot at the Annual General Meeting.

If I am a beneficial owner of shares held in street name, how do I vote?

If you are the beneficial owner of shares held in street name, you will receive instructions from your bank or broker that must be followed for such bank or broker to vote your shares per your instructions. Your bank or broker will not have discretion to vote uninstructed shares on Proposals 1, 2, 3, 4 and 5. Thus, if you hold your shares in street name and do not instruct your bank or broker how to vote on Proposals 1, 2, 3, 4 and 5, no votes will be cast on your behalf with respect to such matter (a “broker non-vote”). Please ensure that you complete the voting instruction card sent by your bank or broker. If your shares are held in street name and you wish to vote in person at the Annual General Meeting, you must obtain a proxy issued in your name from your bank or broker and bring it with you to the Meeting. We recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual General Meeting.

May I change my vote?

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised at the option of the persons submitting them by giving written notice to the Corporate Secretary, Maiden Holdings, Ltd., Maiden House, 131 Front Street, Hamilton HM12, Bermuda, by submitting a later-dated proxy by mail or by voting in person at the Annual General Meeting. If your shares are held in a brokerage account, you must make arrangements with your broker or bank to revoke your proxy.

What constitutes a quorum?

Two or more persons present in person or representing in person or by proxy in excess of 50% of the total issued voting shares of the Company will constitute a quorum for the transaction of business at the Annual General Meeting. Shareholder abstentions and broker non-votes will be included in the number of shareholders present at the Annual General Meeting for the purpose of determining the presence of a quorum.

What if a quorum is not represented at the Annual General Meeting?

If within a half hour from the time appointed for the Meeting a quorum is not present, the Meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place as the Corporate Secretary may determine. Unless the Meeting is adjourned to a specific date, place and time announced at the Meeting being adjourned, fresh notice of the date, place and time for the resumption of the adjourned Meeting shall be given to each shareholder entitled to attend and vote thereat.

How many votes are required to approve a proposal?

Under our bye-laws, any question proposed for the consideration of the shareholders at any general meeting shall be decided by the affirmative votes of a majority of the votes cast “For” and “Against” the proposal by the holders of the common shares of the Company.

How will my shares be voted and how are votes counted?

All common shares represented by properly executed proxies received pursuant to this solicitation will be voted in accordance with the shareholder’s directions specified on the proxy.

Election of Directors

In voting by proxy with regard to the election of directors, shareholders may vote in favor of each nominee or withhold their votes as to each nominee. Should any nominee become unable to accept nomination or election, the proxy holders named in the proxy card will vote for the election of such other person as a director as the present directors may recommend in the place of such nominee. Abstentions and broker non-votes will have no effect on the election of directors.

Advisory Vote on Executive Compensation

The number of affirmative votes validly cast in favor of the proposal to approve the compensation of our named executive officers must exceed the number of votes cast against the proposal in order to approve, on an advisory basis, the proposal, although such vote will not be binding on us. Messrs. Lyons, Neff and Nigro are “independent directors” under the rules of the NASDAQ Global Select Market (“NASDAQ”) and the New York Stock Exchange (“NYSE”). NASDAQ and the NYSE rules require that a majority of the Board of Directors be independent, and we are in compliance with this requirement. The independent directors held separate executive sessions without senior management on five occasions in 2013, and neither the chairman, chief executive officer (the “CEO”) nor any member of management, at any level, attended any of the executive sessions of the independent directors.

Board Meetings and Committees; Attendance at Annual General Meeting

The Board of Directors held four meetings in 2013, and acted twice by unanimous written consent. Each director attended at least 75% of the aggregate of the total number of meetings held in 2013 of the Board and any committee on which he served. Michael Karfunkel and George Karfunkel, two of our Founding Shareholders, have non-voting observer rights with respect to the Board of Directors. All directors are expected to make every effort to attend the 2014 Annual General Meeting, and each director attended the 2013 Annual General Meeting.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each comprised entirely of independent directors within the meaning of the rules of NASDAQ and NYSE.

Audit Committee

We have a separately-designated standing Audit Committee. The Audit Committee assists our Board of Directors in monitoring the integrity of our financial statements, the independent auditor's qualifications and independence, performance of our independent auditors and our internal audit function, the establishment and maintenance of proper internal accounting controls and procedures, the treatment of employees' concerns regarding accounting and auditing matters as reported to our whistleblower hotline, and our compliance with legal and regulatory requirements. The Audit Committee's responsibilities also include appointing (subject to shareholder ratification), reviewing, determining funding for and overseeing our independent auditors and their services. Further, the Audit Committee, to the extent it deems necessary or appropriate, among its several other responsibilities, shall:

review and approve all related party transactions, including those with AmTrust, NGHC and our Founding Shareholders, as well as any subsequent modifications thereto, for actual or potential conflict of interest situations on an ongoing basis;

review and discuss with appropriate members of our management and the independent auditors our audited financial statements, related accounting and auditing principles, practices and disclosures;

review and discuss our audited annual and unaudited quarterly financial statements prior to the filing of such statements;

- establish procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of

concerns regarding our financial statements or accounting policies;

review reports from the independent auditors on all critical accounting policies and practices to be used for our financial statements and discuss with the independent auditor the critical accounting policies and practices used in the financial statements;

- assist the Enterprise Risk Management Committee in its responsibility for oversight of risk management;

obtain reports from our management and internal auditors that we and our subsidiaries are in compliance with the applicable legal requirements and our Code of Business Conduct and Ethics, and advise our Board of Directors about these matters; and

monitor the adequacy of our operating and internal controls as reported by management and the independent or internal auditors.

Mr. Neff is the chairman of our Audit Committee and the other members are Messrs. Lyons and Nigro. All the members of the Audit Committee are independent both under SEC rules and as that term is defined in the listing standards of NASDAQ and NYSE. The Board of Directors has determined that Messrs. Lyons and Nigro are “audit committee financial experts.”

The Audit Committee has adopted a charter, which is currently available on our website at www.maiden.bm. Information on our website is not incorporated by reference into this report and does not otherwise form a part of this report.

During 2013, the Audit Committee met four times.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed the audited consolidated financial statements of Maiden Holdings, Ltd. with management and the independent auditors for the year ended December 31, 2013. The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 16, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board in Rule 3526 regarding the independent auditors' communications with the Audit Committee concerning independence. The Audit Committee has discussed with the independent auditors the independent auditors' independence. The independent auditors and the Company's internal auditors had full access to the Audit Committee, including meetings without management present as needed.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC on March 4, 2014.

Compensation Committee

The Compensation Committee's responsibilities include, among other responsibilities:

- reviewing and approving corporate and individual goals and objectives relevant to the compensation of our Chief Executive Officer and other named executive officers;

- evaluating the performance of our Chief Executive Officer and other executive officers in light of such corporate and individual goals and objectives and, based on that evaluation, together with the other independent directors if directed by the Board of Directors, determining the base salary and bonus of the Chief Executive Officer and other executive officers and reviewing the same on an ongoing basis;

- reviewing all related party transactions involving compensatory matters, including those with AmTrust, NGHC and our Founding Shareholders;

- establishing and administering equity-based compensation under the Amended and Restated 2007 Share Incentive Plan (the "Plan") and any other incentive plans and approving all grants made pursuant to such plans; and

- making recommendations to our Board of Directors regarding non-employee director compensation and any equity-based compensation plans.

Please refer to the Compensation Discussion and Analysis for additional discussion of our policies and procedures for determining and establishing executive compensation.

Mr. Nigro is the chairman of our Compensation Committee and the other members of our Compensation Committee are Messrs. Neff and Lyons. All the members of the Compensation Committee are independent both under SEC rules and as that term is defined in the listing standards of NASDAQ and NYSE.

The Compensation Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm. Information on our website is not incorporated by reference into this report and does not otherwise form a part of this report.

The Compensation Committee's independent compensation consultant is Mercer. Mercer is engaged by, and reports directly to, the Compensation Committee, which has the sole authority to hire or fire Mercer and to approve fee arrangements for work performed. Mercer assists the Compensation Committee in fulfilling its responsibilities under its charter, including advising on proposed compensation packages for executive officers, compensation program design and market practices generally. The Compensation Committee has authorized Mercer to interact with management on behalf of the Compensation Committee, as needed in connection with advising the Compensation Committee. It is the Compensation Committee's policy that the Chairman of the Compensation Committee or the full Compensation Committee pre-approve any additional services provided to management by our independent compensation consultant. In fiscal year 2013, Mercer only did work for the Compensation Committee or its senior management designee. The Compensation Committee has assessed the independence of Mercer pursuant to SEC rules and concluded that Mercer's work for the Compensation Committee does not raise any conflict of interest.

During 2013, the Compensation Committee met four times.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee's responsibilities with respect to assisting our Board of Directors include, among other responsibilities:

- establishing the criteria for membership on our Board of Directors;
- reviewing periodically the structure, size and composition of our Board of Directors and making recommendations to the board as to any necessary adjustments;
- identifying individuals qualified to become directors for recommendation to our Board of Directors;
- identifying and recommending for appointment to our Board of Directors, directors qualified to fill vacancies on any committee of our Board of Directors;
- having sole authority to select, retain and terminate any consultant or search firm to identify director candidates and having sole authority to approve the consultant or search firm's fees and other retention terms;
- considering matters of corporate governance, developing and recommending to the board a set of corporate governance principles and our Code of Business Conduct and Ethics, as well as recommending to the board any modifications thereto;
- considering questions of actual or possible conflicts of interest, including related party transactions, of members of our Board of Directors and of senior executives of our Company;
- developing and recommending to our Board of Directors for its approval an annual board and committee self-evaluation process to determine the effectiveness of their functioning; and
- exercising oversight of the evaluation of the board, its committees and management.

Mr. Lyons is the chairman of our Nominating and Corporate Governance Committee and the other members are Messrs. Neff and Nigro. All the members of the Nominating and Corporate Governance Committee are independent both under SEC rules and as that term is defined in the listing standards of NASDAQ and NYSE.

In carrying out its function to nominate candidates for election to our Board of Directors, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of our Board of Directors at that point in time. The Nominating and Corporate Governance Committee interprets diversity to include viewpoints, background, expertise, industry knowledge and geography, as well as more traditional characteristics of diversity, such as race and gender. We believe that the commitment of the Board and the Committee to diversity is demonstrated by the current structure of the Board and the varied skills sets of our directors. The Nominating and Corporate Governance Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board of Directors activities, including attendance at, and active participation in, meetings of the Board of Directors, and not have other personal or professional commitments that would, in the Nominating and Corporate Governance Committee's judgment, interfere with or limit such candidate's ability to do so. Each candidate should also be prepared to represent the best interests of all of our shareholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at Board of Directors and committee meetings and participation in and contributions to the activities of our Board of Directors.

The Nominating and Corporate Governance Committee considers recommendations for director candidates submitted by shareholders. In order for an individual recommended by a shareholder to be eligible for election as a director and considered by the Nominating and Corporate Governance Committee for the 2015 Annual General Meeting of Shareholders, the Corporate Secretary must receive the shareholder's recommendation not earlier than January 6, 2015, nor later than February 5, 2015, as required by our bye-laws.

A shareholder recommending an individual for election as a director must provide the Nominating and Corporate Governance Committee with the candidate's name, age, principal occupation or employment, background and relationship with the proposing shareholder, share ownership, a brief statement outlining the reasons the candidate

would be an effective director and information relevant to the considerations described above. Shareholders should send the required information to the Corporate Secretary, Maiden House, 131 Front Street, Hamilton HM12, Bermuda. The Nominating and Corporate Governance Committee may require further information. Such recommendations must be sent via registered, certified or express mail (or other means that allow the shareholder to determine when the recommendation was received by us). The Corporate Secretary will send any shareholder recommendations to the Nominating and Corporate Governance Committee for consideration at a future committee meeting. Individuals recommended by shareholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Nominating and Corporate Governance Committee.

On February 18, 2014, the Nominating and Corporate Governance Committee agreed to recommend the present five directors for re-nomination to the Board as well as to maintain the present composition of the various committees of the Board.

The Nominating and Corporate Governance Committee has adopted a charter. The charter is currently available on our website at www.maiden.bm. Information on our website is not incorporated by reference into this report and does not otherwise form a part of this report.

During 2013, the Nominating and Corporate Governance Committee met one time.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

We have adopted corporate governance guidelines and a code of business conduct and ethics that apply to all of our directors, officers and employees. These documents will be made available in print, free of charge, to any shareholder requesting a copy in writing to the Corporate Secretary, Maiden Holdings, Ltd., Maiden House, 131 Front Street, Hamilton HM12 Bermuda. A copy of our Corporate Governance Guidelines and our Code of Business Conduct and Ethics is available on our website at

www.maiden.bm. Information on our website is not incorporated by reference into this report and does not otherwise form a part of this report.

Communications with the Board of Directors and Audit Committee

Shareholders and other interested parties may communicate with members of the Board of Directors (either individually or as a body) by addressing the correspondence to that individual or body to The Board of Directors, c/o Chief Financial Officer, Maiden Holdings, Ltd., Maiden House, 131 Front Street, Hamilton HM12, Bermuda or by calling (441) 298-4900.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires officers, directors and persons who own more than ten (10) percent of a class of equity securities registered pursuant to Section 12 of the Exchange Act to file reports of ownership and changes in ownership with both the SEC and the principal exchange upon which such securities are traded or quoted. Officers, directors and persons holding greater than ten (10) percent of the outstanding shares of a class of Section 12-registered equity securities (“Reporting Persons”) are also required to furnish copies of any such reports filed pursuant to Section 16(a) of the Exchange Act with the Company. Based solely on a review of the copies of such forms furnished to the Company and written representations that no other reports were required, the Company believes that from January 1, 2013 to December 31, 2013 all but four Section 16(a) filing requirements applicable to its Reporting Persons were complied with in a timely manner.

Risk Management Oversight

The Board of Directors has the ultimate oversight responsibility for the risk management function of the Company. The Company has implemented an enterprise-wide approach to risk management and has established an Enterprise Risk Management Committee (the “ERMC”) which consists of members of the Company's executive management. The members of the ERMC include senior executives in the finance, legal and internal audit departments, including our Chief Executive Officer, Chief Financial Officer, Executive Vice President, presidents of our major subsidiaries, and General Counsel. It also includes senior executives from our other main operating subsidiaries in Bermuda, the United States and Europe. The ERMC oversees the Company's framework for the identification, assessment, measurement, and reporting of and management exposure to the Company's risk on an enterprise-wide basis. Our Audit Committee receives a quarterly enterprise risk management overview from executive management, which includes updates on areas including operational/strategic risk, financial risk, legal/compliance risk, and emerging risks.

The Audit Committee assists the ERMC in its responsibility for oversight of risk management. In particular, the Audit Committee focuses on major financial risk exposures and the steps management has taken to monitor and control such risks, and discusses with our independent auditor the policies governing the process by which senior management and the various units of the Company assess and manage our financial risk exposure and operational/strategic risk.

The Company has separated the positions of Chief Executive Officer and Chairman of the Board. This separation enhances Board administration and communication, allows for consistent Board leadership and allows the Chief Executive Officer to focus on managing the Company.

Risks Related to Compensation Practices and Policies

Our Compensation Committee has reviewed our material compensation policies and practices applicable to our employees, including our named executive officers, and concluded that these policies and practices do not create risks that are reasonably likely to have a material adverse effect on us. Our Compensation Committee assessed the

Company's compensation and benefits programs to determine if the programs' provisions and operations create undesired or unintentional risk of a material nature. We do not have any programs where the ability of a participant may directly affect variability of payout. Rather, we support the use of base salary, performance-based compensation, and retirement plans that are generally uniform in design and operation throughout the Company and with all levels of employees.

Based on the foregoing, we believe that our compensation policies and practices do not create inappropriate or unintended significant risk to the Company as a whole. We also believe that our incentive compensation arrangements provide incentives that do not encourage risk-taking beyond our Company's ability to effectively identify and manage significant risks, are compatible with our effective internal controls and our risk management practices, and are supported by the oversight and administration of the Compensation Committee with regard to executive compensation programs.

COMPENSATION DISCUSSION AND ANALYSIS

The material elements of our compensation philosophy, strategy and plans are discussed below. The Compensation Committee is responsible for establishing, implementing and monitoring our compensation programs, philosophy and objectives.

Overview

At this stage in our history, the objectives of our executive compensation policy will be to retain those executives whom we believe will be essential to our growth, to attract other talented and dedicated executives and to motivate each of our executives to develop our overall profitability. To achieve these goals, we intend to offer each executive an overall compensation package that is competitive, and a substantial portion of which will be tied to the achievement of specific performance objectives. Our overall strategy is to compensate our named executive officers with a mix of cash compensation, in the form of base salary and bonus, and equity compensation, in the form of share options, restricted share and restricted share unit awards.

The Company, and separately the Compensation Committee, utilized industry competitive executive compensation data provided by our compensation consultant, Mercer, and the reinsurance industry surveys of Towers Watson Data Services, Property and Casualty Reinsurance Compensation Survey and the PWC Bermuda International Business Compensation Survey for the Insurance and Reinsurance Industry to analyze the competitive compensation elements of base salary, long term and annual incentives, total direct compensation and Bermuda benefits for our named executive officers and other company executives. Mr. Raschbaum is involved in making recommendations to the Compensation Committee regarding the compensation arrangements for other executives. The above factors all directly assisted the Compensation Committee to determine fair compensation for the Chief Executive Officer and the other named executive officers.

We have entered into employment agreements with each of our named executive officers.

Executive Compensation

We believe that the Company's compensation packages provide a reasonable arrangement of pay elements that align executive incentives with the creation of shareholder value, and bonuses and share-based awards that are dependent on, and strictly tied to, the Company's performance and paid upon the achievement of business goals and key business metrics. Our executive compensation policy includes the following fixed and variable elements:

Fixed Compensation

Salary. The base salaries provided to our named executive officers are designed to deliver an annual salary at a level consistent with individual experience, skills and contributions to the Company, and are consistent with levels paid by direct and indirect competitors in the reinsurance marketplace. The Compensation Committee generally establishes executive officer base salaries at base compensation levels consistent with benchmark compensation levels for executives with similar job responsibilities at select peer group companies as reported by independent compensation surveys. The annual base salary of each of the named executive officers is set in each of their employment agreements and is reviewed on an annual basis. The Compensation Committee determines the CEO's compensation after consultation with each director on the Board of Directors as well as the Company's outside compensation consultant, and reviews the recommendations of the CEO concerning the compensation of the other named executive officers and makes determinations with respect thereto. In February 2014, the Compensation Committee chose to maintain the base salary of each of the executive officers except for Ms. Schmitt (\$566,500 to \$600,000) and Messrs.

Haveron (\$440,000 to \$501,600) and Metz (\$341,250 to \$392,438), whose salaries were increased to bring them in line with other similarly situated executives per our benchmarking research.

Benefits. The Company seeks to provide benefit plans, such as health and welfare programs to provide life insurance, 401(k), health and disability benefits to our employees, in line with applicable market conditions. These health and welfare plans help ensure that the Company has a productive and focused workforce through reliable and competitive health and other benefits. The named executive officers are eligible for the same benefit plans provided to all other employees local to the entity in which they operate.

The Company provides certain of our named executive officers with other benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain key employees. These benefits are specified in our named executive officers' employment agreements. Many of these benefits relate to those executives, such as Messrs. Raschbaum, Marshaleck and Haveron, who reside and/or work in Bermuda and are typical of such benefits provided to expatriates in Bermuda. Examples of these benefits for Bermuda-based expatriates include housing and housing gross up allowances. These benefits are described under "Summary Compensation Table" and "Employment Agreements" below.

Variable Compensation

Summary of Bonus Determinations. At the beginning of each year, our Compensation Committee sets an aggregate target bonus pool for all employees for the upcoming year, which constitutes the sum of the individual bonuses at target performance

for each employee. Individual bonus targets for named executive officers are set by the Compensation Committee and reflect both the judgments of the Compensation Committee and their review of industry benchmarks. For the balance of eligible employees, these targets are established by management using similar benchmarking along with management judgment. The Compensation Committee also sets targets for each of the key company performance metrics that will guide its determination of what percentage of the aggregate target bonus pool it will fund at the end of the year, which ranges from 0% to 200% of the aggregate target depending upon results. The Compensation Committee retains discretion to adjust the performance metrics at the end of the year based on developments in the industry and at the Company. After the year is completed, the Compensation Committee determines the aggregate size of the Company's bonus pool for the preceding year based on the Company's performance, and then determines the manner in which the pool will be distributed and granted to the named executive officers, based on the methodology described below, which includes discretion to recognize subjective elements of individual performance and contributions.

Our bonus policy awards each named executive officer (except for the chief executive officer whose bonus is determined as described below) for his or her individual contribution to our profits for the fiscal year via our annual incentive plan ("AIP"). The AIP targets are determined by the Compensation Committee and reward the achievement of certain objective measurable company-wide performance metrics and/or preset individual performance metrics, which the Compensation Committee maintains complete discretion to adjust. We believe that the policy of paying a bonus helps us attract qualified employees and provides an additional incentive for individuals to join our Company despite our limited track record.

The Compensation Committee considered the following specific factors, among others, when considering the annual incentive awards to the non-CEO named executive officers:

The Compensation Committee determined that Mr. Marshaleck contributed to the Company by, among other reasons, completing two capital raises focused on increasing the balance sheet and replacing the trust preferred securities, continuing the development of risk based capital, optimizing efficiency of global finance staff to reduce cost and enhance effectiveness, active support and development of finance leadership to strengthen capabilities, active management of investment portfolio to optimize return and minimize risk, and active support of the ERM process.

The Compensation Committee determined that Ms. Schmitt contributed to the Company by, among other reasons, strengthening underwriting performance and profitability, taking a very active role in working with underwriting and claims leadership to direct activities to areas of greatest exposure, significantly reducing property catastrophe aggregates, identifying and implementing cost reduction initiatives focused on reducing run rate expenses and improving competitiveness of the US platform by reducing expense relativities, successfully and profitably implementing regional insurer focused umbrella liability product, growing highly profitable casualty facultative portfolio by over 20%, and focusing on client service.

The Compensation Committee determined that Mr. Haveron contributed to the Company by, among other reasons, completing two capital raises focused on increasing the balance sheet, assisting in the development and implementation of strategy to repay the trust preferred securities in the most shareholder friendly way possible, enhancing the ERM function, working with the CFO and investment manager to actively manage risk and optimize return of invested assets portfolio, reduction in the Maiden Global Services expenses, enhancing effectiveness of the global finance staff and capital planning and management.

The Compensation Committee determined that Mr. Metz contributed to the Company by, among other reasons, maintaining continued vigilance around regulatory and legal risks, effectively managing several key human resources, claims and regulatory challenges, effectively integrating risk identification into ERM and leadership meetings, improvement of litigation management process, expansion of legal and regulatory guidance and technical support to

underwriting teams, establishing formal mandatory pre- and post-binding contract review process, progress in developing processes around run off and insolvency exposures, effectuating run rate cost reductions of \$600,000, and providing active oversight and direction to ensure that the Company is fully compliant with all regulatory, rating agency, stock exchange and other legal responsibilities.

CEO annual incentive award. The Compensation Committee determined that the CEO's target bonus would be contingent on the achievement of objective and subjective standards based on objective Company performance metrics and the subjective assessment of the Compensation Committee regarding the CEO's critical management and leadership accomplishments. For 2013, the Compensation Committee considered as the subjective standards the CEO's effectiveness in developing and implementing:

- the Maiden business strategy;
- two capital raises resulting in incremental capital growth of \$315 million;
- replacing the trust preferred securities and enhancing run rate earnings levels by approximately \$9.5 million annually;
- record annual earnings;
- reduction in expenses;
- continued enhancement of an effective risk management framework for the Company; and
- an effective working relationship with the Board of Directors and shareholders.

The Compensation Committee had previously received a top level benchmarking analysis of CEO compensation from its outside compensation consultant, focusing in particular on other Bermuda reinsurance companies. Such analysis concluded that Mr. Raschbaum's compensation was within the range of cash compensation of similarly situated CEOs. As a result of the foregoing accomplishments in 2013, Mr. Raschbaum, who was targeted to receive 100% of his base compensation, was granted a cash incentive grant of 80% of his base compensation by the Committee, or \$800,000, and a restricted share unit award of \$800,000.

Annual incentive pool. The annual incentive pool ("AIP") is designed to reward our employees, including our non-CEO named executive officers, based on achieving targets in the four performance areas:

- targeted return on equity;
- achievement of combined ratio objectives;
- growth in written premium; and
- controlling expenses.

All of our employees are eligible to earn annual incentive compensation. Our annual incentive compensation is normally paid in February or March for the prior year's performance, and approval by the Compensation Committee is required. An aggregate bonus pool target is established each year, based on the sum of all of the individual employee target bonus amounts. Employee targeted bonus amounts are determined by the employee's position and benchmarked with other reinsurance companies' positions based on information from various independent annual surveys and services.

The actual amount of the annual incentive pool is at the complete discretion of the Compensation Committee and was based in fiscal year 2013 on achieving the following performance metrics: return on equity (40% of the annual incentive calculation), combined ratio target (30%), revenue growth (20%) and operating expense targets (10%). The Compensation Committee maintains complete discretion to modify the performance metrics based on developments in the industry, in the market and the Company during the year. Generally at a performance level of 75% of the target performance metrics, 50% of the targeted annual incentive pool would be awarded. Generally for performance levels below the 75% performance level, no annual incentive compensation would be paid. Generally for performance levels at 150% and above target performance, the annual incentive bonus pool would be capped at 200% of the targeted annual incentive pool.

Return on equity. Return on equity ("ROE") as a measure of performance is highly correlated to market value and ultimately the creation of shareholder value. As a measurement, it is a proxy for the relationship between net income and the book value of the Company. The Compensation Committee in consultation with the CEO establishes annual bonus target levels that are consistent with the objective of ultimately achieving a medium term goal of 15% annual ROE.

Combined ratio. Underwriting profit is a critical component of operating performance and the combined ratio reflects the margin by which insurance earned revenues exceed operating costs and reinsured losses. The Company utilizes this metric to evaluate its underwriting effectiveness on a contract and aggregate portfolio basis. This metric is also measured at the underwriting team level and ultimately impacts individual compensation. For Maiden, the group's ultimate target metric is a 96% or lower combined ratio.

Revenue growth rate. While the reinsurance sector is a mature market with pronounced underwriting cycles that reflect the competitive nature of the market, over time, our Board of Directors and our Compensation Committee believe that the Company's competitive advantages should enable the Company to grow at a level in excess of the broader industry growth trends. While this metric is an important measure of the effectiveness of the Company's business model and market acceptance, it receives a significantly lower weighting than ROE and combined ratio in recognition of the fact that in a cyclically mature market, competition in the reinsurance sector may at times reach a level where growth opportunities at acceptable margins are limited.

Operating expense. Reflecting the mature market dynamics of the reinsurance sector, a critical element of Maiden's business model is operating efficiency. We target the maintenance of operating expense relativities (operating expenses measured against net earned premium) within the most efficient quartile among industry participants of operating efficiency on an annual basis. Our Board of Directors and Compensation Committee believe that loss costs being equal, the relative operational efficiency of our Company can further differentiate it in both profit margin and cost competitiveness. The Compensation Committee establishes this metric on an annual basis based on the business plan developed by management.

The AIP performance targets for the 2013 fiscal year, adopted by the Compensation Committee in February 2013, were a 11.5% return on equity, 96.75% combined ratio, 10% revenue growth and an achievement of targeted operating expense levels of 3.5%. The following chart compares the target and the actual figures attained by the Company and the resulting percentage of business performance versus the AIP metrics:

Business Performance Metric	Weight	2013 Target	2013 Actual	2013 AIP %
Return On Equity	40.0	% 11.5	% 10.2	% 30.7

Based on the Company's performance achieved, the aggregate bonus pool calculated to 90%. The aggregate bonus pool maximum target (not including the CEO) established for the 2013 fiscal year was accrued for in the Company's fiscal 2013 financial statements. For employees other than the named executive officers, executive management has discretion to determine the actual incentive compensation paid, which can range from 0% to 200% of the employees' targeted annual incentive compensation based on the employees' individual performance for the year. The total annual incentive compensation paid cannot exceed the aggregate pool approved by the Compensation Committee.

The Compensation Committee determines the actual annual incentive compensation for each named executive officer based on the corporate performance against the AIP performance targets, as referenced above for 2013, and his/her individual contribution to the achievement of the resulting performance. The Committee relied upon the benchmarking surveys from outside compensation consultants, as well as the recommendations from the entire Board of Directors and the CEO when determining and approving the annual incentive awards of the non-CEO named executive officers. The annual incentive awards are calculated based upon a target percentage of base salary. The Compensation Committee considered the specific factors listed in this CD&A for the CEO and the other named executive officers.

Based on the foregoing and the CEO's overall assessment of their performance, and considering that each award was calculated 90% per the explanation above, (1) Mr. Marshaleck, who was targeted to receive 100% of his base compensation, was granted 100% of his target award, or \$540,000; (2) Ms. Schmitt, who was targeted to receive 75% of her base compensation, was granted 110% of her target award, or \$420,626; (3) Mr. Haveron, who was targeted to receive 75% of his base compensation, was granted a 100% of his target award, or \$297,000; and (4) Mr. Metz, who was targeted to receive 40% of his base compensation, was granted 105% of his target award, or \$128,993.

Further in February 2014, the Compensation Committee unanimously approved the metrics for the 2014 AIP, which were adjusted from the 2013 AIP consistent with other similarly situated reinsurance companies, as well as for other reasons, including changes in the operating environment, the current investment yield environment and maintaining a conservative investment portfolio. The 2014 AIP metrics are detailed in the following table:

Business Performance Metric	Weight	2014 Target
Return On Equity	40.0	% 12.85
Combined Ratio	30.0	% 97.25
Revenue Growth	20.0	% 10.0
Operating Expenses	10.0	% 3.0
Total	100.0	%

The 2014 AIP will be awarded based on the corporate result level. Additionally, specific 2014 business objectives have been established for each named executive.

Long-Term Incentive Compensation. We believe that the use of options to purchase common shares and share-based awards offers the best approach to achieving our compensation goals as equity ownership ties a considerable portion

of a named executive officer's compensation to the performance of our common shares. We intend to increase our emphasis on long-term variable compensation at the senior executive levels because of our desire to reward effective long-term management decision making and provide the named executive officers with a future interest in the Company. In February 2012, the Compensation Committee adopted share ownership guidelines for our named executive officers and other senior leaders of the Company. Long-term incentive compensation, which potentially expires in the event of the departure of an executive from the employ of the Company, has the ability to retain valuable executive talent within the organization. The Plan provides the principal method for our named executive officers and other senior leaders to acquire equity interests in the Company. From the Company's inception in 2007 through 2010, the Compensation Committee utilized only share option grants to provide the principal method for our named executive officers to acquire equity interests in the Company.

Long Term Incentive Plan. In March 2011, the Compensation Committee approved the formation of a long term incentive program under the Plan with the assistance of our compensation consultant. The objective of the long term incentive program was to replace the annual option award with performance-based restricted share units in order to link compensation to performance

relative to specific criteria, as well as share price. The design of the program included objective review and recommendations from our compensation consultant, who utilized industry survey data and proxy details to establish benchmark compensation levels. Compensation levels are targeted at industry medians, but factors such as experience, time in position, responsibility levels and historical compensation levels were used to adjust the benchmarks. For each non-CEO grant, performance is measured over a three-year performance period with 100% vesting at the end of the three year period assuming performance criteria have been met. Based on the recommendation of the compensation consultant, the initial grants which were made in 2011 had a vesting period of two years as a transition to the new program. However, all subsequent grants have a vesting period of three years. The relative cost is similar to the historical level of option awards issued in 2008. This program includes all the named executive officers and other senior leaders. The CEO received his final contractual share option grant in November 2010, and in February 2012, the Compensation Committee granted the CEO his initial restricted share unit award.

It is intended that long term incentive compensation will be delivered each February or March for the prior year's performance by the Compensation Committee. The CEO is awarded restricted share units based upon the completion of critical objectives, leadership performance and broad strategic business decisions, which are assigned and evaluated by the Compensation Committee and/or the Board of Directors. For the non-CEO named executive officers and other senior leaders, 50% of the award granted is based upon the achievement of certain corporate performance targets (described below) of the three year segments, and 50% of the award granted is based upon each executive's individual performance in the prior year. Performance criteria will be based on the core business objectives of 15% ROE, 96% combined ratio, growth rate of 10% and expenses relativities at budgeted levels. The corporate performance targets for the long term incentive plan are established annually by the Compensation Committee. The long term incentive compensation opportunity for each participant will be determined based upon a set percentage of that employee's base salary as of the grant date of the award. The closing price on NASDAQ of our common shares on the date of grant was used to determine the number of restricted share units issued.

The minimum performance-based targets for the 2011-12 period were not met, and as a result, no shares were issued. As previously reported, the Compensation Committee also awarded performance-based restricted share units to the non-CEO named executive officers and other senior leaders for the 2012-14 period.

In February 2014, the CEO received a non-performance based restricted share unit grant of \$800,000. This grant vests one-third on the first anniversary of the date of grant, one-third on the second anniversary of the date of grant, and one-third on the third anniversary of the date of grant.

Performance-based long term incentive awards were granted to the non-CEO named executive officers and other senior leaders for the 2014-16 performance period. The long-term incentive plan performance targets for the 2014-16 period, adopted by the Compensation Committee in February 2014, were a 13.75% return on equity, 97% combined ratio, 10% revenue growth and an achievement of targeted operation expense levels of 2.9%. The long term incentive compensation granted to the non-CEO named executive officers for the 2014-16 period were (1) \$390,000 of restricted share units for Mr. Marshaleck (65% of his 2014 base salary), (2) \$330,000 of restricted share units for Ms. Schmitt (55% of her 2014 base salary), (3) \$250,800 of restricted share units for Mr. Haveron (50% of his 2014 base salary), and (4) \$156,975 of restricted share units for Mr. Metz (40% of his 2014 base salary). For these performance based grants to the non-CEO named executive officers, the actual value of these units will be determined at the end of the three year valuation period (end of 2016) and settled based on actual performance relative to the targets referenced above.

Discretionary Awards. Pursuant to the Plan, the Compensation Committee may, in its complete discretion, distribute restricted share or other awards in recognition of top performance or to help retain key employees, among other reasons. The first restricted share unit award vesting period ended in 2012, while the next restricted share unit award grant period ends in 2014. As a result to address the gap, in February 2014 the Compensation Committee chose to

make discretionary restricted share grants to the named executive officers and select senior leaders for fiscal 2013 toward the retention of our most important leadership talent and in recognition of their contributions toward a profitable year for the Company. These restricted share grants are intended to act as long term incentive awards, as one-half will vest on January 1, 2015, and the other half will vest on January 1, 2016. The closing price on NASDAQ of our common shares on the date of grant was used to determine the number of restricted shares issued. The restricted share grants to the named executive officers were: (1) \$97,500 of restricted shares for Mr. Marshaleck, (2) \$77,894 of restricted shares for Ms. Schmitt, (3) \$55,000 of restricted shares for Mr. Haveron, and (4) \$34,125 of restricted shares for Mr. Metz.

Share Options. We believe awarding our employees with options to purchase our common shares align employee incentives with shareholders because options increase in value only as the Company's share price increases over time. The Plan is intended to award our employees and named executive officers with proprietary interests in the Company and to provide an additional incentive to promote our success and to remain in our service. The Plan authorizes us to grant incentive share options, non-qualified share options, restricted share units and restricted share awards to our employees, officers, directors and consultants. Our Compensation Committee oversees the administration of the Plan. 10,000,000 of our common shares are reserved for issuance under the Plan, of which no more than 2,500,000 (25% of the total number of shares currently authorized for issuance under the Plan) may be used for restricted share awards. As of December 31, 2013, there are an aggregate of 2,439,413 options outstanding to purchase common shares that have been awarded to our senior executives, non-employee directors, employees and other persons. The Compensation Committee awards share options based on its evaluation of an individual's contribution to the Company's overall success.

Options granted to Mr. Raschbaum, Mr. Marshaleck, Ms. Schmitt, Mr. Haveron and Mr. Metz, along with any other grant under the Plan, is at the complete discretion of the Compensation Committee (except for those contractually-provided for via approval by the Compensation Committee).

Retirement Plan. We do not provide either a qualified or non-qualified pension plan for our named executive officers. However, it is intended that all of our employees will be eligible to participate in pension plans which have been established on their behalf.

Change in Control and Severance Arrangements. We do not maintain change in control agreements with any of our named executive officers. We do not provide any severance benefits other than as may be provided in an executive's employment agreement.

At our 2011 Annual General Meeting of Shareholders, the common shareholders cast their votes in support of the Board of Directors' recommendations on the advisory votes regarding the compensation of our named executive officers and the frequency of voting on executive compensation once every three years. Based on the favorable response we received from our shareholders on the advisory votes, the Board intends to continue its current compensation practices which link executive pay to Company performance and hold advisory votes on executive compensation once every three years.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with executive management. Based on its review, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

(2) Represents cash awards earned for performance in accordance with the Annual Incentive Plan and reported in the Compensation and Management Discussion.

(3) Amount shown reflects the grant date fair market value of restricted share units granted to Mr. Raschbaum. The 2013 restricted share units vest one third on the first anniversary of the grant, one-third on the second anniversary of the grant, and one-third on the third anniversary of the grant. The 2012 restricted share units vest one-half on the first anniversary of grant, and one-half on the second anniversary of grant.

(4) Amount shown reflects payments related to the costs of commuting to our office in Bermuda and associated lodging expenses, tax equalization, life insurance, and Bermuda social insurance (and paid dividends for unvested

restricted shares for Mr. Marshaleck).

(5) Amount shown reflects payments related to the costs of commuting to our office in Bermuda and associated lodging expenses, tax equalization, life insurance, Bermuda social insurance and personal umbrella liability insurance.

(6) Represents the aggregate grant date fair market value of performance-based restricted share unit awards and restricted share awards granted to the named executive officer as determined in accordance with Accounting Standards Codification Topic No. 718, "Compensation Stock Discussion," using the assumptions described in Note 14 to the Financial Statements included in our Annual Report on Form 10-K filed with the SEC. The value of the performance-based restricted shares at grant date fair market value for John Marshaleck was \$390,000, Karen Schmitt was \$311,575, Patrick Haveron was \$220,000, and Lawrence Metz was \$136,500. At maximum plan performance the performance-based restricted share units would be estimated at 200% value of the grant date fair market value variable to the fair market value of common shares as of the settlement date. The Restricted Shares granted are subject to a two year vesting with 50% vested at the first anniversary year from grant and the remaining 50% granted at the second anniversary year of grant. The restricted share grants were awarded with voting and dividend rights. The value of the restricted shares at grant date fair market value for John Marshaleck was \$195,000, Karen Schmitt was \$155,788, Patrick Haveron was \$100,000, and Lawrence Metz was \$65,000.

(7) Represents the aggregate grant date fair market value of performance-based restricted share unit awards and restricted share awards granted to the named executive officer as determined in accordance with Accounting Standards Codification Topic No. 718, "Compensation Stock Discussion," using the assumptions described in Note 14 to the Financial Statements included in our Annual Report on Form 10-K filed with the SEC. At maximum plan performance, the performance-based restricted share units would be estimated at 200% value of the grant date fair market value variable to the fair market value of common shares as of the settlement date.

(8) Represents the aggregate grant date fair market value of performance-based restricted share unit awards and restricted share awards granted to the named executive officer as determined in accordance with Accounting Standards Codification Topic No. 718, "Compensation Stock Discussion," using the assumptions described in Note 14 to the Financial Statements included in our Annual Report on Form 10-K filed with the SEC. Despite the grant date value listed here from March 2011, the performance targets for the 2011-12 performance period did not meet the minimum thresholds, thus no restricted share units vested, and the named executive officer received zero common shares from this award.

(9) Amount shown reflects payments related to the costs of commuting to our office in Bermuda and associated lodging expenses, tax equalization, life insurance, Bermuda social insurance, personal umbrella liability insurance and executive physical.

(10) Amount shown reflects payments related to life insurance, car allowance and paid dividends for unvested restricted shares.

Employment Agreements

Arturo M. Raschbaum, John M. Marshaleck, Karen L. Schmitt, Patrick J. Haveron and Lawrence F. Metz

We have entered into employment agreements effective November 1, 2011 with Mr. Raschbaum, Mr. Marshaleck, Ms. Schmitt, Mr. Haveron and Mr. Metz. Each employment agreement is virtually the same for these five individuals except for salary and title. Below is a summary of the key terms of these employment agreements. We do not currently maintain key man life insurance policies with respect to any of our senior management.

The three year term of the employment agreements ends on October 31, 2014 unless terminated earlier pursuant to the terms of the employment agreement. The employment agreement will automatically renew for successive three year periods unless the Company or the respective employee provides 90 days' notice of its or his intention not to renew the employment agreement. Messrs. Raschbaum, Marshaleck and Haveron receive housing and commuting allowances regarding their working time in Bermuda.

Under the employment agreements, we are able to terminate each executive's employment at any time for "cause" and, upon such an event, we will have no further compensation or benefit obligation to such executive after the date of termination. Cause is defined in the agreement as (i) a material breach of the employment agreement by the executive, but only if such breach is not cured within 30 days following written notice by the Company to the executive of such breach, assuming such breach may be cured; (ii) conviction of any act or course of conduct involving moral turpitude; or (iii) engagement in any willful act or willful course of conduct constituting an abuse of office or authority that significantly and adversely affects our business or reputation. No act, failure to act or course of conduct on the

executive's part will be considered willful unless done, or omitted to be done, by him not in good faith and without reasonable belief that his action, omission or course of conduct was in our best interests.

Under the employment agreements, the executives have agreed to keep confidential all information regarding the Company that he or she receives during the term of employment and thereafter. Each executive also agreed that during the term of employment and for a two-year period beginning upon termination of the employment, he or she will not solicit any of our customers with whom he had dealings or senior employees or solicit any entity that he or she knows has been contacted by us regarding a possible acquisition by us for purposes of acquiring that entity. Each executive has also agreed to a non-compete provision of one year from the date of termination of the agreement, and a non-solicitation of clients and employees for two years from the date of termination of the agreement.

(2) The restricted share units granted to Mr. Raschbaum vest one-third on the first anniversary of grant, one-third on the second anniversary of grant, and one-third on the third anniversary of grant.

(3) To calculate the value in this column, the closing price of the Company's final trading day of fiscal 2013 on NASDAQ on December 31, 2013 of \$10.93 was used.

These restricted share units shall vest based upon the achievement of performance criteria relating to return on equity, underwriting performance, revenue growth and operating expense during the respective performance period (4) assigned to such grant (usually three years). The target award listed in this column represent 100% of the target award, and 0% to 200% of such target award may vest depending upon the degree to which the performance targets are met.

(5)

These restricted shares granted shall vest 50% on the first anniversary of the issuance date, and 50% on the second anniversary date of the issuance date.

OPTION EXERCISES AND STOCK VESTED IN 2013

None of our named executive officers exercised any options or had any restricted shares or restricted share units vest in 2013.

PENSION BENEFITS AND NON-QUALIFIED DEFERRED COMPENSATION

We do not have any qualified or non-qualified defined benefit plans.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

We do not maintain change in control agreements with any of our named executive officers and none of our equity awards vest upon a change in control of the Company. We do not provide for severance benefits for any of our named executive officers.

DIRECTOR COMPENSATION FOR 2013

In 2013, we paid an annual retainer of \$72,000 to each non-employee director of the Company. In addition, each non-employee director received a fee of \$2,000 for each meeting of the Board of Directors attended in person. Each non-employee director who chairs a committee of the Board of Directors also received an annual retainer of \$5,000, as well as \$1,000 for each meeting of such committee of the board chaired. Each non-employee director received a fee of \$1,000 for attendance at each meeting of a committee of the Board of Directors on which he or she sits. We also reimbursed our directors for reasonable expenses they incur in attending meetings of the Board of Directors or any of its committees. Directors may also be eligible in the future for awards under the Plan. A director does not receive a fee for any Board of Directors meeting or committee meeting he or she does not attend in person or for any committee meeting he or she attends as a non-committee member. Employee directors received no compensation for service on the Board of Directors or any board committee.

Each director received a grant of 6,000 options in June 2013. These options will vest on the first anniversary of the grant. It is our intention that, on or around June 1 of each year, each non-employee director will receive an annual grant of 6,000 options to purchase our common shares with an exercise price equal to the fair market value on the grant date, which will vest on the first anniversary of the grant.

Mr. Zyskind has never accepted a retainer, any Board of Directors or committee fees or any options or other equity-based awards for his service as non-executive Chairman of our Board of Directors.

The following table provides the amount of compensation paid to the non-employee directors of the Company for 2013:

Name	Fees Earned or Paid in Cash (\$)(1)	Option Awards (\$)(2)(3)	Total (\$)
Barry D. Zyskind	\$—	\$—	\$—
Raymond M. Neff	\$98,000	\$14,280	\$112,280
Simcha Lyons	\$95,000	\$14,280	\$109,280
Yehuda L. Neuberger	\$78,000	\$14,280	\$92,280

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Founding Shareholders and Related Agreements

We were formed in June 2007. In connection with our formation and capitalization, we issued 7,800,000 of our common shares, then representing 100% of our outstanding common shares, and warrants to acquire 4,050,000 common shares, to our Founding Shareholders in consideration of their collective investment of \$50 million. In addition, certain trusts controlled by Michael Karfunkel and George Karfunkel acquired an aggregate of 7,155,000 common shares in the Trust Preferred Securities financing completed on January 20, 2009. Pursuant to Warrant Exchange Agreements with each of the Founding Shareholders, ten-year warrants to purchase 4,050,000 common shares issued in June 2007 to the Founding Shareholders with an exercise price of \$10.00 per share were exchanged for an aggregate of 1,800,000 common shares in September 2010; the common shares issued in exchange for the warrants were subject to a three-year lockup that expired on September 20, 2013. The common shares issued to Michael Karfunkel and George Karfunkel in exchange for the warrants will not be registered under the Securities Act of 1933, while Barry Zyskind's common shares were issued pursuant to the Plan. The shares held or controlled by the Founding Shareholders and their affiliates represent approximately 28.2% of our outstanding common shares as of March 15, 2014.

Michael Karfunkel is the non-executive chairman of the board of AmTrust, George Karfunkel is a director of AmTrust, and Barry Zyskind is the president, chief executive officer and director of AmTrust. The Founding Shareholders and Leah Karfunkel (wife of Michael Karfunkel) and their affiliates own or control approximately 59% of the outstanding shares of AmTrust. In addition, on June 5, 2013, AmTrust converted its 53,054 shares of Series A Preferred Stock of National General Holdings Corp. ("NGHC") (formerly known as American Capital Acquisition Corporation, or ACAC) into 42,958 common shares of NGHC, par value \$0.01 per share, which became 12,295,430 common shares after NGHC effected a 286.22:1 stock split on June 6, 2013. On June 6, 2013, NGHC issued 21,850,000 common shares in a 144A offering, which resulted in AmTrust owning 15.4% of the issued and outstanding common shares of NGHC, Michael Karfunkel owning 15.8% of the outstanding common shares of NGHC and the Michael Karfunkel 2005 Grantor Retained Annuity Trust (which is controlled by Leah Karfunkel) owning 41.4% of the outstanding common shares of NGHC ("Annuity Trust"). Michael Karfunkel is the chairman and chief executive officer of NGHC, and Barry Zyskind is a director of NGHC.

Our Arrangements with AmTrust and Its Subsidiaries

Master Agreement and Quota Share Agreement

In July 2007, we entered into a master agreement, as amended, by which Maiden Insurance and AmTrust's Bermuda affiliate, AmTrust International Insurance, Ltd. ("AII"), entered into a quota share reinsurance agreement (the "AmTrust Quota Share"), as amended, by which AII retrocedes to Maiden Insurance an amount equal to 40% of the premium written by AmTrust's U.S., Irish and U.K. insurance companies (the "AmTrust Ceding Insurers"), net of the cost of unaffiliated inuring reinsurance (and in the case of AmTrust's U.K. insurance subsidiary AmTrust Europe, Ltd., net of commissions) and 40% of losses with respect to the AmTrust's current lines of business, excluding personal lines reinsurance business, certain specialty property and casualty lines written in AmTrust's Specialty Risk and Extended Warranty segment, which Maiden Insurance was offered but declined to reinsure, and risks for which the AmTrust Ceding Insurers' net retention exceeds \$5,000,000 which we have not expressly agreed to assume ("Covered Business"). Effective January 1, 2010, we agreed to assume our proportionate share of AmTrust's workers' compensation exposure, and shared the benefit of the 2010 excess reinsurance protection. AmTrust has also agreed to cause AII, subject to regulatory requirements, to reinsure any insurance company that writes Covered Business in which AmTrust acquires a majority interest to the extent required to enable AII to cede to Maiden Insurance 40% of the

premiums and losses related to such Covered Business. The AmTrust Quota Share further provided that we pay AII a ceding commission of 31% of ceded written premiums with respect to Covered Business, except retail commercial package business, for which the ceding commission is 34.375%.

Effective April 1, 2011, Maiden Insurance and AII amended the AmTrust Quota Share to reduce the commission on all business ceded except Retail Commercial Package Business to 30% until December 31, 2011. Thereafter the rate increased to 31% subject to an adjustment of 1% to 30% if the proportion of Specialty Risk and Extended Warranty premium ceded is greater than or equal to 42% of the Covered Business (excluding Retail Commercial Package Business). If the proportion of Specialty Risk and Extended Warranty premium ceded is greater than or equal to 38% but less than 42% of the Covered Business (excluding Retail Commercial Package Business), the commission rate shall be reduced by 0.5% to 30.5%. In addition, the collateral requirements were restated to clarify that balances relating to all AmTrust subsidiaries are subject to collateral requirements and the AmTrust Quota Share was extended by one year through June 30, 2014 (and shall automatically renew for successive three-year periods thereafter). If AII or Maiden Insurance elects to so terminate the AmTrust Quota Share, it shall give written notice to the other party hereto not less than nine months prior to the expiration of any successive three-year period. In addition, either party is entitled to terminate on thirty days' notice or less upon the occurrence of certain early termination events, which include a default in payment, insolvency, change in control of Maiden Insurance or AII, run-off, or a reduction of 50% or more of the shareholders' equity of Maiden Insurance or the combined shareholders' equity of AII and the AmTrust Ceding Insurers.

Effective March 7, 2013, Maiden Insurance and AII amended the AmTrust Quota Share by extending the term of the Agreement to July 1, 2016. The amendment further provides that, effective January 1, 2013, AII will receive a ceding commission of 31% of ceded written premiums with respect to all Covered Business other than retail commercial package business, for which the ceding commission will remain 34.375%. Lastly, with regard to the Specialty Program portion of Covered Business only, AII will be responsible for ultimate net loss otherwise recoverable from Maiden Insurance to the extent that the loss ratio to Maiden Insurance, which shall be determined on an inception to date basis from July 1, 2007 through the date of calculation, is

between 81.5% and 95% (the "AmTrust Loss Corridor"). For the purposes of determining whether the loss ratio falls within the AmTrust Loss Corridor, workers' compensation business written in AmTrust's Specialty Program segment from July 1, 2007 through December 31, 2012 is excluded from the loss ratio calculation. Above and below the defined corridor, Maiden will continue to reinsure losses at its proportional 40% share per the AmTrust Quota Share.

Maiden Insurance recorded approximately \$273,484,000 of ceding commission expense for the year ended December 31, 2013 as a result of this transaction.

The AmTrust Quota Share requires that we provide to AII sufficient collateral to secure its proportional share of AII's obligations to the U.S. AmTrust Ceding Insurers. AII is required to return to Maiden Insurance any assets of Maiden Insurance in excess of the amount required to secure its proportional share of AII's collateral requirements, subject to certain deductions. In order to secure its proportional share of AII's obligation to the AmTrust Ceding Insurers domiciled in the U.S., AII currently holds a collateral loan with Maiden Insurance in the amount of approximately \$167,975,000 (see below). Effective December 1, 2008, AII and Maiden Insurance entered into a Reinsurer Trust Assets Collateral agreement whereby Maiden Insurance is required to provide AII the assets required to secure Maiden's proportional share of the Company's obligations to its U.S. subsidiaries. The amount of this collateral as of December 31, 2013 was approximately \$1,094,964,000. We retain ownership of approximately \$1,094,964,000, which is deposited in reinsurance trust accounts.

AmTrust European Hospital Liability Quota Share Agreement

Effective April 1, 2011, Maiden Insurance entered into a quota share reinsurance contract with AmTrust Europe Limited and AmTrust International Underwriters Limited, both wholly owned subsidiaries of AmTrust (the "European Hospital Liability Quota Share"). Pursuant to the terms of the contract, Maiden Insurance assumed 40% of the premiums and losses related to policies classified as European Hospital Liability, including associated liability coverages and policies covering physician defense costs, written or renewed on or after April 1, 2011. The contract also covers policies written or renewed on or before March 31, 2011, but only with respect to losses that occur, accrue or arise on or after April 1, 2011. The maximum limit of liability attaching shall be €5,000 or currency equivalent (on a 100% basis) per original claim for any one original policy. Maiden Insurance will pay a ceding commission of 5% and shall allow the reinsured a profit share on original net premiums ceded under the contract. The profit sharing is based upon the reinsured exceeding defined underwriting performance of each contract year, commencing two years after the beginning of each contract year. To the extent that the underwriting performance is exceeded, we will share 50% of the excess amounts computed. The agreement had an initial term of one year, automatically renews for one year, and can be terminated at any April 1 by either party on four months' notice. For the year ended December 31, 2013, the Company recorded approximately \$5,713,000 of commission expense as a result of this transaction.

Effective January 1, 2012, the European Hospital Liability Quota Share was amended, thereby increasing the maximum liability attaching to €10,000 or currency equivalent (on a 100% basis) per original claim for any one original policy. Furthermore, amendments were also made to the contract to expand the territorial scope to include new territories, specifically France.

Note Receivable

In conjunction with the AmTrust Quota Share, we entered into a loan agreement with AII during the fourth quarter of 2007, whereby we agreed to lend to AII from time to time the amount of the obligation of the AmTrust Ceding Insurers that AII is obligated to secure, not to exceed an amount equal to Maiden Insurance's proportionate share of such obligations to such AmTrust Ceding Insurers in accordance with the AmTrust Quota Share. AII is required to deposit all proceeds from the advances into a sub-account of each trust account that has been established for each AmTrust Ceding Insurer. To the extent of the loans, we are discharged from providing security for its proportionate

share of the obligations as contemplated by the AmTrust Quota Share. If an AmTrust Ceding Insurer withdraws loan proceeds from the trust account for the purpose of reimbursing such AmTrust Ceding Insurer for an ultimate net loss, the outstanding principal balance of the loan shall be reduced by the amount of such withdrawal. The loan agreement was amended in February 2008 to provide for interest at a rate of LIBOR plus 90 basis points and is payable on a quarterly basis. Each advance under the loan is secured by a promissory note. Advances totaled approximately \$167,975,000 as of December 31, 2013.

Reinsurance Brokerage Agreement

Effective July 2007, we have entered into a reinsurance brokerage agreement with AII Reinsurance Broker Ltd., a subsidiary of AmTrust. Pursuant to the brokerage agreement, AII Reinsurance Broker Ltd. provides brokerage services relating to the Reinsurance Agreement for a fee equal to 1.25% of the premium reinsured from AII. The brokerage fee is payable in consideration of AII Reinsurance Broker Ltd.'s brokerage services. AII Reinsurance Broker Ltd. is not our exclusive broker. AII Reinsurance Broker Ltd. may, if mutually agreed, also produce reinsurance for us from other ceding companies, and in such cases we will negotiate a mutually acceptable commission rate. Following the initial one-year term, the agreement may be terminated upon 30 days written notice by either party. We recorded approximately \$12,361,000 of reinsurance brokerage expense for the year ended December 31, 2013.

Asset Management Agreement

Effective July 2007, we have entered into an asset management agreement with All Insurance Management Limited ("AIIM"), an AmTrust subsidiary, pursuant to which AIIM has agreed to provide investment management services to Maiden Insurance. Pursuant to the asset management agreement, AIIM provides investment management services for an annual fee equal to 0.20%

if the average value of the account is less than \$1 billion and 0.15% if the average value of the account is greater than \$1 billion. The asset management agreement has an initial term of one year and is automatically renewable for additional one-year terms unless either party elects not to renew the agreement. Following the initial one-year term, the agreement may be terminated upon 30 days written notice by either party. We recorded approximately \$4,388,000 of investment management fees for the year ended December 31, 2013.

Other AmTrust-related Reinsurance Agreements

Effective April 1, 2012, Maiden US entered into a reinsurance agreement with AmTrust's wholly owned subsidiary, AmTrust North America, Inc. ("AmTrust NA"). Maiden US shall indemnify AmTrust NA, on an excess of loss basis, as a result of losses occurring on AmTrust NA's new and renewal policies relating to the lines of business classified as Automobile Liability by AmTrust NA in its annual statement utilizing the specific underwriting guidelines defined in the reinsurance agreement. AmTrust NA shall retain the first \$1,000,000 of loss, per any one policy or per any one loss occurrence. Maiden US shall be liable for the amount by which AmTrust NA's loss exceeds \$1,000,000, but the liability of Maiden US shall not exceed \$1,000,000 on any one policy and any one loss occurrence. The agreement provides AmTrust NA with fixed ceding commissions on net written premiums varying between 10% to 27.5% depending on the commission rate in the underlying policy. This agreement has a term of one year and automatically renews annually unless terminated pursuant to the terms of the agreement. Under this agreement, Maiden US recorded approximately \$643,000 of net premiums earned and \$158,000 of commission expense for the year ended December 31, 2013.

Effective September 1, 2010, our indirect wholly owned subsidiary Maiden Specialty entered into a 90% quota share reinsurance agreement with Technology Insurance Company, a wholly owned subsidiary of AmTrust ("TIC"). Under the agreement, Maiden Specialty ceded (a) 90% of its gross liability written under the Open Lending Program ("OPL") and (b) 100% of its surplus lines general liability business under the Naxos Avondale Specialty Casualty Program ("NAXS"). Maiden Specialty's involvement is limited to certain states where TIC was not fully licensed. The agreement also provides that Maiden Specialty receives a ceding commission of 5% of ceded written premiums. The reinsurance agreement had a term of three years and remained continuously in force until terminated in accordance with the contract. The OPL program was terminated on December 31, 2011 on a run-off basis and the NAXS program terminated on October 31, 2012. Maiden Specialty recorded approximately \$928,000 of premiums earned ceded and \$186,000 ceding commission for the year ended December 31, 2013.

Effective September 1, 2010, Maiden US entered into a reinsurance agreement with Security National Insurance Company ("SNIC"), a subsidiary of AmTrust. Under the agreement, SNIC will cede 80% of the gross liabilities produced under the Southern General Agency program to the Company. The agreement provides SNIC with a 5% commission of ceded written premiums. The reinsurance agreement has a term of one year. The agreement was subsequently amended, effective September 1, 2012, whereby the termination date of the agreement was extended until August 31, 2013. This agreement expired on the termination date and is currently in run-off. Pursuant to the latest amendment, Maiden US now receives 100% of the premium and reinsures 100% of the gross liabilities incurred (from the effective date). Maiden US recorded approximately \$4,785,000 of premiums earned and \$239,000 of commission expense for the year ended December 31, 2013.

Other

On March 1, 2011, we entered into a time sharing agreement for the lease of aircraft owned by AmTrust Underwriters, Inc. ("AUI"), a wholly owned subsidiary of AmTrust. The original lease term was for 10 months and ended on December 31, 2011. The lease, however, automatically renews for successive one-year terms unless terminated in accordance with the provisions of the agreement. Pursuant to the lease agreement, we agreed to reimburse AUI for actual expenses incurred as allowed by Federal Aviation Regulations. For the year ended December 31, 2013, the

Company recorded an expense of approximately \$57,000 for the use of the aircraft.

We paid brokerage fees to AmTrust's subsidiary, AmTrust North America, of approximately \$65,000 for the year ended December 31, 2013 for acting as insurance intermediary in relation to certain insurance placements.

Our Arrangements with NGHC and Its Subsidiaries

Maiden Insurance, effective March 1, 2010, has a 50% participation and reinsures 25% of the net premiums of the GMAC personal lines business acquired by NGHC, pursuant to a 50% quota share reinsurance agreement (“NGHC Quota Share”) with the GMAC personal lines insurance companies, as cedents, and Maiden Insurance, ACP Re, Ltd. (formerly known as MK Re, Ltd.), a Bermuda reinsurer which is a wholly-owned subsidiary of the Michael Karfunkel 2005 Grantor Retained Annuity Trust, and TIC, as reinsurers. TIC has a 20% participation in the NGHC Quota Share, by which it receives 10% of net premiums of the personal lines business. The NGHC Quota Share provides that the reinsurers, severally, in accordance with their participation percentages, shall receive 50% of the net premium of the GMAC personal lines insurance companies and assume 50% of the related net losses. The NGHC Quota Share has an initial term of three years and shall renew automatically for successive three year terms unless terminated by written notice not less than nine months prior to the expiration of the current term. Notwithstanding the foregoing, our participation in the NGHC Quota Share may be terminated by the personal lines insurance companies on 60 days written notice in the event we become insolvent, are placed into receivership, our financial condition is impaired by 50% of the amount of our surplus at the inception of the NGHC Quota Share or latest anniversary, whichever is greater, is subject to a change of control, or ceases writing new and renewal business. The personal lines insurance companies also may terminate the agreement on nine months written notice following the effective date of initial public offering or private placement of stock by NGHC or a subsidiary. Maiden Insurance may terminate its participation in the NGHC Quota Share on 60 days written notice in the event the personal lines companies are subject to a change of control, cease writing new and renewal business, effects a

reduction in their net retention without Maiden Insurance's consent or fails to remit premium as required by the terms of the NGHC Quota Share. The NGHC Quota Share provides that the reinsurers pay a provisional ceding commission equal to 32.5% of ceded earned premium, net of premiums ceded by the personal lines companies for inuring reinsurance, subject to adjustment. The ceding commission is subject to adjustment to a maximum of 34.5% if the loss ratio for the reinsured business is 60.5% or less and a minimum of 30.5% if the loss ratio is 64.5% or higher.

Effective October 1, 2012, the parties amended the reinsurance agreement to decrease the provisional ceding commission from 32.5% to 32.0% of ceded earned premium, net of premiums ceded by the personal lines companies for inuring reinsurance, subject to adjustment. The ceding commission is subject to adjustment to a minimum of 30.0% (changed from 30.5%), if the loss ratio is 64.5% or greater.

On August 1, 2013, we received notice from NGHC of the termination of the NGHC Quota Share effective on that date. The Company and NGHC mutually agreed that the termination is on a run-off basis, which means that Maiden Insurance continues to earn premiums and remain liable for losses occurring subsequent to August 1, 2013 for any policies in force prior to and as of August 1, 2013 until those policies expire.

We recorded approximately \$75,382,000 of ceding commission expense for the year ended December 31, 2013 as a result of this transaction.

Other NGHC-related Reinsurance Agreements

Effective April 1, 2013, Maiden US entered into a Medical Excess of Loss reinsurance agreement with wholly owned subsidiaries of NGHC, Distributors Insurance Company PCC, AIBD Insurance Company IC and Professional Services Captive Corporation IC. Pursuant to this agreement, Maiden US indemnifies on an excess of loss basis, for the amounts of net loss, paid from April 1, 2013 through March 31, 2014. Maiden US is liable, under layer 1 of this agreement, for 100% of the net loss for each covered person per agreement year in excess of the \$1,000,000 retention (each covered person per agreement year). Under this layer, Maiden US's liability shall not exceed \$4,000,000 per covered person per agreement year. Maiden US is also liable, under layer 2 of this agreement, for 100% of net loss for each covered person per agreement year in excess of layer 1. Maiden US's liability under this section shall not exceed \$5,000,000 per covered person per agreement year. In addition to the coverage provided under layers 1 and 2, Maiden US indemnifies extra contractual obligations with a maximum liability of \$2,000,000. This agreement terminates on March 31, 2014 and, unless mutually agreed, Maiden US will be relieved of all liability hereunder for losses incurred or paid subsequent to such termination date. Under this agreement, Maiden US recorded approximately \$180,000 of premiums earned for the year ended December 31, 2013.

Effective September 12, 2012, our indirect wholly-owned subsidiary, Maiden Re Insurance Services, LLC ("Maiden Re"), entered into a consulting agreement with Integon Association Management LLC ("Integon"), a wholly owned subsidiary of NGHC, pursuant to which Maiden Re has agreed to provide to Integon underwriting and pricing support for a fee of \$25,000 per month, and also a fee of \$100 for each policy quote evaluation and an additional \$100 for each policy re-quote evaluation. The initial term of this agreement is for a period of one year, unless terminated earlier by either party. This agreement shall be renewed automatically upon expiration of the initial term for successive one year periods, unless a party delivers written notice of non-renewal to the other party at least 120 days before the end of the initial term or any renewal term. We recorded \$276,000 consulting fee income for the year ended December 31, 2013. During the fourth quarter 2013, Maiden received notice of the termination of this agreement effective December 31, 2013.

Review, Approval or Ratification of Transactions with Related Persons

In June 2011, the Company, through our wholly owned subsidiary Maiden Holdings North America, Ltd. ("Maiden NA"), issued \$107,500,000 principal amount of 8.25% Senior Notes due on June 15, 2041, which are fully and unconditionally guaranteed by the Company. The Senior Notes were used to repurchase on a pro rata basis \$107,500,000 of the \$260,000,000 outstanding Trust Preferred Securities. We offered all Trust Preferred Securities holders the option to have their securities repurchased on the same terms. ACP Re, Ltd., an entity owned by the annuity trust controlled by Michael Karfunkel, accepted the offer to repurchase its \$79,066,000 in principal amount of Trust Preferred Securities on July 15, 2011. George Karfunkel purchased \$25,000,000, and NGHC and AII each purchased \$12,500,000, of the principal amount of the Senior Notes. Our Audit Committee reviewed and approved NGHC's, AII's, and George Karfunkel's participation in the Senior Notes offering.

Conflicts of interest could arise with respect to business opportunities that could be advantageous to any or all of AmTrust or its subsidiaries, NGHC or its subsidiaries, and the Company or our subsidiaries. In addition, potential conflicts of interest may arise should the interests of AmTrust and/or NGHC and/or the Company diverge. From time to time, AmTrust and/or NGHC and/or the Company may be presented with opportunities to insure, reinsure or acquire the same book of business. Because of the overlaps between our and AmTrust's shareholders, the Company and AmTrust have agreed that in such cases, the opportunities will be referred to a committee of independent directors of each company to decide whether that company wishes to pursue the opportunity. Pursuant to its charter, our independent Audit Committee must review and approve in advance or ratify any transaction or relationship of any size in which we and any related party have a direct or indirect material interest. The Audit Committee will consider all of the relevant facts and circumstances including (if applicable), but not limited to, (i) the benefits to us; (ii) the impact on a director's independence in the event the related person is a director, a director's immediate family member or an entity in which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally. When considering these factors, the Audit Committee members will apply their business judgment based upon all relevant facts and circumstances known at that time, in accordance with their fiduciary duties to our shareholders.

The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. A proposal will be presented at the Annual General Meeting in the form of the following resolution:

RESOLVED, that the shareholders of the Company hereby approve the compensation paid to the Company’s named executive officers, as disclosed in the proxy statement for the Company’s 2014 Annual General Meeting of Shareholders under the heading “Executive Compensation” pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

The Board believes that our compensation program achieves the objectives set forth under “Executive Compensation - Compensation Discussion and Analysis” in this proxy statement. As we discuss above in Compensation Discussion and Analysis, the core objectives of our executive compensation program are to: (i) attract and retain talented executive officers; (ii) further align the financial interests of our executive officers with those of our shareholders; and (iii) compensate our executive officers based on their overall performance. Under this program, we seek to compensate our named executive officers for the achievement of specific annual, long-term and financial goals, certain non-financial goals, and the realization of increased shareholder value. The Board urges you to review carefully the information under “Executive Compensation” in this proxy statement and to vote, on an advisory basis, to approve the compensation of the Company’s named executive officers. While the vote on named executive officer compensation is advisory and non-binding, our Board and Compensation Committee value the opinions of our shareholders and we will consider our shareholders’ views, as expressed by their vote on this proposal, in any subsequent determinations of compensation policies and practices.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” PROPOSAL 4.

PROPOSAL 5:

MAIDEN INSURANCE COMPANY LTD. NAME CHANGE

The Board is recommending to change the name of our wholly owned Bermuda subsidiary “Maiden Insurance Company Ltd.” to “Maiden Reinsurance Ltd.” Our Board of Directors has determined that the name change will better reflect our business operations as a reinsurance company. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NAME CHANGE OF MAIDEN INSURANCE COMPANY IN PROPOSAL 5.

The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any material service not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee.

The Audit Committee may form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are independent directors) its authority to grant pre-approvals of audit, permitted non-audit services and internal control-related services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee pre-approved all fees in the period from January 1, 2013 through December 31, 2013.
